The schedule is as follows: 9-9:30 testing and breakfast; 9:30-10:00 demonstrations; 10-10:30 guest speaker; 10:30-11:00 questions and answers.

In addition, all registered participants will receive a free copy of Dr. DeBakey's book "The Living Heart," a \$15.00 value, 430 page book. Door prizes, too.

Guest speaker will be Dr. Nicholas Bednarski, M.D.

Because of limited space, please call to register for this free event and book: Sandy Okum 482-3125 or Sonia Brink 484-2387.

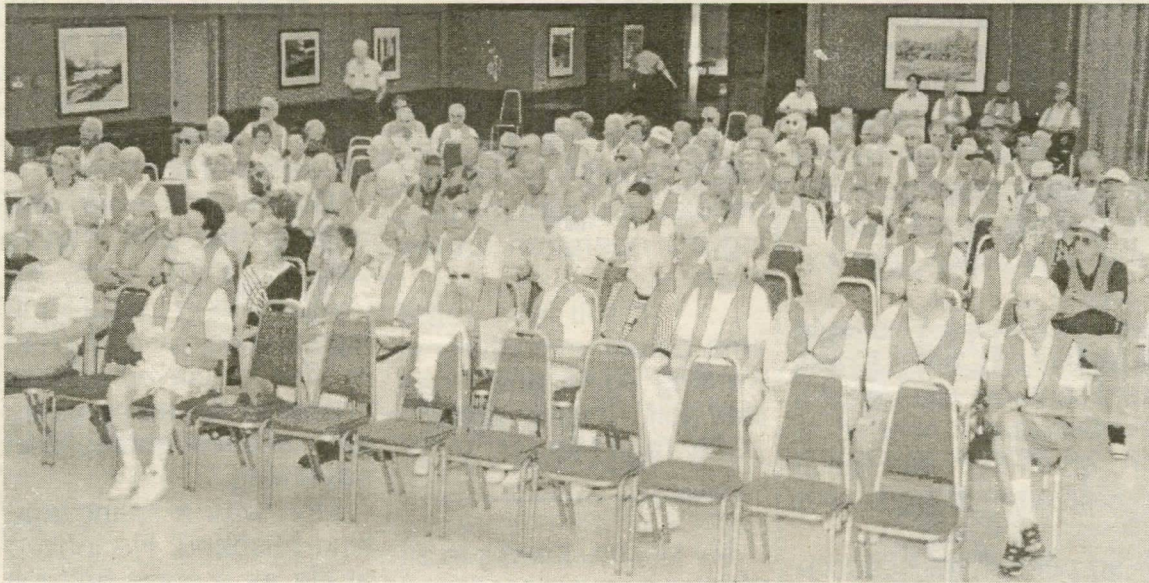

How To File An Insurance Claim

By Doris Achterkirchen

Leisure Village residents who suffer damage to their homes from a broken water line or fire need to call the State Farm Insurance agent Jerry Pizzo immediately after the incident, and before the homeowner begins cleanup. First, the insurance company can send help to prevent further damage to the home, and second, the representative can determine if there is a

Board Meeting Attended By ESO In Bright Vests

Members of the Emergency Services Organization wearing bright pink/orange/red vests (as they were variously described) filled the AR at the August 7 LV Board meeting. They were recognized and introduced by ESO Chairman Ken Wilson. All categories of the organization from ham radio operators, CBers, nutrition, RVers, maintenance, Village coordinators and assistants to search and rescue were present. It was a colorful sight which graphically illustrated the extent of commitment the ESO has accepted to prepare for any kind of emergency.

55 Alive

By Naomi Balfour

The Education and Recreation Committee will offer a 55 Alive driving class on September 21 and 22 from 1:00 to 5:00 p.m. in the MPR. These classes are taught by A.A.R.P. to make senior drivers more aware and safer on the road. All participants receive a certificate which entitles them to a deduction on auto insurance for three years. Check with your insurance company for the amount of deduction.

Pre-registration is a requirement as the class can accept only 30 people each time. The cost is \$8.00. For registration and more information call Naomi Balfour 987-9851 or Viola Emmerson 388-2524.

Meet Your Neighbor

By Carol Heyerick

Meet Your Neighbor will hold the August 25 meeting in the Garden Room at 1:30 p.m.

Chairman Hildi Taylor will tell of the many clubs and organizations to be joined. She will introduce any new residents and welcome them to Leisure Village. Channel 12 will tape for future viewing.

You will enjoy our guest speaker, Darlene Denz, who is Senior Services Coordinator for the Camarillo Health Care Dis-

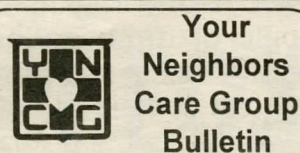

trict. She is most enthusiastic about the health and welfare of all of us. She is working to have a Vial of Life as well as a smoke detector in all our homes.

We were fortunate to have Ed Hawthorne, newly elected President of the Board of Directors, as our July speaker. Mr. Hawthorne gave a detailed account of the many committees under his supervision as well as answering pertinent questions from a very interested audience.

shots in Leisure Village on Friday, October 6, from 9:00 a.m. to noon in the AR.

The shots which are otherwise \$10.00 are free with a Medicare card.

The County Health Department will give shots only at its regular clinics in Oxnard, etc. This service is a favor to villagers. Join Your Neighbors Care Group for \$1.00 per year. It's worth it.

New Classes Scheduled In Village

Genevieve Leventhal of the Education and Recreation Committee announced at the August open Board meeting the schedule for three classes, all conducted by LV residents, which will begin in October. Through the generosity of the three instructors, there will be no tuition fee.

"Investments:" Ed Polaine will give four lectures on bonds, stocks, miscellaneous, and mutual funds. They will start on Tuesday, October 10 in the Village Room. Call Jean Aird 482-6660 to register for this class.

Dr. Terry LeVine will teach "Anthropology: a cross-cultural study of gift exchange from the perspective of economics and social relationships." Class will start Wednesday, October 11 in the Sun Room for 6 sessions. Call Alice Hinig 482-8855 to register for this class.

"What's the Matter?" Dr. Sig Jaffe will give an easy introduction to the structure of matter: basic and popular science. Class will begin Thursday, October 12 in the Village Room for 6 sessions. For registration call Ginny Dunnion, 484-1238.

INSIDE LEISURE VILLAGE

• OPINION •

Unfinished Business

New years and new terms of office always seem to start with a rush of enthusiasm, energy and renewed hope in the future. Leisure Village welcomes the new members of the Board of Directors and its new officers and confidently expects that their decisions will be beneficial for all the Village.

There are some issues which remain from former years. These problems have already been pursued, but getting bureaucrats in the County to act has required repeated meetings and persuasion. For example:

* The Flood-Plain Map which includes L.V. should be up-dated now that the levee repairs on Conejo Creek have been completed. Persistent contacts with Ventura County Flood Control District officials are needed to ensure the map's modification, which then can result in considerable savings in flood insurance premiums being paid by the Village.

* The fuel spill which occurred behind the Association Office is another thorny issue. The Ventura County Environmental Health Protection Agency has to clarify its requirements to let us settle this problem.

* The Board must consider changes in the \$1000 deductible provision in the Master Insurance Policy covering home damages, in order to be cost efficient and equitable to the Village as a whole. An ad-hoc committee of insurance experts has studied the situation and has, or will, present their recommendations to the Board. The insurance problem is nation-wide resulting from major catastrophes all over the country: it is not an isolated situation just here in the Village.

A Five-Year Security Plan is ongoing. Criteria and details have not yet been outlined to villagers who are deeply concerned about this area of Board thinking.

Long term planning for maintenance of Village infrastructure is vital. Water and sewage lines, TV system, concrete driveways, streets, recreational facilities, landscaping and irrigation, exteriors of homes are all vulnerable. New roofs, when needed, have been assured by a roof reserve account funded by monthly assessments.

These are old challenges which we feel the new Board of Directors, assisted by appropriate committees, and a competent staff, will work to meet.

Thank you all for accepting the responsibility.

ABOUT NEXT MONTH

Coordinator for the next month will be Lois Atz. Please follow guidelines and be as brief as you can. Deadline for the September 29 issue will be Monday, September 11, 1995 at 5:00 p.m. To arrange for a photographer, call coordinator at least 3 days in advance.

Letters

ILV has obligated itself to publish Letters to the Editors that are not profane nor libelous. Views or statements expressed as facts are the beliefs of the writer and are not necessarily supported by the Staff of ILV. Letters should be brief. They must include your signature, address and telephone number. We reserve the right to edit and/or condense. Place in ILV box or give to the Coordinator for the month, as printed on page 2 of ILV.

I would like to thank all of you for the get well cards, good wishes and goodies you sent me during my operation on my knee.

It will take some time before everything is working again and I can play golf. Thanks again.

Coenraad Meyers, V. 16

My sincere thanks to all of you who expressed your help and condolences on the loss of my husband, Samuel Saltus. He had a wonderful outlook on life and loved living in the Village with so many fine friends. Once again, thank you.

Agnes Saltus, V. 35

At least twice a year my daughter gives me roughly 25-35 articles of used clothing that fits girls ages 5 and 8. The clothes are in pristine condition, quite expensive quality, and usually are less than 6 months old.

I did give some of these items to organizations but found out that they were sold for profit.

If anyone reading this knows of any truly needy people or organizations who are solely non-profit, they can contact me and we will deliver the clothing personally if it is no further than Ventura or Thousand Oaks areas. Telephone 484-0554.

Bill Berman, V. 7

We cannot begin to thank all our wonderful friends who sent us cards, "goodies" and called on

the phone, following Charly's hernia operation and my back surgery. We are both recuperating very well, and we are grateful for the care and affection you have shown to us. We send our heartfelt thanks to all of you.

Charly & Ruth
Fridberg, V. 34

I wish to extend my heartfelt thanks to those villagers who sent me such kind expressions of sympathy. It is so deeply appreciated at this time.

Don was a man who enjoyed life and always saw the bright side. He loved living in Leisure Village and enjoyed all it had to offer. He played with the orchestra for many years and enjoyed golfing and swimming.

Don was a loving and kind husband. He looked at life as a glass half full and never half empty.

EDITOR SCOLDED

To the Editors:

I understand that my husband Dan Bernard, who is President of the RV Club, phoned displeasure after reading the abridged version of the article I had written for the July issue of ILV. I, too, would like to convey my own disappointment after reading my article. You cut out the heart.

Firstly, I did not write that article for my writing class. That is my writing style.

Secondly, that article was written especially for the purpose to pay tribute to the members in our club who have devoted their time and energy in turning our Annual Pancake Breakfasts into great successes.

Thirdly, I wanted to publicly acknowledge those in the Keyboard Club who provided the lovely background music for our breakfast.

Fourthly, for those who could not attend, due to ill

health and other reasons, it was important that they read something about it so that perhaps they will try to attend next year.

And lastly, our pancake breakfasts generate funds. Funds that we, The RV Club, donate a portion of, to various organizations that benefit LV — anywhere from \$1,000.00 to \$1,200.00 a year. This past year we donated funds to Food Share, Your Neighbor's Care Group, Leisure Village Kitchen Improvement Fund, Garden Club Beautification Project, and to the Camarillo Hospice.

Lest we forget, our members volunteer their services to decal the Villager's vehicles each May.

Our membership is over 100. I'd say that is considerable compared to some of the other clubs in the Village -- clubs that have no more than 20 members and are allotted several paragraphs. In all fairness, our club warrants as much, or if there is a major event, even more.

The President of the RV Club has instructed me to express to you, and the Board, his dissatisfaction over the treatment of our articles submitted to your Editorial Staff for at least the past five years that he knows of. We have had several complaints from past Publicity Chairmans (sic) about articles being brutally cut. We are tired of being treated as a step-child in all areas and we expect to see an improvement forthcoming.

As you know, this club is dark until September 19. At that time the President intends to bring this matter up to our membership for full discussion.

We hope that this matter will be resolved so that all clubs are treated equal.

(Copy sent to Leisure Village Board of Directors)

Joan Bernard,

Secretary RV Club

Editor's note: Fortunately, Joan, there is enough space this month to print your entire letter.

Emergency Services

By Claire Sortomme

How about giving a "Lean On Me" block party? It's the good old summer-time all year around here. Just gather the residents within your Village, and generate some camaraderie among your neighbors.

Why not? LV has the ideal set-up because the logistics are 90% laid out already. All that is needed is one "someone" to activate the emergency organization that is in place, and like magic, there is a family-like response. Try

for 100% participation, which could prove to be the best emergency plan on the face of the earth.

A smile, "Can I help you" or "I'm there for you," can be very comforting.

Some villages have already set one day of a specific month for their in-gathering. Talk to your Village Coordinator about it. The style of your party could vary, but the rewards will include the same warm undercurrent of caring.

Let the ESO know about your "Lean On Me" block party. Call Ken Wilson or Cy Boynton.

Morning Mist

By Constance Andrews

Mist on the mountain, floating free,
Drifting silently in from the sea,
Brushing the hills with a soft caress,
Veils of white like a wedding dress;
Droplets of water cool and fine
Quenching the thirst of tree and vine;
Curtains of mist cloaking house and tree,
Lending an aura of mystery—
You dress each flower with buttons of dew,
Then dance on the meadow 'til skies turn blue.
Born in the heavens, child of the sky,
You quietly bless—all you pass by.

payable claim on the L.V. Master Insurance Policy.

Mr. Pizzo can be reached Monday through Friday from 9:00 to 5:00 and on Saturday from 9:00 to noon at 484-4388. In an emergency he can be

reached at 987-3131. If he is unavailable at either number, call State Farm Insurance at 645-5900. Do NOT call the Association Office.

After Mr. Pizzo has been informed of your claim, the next step is to get an estimate on repairs.

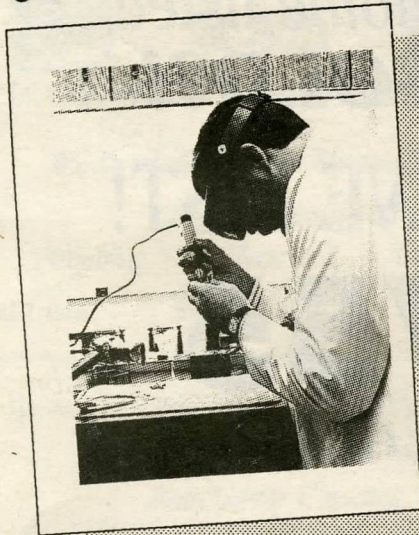

Then notify the LVA office. The Leisure Village office must give approval before any repairs are made.

If these steps are followed, the LVA claim ratio will be kept to a minimum and the insurance rates kept affordable.

SEWING CLASSES

By Louise Young

Registration for fall Sewing classes offered by Oxnard Adult School will be held on September 6 and 7.

Three classes will be offered this semester: Wednesday and Thursday mornings from 9:00 to

12:00, and Thursday afternoon from 1:00 to 4:00.

We welcome back Betty Jenson, who will teach on Wednesday, and Thelma McHenry, who will teach both classes on Thursday. To register, report to the Sewing Room at the time of the class you prefer. The charge for the semester is three dollars.

AUDIO INTERFERENCE ON CHANNEL 6

By Dick Travis,
TADS Committee

For residents who continue to have audio interference on Channel 6 (KCET), here are three recommendations: 1. The wiring which connects the TV set to the cable outlet in the wall may need replacing with a higher quality cable such as "quad shield." Several homes needed a higher quality coaxial cable to fix the problem. 2. The TV set may not be shielded properly from the FM audio sig-

nal. Some TV sets have very broad receiving capabilities which will not eliminate the "close-by" signal from KCLU (Cal Lutheran University). 3. The use of "terminating resistors" (plugs) on unused cable outlets will also help to reduce any interference.

Those who wish may contact Communication Services (658-1579) or any electronic repair shop in the area. Please be assured that the cable system and KCLU are within FCC specifications and that proper steps have been taken to eliminate the problem.

Water Pipe Replacement Under Way

By Betty Murray

Camrosa Water District, from whom L.V. purchases all its water, is in the process of replacing plastic water pipe, originally installed in many of the villages, with new copper piping between the water main in the streets and the service box of the dwellings.

As of the end of August, approximately nine villages will have been completed. Don Nelson, L.V. Maintenance Supervisor, and Camrosa coordinate the planned progression. General Engineering Contractor Sam Hill & Sons can complete from five to ten water services each day.

The polybutylene water pipe originally installed in the streets has been failing, causing muddy floods and necessitating messy street excavations to re-

pair the breaks. Replacing all of the remaining plastic laterals will cause some inconvenience, but certainly a lot less than an emergency repair after a failure. There will be less cost and less water waste.

Poly-vinyl-chloride (PVC) plastic water pipe has a different composition and has been quite satisfactory when buried underground. The present replacement, however, will be with copper pipe.

With planned replacement, water will be turned off only briefly, and residents are given a day's notice to prepare.

When the pipe replacement program has been completed, Don Nelson will schedule asphalt slurring to resurface the streets.

The project should be completed before the end of 1995.

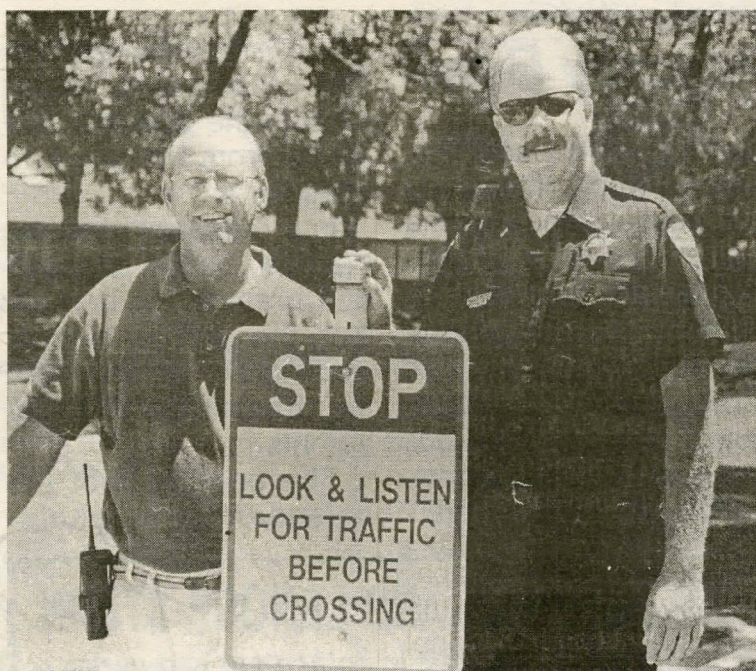

Photo by A.D. Flowers

Pedestrian safety will improve for residents now that the new walkway in Village 11 at the Main Gate is complete. Going east, walkers can alert Security in the Gate office by pressing a red button. Security will lower both gates, allowing safe passage across the road leading to the shopping center.

Returning, villagers will proceed to the center section where pressing another red button will result again in down gates for a safe return.

This was a joint accomplishment of the Maintenance Department and Security. Maintenance Supervisor Don Nelson and Lt. Jim Moore representing Security are pictured on opening day of the new system.

Page From A Memory Book

WHEN: October 17, 1957
WHERE: Lake Los Angeles, a tidal pond of twenty or thirty acres located in what is now a section of Marina Del Rey Harbor. In the mid 50's it was used for water skiing. There was room only for two or three boats at a time to operate safely, but many times there were a dozen or so speeders roiling up the water and making waves. Boats were launched from the north side down a levee-like embankment, and cars were parked along the bank also.

WHAT: On that afternoon, a sturdy ex-beach lifeguard was alerted by screams and yells coming from a group of people 50 yards down the beach. He looked up just in time to see an automobile sliding down into the lake. He sprinted toward the scene and learned that two baby girls had been left to play in the car and somehow had released the car's brakes. Observers tried in vain to stop the car, and a nearby man tried to dive to get the children. He was unable to do this, but he succeeded in opening the driver's side door.

When our hero reached the site, he dived into the murky water and reached the submerged auto while it was still settling on the bottom, perhaps 10 feet under the surface. On the first dive, he was able to reach into the front seat and locate one of the children, a 21-month-old toddler. He quickly had a man swimming nearby take the screaming child to her mother. On the next dive he ran out of breath and had to re-surface. Grabbing another breath, he dove again, and this time, he gingerly worked his body back into the car, feeling his way, reaching toward the ceiling over the back seat where there was a tiny space not yet filled with water. He felt the

floating child's clothing, and carefully pulled her out, trying not to shake the car and cause it to slide deeper into the lake. He swam to chest depth water close to shore, stood firmly, placed the unconscious child over his shoulder and with his fingers, gently administered arti-

cial respiration, disregarding the screams and advice from the shore to bring her in.

In a matter of minutes, the baby began to cough and breathe for herself. Only then did her rescuer wade into shore and hand the 18 month-old girl to her parents.

The principals of the episode were photo-

graphed for the news, and for a day, the L.A. Times and other papers gave the story prime coverage. Art Linkletter invited the cool-headed self-effacing man to appear on his radio show. Both babies were fine, although the smaller one was kept in a hospital for observation for a day or so.

WHO: Our hero was

THE LEISURE VILLAGE WOMEN'S CLUB

By Eileen Cohen

The August 3 Women's Club meeting featured Jay Grigsby, Executive Director of the Boys and Girls Clubs of Camarillo, who described the current projects to expand the uses of the club. Under construction is a 3200 square foot building plus expansion of the present building. Jay gave a child's-eye view of the club's activities: games being played, study areas, quiet areas, computers, etc. There is a basketball league and excursions.

During the summer, children may come from 7:00 a.m. to 6:00 p.m., and during the school year, the club is open until 8:00 p.m. Summer attendance may be all day or on a drop-in basis.

Children are picked up after school and taken to the club until their parents come for them. The club is fortunate in having a good staff that has been there long enough to watch many children grow to adulthood.

The new building and expansion of the present one will provide space for a Center for Performing Arts, a snack area and a learning center for homework studies. As an incentive to use the learning center, popcorn will be

available for this area only. The smell of popcorn wafting through the area should bring children to study, as well as to enjoy the snack since it will only be available to those who

are studying. There will also be computers in the learning center.

For all this, the cost per child per year is \$12.00, with some scholarships available. \$1,300,000.00 has been raised for the expansion; only \$200,000.00 more is needed. Many special events have been held and many donations received to pay for the expansion. It is a worthwhile project for Women's Club.

Another highlight of Thursday's meeting was the presentation of a check for \$2200.00 to Bob Vanderhaven for Channel 12 to purchase a new

camcorder.

On September 7 entertainment will be provided by Pamla and Jon, a musical, English-American duo presenting both familiar and original numbers. Both have appeared in numerous musical and theater productions as well as film and television. Pamla is from England and Jon is an American. They made such beautiful music to-

gether that they decided to marry and keep their act together full-time. Enjoy their talents at the next meeting.

Buena Ventura Golf Club, a Par 4 course, saw some Leisure Village lady golfers who know how to hit a golf ball on July 20. Here are the results: Flt. A: 1st low net, Carole Vaught with a 35½, 2nd low net, Iolene Beach followed with just one over at 36½; 3rd low net, saw Joyce Bookwalter following very closely with 37½. Flt. B: 1st low net, Marty Gregory with a 37½; 2nd low net, Shige Kuroki at 38½; 3rd low net was Ginny Mettler with a 39. Flt. C: 1st low net was Connie Santangelo with a 37½; 2nd low net was Joan Johnson with a 45½, 3rd low net was a tie between Nettie Baum and Anna Snyder at 48½.

The mixed tournament for the men and lady golfers held on Sunday, July 30 had some great successes. Eileen King organized the event and all went well in spite of the hot weather. Flt. A: Joyce Bookwalter was the winner with a 65 gross. She was

followed by June Rose and Dorothy Praeger who both shot 66 gross. Adeline Littenberg and Marge Kelly both came in with 68 gross. Flt. B: Char Christenson had a gross of 55; Rosemary Hanson was just two strokes behind with a 57 gross, and Shirley Heller had a 68 gross. Flt. C: Low gross was a 3-way tie between Edith Dowsing, Ruth Kent, and Eileen King, each with a 77 gross.

The 19th Hole Party was held in the afternoon of the 30th. It was nice and cool in the AR with gracious hospitality provided by Meriam Laird and Adeline Littenberg. The film "John Muir's Yosemite," which was shown and narrated by Elaine and Robert Vanderhaven, was a joy to view.

Here are the results of the "End of the Month" scores. Eighteeners, President Fran Mead was the winner for the month of July. She led in both low gross and low net, 61-13=48. Lindsey Merrill was the winner for low gross on the back nine with a 30. Betty Bruce came in first for low net at 35-13=22B.

By Jack Whalen

In mid-July men golfers drove across the freeway to play at Camarillo Springs. Ed Hirschtick with a fine 89 gross took top honors in Flight A. Gene Bookwalter with a 92-24=68 captured 1st low net with Warren Stanfield just one stroke behind.

Ted Rose fired a low gross of 92 to take Flight B top prize while Ernie Ohmstedt 97-32=65 won 1st low net with Paul Lindsey and Sid Necowitz tied for second, two strokes behind.

Walt Whitaker with an even 100 won low gross in C Flight while Ken Wilson and David Sohr tied for low

net with 68's. Don Dance took 3rd low net.

End-of-the-month play found Ross Houser shooting a very respectable 1 over par 55 to take first prize while Gene Bookwalter (haven't we heard that name before?) had a low net of 54 in Flight A.

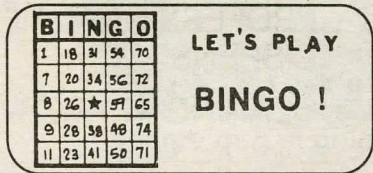

Ted Rose (here we go again) beat all entrants in Flight-B with a low gross 62 with Paul Eberle taking low net honors with a 53.

Flight C produced a tie in low gross with Tony Gregg and Walt Whitaker (just know we've heard that name before!) both firing 67's while Cliff Kemp took low net with a 47, and that score raises some eyebrows. Perhaps he should move up to the boys in Flight B!

The L.V. Shuffleboard Club held its annual picnic and it was a huge success. Excellent food, good attendance and the usual shuffleboard camaraderie prevailed. We still need more active participation in the shuffleboard play. It is a fascinating sport commanding a very skillful and sharp competition. Come on down and try it and you may decide to become a regular player.

Wednesday evening Bingo Games are still attaining new heights in attendance and payoffs. Terri Sochacki, who maintains the Bingo callers roster is in dire need of more callers. Call her at 482-5908 for information regarding the caller's role. The games are attracting close to 140 players. Our last jackpot paid a new high of \$17.

After an absence of 6 weeks due to illness, I will soon be ready to resume my role for the Bingo Committee. Tell your friends about our games.

The Liedealers singing group continues to meet on the second and fourth Tuesdays of each month. Please note, however, that the time has been changed to 10:30 a.m., and that the place of meet-

ing will be the Lanai Room. Music lovers are urged to join and to participate in a bit of musical nostalgia. Recent appearances at the "Met" or "La Scala" are not prerequisites, and no embarrassing auditions are required.

Song, fun and camaraderie are guaranteed, or your money back. Please call 484-8129 for information.

SATURDAY NIGHT BALLROOM DANCE

By Anne Janoff

On Saturday August 26, Shirley and Bill Fox will host the Saturday Night Ballroom dance. The preceding dance on August 12 was hosted by Rhoda and Ben Smithkin. These late summer warm and sultry days don't stop villagers from enjoying the Saturday Night Ballroom dances. The evenings provide lots of good dance music recorded on tape, as well as pleasant socializing with friends.

On September 9 "Y'all come on down" for our

"Western" night with trailboss, Willie Smith, in charge at the host post. This is always a fun evening and an opportunity for cowboys and gals to don their "out west" outfits in keeping with the theme. Casual attire is always appropriate, if preferred. The next dance will be on September 23.

Dancing from 8-11 p.m. in the A.R., only fifty-cents per person. Refreshments; coffee, tea, punch and ice. BYOB. All are welcome including visiting guests.

Mark the dates on your calendar and watch Channel 12 for additional details. Hosting the dances can be fun too. Just call Ginny Dunnion 484-1238 for details.

LV ROUND DANCE

By Bob Vanicek

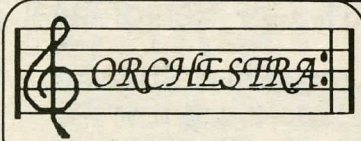

What a pleasant surprise it was to welcome so many active round dancers who helped the Round Dance Club celebrate its 4th anniversary in the AR on July 16.

Guest Cuer, Gus DeFore, and his charming wife Lynn, masterfully conducted over 50 carefully selected popular and golden classics songs. Although the dance menu basically focused on intermediate level numbers, Gus also included a variety of songs that pleased everyone's terpsichorean

choices.

Accolades go to all those who helped make this luncheon buffet a success. Generous dessert contributions from our members were beyond expectations. Colorful costumes always add a cheerful note (no pun intended) to a dance atmosphere and this party was no exception because everyone looked "mahvelous!"

The Club's next Workshop was treated to an impromptu picnic made possible by the more-than-sufficient buffet surplus. Feel free to visit and watch the regular intermediate level Round Dance classes each Sunday morning in the AR.

By Don Holmes

The LV Orchestra will play two "outside" concerts in September, the first one on the 18th at Camarillo Convalescent Hospital at 1:00 p.m., and the next on the 27th at the Victoria Convalescent Hospital in Ventura at 2:30 p.m. Featured will be music by Dvorak, Mozart, Grieg and others.

If you are associated with a convalescent hospital or similar facility, please advise the program director that the orchestra is available for about a one-hour concert of light concert music at no charge, and to contact Don Holmes at 482-4979.

The orchestra rehearses each Thursday evening in the MPR at 7:00 p.m. You are welcome to join, but please call in advance so that music parts will be ready for you. Brass players, please note.

VILLAGE SWINGERS SQUARE DANCE CLUB

By Sig Jaffe

Most members celebrated the 4th at the Village picnic or at various relatives' and friends' homes. Consequently, the July 4th Swingers Square dance was dark, but the celebrations were bright.

The new board had its first real meeting along with the outgoing board on July 7 and presided over the general meeting at the July 11 dance. After the business meeting, the birthdays of Cy Boynton, Betty Carpenter, Mary K. Franey, Edna Hoffman, Ginny Mettler, and Jessica Reischel and the anniversary of Sam and Bea Perren were commemorated.

We were on our way to a smooth new year. But we

were caught short (Tee shirts and shorts were the costumes of the dance on July 18) when Bill Kramer came down with a case of the flu. In Bill's absence, Norman Fuller quickly stepped in with clear square dance tapes to save the evening. Also, Mary Kovach led a couple of line dances to top off the evening. As usual, Norman also played his round dance tapes and Minna and Hal Hudson supervised the refreshments for a surprise celebration in honor of Bill Bryan's 91st birthday. He was an active former member of the club.

Luckily, Bill Kramer returned hale and hearty to lead us at the July 25 dance with "mind expanding" variations of mainstream calls. We were all tired and happy as a result of keeping on our toes.

dancer and choreographer, Helen Gold. If you like dancing, and who doesn't, you will have a most enjoyable evening.

Speaking of enjoying dancing, our ranks are always open to those who have always wanted to tap dance. We have a wonderful time exercising, dancing, performing and enjoying each other's company. It's a great way to keep old Father Time from getting too close. So join us and KEEP ON DANCIN'!

and new dances; Friday 9:00-10:30 a.m. continuous dancing.

The club will have its annual picnic luncheon in the AR on September 11 from 12:00-4:00 p.m. Food will be catered. Members, spouses and friends are invited for a pleasant afternoon of lunch and dancing.

Hospitality chairman Bella Levy and her committee are in charge. New villagers are welcome and encouraged to join the group and to enjoy the camaraderie of friends and neighbors.

HAPPY HOOFERS

By Dorothy Karlin

Happy Hoofers have been occupied with many pleasant chores. In July, we appeared in the Players Guild show produced and directed by Miriam Hasen, a former Hooper. Rehearsals are now in progress for the October Guild production produced and directed by lead

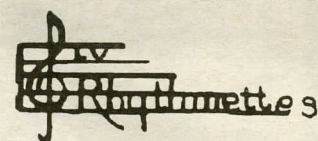

INTERNATIONAL FOLK DANCE CLUB

By Florence Friedman

General meeting of the International Folk Dance Club will be September 6, at 10:00 a.m. in the AR. Meetings are held every other month. Board meeting is October 25.

Dance times are Monday 12:30-1:30 p.m. for beginners, 1:30-3:00 p.m. for regular class, Wednesday 9:00-10:30 a.m. review

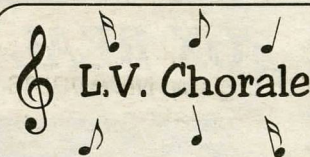

By Margaret Hines

The Rhythmettes are on their summer hiatus until September 5 when practice will begin again and will continue as usual every Tuesday at 1:00 p.m. in the AR.

The catered picnic in August was, as usual, a great success thanks to the planning by Claire Endelman and Bess Davis, hospitality chairmen.

As of this writing, there is nothing exciting on the Rhythmette calendar until the holiday season, beginning in November. It will be up to members to create their own excitement by perfection in sound and rhythm. Who knows? There might be a cookie or candy passed around now and then.

New members are welcome, provided they bring in a needed sound. Kazoos are always a welcome instrument.

By Sally Yale

Calling all Chorale members and "wanna bees"! The L.V. Chorale will start to rehearse again on Monday, September 11 at 12:30 p.m. in the MPR. The first meeting will be for signing up, receiving music, paying dues and watching a tape of the successful standing room-only Spring show.

On hand will be conductor Marcine Jardine and talented accompanist Dorothy Weiss.

Join us if you enjoy singing and being with a group of excellent singers. We need men as well as women.

We look forward to seeing you there as we prepare for a great new season.

Exercise Group celebrated the official opening of the new cabana late in July. Shiphrah Maller cuts the ribbon, ably assisted by Charley Lich and witnessed by Marion Tamkin and Rudy Regen.

By Lillian Mankoff

Bagels, coffee and muffins were served by the LV Exercise Group after a ribbon-cutting ceremony marking the completion of the new cabana roof at the pool. Attending this long-awaited event on July 21 with officers and members of the Exercise Group were several members of the LVA Board of Directors as well as Susan Rockwell and Debra McAdams of the Recreation Center office.

Several other important social events are anticipated in the next few

months. September 15 will bring "A Night Under The Stars" with Lil and Milt Mankoff. This will be a cabaret style evening with music and refreshments for \$3.00 per member. Only 100 people can be accommodated at this event. Reserve your place and pay up now. This will be held at the cabana.

"A Walk In The Sun" at Mandalay Beach in Oxnard is in the works for October and our annual pot-luck dinner is scheduled for November 3 in the AR. We'll finish the Year in "bang-up" style with a trip to Santa Barbara.

Remember to join us poolside Monday through Friday from 8:30 to 9:00 a.m.

wane. Dan chose the following winners in the "People" category: first place to Imogene Gregory for "A Man and His Donkey", second place and Picture of the Month to Ed Pollaine for "The Dreamer" and third place to Joan Ellis for "Photographer".

The winners in the "Open" category were: first place and Picture of the Month to Joan Ellis for "Rockport Fish House", second place to Jack Burden for "Agave Plant" and third place to Selma Seps for "Peyto Lake".

We will meet on the first and third Wednesdays in September.

AMATEUR RADIO CLUB

By Benson Smithkin

The LV Amateur Radio Club meeting of August 1 attracted a full house of hams and visitors eager to hear Chuck McDonald (WA6VEP), club coordinator for the tri-counties, describe his job as radio-op on a Navy blimp during WW 2, escorting convoys and hunting U-boats. Even more exciting was the story of his tanker ship torpedoed off the east coast in 1942 with him sending out the SOS.

The LVARC now boasts 28 members on its roster. Newest ham to join is Neil Sweeney (K16IQ) who moved into the Village just weeks ago. Neil previously was on "ham watch" for the L.A. police dept.

Marge May (KB6HAG) and Mina Maxfield (N6UHK) typify the amateur radio operators constantly training to be on top of a Village disaster. Marge is in nightly radio contact with the emergency net of the Western Public Service System, and both she and Mina will room on the Queen Mary in September to attend the ARRL (Amateur Radio Relay League) convention.

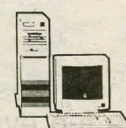

Next club meeting is on Tuesday, September 5 at 10:00 a.m. in the Sun Room. Please join us and enjoy the forthcoming surprise program.

COMPUTER CLUB

By Ben Perry

The L.V. Computer Club met August 7 in the Garden Room. As usual, Dick Travis made the meeting move along quickly and smoothly with his messages and information. He introduced seven or eight new members into the club. In all the membership is approaching 100.

Special interest group leaders had their opportunity to inform members of various aspects of the special computer cells. For those interested, packets for "America-On-Line" and "Prodigy" were made available. These packets had the software necessary to get on-line for the respective services. A schedule of events for computer studies was distributed.

President Travis presented Steve Peters and Eric Ferry from the establishment Computer Advice who introduced "Windows 95" with a demonstration on the use of this new program, and fielded questions on its merits.

After the meeting was formally closed, many members formed into groups to get a better understanding of certain computer procedures.

At the next meeting Dick Travis might inform the members how Leisure Village may enter the Internet. For members who are already on-line, try <http://www.vcnet.com/> then click on "Community."

Hearing Impaired SUPPORT GROUP

By Gabriel Barkley

The Hearing Impaired Support Group will have its September meeting on Wednesday September 27 at 1:00 p.m. in the MPR. The speaker will be Coleen Ashley who is the Outreach Director for the Greater Los Angeles Aid for the Deaf (GLAD). She has been involved with this noted organization since its beginning in 1975. It is interesting to note that Mrs. Ashley coordinated the first GLAD day at Magic Mountain in 1984, which brought 8,000 deaf and hard of hearing individuals into the park for the first time. She has served on many national conferences involving the hearing impaired and volunteered her services for many of its programs. All of this dedication on her part stems from the fact that Mrs. Ashley was born of deaf parents. She lives in Ojai with her family.

Well over a year ago our group had the distinct pleasure of listening to Coleen Ashley. It is hoped that we will give her a fine reception, as she comes to us with a powerful message of her life's experiences in serving the deaf. Every LV resident is welcome to attend.

WRITERS ROUND TABLE By Cele Porges

We announce with regret that the Writers Round Table will no longer be meeting.

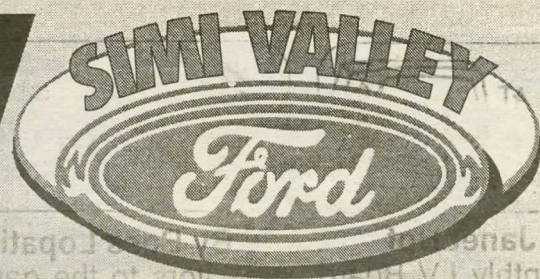

To our faithful members, we believe that these past meetings have provided you with a background in writing and an understanding of your goals. We also hope that you will continue your writing in the future.

You shall be missed very much, but it is hoped that you never stop exploring new forms, and opening your mind to new ideas.

ful information inside each book. Next time look for authors or titles rather than bright jackets.

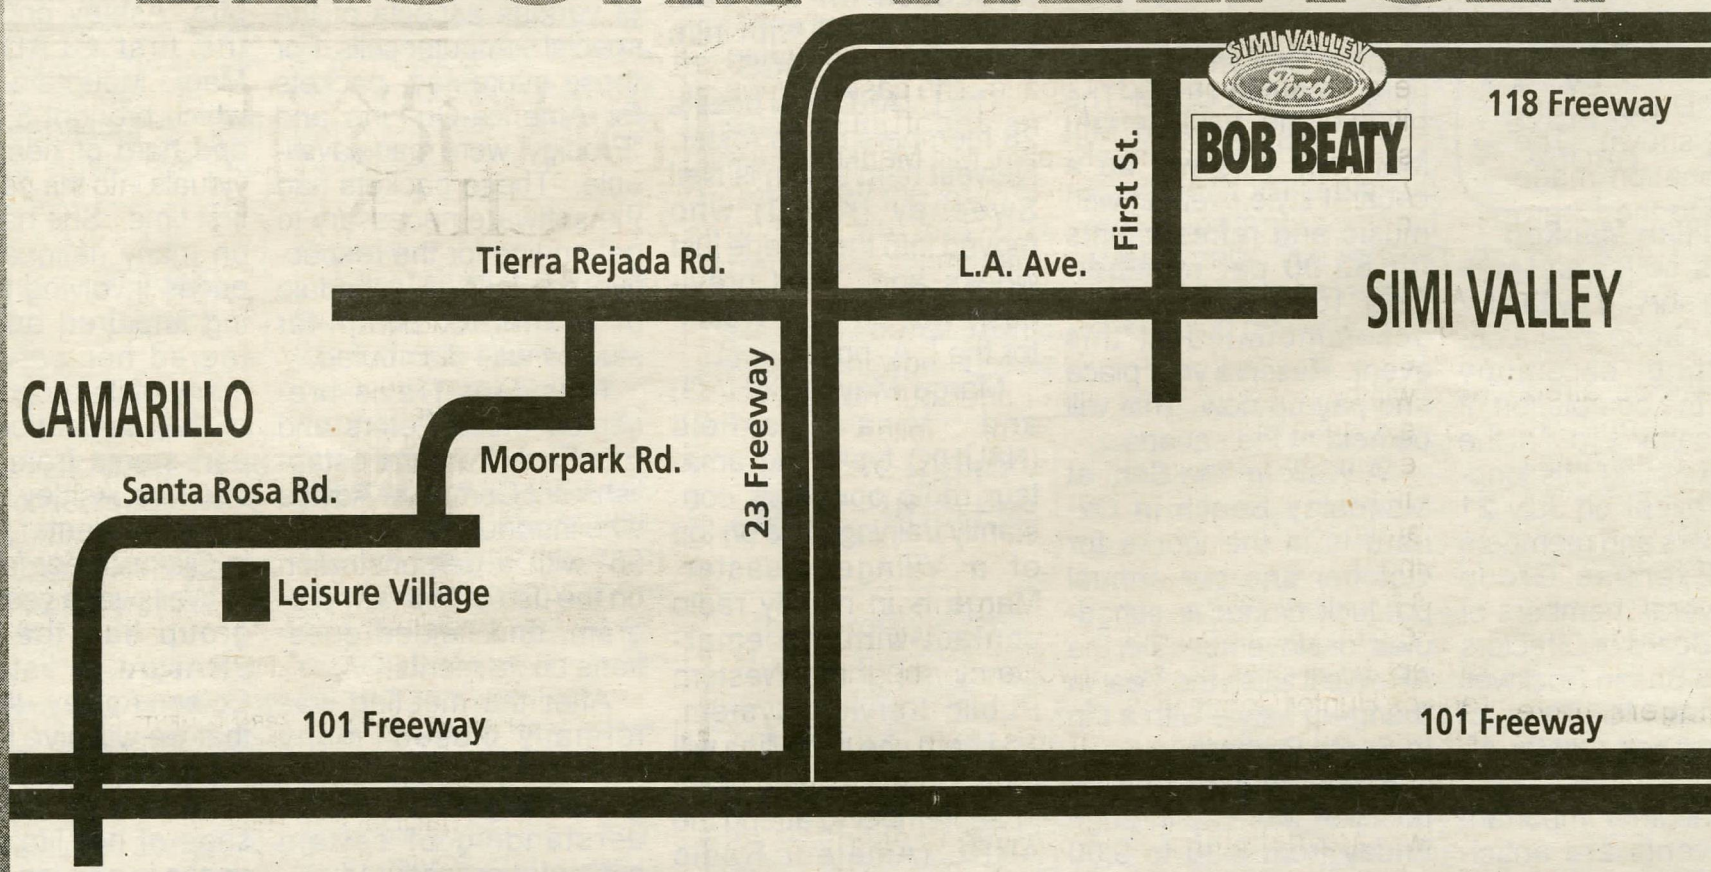

An unusually large donation of books came in and two of our hard-working committee members, Grethyl Dally and Bob Goodkin, did a heroic job of promptly stamping, marking and shelving them.

LOOKING AT CHANNEL 12

By Janet Hof

The monthly LV Board meeting will air on Channel 12 on Tuesday, September 5. Regular Monday programs at 5:00 p.m. will be Larry Sawyer's Shared Experiences on the first followed on succeeding Mondays by Lee Edwards' movie and Lillian Hawthorne's book reviews, and Meet Your Neighbor on the last Monday.

On the second Tuesday the Players Guild's production of "Damn Yankees" will be shown. The generous donation made by the Guild to the Channel 12 coffers is greatly appreciated. At the end of the month an AARP film "Goodbye, High Blood Pressure" will be aired. Watch the Channel 12 pages for the exact date.

Many thanks to the Women's Club for its substantial donation for a new multiple-use video camera which will benefit the whole Village.

If any villagers have suggestions for a call-in program, call 388-1243.

Village Cloggers

By Louise Houser

The Village Cloggers meet every Tuesday in the AR from 10:00 a.m. to noon at this time. However, if enough people sign up for a beginners' class which would start September 12, the beginners' class will be scheduled from 9:30 to 10:15 a.m.

Everyone is welcome to visit any Tuesday and see first-hand what an enjoyable activity clogging is. Please contact Alma Hartman if you have questions. 987-4954.

LV Farmers

By Bess Lopatin

Visitors to the gardens have commented on the impressive gardening skills of our talented Farmers.

On August 25, the LV Farmers will celebrate their abundant harvest with a barbecue picnic catered by Farmer Joe Kremer. As demand for tickets surpassed expectations, ticket sales were cut off before the end of July.

Included in the activities will be a competition and exhibition of the results of the summer's efforts. Leafy, vine, root, bush, and corn crops will be judged and ribbons awarded for 1st, 2nd, and 3rd places in many classes. Names of the winners will be announced in the next issue of ILV.

The gardens can still be seen in full growth, though preparations will soon be starting on cool weather crops for a Fall harvest.

The club will also meet to elect a new president to replace Hunter Cohen who has been elected to the LV Board of Directors. The club will miss his guidance, but we are delighted to have him in a position of greater influence. We wish him well.

Spiritual Growth Group

By Dorothy Holcomb

Welcome back to Bible study with the Spiritual Growth Group after a summer break. It's always a pleasure to renew old friendships and to meet new friends who are seeking a new adventure. Vi Shirk will be showing slides of her recent trip to Israel.

The September meetings will be held each Tuesday at 9:30 a.m. at the home of Dorothy Holcomb, 16136 V.16. Please come.

PLAYERS GUILD

By Irv Goodnick

An over-flow crowd of more than 300 enjoyed a hilarious take-off of "Fiddler on the Roof" at the Players Guild meeting of July 20. Written, directed and produced by Irv Goodnick, it was a fine example of Workshop training for writers, actors, sound, lighting and backstage support.

Don't miss the next meeting on September 19. Enjoy an original play written and directed by Oleg Lopatin. The cast includes Anne Janoff, Lorraine Kaplan, Milt Mankoff, Jack Silver, Gerry Stone and Ida Zeller. Watch for the surprise ending.

FLASH! The Fall play, to be presented in November, is now in production under our new director, Mary Hollander. (For more details, please see our feature article in this issue.)

Become a part of this exciting theatre experience. You will love being involved in the many facets of Players Guild programs. No experience necessary. It's the chance of a lifetime. Call Jackie Solway (987-2586) or Milt Mankoff (987-4049).

SOLO CLUB

By Monica Alves

It's time for another dinner out for Solo Club members. We will meet at the Red Lobster in Oxnard at 5:00 p.m. on Thursday, September 14. For reservations, call Joy Pruim at 388-5286 by September 9.

The next business - brown bag lunch meeting will be on Friday, September 15, at 12:30 in the GR.

BOWLING

By Vee Flowers

Friday, September 8, the Leisure Village Bowling League will start the '95 / '96 season at the Camarillo Bowl. The usual 10:00 a.m. starting time will continue, but everyone should be there a little early on opening day.

Teams being formed by our new President, Rosemary Hanson, and the advisory committee, will be posted on the bulletin board in the Atrium at the Rec. Center.

Subs will be needed throughout the season so encourage your friends to sign up. All "average" bowlers are welcome. Those without a recorded average should try to get at least 9 games in before the league starts. Get an I.D. number at the Bowling Lanes desk and keep track of games. See you there!

GEM AND MINERAL CLUB

By Don Holmes

The LV Gem and Mineral Club enjoyed a catered dinner in place of the July meeting. Elections of Club officers were held and all were re-elected, one in absentia.

Programs of up-coming meetings were discussed. In September Don Holmes will show commercial slides, there will be no November meeting because of the Thanksgiving holiday, and the December meeting will convene early. Eunice Donahue and Mae Brown are planning a Christmas party, the date to be announced later on Channel 12. The January meeting will be the 24th. with the program not yet decided.

L.V. RACQUET CLUB

By Shirley Law

The annual Racquet Club dinner-dance will be held Saturday, October 7 in the AR. Jerry Banchik, chairman of the affair, has engaged a one-man band to play for dancing and follow-up entertainment. The dinner will be catered with a choice of salmon or prime rib at a cost of \$15.00 per person. Call Rosalie Miller 987-1921 or Gloria Borenstein 987-4921 for tickets. Members of the Racquet Club are planning a show which should "bring the rafters down."

George Nolte reported that winners of the July tournament were Roy Po-

ders, Louise Houser, Les Coombs and Ed Pollaine. Congratulations to all. We wish George a speedy recovery from his recent surgery and hope to see him back on the course soon.

The Cabrillo Racquet Club of Somis recently invited L.V. Racquet Club members as their guests to participate in and watch tennis demonstrations. The club called it "L.V. Day" and provided a continental breakfast and pizza lunch for guests.

The club has 17 courts. Thirty L.V. Racquet Club members played in competition and another 40 came as observers.

Ben Miller, who coordinated the program both this year and last, has our deepest thanks. It is hoped this activity might become an annual affair.

CERAMIC MOLD DECORATORS CLUB

By Pepper Heimowitz

At the August meeting of the Ceramic Hand Decorator Mold Club, President Florence Neely presiding, members discussed replenishing the old ceramic paints.

As the women would like to pour their own pieces, beginning in September, the club will set aside the second Wednes-

day of every month to pour molds. This is another phase in learning the ceramic mold process.

Members can continue to work on other projects if they do not care to participate in the pouring.

The next meeting of the Ceramic Hand Decorator Mold Club is on September 6 at 12:45 p.m. in the Ceramic Room.

Workshops are every Wednesday from 10:00 a.m. to 3:00 p.m. in the Ceramic Room.

Visitors are always welcome.

Classroom Speakers Needed For Schools

By Jack Whalen

Going back some 50 or 60 years, remember how much fun it was when a guest speaker came to your classroom? Well, now it is your chance to be that guest speaker right here in Ventura County.

This program, called SEASONS, stands for Senior Experts And Speakers On Numerous Subjects. Think of the wealth of information most villagers have to offer: life careers, hobbies and travels.

The amount of time spent speaking and the class level is determined by you. Teachers from kindergarten through high school could request your services.

Sponsored by the Ventura County Superintendent of Schools Educational Services Center, speakers will be reimbursed for mileage, insurance will be provided, assistance will be available in preparing presentations, meetings will be held once

monthly to share experiences, and participants will be rewarded with a great BBQ to celebrate the end of each "season."

L.V.'s Rube Davis, the driving force behind SEASONS, reports that several of his long-time volunteers are no longer able to participate and he's hoping you and especially you, will heed his call. Call Rube anytime at 987-3359.

nual Fall Potluck in the MPR. The program will be a surprise!

Members should be thinking of critiques coming up and the annual Fall Art Show.

The display in the library features art by Ilka Jackson.

The Alien

By Sonia Brink

I am an Alien in a strange and puzzling world
Where I do not understand the language.
Don't ask me to Fax it to you
Nor send it by E-mail
Even Voice mail does not mean a thing to me, and
When you mention Internet or Cyberspace,
Or where you bought your software,
I do not know what you are talking about.

When I see humans with green hair
Wearing most peculiar clothes,
And see them dancing frantically
To some weird loud songs,
It seems to me that I am in a foreign land.
So do not blame when I say I am an Alien,
Just show me the way to go home.

FOOD SHARE

By Sandy Okum,
Pres. YNCG

Your Neighbors Care Group wishes to thank all the clubs and individuals in LV who contribute money and food to our LV Food Share program.

With these donations we are able to supplement the meager supplies from the federal and county Food Share program with sale groceries, etc.

If you know anybody who qualifies for Food

Share or if your own income is under \$9,000 for a single per year, or under \$12,000 a year per couple, you are eligible for this program. It is strictly confidential between you and Ed and Pat Holly, who conduct the LV program. Call them at 9871782 if you are eligible. Don't be shy about this program - it's here to help and we want to!

Contributions by check should be made out to "Leisure Village Food Distribution" and mailed to Ed Holly at 29204 Village 29.

New Plant List

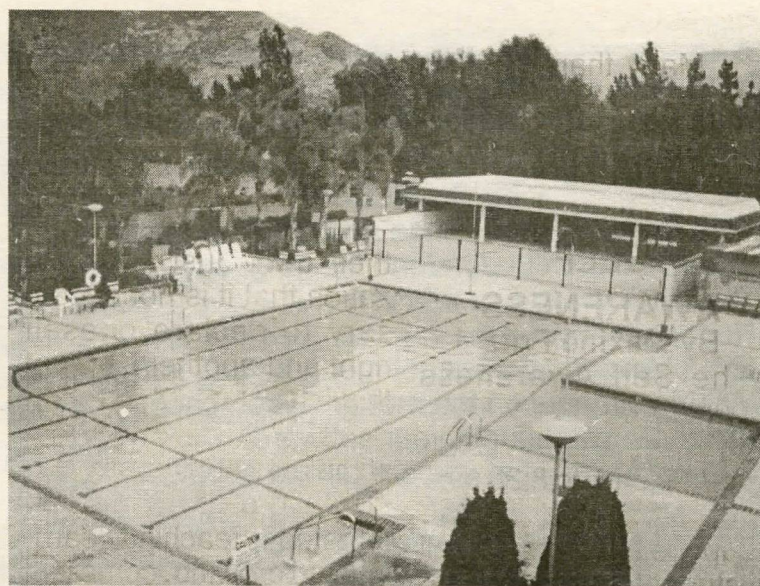

By Doris Achterkirchen

A new approved plant and tree list has been compiled for the Village, according to Lucy Gerhardt of the Landscape Committee. Twenty five new shrubs have been added including acacia decor, mother fern, basket of

gold, fortnight lily and many others.

The yellow stake list has also been augmented and ten new ground covers have been added to the previous list to include evergreen maple, Australian flame and red ironbank.

The red stake program

The pool area of L.V. with the newly completed cabana is pretty and inviting. The sturdy new structure has already been enjoyed by several groups, with more reservations on the calendar. Some folks would rename it The Pavilion. Lt. Jim Moore took the photo.

has no list but is still an option for homeowners who wish to care for all plants in the planter beds. (See Rules and Regulations article VII in the LV

telephone book.)

These new plant and tree lists are available in the Administration office and may be picked up during office hours.

*“When you’re living at
the Ventura TowneHouse,
you’re as independent
as you can be.”*

Independent Living

I talked a lot about independence when I had a house, a garden, and a car. There were so many things I needed to take care of. But that was before I discovered the joy of Ventura TowneHouse. Now I have a roomy apartment with maid service, delightful meals, transportation on a regular basis, and plenty of time to enjoy new activities. At the Ventura TowneHouse, I've learned a whole new definition of independence.

My sons used to worry about me living alone, as I can't take care of myself as easily anymore. They were afraid I'd fall and I was concerned about having to trade my freedom for security. When we learned about Assisted Living at the Ventura TowneHouse, all of us were pleased. I receive the help I need with bathing, dressing, and remembering my medicines. They make my bed, clean my apartment, and prepare three delicious meals a day. Best of all, though, is that I'm part of things again. I still feel like I'm on my own—but now I'm not alone.

Assisted Living

Skilled Care

This illness of mine was at a point where Anne couldn't take care of me at home any longer. At least for now, I needed to be in a skilled nursing facility. We both knew, however, that being separated would make things harder for both of us. It was a real problem, but Ventura TowneHouse had the answer. Now I'm here at Venturan Convalescent and Anne is just a garden away in her own TowneHouse apartment. She says the meals are marvelous and the maid service is likely to spoil her. She feels wonderfully taken care of, and I can understand why. Here, at Venturan Convalescent, so do I!

Murder Is Her Business

By Irv Goodnick

The Players Guild of Leisure Village takes great pleasure in introducing the new director of the Fall production, "A Talent For Murder." When it comes to murder, just call Mary Hollander! Mary comes to us with twenty years of producing, directing, acting and narrating the best murder mysteries in a theatre at Planting Fields, N.Y., the home of the Sagamore Players. Among her repertoire were two plays premiered in America, Agatha Christie's "Black Coffee" and "A Murder Is Announced."

"A Talent For Murder," our production in November, ran on Broadway and featured Claudette Colbert and Jean-Pierre Aumont. (Coincidentally, this play bears a startling resemblance to a current real-life murder trial). The rich, beautiful, famous charac-

ters in this play will bear your careful attention. Don't miss a clue or these "special" people will get away with MURDER!

The cast includes some new as well as some familiar faces. Come and see: Muffy Shutes, Robert Freedman, Jack Silver, Morris Erney, Gerry Stone, Betty Wagner and Helen Theis in this mystery/comedy that will keep you guessing and laughing throughout the play. Jackie Solway, Producer, suggests you save these dates for your enjoyment: November 16, 17, 18, 19 and 20.

VILLAGE BRIEFS

AMAZING VILLAGE 32 By Sylvia Streisand

Yes, we are an amazing Village. In early 1979, a meeting was called by Bea Allen, and we formed the Village 32 Club. Over the years we have had many parties, including a surprise 90th birthday party for our neighbor Gertrude Seanman.

On July 9, 1995, Bea, now ready to retire from organizing the events, planned a catered party which was held in the MPR. To our pleasure, Ed Stallman entertained by playing several selections at the piano. Following this, Warren Eastham recalled past Village 32 parties and presented Bea with a well-deserved gift.

In thanking everyone, Bea stated how much Bill Geddes, who was our treasurer, as well as Dr. Anna Igel and Gussie Fisher were missed, as they made such an impact on the Village.

Luella Kelwin asked if we would like to continue with our parties. Needless to say, the answer was a unanimous "Yes." Joe Kremer offered his services as chairman, and Luella Kelwin offered to be treasurer. Bea Allen said

she would assist.

And thus, the baton has passed on for the continuation of the Village 32 Club parties.

In addition, Faye Cox and Evalyn Green have kept a picture album of all the Village Club parties.

Reminder: Any guest playing golf on the Leisure Village Course must be accompanied by a resident. No one under 18 years of age permitted on course or putting green.

CAMARILLO CLINIC HELPS RECOVERING STROKE AND T.I.A. VICTIMS

The clinic helps clients in a remarkably effective way with Motion Therapeutics, a breakthrough technology that uses gentle, full-body, antigravity and rotational motion (in a special individualized program). It facilitates the increase of brain vitality and readiness to think and perform effectively; it improves fluency, word-retrieval and other speaking skills, as well as reading skills, in recovering stroke and T.I.A. victims.

The motion is produced by patented equipment, and is experienced, by the comfortably reclining client, as deeply relaxing, yet arousing and strengthening.

Scientists theorize that certain anti-gravity motions calm and soothe the nervous system while certain rotational motions produce arousal and readiness to think and perform, through their different effects on the brain and nervous system.

Ann Bloom, of Leisure Village, ready to experience multi-directional motion at Kerner Motion Therapeutics

When these precisely orchestrated motions are experienced, virtually simultaneously, without participant thought or effort, over and over continuously, a toning and balancing of the nervous system can result that facilitates a state of increased brain vitality and readiness to think and perform effectively. It is this state that supports the goals of therapy: the strengthening of the brain and nervous-system pathways disrupted by the stroke or T.I.A. -- through individualized thinking and language training that completes and perfects the profound effects of the motion.

Kerner Motion Therapeutics maintains a TOLL-FREE, 24-hour information line so that readers can learn more about Motion Therapeutics. Call 1-800-796-5555. A sliding scale makes treatment affordable at Kerner Motion Therapeutics, 155 Granada St., Suite "O", Camarillo, CA 93010, (805) 383-3141.
