

PROFICIENCY TESTS

Proficiency tests are required by some departments prior to students entering or being admitted to certain courses or curricula in business, chemistry, engineering, foreign language, mathematics, music, physical education, physics; and teacher education. The test results are used to program students in those studies for which they are prepared. Some of the proficiency tests are administered by the Testing Office; others are administered by the departments concerned. Consult department advisers for further information.

STATEMENT OF RESIDENCE

A Statement of Residence must be completed prior to registration for each student. Students in continuous attendance during successive semesters are not required to file statements of residence after the initial filing. Any break in attendance requires a new Statement of Residence. Students are held responsible for reporting any change in residence status. A statement will be mailed to each new or returning student with the application forms. The forms should be completed and returned to the Admissions Office with the application.

Summer session and extension students are not required to file Statements of Residence.

PROGRAM PLANNING

Freshman students should begin to plan their programs as early as possible. A first step, when practical, is to select a major. Degree requirements in each major are listed under the appropriate department and in the section on degrees and credentials.

Students will be given help in planning their programs by academic advisers, but the primary responsibility for meeting requirements falls on the student. The catalog should be carefully read and the proper college offices consulted for additional information. The *Schedule of Courses* must be followed when planning a particular semester's program.

The following are among the sections of this catalog students should study carefully:

Admission to the College	General Education
Advanced Placement	Housing
College Calendar	Pass—Withdraw
Concurrent Registration	Probation
Counseling Services	Registration
Course Requirements	Regulations-Procedures
Degrees and Credentials	Repetition of Courses
Entrance Examinations	Residence Requirements
Extension Credit	Schedule of Fees
Financial Assistance	Scholarship Requirements
Foreign Language	Special Programs
Foreign Students	Statement of Residence
	Upper Division Credits

TRANSFER STUDENTS

Students intending to transfer to Fresno State College should plan their programs while attending other colleges to meet curriculum requirements of this college. The general degree regulations and the requirements in the department offering the major selected should be studied for courses and sequences necessary for the degree. See provisions for *General Education*.

After admission to Fresno State College, the student will usually receive a copy of his advanced standing evaluation indicating how previous college credits have been applied toward requirements at Fresno State College. Normally, applicants
