FEATURING THE EXCLUSIVE COLLECTION OF CHERYL BLAHA:

URUSEI YATSURA (THOSE ANNOYING ALIENS)

A delightful comedy of an alien invasion of Earth. The beautiful female alien champion must defeat a randomly selected Earthling—a "normal" male high school student.

VAMPIRE HUNTER 'D'

The tale of Dris and a mysterious vampire hunter 'D' is set 12,000 years in the future. The animation is excellent and the action is intense!
