- Placing a "stop payment" or closing an account will not release the student from financial obligation nor will it automatically drop the student from enrollment. (California Administrative Code, Title 5, Section 42381)

### Debts Owed to the Institution

Should a student or former student fail to pay a debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

For example, the institution may withhold permission from any person owing a debt to receive official transcripts of grades. If a student believes he or she does not owe all or part of an asserted unpaid obligation, the student should contact the campus business office. The business office, or another office on campus to which the business office may refer the student, will review the pertinent information, including information provided by the student, and will advise the student of its conclusions.

### Estimate of Expenses

The basic expenses for attendance at California State University, Fresno for a year (two semesters) for full-time students who live away from home are approximately \$10,900. This figure is exclusive of the Nonresident Tuition Fee but includes an estimate of such personal items as clothes, laundry, and incidental expenditures. Students who live at home or share apartments with other students and commute to the campus are able to reduce their expenses considerably below the estimated figure. The cost of room and board may also be reduced by cooperative living arrangements or part-time work in exchange for room and board. *Note:* registration fees estimate is for California residents.

**Average Annual Cost of Education and Sources of Funds Per Full-Time Equivalent Student.** The 23 campuses and the Chancellor's Office of the California State University are financed primarily through funding provided by the taxpayers of California. The systemwide cost of education is defined as total support expenditures (State University Fee revenue and General Fund support appropriations) divided by

the number of full-time equivalent students. The total 2001/02 state General Fund appropriation to the CSU (not including capital outlay funding in the amount of \$225,000,000) is \$2,607,425,000 and campus budgeted State University Fee Revenue is \$509,417,000, for a total of \$3,116,842,000. The \$3,116,842,000 total cost of education for CSU must provide support for a projected 305,854 full-time equivalent students (FTES). The number of full-time equivalent students is determined by dividing the total academic student load by 15 units per term (the figure used here to define a full-time student's academic load).

The 2001/02 systemwide cost of education per full-time equivalent student is \$10,191. Of this amount, the average student fee support per FTE is \$1,876. (The State University Fee and campus fees that must be paid to apply to, enroll in, or attend the university are included in the average costs paid by the students. Individual students may pay less or more than \$1,876, depending on the campus and whether student is attending part-time/full-time, or is a resident/nonresident student. Also, other campus fees may be charged that are not required of all enrolled students, which include user and penalty/deposit fee types).

**VIP Bike Registration.** The Volunteer Identification Program is available free of charge on our campus. With this service your bike is engraved with your driver's license number or a serial number and is listed on a statewide computer system if stolen. Forms for VIP registration are available at the University Student Union information desk, the residence halls and the Commons #4 Office, and the Campus Security Office.
