MOLINA TO HEADLINE MARCH OF DIMES CARD

Louie Molina, San Jose's K.O. artist, will top promoters Bill Young and Abe Aquistapace's March of Dimes fight card here at the Civic, Friday, Feb. 5th. His opponent will be an experienced hard punching lightweight from Old Mexico by name Tony Lopez.

In 1959 Lopez had 18 fights, winning 15 of them via the K.O. route.

Molina will be trying for his fourth straight knockout. This writer is going along with Molina to do just that.

Willie Sanchez who came out second best against former amateur champion Julio Lau, gets another chance to show that he was robbed in his last time out against the hard punching boy from San Francisco.

If Willie boxes his man instead of trying to slug, he should win the next time out, which is on the Molina-Lopez card in the semi-wind-up.

(Kid) Joey Rose looking sharp and also looking forward to his San Jose debut the latter part of Feb.

Toby Alvarado seriously thinking of making a comeback????????????????

Jorge Macias also talks of boxing again. And so once again till the next Excentric issue, May God be with us always.....

MADERA GIRLS VISIT SAN JOSE

The girls at extreme right, Chan and Frances of Madera, California were recent visitors in The Garden City.

They were here to attend the wedding of their cousin Miss Alice Rubio to Mr. Ray Alvarez.

The girls went to the dance at the Rainbow and had such a wonderful time that they are now talking of moving to our town.

*Editorial comment: The boys can't wait for the day, girls!

CLUB San Felipe

Joe Gonzales

I want to express my most sincere gratitude to all the people who accompanied us with our sorrow in the death of my father, Mr. Jose C. Gonzales.

Our special thanks to Mrs. Antonia Ruiz for officiating the rosary. We won't ever forget your kindly thoughts and intentions and may God bless you all.

The United Food Drive committee held their second meeting last Friday, January 29th at Newman Hall where elections were held. The elections were as follows:

Alvin Valadez-----	President
Joe Rodriguez-----	Vice President
Lena Manriquez-----	Treasurer
Rachel Andres-----	Secretary
Friday Aguilera-----	Dance Chairman
Joe Gonzales-----	Talent Show Director
Candy Veliz-----	Distribution Chairman
Rudy Belloumini-----	Publicity Director

The talent show for the U.F.D. will be held at the Liberty Theater on Feb. 27th from 9 to 12 with the dance following next day on Feb. 28th at I.E.S. hall.

Donations will be a can of food.

Remember, today its your neighbor, tomorrow it might be you.

In the next issue I will give more information about who is to be in the Talent Show and what bands will furnish the music. If anybody knows or has a place where we can store cans of food, please get in touch with the Distribution Chairman Candy Veliz or call Cypress 7-8560.

The question around is, "Who is El Negrito Farafas?"

Well, if you are still wondering who he is he will be in town and is expected to break all records at the beautiful Leon's Gardens with the most popular band in town, Bobby Zamora.

This is sponsored by San Joaquin and Club San Felipe. This is to be held on Feb. 21st in the afternoon. Come One, Come All, and find out who EL NEGRITO FARAFAS is!!!!!!

SPORTS:

The U.C.C. Basketball League got underway on Feb. 31st at Roosevelt Jr. High gym.

San Joaquin played the first game against Casa Matana in a very exciting and thrilling game.

San Joaquin came out on top 33-32.

In the 2nd game SAN FELIPE faced Del Mar in which game the score was changing in a very excit-

ing way. At the end the score was 39-37 in favor of Club San Felipe.

Butch Martinez was high-point man for our club and a fine defensive game was played by Al Aguirre, Naro Moran, Joe Flores, Cesar Isais, and Danny Marquez.

GOSSIPS

Rumors around that Kilo and Rosie got married, or is it "going to be married?"

Lloraras, Lloraras----- Eddie Valdez and Turie Jimenez have ended their long Romance.

Why do they call Joe Carvajal and Goyo Gloria the Heavyweight and Lightweight Champions of San Jose??????????????

Seems like Art Cuellar dials Cy 3-3337 every night, I sometimes wonder who's at the end of the line----- que no sepa el delgadito de Bubbles.

By the way, Bubbles, what do you mean that if the girls don't sit on you, you won't sit on them????

EL EXCENTRICO'S 1959 All U.C.C. FOOTBALL TEAM

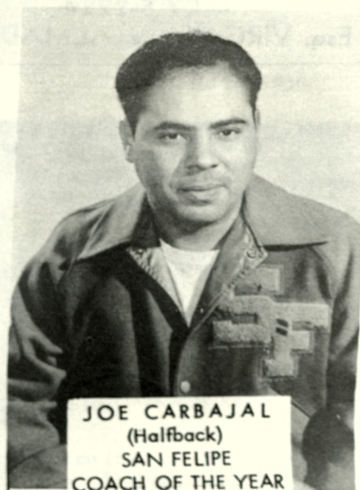

The Knights' all purpose back Ruben Garcia, fleet end Pete Rojas of Casa Mañana, and San Joaquin's big 220 lb. fullback Bob Garcia spearhead the 1959 All U.C.C. League Football Team.

Ruben Garcia, Knights quarterback, has been chosen the league's MOST VALUABLE PLAYER as a result of his sterling performances in every encounter. He was especially resplendent in The Knights' 8-6 loss to league titlist Club San Joaquin on December 6th.

In that game Ruben intercepted a C.S.J. aerial and sped 60 yards to score his team's only touchdown. He was also outstanding on the defensive unit of the Knights.

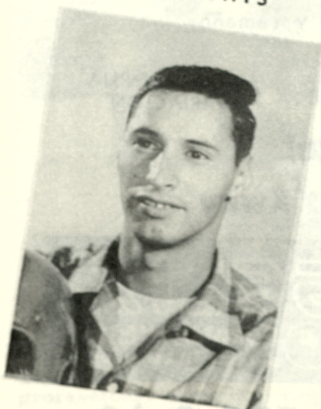

Runner-up for MVP honors is C.S.J. fullback Bob Garcia. He was the starting fullback in the Champs' lineup, a post that calls for a rugged blocker, power to run the middle, and a smart, alert signal caller.

The rugged ex-College of Sequoias great shifted to tailback in games against San Felipe and Knights when his tailbacks got banged up and did a commendable job.

Halfback Dan Bittel of San Joaquin was considered the hardest runner to stop in the entire league. Every team was fully aware that as Bittel went, so went San Joaquin's running game. Playing in the vital tailback post and handicapped by his inability to pass, Dan romped for six touchdowns in the first three games of the season.

In San Joaquin's 48-6 win over Casa Mañana Bittel raced 60, 75, 40, and 55 yards in the greatest display of open field running the league has ever seen.

Joe Carbajal of San Felipe earns a spot in our 1959 All League backfield because of his top-notch blocking skills. He was the main reason that San Felipe's offensive backs were able to move the ball so remarkably in the latter stages of the season.

Pete Rojas of Casa Mañana is easily the best offensive wingman ever to cavort in the U.C.C. League. An excellent pass receiver, he made some out-of-this-world catches in the Nov. 15th game vs the Knights. C.S.J. fullback Bob Garcia calls him "The hardest hitting man in the league!"

U.C.C. LEAGUE COACH OF THE YEAR

Coach of the Year for the 1959 season is JOE CARBAJAL of San Felipe. Joe's gridders were handicapped by never having played "flag" football prior to their entry into the U.C.C. League.

They absorbed 30-6 and 54-12 pastings from The Knights and Club San Joaquin in their initial games and then bounced back to upset Casa Mañana in their next game 14-12.

Carbajal's charges gave indications of having mastered the complexities of "flag" football and looked forward to their game vs the league leading All Stars of Club San Joaquin.

On Nov. 29th they whipped the league leaders and gained the respect of every team in the circuit.

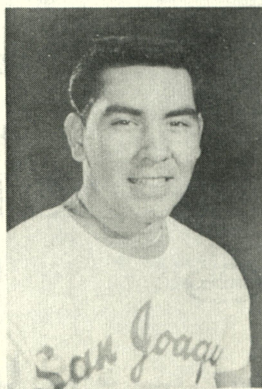

Dec. 13th S.F. ends dropped two passes in the end zone and San Felipe lost a 6-2 game to the Knights.

Beating C.M. by forfeit in their last game San Felipe completed what must surely be the most amazing reversal of form in the league's annals.

OUTSTANDING ON DEFENSE

Leo Carrillo, the lanky linebacker of The Knights, Rudy Garcia, Club San Joaquin's aggressive tackle, and big and agile middle guard Steve Coronado of Club San Felipe were standouts of the defensive platoons.

Joe Sanchez, San Felipe; Joe Gonzalez, San Felipe; Chris Trujillo, San Joaquin; Paul Reynoso, San Joaquin; Henry Cenicerio, Knights; Blocker Villalba, Knights; and Dan Ortiz, Knights; are players who were considered very strongly for All League berths.

Other players receiving Honorable Mention are: Tom Nava, Rudy Moya, Hector Valenzuela, Chuck Simonini, Ron Blenders, Jim Wall, and Lou Molina of Casa Mañana.

Bob Sanchez, Rudy Lara, Arnold Rivas, Ramsey Valdez of Club San Felipe.

Ken Saucedo, Julio Camacho, Frank Serrano, Eddie Plata, Paul Gary, and Ron Gonzales of San Joaquin.

Sam Ferrel, Al Garza, Willie Escobar, Frank Murguia, and Tabby Perez, of The Knights.

(Football fever hits Humberto Garcia! Exactly two weeks AFTER the season ended.....!)

The most highly successful U.C.C. League football season is history.

Increased interest in the league was evident at a number of games, primarily the Knights-San Joaquin game which was billed THE GAME OF THE YEAR.

This contest drew the largest turnout ever to see a U.C.C. contest and the teams involved treated the crowd to a 8-6 thriller.

Joe Vasquez was our outgoing president. In turning over the duties of president over to Eppie Gallego Vasquez extended his best wishes and success in re-vamping the policies of the club.

At the meeting the club decided to give the executive board full power to plan activities of the club without calling for a vote of the whole membership. The club, however, will have the power to recall any decision made by the board.

UNITED FOOD DRIVE OFF TO GOOD START

TALENT SHOW and a regular movie will be featured at the Liberty Theater on Saturday the 27th of February. An effort is now under way to bring a talented person from HOLLYWOOD to spotlight the Talent Show in an effort to have capacity attendance at the theater. Admission will be a contribution of money or non-perishable food.

THE BIG DANCE will be held the following day, Sunday, February 28th at the I.E.S. Hall on Santa Clara Street.

It will feature at least three different bands plus outstanding individual attractions. It will start at approximately 2:30 P.M. and will continue until 7:30 in the evening. Admission will also be a contribution of either money or non-perishable food.

Further information will be promulgated through radio, television, local papers and an exclusive coverage of the drive will be published in the Excentrico Saturday, February 20th, just one week before The Talent Show and the BIG DANCE.

Keep informed and help make this drive one of the most fruitful so that the burden of the needy people in this community will be at least temporarily alleviated.

Palabras Apostolicas de Victor Hugo

HERMANOS MIOS RECONCILIEMONOS

Emprendamos el ancho camino de la concordia. Demos tregua a nuestros adios, estrechemos nuestras manos; que los grandes tengan piedad de los pequeños y que los pequeños perdonen a los grandes.

Cuando se comprendera que navegamos en el mismo buque y que el naufragio es inevitable? El mar que nos amenaza es inmenso y tiene abismos para todos. Lo he dicho en otra parte y la repito; salvar a los otros es salvarse a si mismo.

La solidaridad es terrible, pero la fraternidad es dulce. Una engendra a la otra. Seamos hermanos.

Queremos terminar nuestras desgracias? Pues renunciemos a nuestro colera, reconciliemos y veries como nos alaga a todos la sonrisa de la paz.

La MADRE y EL LOBO

Un lobo hambriento iba pasando por debajo de un balcon cuando oyo el llanto de un pequenín. Pronto la madre aparecio al balcon y dijo: "Callate Juanito que si no te callas te voy a arrojar por el balcon para que te coma el lobo."

El lobo se paso la lengua por los dientes de contento y se decidió esperar el bocado.

Pero pasaron las horas y la madre nunca arrojó al chico. Ya muy al atardecer, el lobo oyo que la madre cantaba una cancion de cuna al pequenín en que decia, "Duermete niño, que ya la noche llego y muy de mananita nos levantaremos los dos para dar de palos al lobo traidor."

Medio muerto de frio y de hambre el lobo echo a correr hacia su guarida donde su esposa la loba le tenia una pequeña cena. Y mientras comia el lobo se quejaba amargamente.

"De que te quejas?" le pregunto la loba.

"De mi credulidad," dijo el lobo,

"de creencia a la palabra de una mujer."

Los DOS SACOS

TODA PERSONA, segun una antigua leyenda, nace con dos sacos suspendidos del cuello. Uno de ellos con una abertura muy grande que cuelga por delante y que contiene los defectos agenos.

El otro que cuelga hacia las espaldas con una abertura muy angosta y que contiene los propios defectos.

De aqui es que el hombre es muy rapido para notar los defectos agenos pero muy lento para notar los propios.

El Mosquito y El Buey

Un mosquito se sento en el cuerno de un buey y se apresto a arar. Ya a medido dia y despues de mucha labor, el mosquito se acerco al oido del buey y le dijo, "Hemos arado. Te he dado toda la ayuda necesaria amigo buey pero ya estoy cansado y quiero ir a dormir. Pero antes de irme, y en agradecimiento a mi ayuda no me permitaras que te de un picotazo para hartermme de lechesita que necesio para reponer las necesidades de mi cuerpo."

El buey ni siquiera le contesto pues ya sabia que era inutil contestarle. Se resigno, bajo la oreja donde el mosquito dio un buen picotazo.

Año Nuevo . . . Vida Nueva

El Adagio lo dice y nadie es de ser culpado o por algo que quiza ha existido por muchos años y que en el presente trae nuevas inspiraciones en lo que en la actualidad es un algo "MAS" que se llevara a su completa realizacion con la "FE" puesta en alto la accion a nuestro mayor alcance posible y la fortaleza ira acompañandonos como alguien que fue mas "FUERTE" y mas "GRANDE" que nosotros y que sin embargo nos proponemos a continuar luchando hasta el final esperando ser coronados con felices exitos y venturosa fortaleza.

El año 1960 hizo su aparicion, sin tocar la puerta entro y se posesiono del resinto, nadie le dio el pase y sin embargo se le esperaba con ansias. EL CABALLERO ANDANTE de misticas aventuras llego de inmediato tornandonos curiosos al escudriñar la reaccion que en cada uno de los presentes representaria ya que para cada uno representaria una actitud distinta su aparicion.

Abrazos, risas, estrechez de manos, abrazos, lagrimas, todo acompañado de las sencillas frases "FELIZ AÑO NUEVO!" que es siempre tan comun en fecha como esta.

Y la fiesta sigue, los brindis continuan, nuevas copas se sirven, otras se vacian, el compañero de al lado es desconocido, a la dama de enseguida no la conozco y asi sucesivamente transcurre el tiempo y lo que acaba de llegar en son de novedad pasa a formar parte del siglo en que tenemos la gracia de vivir "Esto si no nada mas de existir" y al repasar los versos del poeta creo que tambien el formo parte del contingente de AÑO NUEVO que despertó su inspiracion para este verso.

El carnaval del mundo engaña tanto que la vida son breves mascaradas
Aqui aprendemos a reir con llanto
y tambien a llorar con carcajadas.

FLASH!

The word is out, Club San Joaquin and Club San Felipe have combined to contract the services of "EL NEGRITO FARAFAS" for his only northern California appearance.

This presentation will take place during the gigantic afternoon-night dance at the spacious Leon's Gardens. The program will start at 4:00 P.M. It will include singers, dancers, door prizes, Bobby Zamora and his orchestra, and presentation of the U.C.C. FOOTBALL ALL STAR team, and many more surprises that are being planned to make this an enjoyable evening for everyone.

HOTTEST HANG OUT!!!!!!

Joe's Candy Bar on 10th St. and Taylor seems to be the place where friends meet. Owners Joe & Candy were host to a tamalada held there by Club San Felipe. Highlighting the affair was Dave Sierra breaking his own record of eating one dozen and one half tamales which he set on Christmas Eve.

Dave, this time, huffed, ulped and gulped his way to an even two dozen. Congratulations Dave.

(FARAFAS IS COMING)

It is with sincerest regret that I inform you that one of our more active Aces, JULIO CAMACHO, met with a grave accident at his place of business.

He was in San Jose Hospital. The Club San Joaquin members and all his many friends, are I am sure, with me in hoping that he recovers real soon.

(FARAFAS IS COMING!)

Club Social Cuauhtemoc had a caravan to Dodge Ridge and had a ball. According to Raquel Cervantes, Marie Gutierrez, Marge & Alice Coca, it was a SNOW BALL!!!

(FARAFAS IS COMING!)

THE HONEYMOONERS!

I'll never forget the look on her face when we woke up the next morning and I told her the whole ceremony was just a practical joke.

THE LUSH!

Her sister was a heavy drinker too, one day she visited the office and we asked her what she liked to drink; RYE? SCOTCH? GIN? She said, "Yes!"

Johnny Madrid looking like he snapped out of his slump. Seen giving Cha Cha lessons to a blande at Leon's Gardens.

Rudy Olivas, a great piano man, with the Bobby Zamora band is rumored to prefer his girls from the deepest part of Mexico. (No le gustan las pochotas.)

In my last issue I mentioned that I would say more about the club and it's members.

In the following picture we have LOUIE CEDILLO one of the most active members of the club. In 1959 he was awarded ten bas-

ketball trophies. He is the only person that I know of that has six teams playing in the city league. He has worked so hard to furnish softball diamonds, and gyms for the U.C.C. and other clubs besides our own. We cannot begin to express our thanks for the wonderful job that he has done. Let's get back to Louie himself by looking at him A person would say he's about 19 or 20 years old.

How old is LOUIE? That I could not say. His wife says that he is the handsomest man that she has ever met. Louie is happily married, and has three lovely children. By trade he is A painter with his own business, so if you have any painting to be done do not forget LOUIE CEDILLO.

UNITED FOOD DRIVE

In the last meeting of the United Food Drive committee elections were held with the following persons being elected to office:

Rudy Angulo is madly in love, but I hear that she is engaged.

Charlie (Maverick) Molina, Frank (panchito) Lopez, Henry (el loco) Molina, Jose (Ki Tin) Hernandez were seen at the Louie Molina fights. I wonder what door they sneaked in thru.

Stopping at Club Metro for A drink I was served by John (Cuatro Ojos) Baumann.

A MODERN REVIEW OF SOME OLD TIME FAVORITES

Herewith, just for a change of pace, is our personal interpretation of various American Fairy Tales.
(NOT to be read aloud to the kiddies!!!!!!)

JACK AND JILL----- The heartwarming story of two youngsters of opposite sexes who ascend a hill in quest of a bucket of water.

(Dramatically emphasizes the ignorance of youth. A brainless baboon knows that water seeks its own level and if there is water at the hill's summit there must be water at the base.)

MARY HAD A LITTLE LAMB----- The story of a lamb's undying love for a little girl and the problems with which they were confronted in the classrooms of a typical American village.

(Points out the crying need for more lambs in this country so that little lambs can fall in love with other little lambs instead of females of the human species.)

HUMPTY-DUMPTY----- Story of an overweight boy who sat on a high wall, fell on his derriere, and of the fruitless efforts of the King's men and equines to nurse him back to normal.

(Makes us aware of the rapid strides Medicine has made in our civilization. Horses are no longer used to aid us in curing the ailing.)

LITTLE RED RIDING HOOD----- The story of a big bad wolf in Grandma's clothing, and how he attempts to devour an innocent young child who is totally unaware that her grandmother has fallen prey to his wiles.

(Points out the drastic need for a better and more far-reaching Eye Conservation Program in our rural communities. If anyone can't distinguish between their own grandmother and a wolf, no matter how he is attired, **THEY NEED GLASSES!!!!!!**)

THE OLD WOMAN WHO LIVED IN A SHOE----- A tear-jerker. The moving story of an elderly lady, living in a discarded boot, who has more kids than she can comfortably support.

(Spotlights the housing problem which was prevalent in our country even in its infancy. Also, makes no mention of her husband so we must assume that the children are illegitimate.)

LOUIE MOLINA WINS THIRD PRO FIGHT!

Ex-Olympian Louie Molina won his 3rd consecutive professional boxing match on Tuesday, Jan. 26th when he dropped tall Ray Copeland of Richmond in the first round of a scheduled ten rounder.

This was Lou's first fight since injuring his left hand against Kildo Mar... last May. His next appearance will be for The M... show in Civic Auditorium on Friday, February 3.

THE MAIL BOX:

Dear Alvin;

Thank you for the enlightening words of Countee Cullen in the last edition. I am in possession of his complete works and if you are one of his admirers also I would be most happy to allow you to peruse my entire collection.

Undoubtedly you are familiar with his very well known Epitaph for Joseph Conrad which says, quote:

"They lie not easy in the grave

Who once have known the sea..."

Also, friend, heed the words of that great pool-room philosopher E. Davidus Sierra (1934-...) who once said, quote:

"Let us not expound on what we were before, what we accomplished yesterday, nor the heights we yearn to scale; but rather what we are building now and what we are at present....."

(You have my permission to cut out these sagacious words and paste them in your scrapbook if you wish.)

AUGUSTANA COLLEGE TO ABANDON TRADITION?

Got a letter recently from an old friend Glenn Vanderveld, and in it an item that merits repetition, to wit: Traditionally the student body president of the school that loses the Augustana-Morningside College football game has to give his pants to the winning team S.B. President.

The dilemma, according to friend Vanderveld: Miss Jo Anne Williams is the new president of A.C!!!!
