

THE VICE PRESIDENT  
WASHINGTON

March 15, 1967

Dear Ms. Tolmach:

My friends in California have told me of your leadership and work last year in the election campaign for Governor Pat Brown and the Democratic Party.

Although the campaign was not capped with many victories, you can be proud your efforts were on behalf of a fine Governor and good Democrats. Without a Democratic Governor or Senator, your continuing efforts, time, and talent on behalf of our party assume even greater importance.

I plan to visit California when possible and look forward to the opportunity of visiting and talking with you -- to receiving your advice and counsel as well as your support for the Democratic Party.

Best wishes.

Sincerely,

*Hubert H. Humphrey*
