

## DEGREE MAJORS AND MINORS

Fresno State College offers majors as indicated below for the bachelor of arts (BA), bachelor of science (BS), bachelor of education (BEd), bachelor of vocational education (BVEd), master of arts (MA), and master of science (MS) degrees. A major for a degree consists of an approved program of courses designed to give depth in a principal subject or discipline. Requirements for approved majors are listed in the appropriate department or division sections of the *General Catalog*. When selections are made within the major, these choices must have departmental approval.

Minors are also offered in the areas listed below with the exception of those marked with an asterisk (\*). For requirements see departments concerned.
