Los Angeles, California.

Dear Mr. Hearst:

These photographs of the marble statues
were just received today from Mr. Byne, also
the note enclosed.

In regards to your telephone message
today, I try to have Mr. Byne write directly
to you so as to save any possible misunder-
standing and never have ordered except as you
have asked me to cable. He seems to think
he had missed connections this summer, but
I will write again and ask him to send in
your regular channels.

I did not go to the Hill Sunday night as
they reported a steady storm -- but am taking
chances tonight for a semi good day to-morrow.

Yours very truly,

JM-dem
