Subject: Greetings from NWPC!

Hi Lupe,
Here is a photo from the Hillary press conference that I thought you'd like to have.

I also want to confirm that you'll be able to join us at the NWPC state conference in **Sacramento on Sunday, May 4th**. The Intergenerational Panel that I'd like you to be a part of will follow lunch. The session will be 45 minutes long. I am also inviting Carole Nutt who was very active in NWPC in California in the early years and has recently taken an office with our current board; Alissa Ko, a young woman active in our Capitol Caucus; and Micha Liberty, another young woman who is currently the president of the San Francisco Chapter.

I think the four of you represent the best of NWPC and will present an interesting exchange of how things were when the caucus started, how things have changed, and how they are in some respects still the same.

I am finalizing the program this week and will send you an advance copy of the invitation with all of the conference details shortly. Meanwhile, would you please send me a photo and short bio for the event journal?

Thanks,
Celeste
