Mrs. James M. Tolmach

Oxnard, California

Dear Mrs. Tolmach:

As a member of the California Democratic Delegation to the 1960 Democratic National Convention, we respectfully urge you to communicate with Senator Lyndon B. Johnson, Senate Majority Leader, and urge him to schedule H. R. 10 for consideration by the Senate and to exercise his leadership in behalf of the bill.

H. R. 10 is important. It will permit self employed persons to establish retirement plans similar to those now authorized for persons employed by others. It will fill an important gap in providing a means whereby the self employed may enjoy the benefits of a sound pension fund. Such a program can only help stabilize the nation's economy in years to come.

Anything you can do to assist in having H. R. 10 considered by the Senate at this session shall be more than appreciated.

Sincerely yours,

Robert W. McNulty, D.D.S.
President
