

00:00:43:11 - 00:00:46:03

Speaker 1

Gang, this is at the entrance.

00:00:46:03 - 00:00:49:08

Speaker 2

Looking at the new building.

00:00:49:10 - 00:00:54:21

Speaker 1

this is right at the tip of Roberts Avenue.

00:00:54:23 - 00:01:12:18

Speaker 1

And, as you can see, the streets are already formed. They got curbs and, the building looks pretty nice. The mayor has been painted. So, let's let's go and let's follow through what appears.

00:01:12:18 - 00:01:21:23

Speaker 2

To be the main entrance to the building. The administration building on the left.

00:01:21:25 - 00:01:23:16

Speaker 1

And, of course, the,

00:01:23:19 - 00:01:25:16

Speaker 2

Auditorium is on the right where you.

00:01:25:16 - 00:01:27:16

Speaker 1

Can see the tower.

00:01:27:18 - 00:01:30:14

Speaker 2

And, it's an enormous place.

00:01:30:17 - 00:01:33:04

Speaker 1

So, this is all second guessing now?

00:01:33:08 - 00:01:37:00

Speaker 2

I'm just, assuming that,

00:01:37:03 - 00:01:39:03

Speaker 1

This is,

00:01:39:06 - 00:01:42:03

Speaker 2

I know what I'm talking about, but I'm guessing on a lot of this.

00:01:42:03 - 00:02:01:12

Speaker 1

So, I really haven't seen the plans, and, so we'll just, take some more video. The main entrance. about here. This divides the, auditorium. Which has a tower.

00:02:01:14 - 00:02:08:14

Speaker 2

From the administration. This is the administration building. And, as you can see.

00:02:08:17 - 00:02:08:27

Speaker 1

it's.

00:02:09:01 - 00:02:11:29

Speaker 2

Very well painted. There's,

00:02:12:01 - 00:02:15:11

Speaker 1

I'm on the driveway to circle driveway that you'll be.

00:02:15:11 - 00:02:18:23

Speaker 2

Able to drive around and,

00:02:18:25 - 00:02:19:14

Speaker 1

Stop for a.

00:02:19:14 - 00:02:23:17

Speaker 2

Moment, have a beer, and then, go home.

00:02:23:20 - 00:02:30:14

Speaker 1

Let's go on. Are at the east part of the building. I'm looking west on the building, as you can see.

00:02:30:17 - 00:02:31:11

Speaker 2

the streets are.

00:02:31:11 - 00:02:35:07

Speaker 1

Not paved yet, but you can see the curbing that has been.

00:02:35:10 - 00:02:38:29

Speaker 2

Built all the way around the building. And,

00:02:39:01 - 00:03:02:07

Speaker 1

This is this is, appears to be the parking lot. This water tower that, was in the middle of the property, but now has been moved. And, people are very busy working here, on the landscape portion of it. So, this is what it looks like, from the east side facing west. Let's continue at the entrance.

00:03:02:10 - 00:03:03:28

Speaker 1

This is from the east, part.

00:03:03:28 - 00:03:05:21

Speaker 2

Of the building.

00:03:05:23 - 00:03:23:09

Speaker 1

this is, an entrance, that people can, I guess, can walk in after they park. And, the doors are huge. We'll be inside. after a while, but you can see this glass doors that open and close, and, people are, around here are working.

00:03:23:09 - 00:03:23:16

Speaker 2

On the.

00:03:23:16 - 00:03:28:07

Speaker 1

Landscape, as you can see. And also, again, you can see the curbing where.

00:03:28:12 - 00:03:29:06

Speaker 2

The people are going to be.

00:03:29:06 - 00:03:40:06

Speaker 1

Parking. And, it's, a very busy affair. unfortunately, the sun is in a bad position. You can see it, too. Well, but, it just gives you an.

00:03:40:06 - 00:03:46:26

Speaker 2

Idea for again. Now we're in the back of the building, and we're,

00:03:46:28 - 00:04:15:03

Speaker 1

East looking west. As you can see. there's, driveways here with curbs and, looks like there's going to be, you're going to see some parking. There's Frank's truck, and, he's, parked close to the bar, as you can see. So we are in really, this kind of gives you a pretty good perspective. What about what the auditorium part of the building looks like all the way around.

00:04:15:09 - 00:04:31:11

Speaker 1

Again, this is a back side east, looking west.

00:04:31:14 - 00:04:46:23

Speaker 1

This is again, the, east west port, the back end. And I just want to show you the hill that I have to climb every month, once a month, to take this picture. Unfortunately, there's been a fire here, but maybe it's done. Unfortunate, because it's going to make it easier.

00:04:46:23 - 00:04:49:03

Speaker 2

For me not to be stepping on the,

00:04:49:05 - 00:04:54:29

Speaker 1

Grass. But, I'm going to get up there and take the picture. So I just want you to see the little.

00:04:54:29 - 00:04:57:02

Speaker 2

Hill I've been climbing, once a month.

00:04:57:02 - 00:04:58:06

Speaker 1

For the last,

00:04:58:08 - 00:04:59:21

Speaker 2

7 or 8 months.

00:04:59:23 - 00:05:16:19

Speaker 1

So, we'll see you when we get up there. So here I reached the top of the hill. This is where I take my picture once a month. As you can see, that's still a Packard. There. And now you have a full view of the parking.

00:05:16:19 - 00:05:24:19

Speaker 2

Lot in the back. There's a little palm here on top of the mountain, and it gives me a little background for videotaping.

00:05:24:21 - 00:05:40:02

Speaker 1

And then as I go beyond the parking lot, I see the building corner of the building. And as you can see, as we're traveling west here, you can see the air conditioning units on top. There's a patio between.

00:05:40:02 - 00:05:43:02

Speaker 2

The administration building and the.

00:05:43:05 - 00:05:54:20

Speaker 1

Auditorium has a walkway right in the center. As you can see, it above and beyond, you see Roberts Avenue, which takes us to Story Road. That is the entrance.

00:05:54:22 - 00:05:56:10

Speaker 2

To our building.

00:05:56:13 - 00:06:07:26

Speaker 1

And of course, here is the administration building. At this point. Okay. So, I'm going to take a few still photos.

00:06:07:29 - 00:06:11:07

Speaker 2

Of the building, and then we're going to go inside and take.

00:06:11:07 - 00:06:17:08

Speaker 1

Some shots of inside the building. So, we can get a preview of.

00:06:17:08 - 00:06:18:29

Speaker 2

What's going on inside.

00:06:19:01 - 00:06:21:11

Speaker 1

Okay. Okay. Bear with me.

00:06:21:15 - 00:06:46:20

Speaker 2

We'll be there in a minute. Again, I'm showing you the hill where I took the pictures from. I took them about that vantage point right there. And from there I looked down and, take pictures of the building here. Now, this is a back entrance to the building.

00:06:46:22 - 00:06:48:13

Speaker 1

So,

00:06:48:15 - 00:06:58:27

Speaker 2

To save time, we're going to go in this entrance. And, we'll.

00:06:59:00 - 00:07:02:23

Speaker 2

00:07:02:25 - 00:07:09:24

Speaker 1

Okay, so today we ran out of absolutely pure Tropicana, pure premium.

00:07:09:27 - 00:07:34:10

Speaker 2

In the gym and here. Working. But this is a lobby to my right, I understand is going to be the bar to my left. I understand it's going to be the kitchen area of the building. Let's walk into the bar and see how what it looks like. It's a huge room. And so you can see the plumbing is now up for the sinks in that area.

00:07:34:10 - 00:07:44:20

Speaker 2

And, there's some insulation here. And, the sheetrock has now been installed. There's some,

00:07:44:23 - 00:08:22:00

Speaker 2

That's going to go probably, perhaps in the ceiling and, but it's a huge room and very spacious with there's an outdoor and also an indoor over here. And there's a third door that appears to go into the auditorium area. So, let's go back into the lobby and go to the kitchen part of the building. There's windows all along the, bar on the back part of the, room all the way around.

00:08:22:02 - 00:08:41:13

Speaker 2

Oh, here we are in the main hall of the of the, structure. right in front of us is a stage. And, there's a dance floor about the middle of this.

00:08:41:16 - 00:08:59:24

Speaker 2

And, dance floor. And as you can see it, it's a large dance floor. And, this is where, the, tables are going to sit here when there's a function,

00:08:59:26 - 00:09:05:12

Speaker 1

The lighting seems to be up there, but it's not on at this time.

00:09:05:14 - 00:09:29:02

Speaker 2

There's a lot of painting has to be done yet, but certainly they progressed a long ways from, a month ago that I was here. Here's that side door that we, saw when, as I was showing you the, east side of the building. That's the east entrance.

00:09:29:04 - 00:09:56:20

Speaker 2

And, as you can see, it's a huge room, right? Which holds an enormous amount of people. The stage is a good sized little stage. And, this, entrance over here is. This is a west side entrance, which is the entrance between the, business building and the auditorium. Okay, we'll go up the stage and, take a, picture from that point.

00:09:56:22 - 00:10:18:19

Speaker 2

Okay, here we are now on top of the stage. I'm on the far, the back side of the stage, and there is the, east entrance, and, right in front of me. That's the back entrance. That's the entrance that we came into the building. And then here on the left is the, west side entrance.

00:10:18:21 - 00:10:38:11

Speaker 2

Huge doors. It's beautiful. You can probably open the doors and have a socially been outside between the, business and the, Oh, I'm sorry to say that this is, my batteries are low, and I don't have too much power left, but, I'm going to go to the administration building and see if I can get a few feet of that.

00:10:38:11 - 00:11:06:09

Speaker 2

So, we can share that with you. Okay. See you then. The center part between the, auditorium and the business building. It's, here's the door from the auditorium leads to the administration building. At this point, let's go into the administration building. Administration building. And, as you can see, they're working on it. there's no room dividers yet, but they've done a lot of work.

00:11:06:10 - 00:11:07:05

Speaker 1

The ceiling still has.

00:11:07:05 - 00:11:12:05

Speaker 2

To go up. I don't know what the next process is here, but as you can see, there is not,
