BACHELORS NEWLY ELECTED OFFICERS FOR '62

Grandmaster - Rudy Belluomini
Ambassador - Gasper Espinoza
Administrator - Joe Rodriguez
Financial Director - Charlie Molina
Athletic Director - George Plata
Parliamentarian - Louie Fimbres

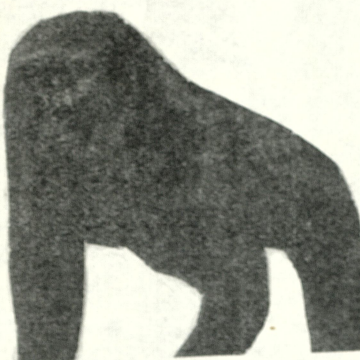

Re-appointed:

Press Agent: Gil Solarez

Our newly elected Grandmaster, Rudy Belluomini, promises to increase the membership and promote more activities for our members.

Born in Tucson, Arizona, not too long ago, has been active in many social and welfare activities. Rudy graduated from San Jose City College a few years ago. His main interest is Public Relations and Advertising. He attended State College and studied Labor Management Relations. He is presently working for Cannery Worker's Union Local 679 of San Jose as a Union Representative. At this present moment Rudy is President of the United Food Drive for '62 and is a member of the Mexican American Study Group of Santa Clara County Community Council. He is a Deputy Registrar and at one time helped to promote Proposition "A" of Policeman and Fireman Benefits.

2nd Lieutenant RUDY BELLOUMINI when he was in Korea teaching gorilla tactics to the South Korean troops. As you can see, he knew what he was talking about.

As a Korean veteran he served with the 8th Ranger Company attached to the 24th Infantry Division. Rudy helped to train Korean combat soldiers in guerrilla tactics. While in the states, he was with the 82nd Airborne and in Japan with the 11th Airborne and served three years and ten months for Uncle Sam.

Right now he represents our club with the United Latin American Council of Santa Clara County. So

I guess he is qualified to be our leader of the Bachelors Club for a while anyway.

As a kid he used to win weight-lifting contests and used to wrestle in carnivals just on a dare from the rest of his gang.

His biggest love was to beat his little brother Paul Belluomini just to hear him cry. There were times when he used to run away from home, but always came back when he was hungry...yet he was bashful with the girls, and still is! He is going to get married when he is good and ready and not because his friends are. Suckers!!!!!!!!!!!!

U. C. C. SOFTBALL LEAGUE

Last Sunday, Bachelors defeated El Dorado at Columbus Park. Score 2-0. This time we had our full team against El Dorado. The winning pitcher was Nat O'livas. Others on our team were Manny Gonzales, J. J. Rodriguez, Al Machado, Don Machado, Paul Chavez, Paul Ramirez, Al Rodriguez, Roy Ordonez, Tapon Plata, and Joe Sandoval.

Don Machado popped a line drive by third base that gave the Bachelors his first homerun of the season. J. J. Rodriguez hit and got to first, stole second, then third, and finally stole home.

Club San Joaquin won the league. They are the new '62 U. C. C. Softball League Champions.

Who is the new blonde working at Maria's Club? From the way Paul Gary talks of her she must be a knockout. Charlie Molina wants to meet her.

Preparations having been completed for ELITE'S 2nd annual BATHING BEAUTY CONTEST to be held at the HYATT HOUSE, on Friday, September 7th, part of Elite's glamour gals Club pose for this picture, Left to Right: Gil Solarez, Jovita Martinez, Tino Valenzuela, Dianne Barrera - publicity chairman, Al Rodriguez and Carmen Molina. Initial meeting of the Mexican American Bowlers Association was held at the Ann Darling Bowl with the following officers elected:

PRESIDENT - MARIO VAZQUEZ
1st Vice President - Charlie Hernandez
2nd Vice President - Dave Vargas
Sec. - Treasurer - John Caldera

Sweeper was won by Victor Yniguez with a 662, followed by Bob Abina of Fremont with a 612 and 3rd place tied by Nick Gonzalez and Ben Lopez of San Jose and Dave Vargas of Fremont.

What does a team has to do to win a league. Since the fourth week of bowling San Jose Refrigeration as posted a 35-5 win-loss record and they are still in second place, 2-1/2 games out. Levi Strauss is really bowling in that 846 Scratch League at 4th St. Bowl.

Many years have passed and this summer I've seen more of the old gang here that at any other time. First it was Esequiel Guevara now of San Antonio, Texas, followed by Dr. Fermin Calderon and Chris Aldrete of Del Rio. Next in was Robert Cuellar, a Medical Student in Monterrey, Mexico, who will be a doctor next year. And last was Eddie Paredes, the old Quarterback of San Felipe, who is now a vice-principal in San Antonio. Hadn't seen them is 16 years.

Those Russians are really going strong. Two space ships close to each other in space. All they need is two more for a good bridge game.

And the Excentrico makes the headlines in far off Texas.

JUST IN EXCENTRICO

DEL RIO SUBJECT OF RAGING CONTROVERSY IN CALIFORNIA

The virtues and merits of Del Rio seems to be the subject of a heated controversy raging in far-off San Jose, California.

The whole thing is taking place in a little bilingual magazine dalled "El Ecentrico".

From articles, we gather there is quite a colony of logal Del Rioans in San Jose. They are banded together in an organization called "Club San Felipe", and have a follow named Candy Veliz, who is a correspondent to El Excentrico.

Well, there is another columnist who writes a column "San Jose, California - All American City" in their magazine who seems quite upset about the

way our colonists out there feel about God's Country, namely Del Rio.

(Articles written by Exentrico omitted).

Well, some other correspondent - Daniel Saldana - on another page, refutes the column and tears into sierra for writing it. Obviously, neither one of the two has ever been in Del Rio.

But, then if those people out there in California can't think of a better subject to argue about, Del Rio, we guess is about as good as they come. And as far as the Club San Felipe is concerned, it is kind to know that people who have moved to other places hold Del Rio in such affection.

Most people who have lived here feel the same way about it.

RÉGRESA

Regresa, deseo libar el nectar de tus labios rojos
y saborear nuevamente su dulzura.
Y al mirarme en el espejo de tus verdes ojos
siento el reflejo de ilusion, y de ternura.

Sin ti siento que la vida, mas y mas se aleja,
Noche a noche tu retorno, al cielo imploro
Es la luna quien recoje mi dolorosa queja,
y las estrellas me consuelan, cuando lloro.

Naufagando voy, en el mar de la obsesion,
Tu voz escucho, en un silencio sacrosanto,
Aumenta mas la sed de mi pasion
y solo consigo beber mi propio llanto.

Mas, si en tu vida otro amor has encontrado
Ya no retes al destino nuevamente;
Yo arrastrare mi orgullo destrozado
Pidiendo a Dios, que seas feliz eternamente.

VERDE BLANCO Y ROJO

De verde blanco y rojo, como mi bandera,
como el campo hermoso de mi primavera
quiero que te vistas para ir a pasear:
con esos colores te vera mas bella,
Seras en mi vida la fulgida estrella
que llegue a sonar.

Irás de mi brazo por el mundo entero
quiero demostrarte lo mucho que te quiero,
que tuya es mi vida, que tuyo es mi Ser;
Yo quiero que sepas que tu, ya eres Mia,
y que ni en mis sueños, Yo te cambiaria
por otra mujer.

Llevarte a mi lado sera un gran orgullo
Sabindote Mia, sintiendome Tuyo,
por que eres honrrada y buena Mujer.
y alze mis ojos alabando al cielo
al ver que mis penas y mi desconsuelo
me dio Tu querer.

De verde blanco y rojo, yo quiero mirarte
con ese vestido quiero presentarte,
ante las mujeres de la sociedad;
Ninguna de ellas sera mas hermosa;
por que eres muy linda bonita y graciosa
lo digo en verdad.

De verde blanco y rojo, Iras cuando muera,
hasta el cementerio.....la casa postrera
al dejarme flores, demuestras Amor;
al sentir mis Restos, tu calido manto;
hare que se simbre todo el camposanto
en prueba de Amor.

HAY FEVER

Oh, oh, that season is approaching again! How many millions are thinking that at the present time? How many millions will start in a few weeks to pray for an early frost to kill off pollen?

Are the pollens from the various grasses, the ragweed, roses, golden-rod, etc., the real causes of Hayfever? It would seem that the answer is YES since each year it occurs when the pollen are in the air.

However, if pollen were the primary cause, why doesn't everybody whom pollen contacts become a victim? If the answer, "Everybody isn't sensitive to pollen," then we must observe that ABNORMAL SENSITIVITY, not pollen, is the prior cause. What then is the cause of this sensitivity, this lack of normal resistance to what is a natural atmospheric substance? Tissue resistance to pollen, as well as germs, is dependent, in part, upon circulation of blood to that tissue. It is the warm blood that keeps tissues at normal temperature, that furnishes nutrition and adequate water to the tissues. And, it is the circulation of blood which takes damaging waste products away from tissues to the organs of elimination.

A chronic disturbance of normal circulation to the nasal areas could be the reason for lack of normal resistance to pollen.

Jonathan C. Meakins, M. D., LL.D., who has held positions of distinction in the medical profession including "Fellow of The American College of Physicians" has written in a textbook, "A man without one leg is obviously handicapped. So also is an organ without adequate blood supply."

When the nasal lining does not have normal resistance to pollen, couldn't it be said that the tissues of the nose are "without adequate blood supply"?

Now, it is a physiological fact that circulation of blood to all structures is regulated by nerves, called vaso-motor nerves. And, nerve fibers which influence circulation to all organs are contained in the spinal nerve trunks.

Many thousands of former victims of hayfever are grateful to chiropractic for recoveries. Many other thousands have found that chiropractic care has reduced either the severity or the duration of attacks.

But, resistance is not a condition which can be restored overnight or in a few days. It is a gradual process. So, hayfever victims should consult a doctor of chiropractic early (NOW) and get an early start on their new health program.

A Manifestation of Thanks

Wonderful isn't it, that there are individuals in this world who upon reading or hearing a true-to-life, pathetic, human interest story not only sympathize, but move to action? This was my first thought when I saw the list of donors who helped in the plight of little Bonnie Lee Perez.

We have not known, and perhaps will never know, how very fortunate we are. The majority of us have a stuffing dinner every night, play cards with the neighbors, chase the dog around the house, and do the "twist". Every day thinking and planning for the tomorrow: next week we'll go to see the Giants play; next summer we're taking a trip to Acapulco; or; only 5 more years and the house mortgage will be paid off.

How often do we stop to think of those things which we merely take for granted - the soft bed to sleep on, fresh running water, excellent health, and countless other blessings? So much is given us and what have we given in return? Certainly our sources have come through a greater Media, an unseen Media which we know not of, or understand little about, to Him we give thanks. Do we manifest our thanks in any other form?

Giving to someone else, a little something of that which we have plenty of, I believe is a genuine expression of thanks for the necessities and luxuries we possess.

Those who joined hands in bringing final pleasures to sweet Bonnie Lee through monetary measures, to me, reveals people giving thanks for what they have, and indicates that even amidst this world of notoriously selfish people, the unselfish and kind-hearted do exist.

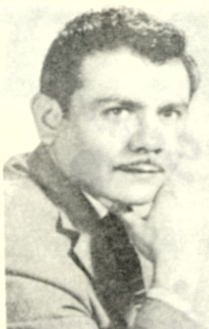

To you the donors: What greater joy can you receive but to see the eyes of this little darling light up as she goes through the gates of Disneyland?

What greater thanks can be expressed but to hear her screams of delight and laughter as she rides up the Matterhorn? Because of you, these last earthly joys were made possible for this bundle of joy who is with us today but will be gone tomorrow.

God bless you, the giver, for having manifested your thanks in this manner!

Most of all, God bless dearest Bonnie Lee!

To condition ourselves for the imbibing, drinking and boozing contest with Club San Joaquin, there is to be some elimination within our Club. The pairing is as follows:

Greg Gloria	vs. Eddie Valdez
Art Cuellar	vs. Richard Martinez
Armando Menchaca	vs. Jess Medina
Bobby Sanchez	vs. Benny Garcia
Butch Martinez	vs. Tony Carvajal
Tony Guillen	vs. Val Garcia
Candy Veliz	vs. Naro Moran

Watching from the sideline will be Danny Caste-

llanos, Freddie Santos, Cruz Tapia, Danny Marquez, Joe Gonzalez, and Joe Juarez. Que rayada se ubiera dado Cesar Isais si no andubiera con el Tio Samuel. Por mi parte yo nomas le tengo miedo a Doña Crudielia.

Cruz Tapia, our star third baseman gave us a scare in our game with Club El Dorado. He suffered a knee injury. However, it is not serious and he will be with us for the game against Club San Joaquin.

Club San Felipe beat El Dorado 6-5 on a home run by Coach Danny Castellanos with one aboard in the 7th inning.

It is this writer's opinion that the public has the wrong conception about the articles that appear in the Mercury in regards to the C.S.O. I wager to say that Mr. Juan Ramos, Mr. Luis Zarato, and Mr. Herman Gallegos did not try to glorify themselves.

Its a sad set of circumstances that people had to form that opinion. The C.S.O. is an organization that strives continuously for the betterment of the community. I know for a fact that Ramon Gonzalez and Joe Lopez work diligently toward this purpose.

Congratulations to Cheno Plata and Connie Rodriguez on their forthcoming marriage.

MAPA, whose initials mean Mexican American Political Association is having candidates day come September 2nd from 2-5 P.M. in the Civic Auditorium. Plans are being made to bring Congressman Gonzalez as well as Ed Roybal and others by name from around the state. The local candidates with interest to us will also attend. The local candidates with interest to us will also attend. The best of entertainment will be provided.

Every effort to bring the M.C. from The Sinaloa of S. F. will be made. It is this writer's opinion that he is one of the best if not the best around this parts of the country. Also on the verge of being contracted are Los Hermanos Jordan with Ray Martinez, Reyes Valderas, Julian Quesada and others. This interesting evening you don't want to miss.

An evening is almost never complete if you don't stop by the Rainbow Ballroom on Saturdays and Sundays where Mr. Frank & Ray Davilla present the best of entertainment for your dancing pleasure.

Heard from Lucia and Millie Rodriguez from Blythe, California. They say hello to all their acquaintances here. They miss San Jose and hope to return soon. Velia Duran is having a hard time adjusting to the daily routine without them. Girls, Tony Carvajal and Val Garcia will stop by to say hello in January.

The Del Rio Little Leaguers were on their way to the Little World Series when we last heard from them. Congratulations.

El sabado 4 del mes que transcurre recibio las aguas purificadoras del santo bautismo la preciosa niñita de los Sres. Jose Castillo y su estimable esposa Laura Torres de Castillo. A la nueva cristiana se impuso el nombre de Norma. Apadrinaron el acto religioso los Sres. Richard y Maria de la Luz Sanchez. La ceremonia tuvo lugar a la una de la tarde en la capilla de Guadalupe. Despues se sirvio una alegre comida en la residencia de los esposos Castillo y por la noche una esplendida y sabrosissima cena con la que se festejo el emotivo acto.

Un aspecto de la gran concurrencia a la alegre comida ofrecida a la Sra. Doña Beatriz Contreras de Ozuna en el Alum Rock Park de esta ciudad el domingo 29 del pasado mes en celebracion de su dia de dias.

SWIMMING

Swimming is one of the most healthful of sports. It exercises the body without overheating it. It develops strong, smooth muscles and good lung capacity. It can be enjoyed by healthy people, from childhood to old age. The health and enjoyment gained by swimming far outweigh its dangers.

Medical Check Up

People who are not well should have their doctor's permission before swimming. If you haven't had a medical check up for a year or more, why not have one before your vacation starts? Find out for sure just how much exercise and sun are good for you. Water Wisdom

Contaminated rivers and lakes spread such diseases as typhoid and dysentery. A swimming pool that is crowded and unclean can spread any number of diseases. Every swimming pool should be cleaned regularly and thoroughly, have a change of water often, and have chlorine added to the water. Before you swim in a river, lake, or swimming pool, make sure that the water is not polluted. The local health department will know about the condition of pools and bathing beaches in their territory. Feel free to check with them.

Swimming Time

Don't go into the water immediately after meals, or when tired from other exercise. Always come out before you get tired or chilly. A swim should leave you relaxed and comfortable. If it doesn't, you have stayed in the water too long. Take a shorter swim next time. Remaining in the water after you feel chilly lowers your resistance to infections such as colds, pneumonia, sinus, or ear infections. Getting overtired is dangerous too. It puts a strain on your heart and blood vessels.

Double Safety

On a long swim have someone row along beside you, or go with another good swimmer. Be sure that you both know lifesaving methods. The most expert swimmer may drag you down if he gets a cramp. Rescue training will teach you how to avoid his clutches while you tow him to shore. Unless you both know lifesaving methods better swim parallel to shore or stay within rescue distance.

Don't attempt a long swim the first few days of the season. Your swimming muscles have lost their strength through the winter. Give them time to get strong

again before attempting distance, strong currents, or a heavy sea.

Feet First

Before diving in a new place, test the water for depth and hidden logs or rocks. Lakes and rivers change in depth according to rainfall. In salt water, there are high and low tides to consider when diving from a stationary platform.

Find out for yourself if your dive should be a shallow one. Don't risk a broken neck. If you have trouble with your sinuses or ears, give up diving and underwater swimming. Water in the nose washes away protective secretions that help prevent infection. Too, infections can wash into the sinuses through the nose, and can reach the middle ear through a passage from the throat.

La del Vestido Verde

Poesía por Agustín S. Rodríguez

Cual magia de verde elegante vestida
sus ojos brillantes hermosos luceros;
su pelo sedoso, su grata sonrisa
fue lo que admiraron mis ojos primero.

Acerqueme a ella con nervios temerosos;
bailamos?, le dije con nervios temerosos
y al tomar su mano corrían por mis venas
torrentes de dicha jamás conocida.

Al asir su talle al compás de la orquesta
aspire su aliento y me mire en sus ojos;
quise conversarle y oír sus respuestas
salir como himnos de sus labios rojos.

Así entre mis brazos sentía su latido;
la elogí por bella por fina y decente,
porque sin orgullo me había complacido
y un divino embrujo dejaba en mi mente.

Todas mis palabras tuvieron respuesta
y hasta sus elogios mi lexico gana,
solo que acababa de tocar la orquesta
dejando sus notas prendidas en mi alma.

Vino la siguiente y le dije bailemos
y sin sospechar que se fuera tan pronto;
quise darle tiempo a mis grandes anhelos
quedando mi pecho sangrando en el fondo.

Se hace ya muy larga la cita del baile,
quiera ver sus ojos y estar en sus brazos,
quiero estar muy cerca y poder confesarle
que sin ella mi alma se rompe en pedazos.

PORQUE NO?

Que poco valen hoy mis aptitudes
si a cambio de adorarte me desdénas
si a cambio de ofrecerte mis virtudes
de amor corresponderte no das señas.

Mis ojos que acarisian tu mirada
te han dicho lo que callo con mi boca
y mi alma que palpita enamorada
insiste en consolar mi mente loca.

Porque no habia de darte yo mis versos?
si son tan tuyos, como tu hermosura;
si son la inspiracion que en vez de besos
te ofrezco en mis palabras con ternura.

Y pobre de mi ser que estando cerca
te mira despedir cuando te alejas
dejando mi ilusion y mi alma muerta
sin nada que consuele mi tristeza.

Views & Reviews

Bob Rodriguez

A few weeks ago I wrote an article titled "17 Men and the Blue Badge of Courage" and I received very favorable comment from my readers who wanted to learn more about this brave legion of Congressional Medal of Honor Winners. This is a short story about one of the seventeen men, Pfc. Edward "Babe" Gomez from Omaha, Nebraska. Babe came from a family of 12. His sister, the former Rachel Gomez now Mrs. Fred Flores resides at 333 No. 14th St. here in San Jose. Fred is a GI Forum member and President of Los Amigos Golfing Club.

A MEMORIAL FOR BABE GOMEZ

Babe Gomez was a youth who was always on an endless search for adventure. At the age of 15 he was sent to the State Training School for Boys at Kearney, Nebraska. He lived a rough and ready life while growing up and running around with the wrong crowd and getting into trouble with the law led to the Training School at Kearney. Once apart from his former crowd Babe applied himself to studying Baking and spent 11 months at Kearney in 1948. William Ettinger, head of the Training School, said "He made a very rapid adjustment and his record is one of the best on file".

Babe attended Highland School and South High in Omaha and was one of the most promising Golden Gloves fighters in the city. His knack for adventure and love of animals led to his traveling with a circus at the time of his enlistment. Most of all he wanted to be a Marine.

Through some ingenuity he managed to enlist in the Marines at the age of 17 without his parents' signature. After a short period of boot training at San Diego he was shipped to Korea.

Before he was 18 Babe had been wounded twice and decorated with two Purple Hearts. His final Purple Heart was to come on a bleak Korean hill in 1951.

In his last letter home he said, "The kids, remind

PFC. EDWARD GOMEZ
"BABE"

"Fight Only For What
You Believe In"

them of me once in a while and never forget, kid fight only for what you believe in--that's what I'm fighting for."

Babe's devotion to his country and his fellow men will long be remembered and his name shall forever stand in the annals of the United States Marines. He was awarded the Congressional Medal of Honor, the highest honor this country can bestow on a soldier. His citation reads as follows:

GOMEZ, EDWARD

Private First Class, USMCR, 1102547 Born 10 August 1932.

"For conspicuous gallantry and intrepidity at the risk of his life above and beyond the call of duty while serving as an Ammunition Bearer in Company E, Second Battalion, First Marines, First Marine Division, in action against enemy aggressor forces in Korea on 14 September 1951. Boldly advancing with his squad in support of a group of riflemen assaulting a series of strongly fortified and bitterly defended hostile positions on Hill 749, Private First Class Gomez consistently exposed himself to the withering barrage to keep his machine gun supplied with ammunition during the drive forward to seize the objective. As his squad deployed to meet an imminent counterattack, he voluntarily moved down an abandoned trench to search for a new location for the gun and when a hostile grenade landed between himself and his weapon, shouted a warning to those around him as he grasped the activated charge in his hand. Determined to save his comrades, he unhesitatingly chose to sacrifice himself and, diving into the ditch with the deadly missile, absorbed the shattering violence of the explosion in his own body. By his stout-hearted courage, incomparable valor and decisive spirit of self-sacrifice, Pfc. Gomez inspired others to heroic efforts in subsequently repelling the outnumbered foe, and his valiant conduct throughout sustained and enhanced the finest traditions of the United States Naval Service. He gallantly gave his life for his country."

When the Medal of Honor was to be presented in 1952 to Babe's parents in Washington they asked that the ceremonies be held in the family church, Our Lady of Guadalupe, which Babe had attended.

Last Memorial Day the State of Nebraska dedicated a new \$300,000 dining hall at the State Training School for Boys at Kearney to the memory of the young Marine of Mexican ancestry who died so his buddies could live. His advice to his brothers and sisters in his last letter home, "Fight only for what you believe in--that's what I'm fighting for," and his heroism will live on in this memorial to inspire hundreds of youngsters.

Babe Gomez was killed in action against the enemy at the age of 19. He could have saved himself had he wanted to at the expense of his comrades, but then how could he for he was a Marine. It wouldn't have been like him.

A couple of old men, both in their 80's, were chatting one day. "Do you think there's as much sex and romance going on like there used to be?"

"I guess so," nodded the second, "except there is a new bunch doing it!"

"Man, am I lucky," remarked a fellow smugly. "I've got a wife and a cigarette lighter and they're both working....."

Softball at Milpitas and San Jose with Club Riviera's team D and R: On July 29 Hillard Payer hit a grand slam homer to climax a very well played game. Payer also sparkled with a terrific throw from short right field to catcher Louie Cedillo to end a three run threat by Ideal Barbershop. Final score Club Riviera 8 - Ideal Barbershop 5. August 5, Club Riviera 7, Reserves 0. On August 12 at Backesto Club Rivera and Morgan Hill played an excellent game, with Rivas' pitchers Frank Espinoza and Keith Cody bringing the team through with a win of 12-6. Club Rivas' team D and R is presently leading on the 2nd half with 3 straight wins and 0 losses. Club Riviera announces that we are also participating in hard ball and we would like to have more practice games and players. If interested, we would appreciate it if you would contact our athletic director and manager Paul Ramirez at AM 2-1074.

The membership of Club Riviera express their utmost appreciation to Mrs. Beatrice Cody for the farewell party that was held at her home on July 23 on behalf of our star pitcher Keith Cody, who has departed to serve in the Naval Reserves; to Mr. Richard Gomez and associates for the excellent Bar-B-Q and family outing that was held at the Oakdale Park in Morgan Hill on August 29. Congratulations to Mr. and Mrs. Eusebio Ramirez on their August 28, 5th wedding anniversary and a happy-happy birthday to Victoria Espinoza, Johnny Fodriquez and Jim Herrera.

Amistad

Nunca como ahora las relaciones entre Mexico y los Estados Unidos de Norte America han sido mas cordiales, este es el momento preciso en que debe de haber de parte de los habitantes de estos dos pueblos el mayor entendimiento posible.

La buena voluntad que el actual gobierno de la Union Americana ha demostrado a Mexico y el gran recibimiento que el pueblo y las autoridades hicieron al Sr. President J. F. Kennedy son demostraciones palpables de que entre los dos gobiernos hay el deseo de conservar una amistad franca y sincera. El jefe del gobierno Americano manifiesto que siente gran admiracion por Mexico, que a pesar de todas sus luchas y problemas ha sabido conservar una situacion decorosa entre todas las naciones.

El Presidente Adolfo Lopez Mateos hizo resaltar la ruta de progreso por la que el pais camina, seguro de que el esfuerzo de sus hombres lo hara llegar a la meta de paz y bienestar por todos anhelada; puso de manifiesto tambien que Mexico es un pais respetuoso del derecho de los demas paises, y que ninguna ideologia exotica tendra arraigo en el pueblo que ha luchado denodadamente por los beneficios conquistados y que han quedado establecidos en sus leyes.

La Sra. esposa del Sr. Presidente Kennedy se dirigió al pueblo de Mexico haciendo uso del idioma Castellano, dejando con ello un gran sentimiento de cariño prendido en el corazon de todos los mexicanos; admiro a nuestro pueblo por la forma en que ha conservado su cultura sus costumbres y sus tradiciones. La sencillez y modestia que puso de manifiesto, siendo la primera dama de el pais que ocupa el primer lugar en el concierto de naciones del mundo, agiganta todavia mas su gran personalidad.

Despues de quedar manifiesto el deseo de amistad que los gobiernos de los dos paises han demostrado, toca a los habitantes de esos dos paises la tarea de hacerlos realidad. Es el momento de estrechar la mano dedicandonos todos a trabajar en armonia para hacer solida nuestra amistad.

La discriminacion que todavia sufren algunos mexicanos en algunos lugares de la Union Americana debe desaparecer, los que vivimos al norte del Rio Bravo tenemos la obligacion de denunciar todos y cada uno de los actos discriminatorios que sufran los nuestros y el deber ademas de hacer oír nuestra protesta por estos actos ante las autoridades de los dos pueblos amigos.

Toca a los habitantes al sur de el Rio Grande, tratar a sus vecinos del norte con la hospitalidad y cortesia tradicional en el pueblo mexicano y denunciar a aquellos que no sepan hacer honor a esta tradicion.

Toda la buena voluntad demostrada en esta visita, sera solamente un bello sueño, si se persiste en considerar al mexicano como ciudadano, emigrado o turista en la clasificacion de segunda categoria y se siguen haciendo extrañamientos a los mexicanos ya sea nacidos en los Estados Unidos o el la Republica Mexicana.

La amistad entre individuos como entre naciones, debe tener como base el respeto mutuo.

Si en Mexico se sigue considerando el ciudadano Estadounidenses como el tipo que trae de los de a doce y medio por uno y que solo va a Mexico para ligerar sus bolsillos, quedara el la mente de ellos que lo unico que les interesa a sus vecinos es su dinero no su amistad.

No puede haber ninguna amistad sana si esta tiene como base el interes.

Si efectivamente queremos, como es verdad, que las dos naciones sean amigas, no debemos dejar la tarea solo a los que las gobiernan, esta es una tarea en la que todos debemos trabajar con lo mejor de nuestras habilidades; si logramos que nuestros pueblos se conozcan mejor, la amistad entre ellos es un hecho por que el fin que se persigue es el mismo; vivir en paz y trabajar por el progreso y bienestar de todos los pueblos de la tierra.

CLUB SAN JOAQUIN WINS U. C. C. CROWN!

Club San Joaquin won its third U. C. C. League softball championship in the five year history of the league by posting consecutive wins over Club Bachelors, Casa Mañana, and San Felipe, its three big rivals. The win over Bachelors was climaxed by a grand slam homer by Ruben Garcia, CSJ first sacker. Also, ENOS MORENO PITCHED A NO-HITTER!!!!

Against Casa Mañana it was a bit more difficult and it took Ruben Garcia's three run homer to ice it for CLUB SAN JOAQUIN 7-6.

The San Felipe game I did not see, hence no comment. The important thing is San Joaquin won again. CONGRATULATIONS men, and Coach Bob Garcia.

... "I'm ready."

ALL TOGETHER NOW....DOWN THE HATCH!

Club San Joaquin has challenged Club San Felipe to a drinking contest. I hear that the SF members are having eliminations among themselves to see who will be the fortunate few who will pit themselves against the top suds swallows from Club San Joaquin.

Currently coaching the San Joaquin drinking team is Jess "Montana" Muñoz, whose drinking feats are legend from Reno, Nevada to the Mexican border. Montana led the four man expedition composed of Leonard Leon, Bob Garcia, yours truly, and himself, which made the famous three day drinking trek from Woodlake, California to San Jose five years ago. Friday morning's sun found Mr. Muñoz, Mr. Leon, and your correspondent, in the Copa Grande in sunny Woodlake contemplating the hazards of a trip to far off San Jose. Over the hills and through Seville was the shortest route by far but there was no "oasis" for miles and miles. Finally, the southerly route through Visalia was selected. In Visalia we made friends with a chubby Mexican name of Garcia and voted to take him along. Immediately he invited us into La Hacienda to drink to a successful journey.

Early the next morning, as the sun peeked slowly over the foothills of the Sierra Nevadas, we slipped out of town disguised as hungover drunks. Just south of Fresno on highway 99, a warm smile creased our faces and a gleam was on every eye as we passed the Roma Winery - The World's Largest Winery. Fresno is a dangerous city. Bars lurk on every corner. Friendly bartenders abound. Temptation won. Late that evening we asked the bartender to come out on the sidewalk and point us toward San Jose.

As we were getting into the car, I paid Montana 25¢ as I had lost the bet that we would be out of the San Joaquin Valley by nightfall. Madera was next. Someone knew a friend who has an uncle who has a bar. Nuff said.

Sunday morning we awoke fifteen miles west of Los Banos. We made North 2nd Street the hard way--by way of Stockton Avenue and The Snug Harbor.

How far is Fresno from here? Two hangovers.

BERT GARCIA, JR. ON CARRIER HANCOCK

Bert Garcia, Jr. was one of 3000 men on the USS Hancock which returned to her home port last Monday. Bert visited briefly in San Jose. We come back!
