Amy, Frank, Jose,

Am hoping this might be possible. Note below - Maria Cotera (daughter of Marta Cotera) is working on a "Chicana History Project." I wondered if CSUCI might be interested in helping us - by allowing taping of the interview with me at CSUCI - perhaps the Library. I recall Jose mentioning he was interested in Marta Cotera's feminist writings. I realize this might be a long shot but I thought I would try.

BTW I was featured in Dr. Dionne Espinoza's Chicano/a Movement 60's Project at CA State LA a couple of times.

Date of the Interview is scheduled - Friday, August 20, 10 AM to 2 PM. I would appreciate response ASAP.
