~~Paso~~ San Luis Obispo, Cal.

Dear Sir:-

After my talk with you yesterday I saw My friend that I spoke to you about, who represents a lot of capital, and he is desirous of visiting that district that you mentioned lying between Coalinga and McKittrick oil territory. We would like to go the first part of next week as we are both advocates of McKinley and wish to return in time to vote. I told the gentleman that you said that you would show us territory where we could see the oil coming out of the ground, and that it laid between Coalinga and McKittrick districts.

Please wire me on receipt of this letter stating if you can meet us at Paso Robles next tuesday so that we can leave Paso Robles Wednesday morning. Where can we stop for the night after reaching the district mentioned? Is there any stopping places over there that we can reach easily?

After receiving your wire I will advise you when we will San Francisco so that you can govern yourself accordingly.

Yours truly,

T. K. Stater
