## CALIFORNIA LEGISLATURE

# Senate

January 29, 1968

Mr. and Mrs. Daniel M Tolmach

Oxnard, Calif. 93030

Dear Mr. and Mrs. Tolmach:

As the 1968 session begins, I feel it is important to personally communicate with you. Only by communication between a legislator and his constituents can the best interests of the people be served.

Many vital issues will be before us this political year. We must reduce property taxes. Runaway crime and drug problems demand legislative attention. California's outmoded tax structure badly needs reform to more equitably distribute the tax burden. Welfare and Medi-Cal must be brought under control. The decisions we make, or fail to make, this year will affect every Californian in many important ways for years to come.

The fact that 1968 is an election year, though not for me, makes our task even more difficult. Partisan disputes threaten to overshadow the issues themselves. I pledge to continue to work for the best interests of California and our district (Ventura and Santa Barbara Counties).

Mr. and Mrs. Tolmach, I ask for your help in the difficult job of representing you and your neighbors in the California Senate. To effectively do so, it is essential that I know your views on the issues and problems. You can be of great help by writing whenever you have comments or complaints. We must work together to insure that the problems of our district are heard and that our State has the best government possible in these challenging and difficult times.

Best wishes and good luck in the coming year.

Sincerely yours,

*Robert J. Lagomarsino*
