Re: Resolution designating March as Women's History Month

Dear Supervisor Flynn:

The Women's History Project, a joint task force of the Ventura County Commission for Women and the Women's Equity Coalition, requests that the Board of Supervisors issue a resolution designating March as Women's History Month.

A sample resolution is enclosed along with remarks about the value of including women in our study and recognition of what history is. This information was provided by the National Women's History Project in Santa Rosa, California.

It would be most appropriate if the resolution could be presented at the Women's History Project Luncheon scheduled for Saturday, March 19, 12 noon at the Holiday Inn Ventura Beach Resort.

A complimentary luncheon ticket has been donated for you. We hope you will be able to attend to present the resolution.

Please call Martha Baskerville at the Commission office, ext. 7611, if you need any further information or to discuss the resolution or luncheon.

Sincerely,

Lauren Anderson
Commissioner, District I
Liaison, Women's History Project
