EDITOR'S MESSAGE

A yearbook is typically a pictorial history of the year past. The theme of the 1962 La Torre, "Toward Excellent Achievement Through Creativity" is exemplified in the pages to follow. It is our desire not only to show the pictorial past but also to show the various ways in which creativeness is manifested in our college life. Creativity as we are using it is that ability to express oneself in any media.

Creativeness is evident throughout the San Jose State campus. The science major, for instance; certainly the never-ending search for knowledge exemplified by the scientist calls for a creative mind. The education major is sure to agree that composing lesson plans takes a great measure of creative thinking. Then there is, of course, the art student who is certainly creative. Also, there is the college student who is not merely taking classes, but also thinking about the concepts learned in them and how they apply to his future goals. Does this not take creativity?

San Jose State, amid the towering scaffolding of the ever rising new buildings and the entwining ivy of Tower Hall, symbolizes the achievement of its students who have gone before. Why then can it not symbolize the achievement of its present students?

PRESIDENT'S MESSAGE

" 'Tis wise to learn; 'tis Godlike to create." In America, perhaps more than in any other nation in the world, every man and woman can be the architect of his own life plan. Our precious freedoms, won for us by our heroic forefathers, and preserved for us by constitutional government, allow us to set personal goals as high as we dare, and to work toward them as long as we live. Whether or not we achieve all that we aspire to, we experience, in the act of striving, the deep satisfactions of self-direction and self-realization.

May your future lives be continually enriched by the wisdom you have acquired at San Jose State College, and the creative powers you have developed here.

The demands placed on the executive department in a college as large as San Jose State can hardly be measured. However, the results of the department's efforts may be seen in every facet of SJS life — in the various departments, the growth of the school, and the good name the school has continued to keep throughout the years.

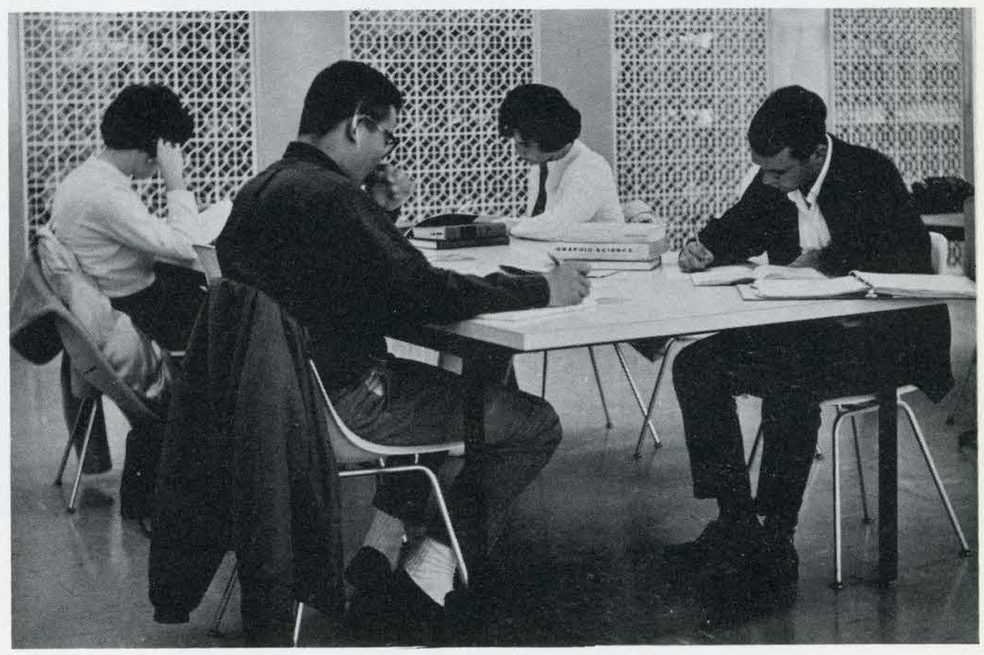
TWO COEDS TAKE ADVANTAGE OF THE BOOK STACKS

NEW LIBRARY WING



AN AFTERNOON OF STUDY

The new $2,615,000 six-story library addition, opened to SJS students last fall, offers a reading room on each floor, educational and instrumental facilities, typing rooms, and two conference rooms. There are three subject-division rooms in the fields of creative arts, language arts, and education. The new wing, which will be combined with the old north wing next fall, features spacious, colorful reading rooms, which provide a more pleasant atmosphere for studying.

STUDENT HEALTH SERVICE

The student health service, open to all full-time students at SJS, operates as an out-patient clinic with a staff of nine doctors, several nurses, technicians, and receptionists. The services available are first aid, emergency care, x-rays, health examinations, and physical therapy. The health department also offers immunizations during the school year. The purpose of these services is to keep students in school at their highest level of efficiency, and to maintain a high stuednt health rating.

PLACEMENT SERVICE

DONALD DOZIER AND MRS. D. B. HARRIS, PLACEMENT OFFICERS, AID A STUDENT.

The placement service has a two-fold purpose in its existence: to find permanent jobs in business, industry, and education for graduating students, and to find part-time jobs for students who wish to work while attending school. The placement office directs its services toward the needs of the community — in business, industry, and the school system — by providing students with job information and direct interviews with prospective employers. A counseling service is offered to aid students in knowing the vocational opportunities which exist in their specific field.

NEW AUDIO-VISUAL WING IN PROGRESS

The audio-visual center, which moves into an expanded, remodeled wing this spring, provides students and faculty with various audio-visual materials. The materials offered are film strips, tape recordings, slides, and other educational aids used for regular campus instruction. In addition, the center prepares materials for specific instructional needs.

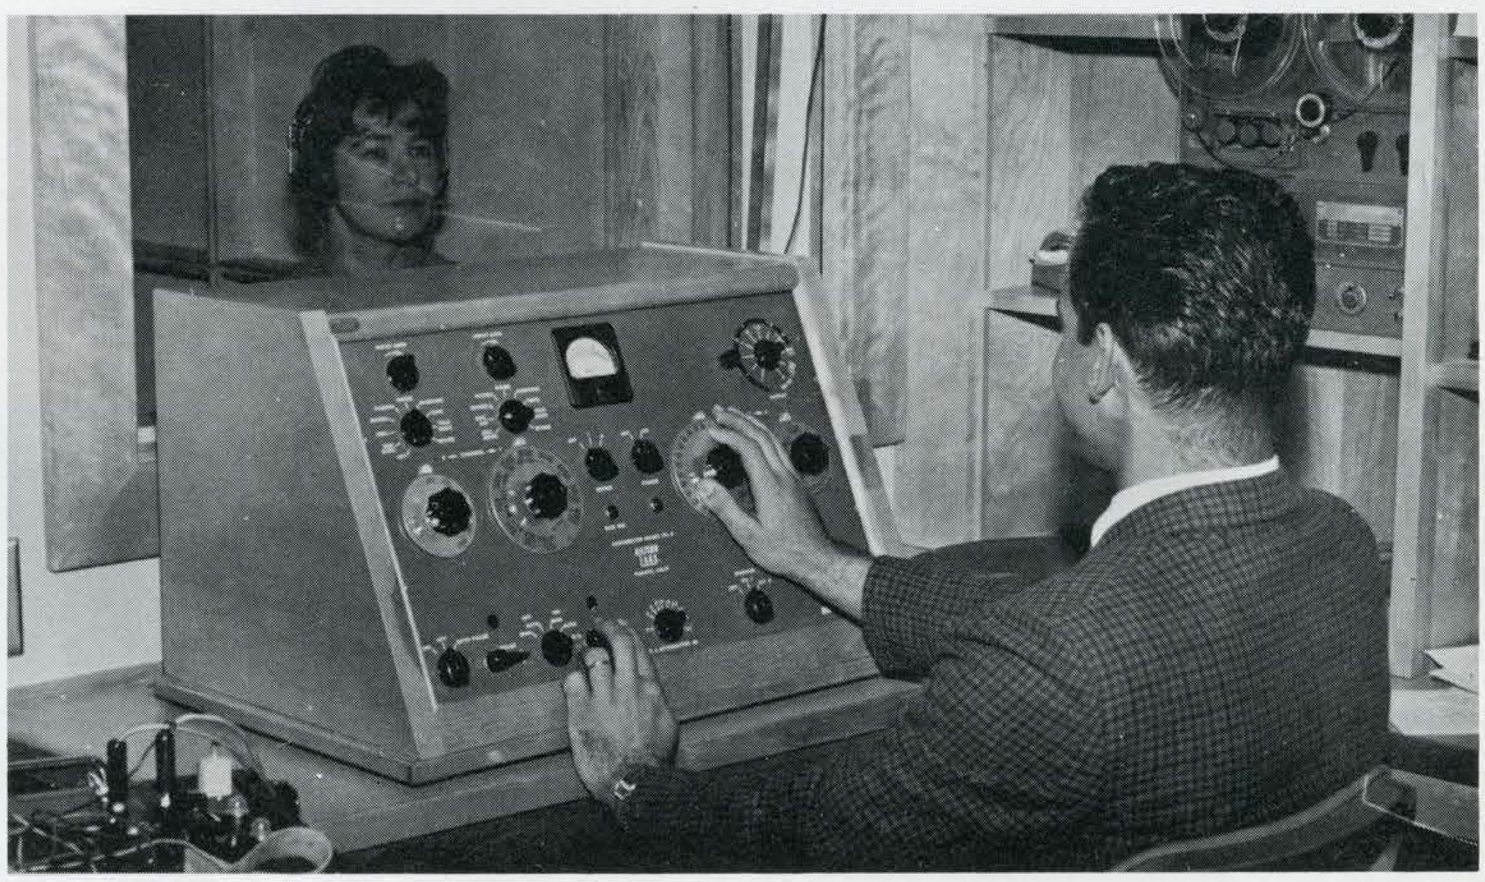
SPEECH CLINIC

SPEECH THERAPY IS GIVEN TO A CHILD.



BOB SILVERIA GIVING A GALVANIC SKIN RESPONSE TEST.

YOUNGSTER IS GIVEN AN AUDIOMETRIC CHECKOUT.

Headed by Director Raphael Haller, the San Jose State Speech-Hearing Center serves the entire community of greater San Jose. Anyone in Santa Clara County is eligible, by virtue of residence, to receive therapy as either an "in" or "out" patient.

Speech therapists concern themselves with voice disorders and those involving language. In hearing therapy, clinicians test in two ways: via the "P.G.S.R." (Psycho-Galvanic Skin Response) and the Audiometric Puretone.

Under Dr. Ward Rasmas, students doing therapy in the department are those whose work will lead them to dual credentials in Speech Correction and Audiometry.

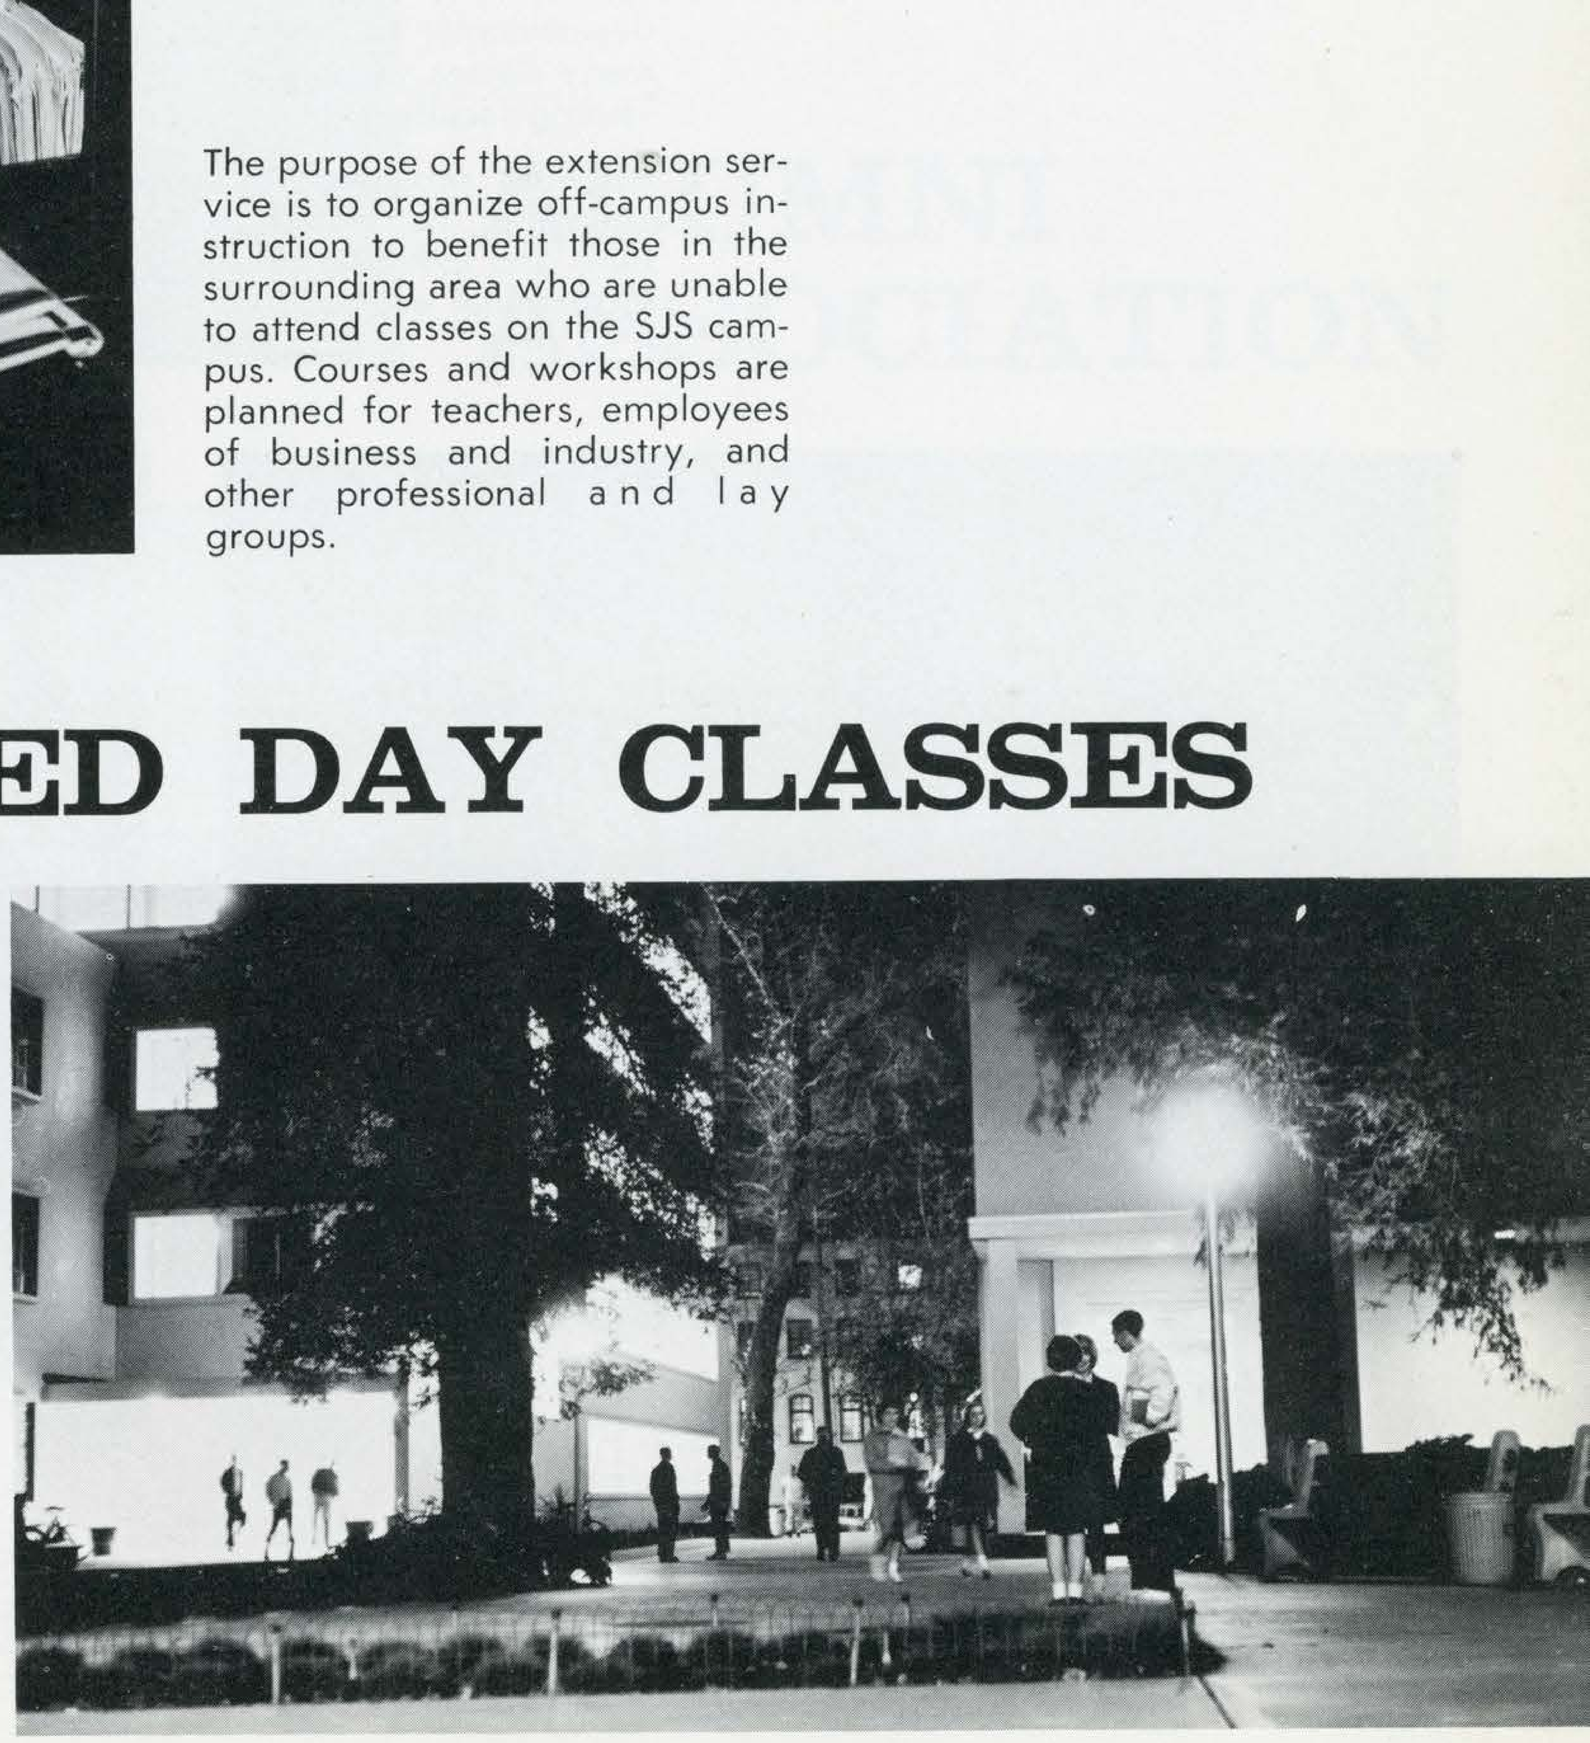
EXTENSION SERVICE

FRANK WILLEY, HEAD OF EXTENSION SERVICES.

The purpose of the extension service is to organize off-campus instruction to benefit those in the surrounding area who are unable to attend classes on the SJS campus. Courses and workshops are planned for teachers, employees of business and industry, and other professional and lay groups.

EXTENDED DAY CLASSES

Extended day and evening classes, which meet from 4:30 p.m. to 10:00 p.m., are offered at State to meet the needs of adults working in the community, limited students and working students. The credit obtained in this program may be taken for intellectual enjoyment, or for the completion of a degree.

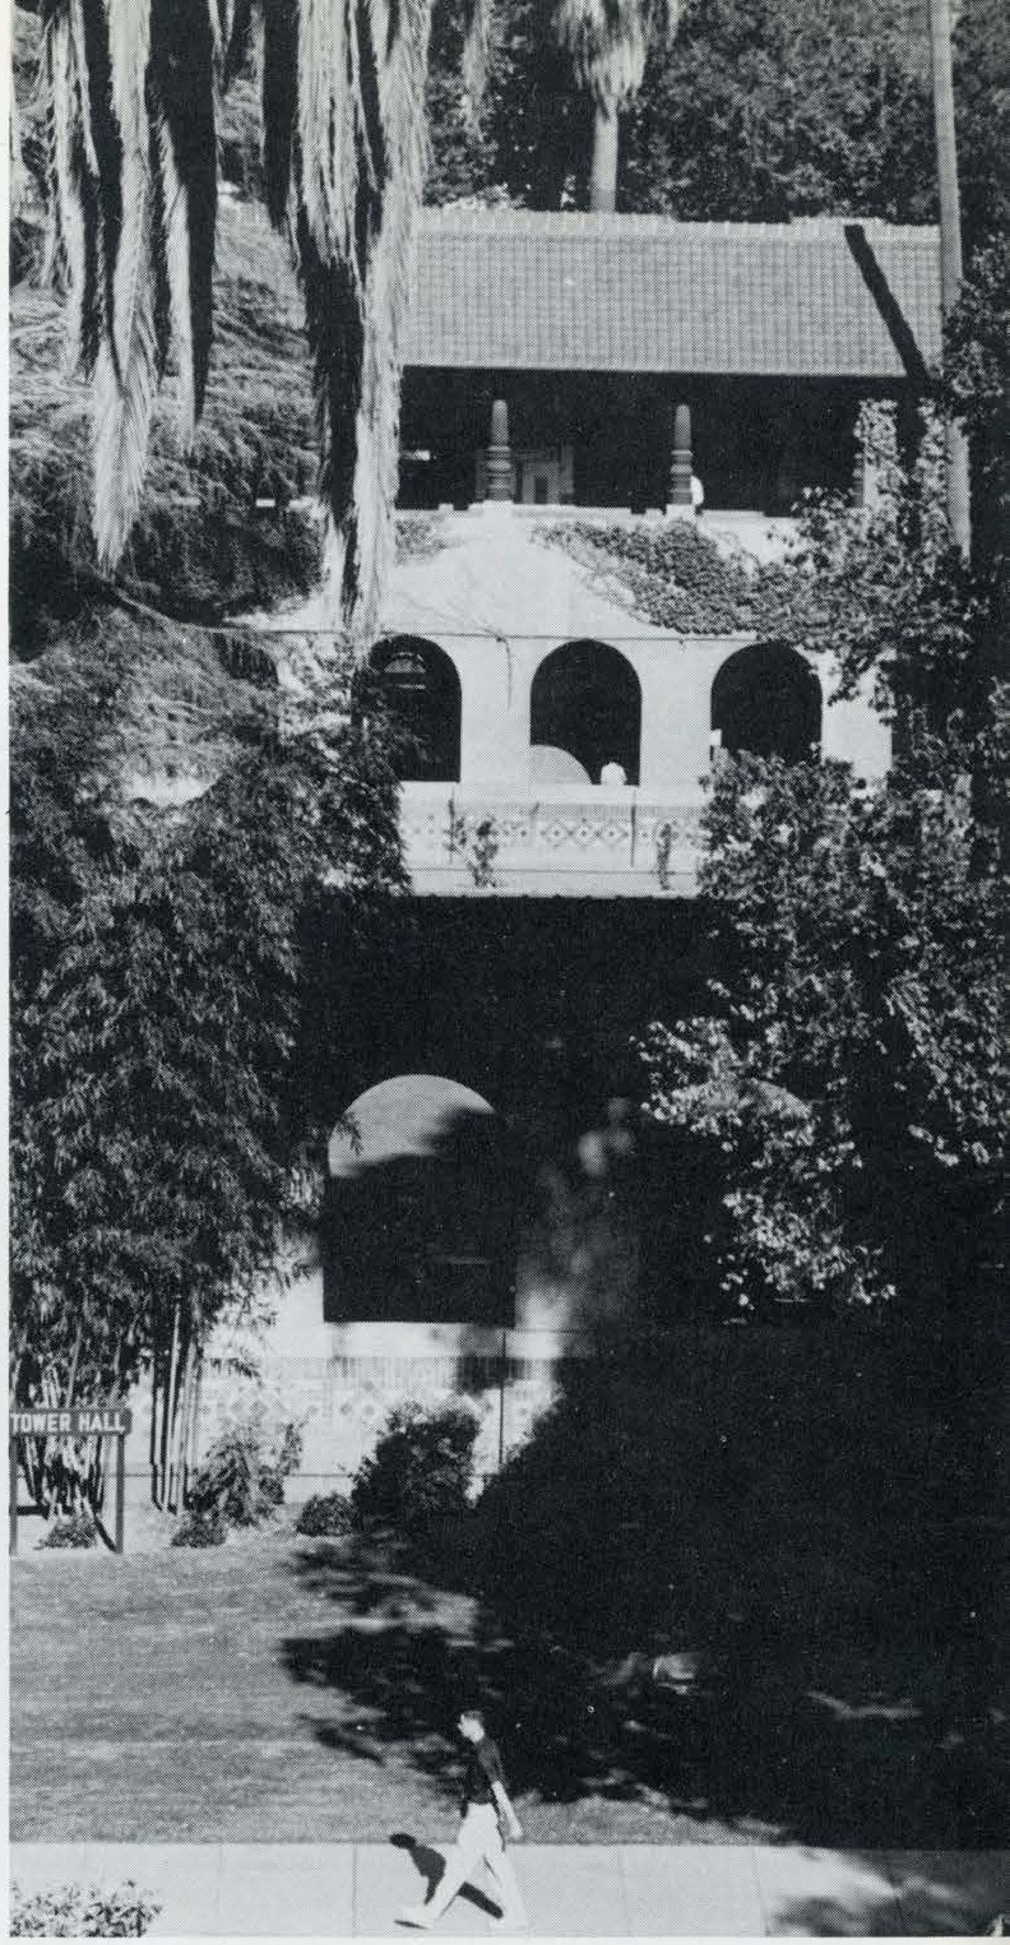


CAMPUS DURING NIGHT SESSIONS.

SUMMER SESSIONS

The 1961 summer session, which offered a six-week and a four-week session, was attended by more than 8,000 students. 486 of these received their Bachelor's and Master's degrees at the end of the session. A large variety of courses was available in most departments to students, and many classes were taught by the visiting faculty.

Activities provided for students attending the session were art films and exhibits, concerts, and recreational events.



STUDENTS POPULATE THE CAMPUS DURING SUMMER SESSION

ADVISORY SERVICE

Students with personal, vocational, and educational difficulties will find that there are counselors and advisors ready to assist them with their problems. The Student Personnel Office aids students with scholastic and vocational difficulties. A student with personal problems may seek the professional help of the counselors at the Counseling Center. Each student upon his arrival at State is given an academic counselor who advises the student in his particular major field.

TEACHER DISCUSSES TEST RESULTS WITH STUDENTS

ALUMNI ASSOCIATION

The alumni association at San Jose State College has the duties of keeping up-to-date addresses of all graduates, publishing alumni bulletins and a magazine, and organizing reunions and campus homecomings.

Under the directions of Alumni President Ed Mosher, a board of thirteen directors meets once a month during the school year.

DEPARTMENTS

DIVISIONS

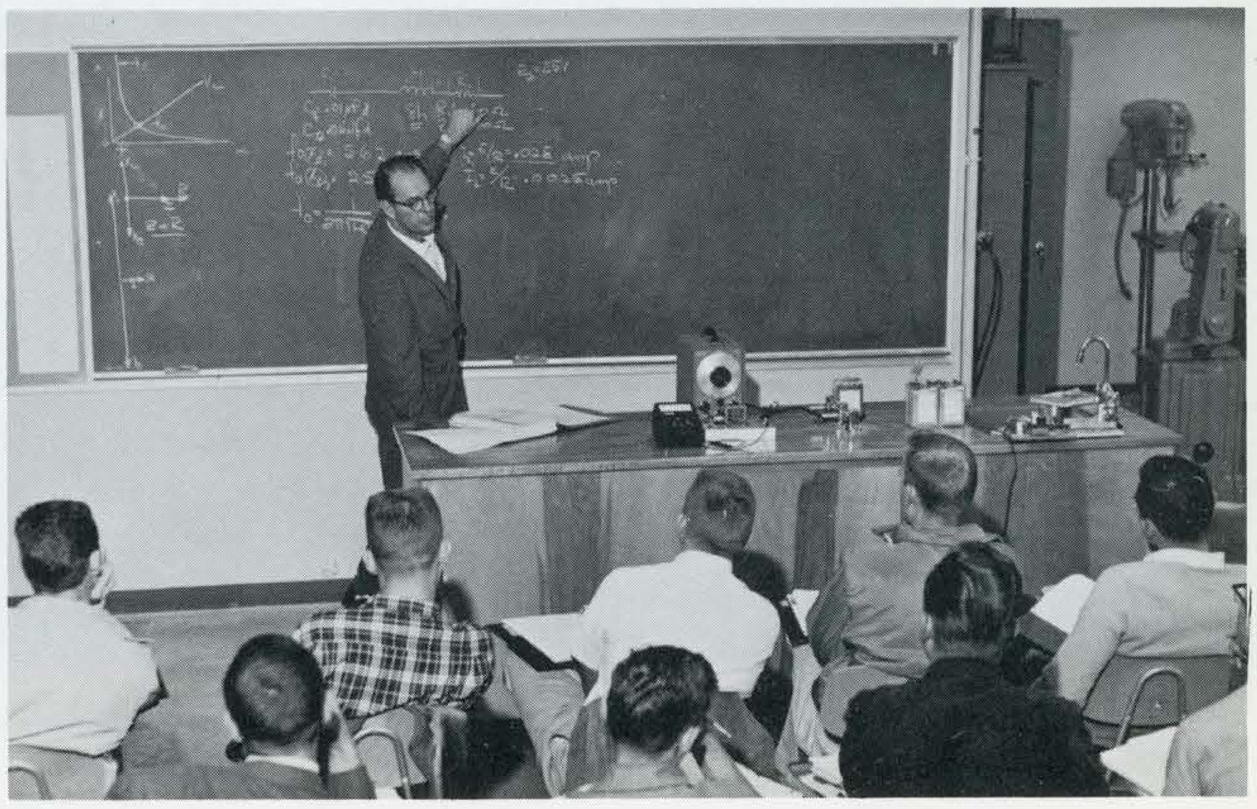
INDUSTRIAL BUSINESSMEN EVALUATE STUDENTS' DESIGNS.

INDUSTRIAL ARTS

Three major programs are offered by the industrial arts department: one which leads to industrial arts teaching, one which leads to a career in business or industry, and one at the graduate level, which is directed toward the general secondary credential, the master of arts degree, and supervision or administration in industrial education.

This department is located in the two-year-old industrial arts building, which is a highly-rated departmental building in the West.

STUDENTS DISCUSS DRAFTING PROBLEM.



ADVANCED ELECTRICAL CLASS IN SESSION.

SJS, which was known for many years as San Jose State Teachers College, still maintains a high rating in its education division, keeping pace with the many other expanding divisions and departments now at State. The three departments, which include elementary education, secondary education, and librarianship, offer curricula ranging from elementary and high school teaching to the teaching of exceptional or retarded children. Next fall, the education division will have its own $3 million, four-story building at the corner of 7th and San Carlos Sts. The building, which will house the entire education division, will feature balconies and an inside patio.

A LAB CLASS EXPERIMENTS IN THE ELEMENTS OF ELECTRICAL ENGINEERING

In seven departments, the Division of Engineering offers seven engineering curricula which prepare students mainly for careers in engineering design, and two aeronautics curricula, which are designed to prepare students for careers in operation and maintenance in the aeronautics industry.

The $9 million engineering building, parts of which will be ready for use in September of this year, will be the largest building on campus, and one of the best of its kind in the country. A five-acre area at the San Jose Municipal Airport became the new home of the aeronautics department last fall.

ART

HEAD, ART DEPARTMENT
WARREN W. FAUS

ART SCULPTURE BY ART BUILDING ENTRANCE.

One of the larger divisions on campus, the art department is highly rated with art departments of other colleges in the West. San Jose's art department also boasts the best-equipped labs on the West Coast.

During the year the Art Gallery features various artists, including a faculty art show in the fall, and a student art show in May.

The department offers a variety of courses, ranging from weaving and jewelry-making to lithograph printing and oil painting.

A new addition this year to the art building is a sculpture done by Roger Bolomey. The sculpture is located at the entrance of the art building and represents the first realization of a project to beautify the campus with numerous art works.

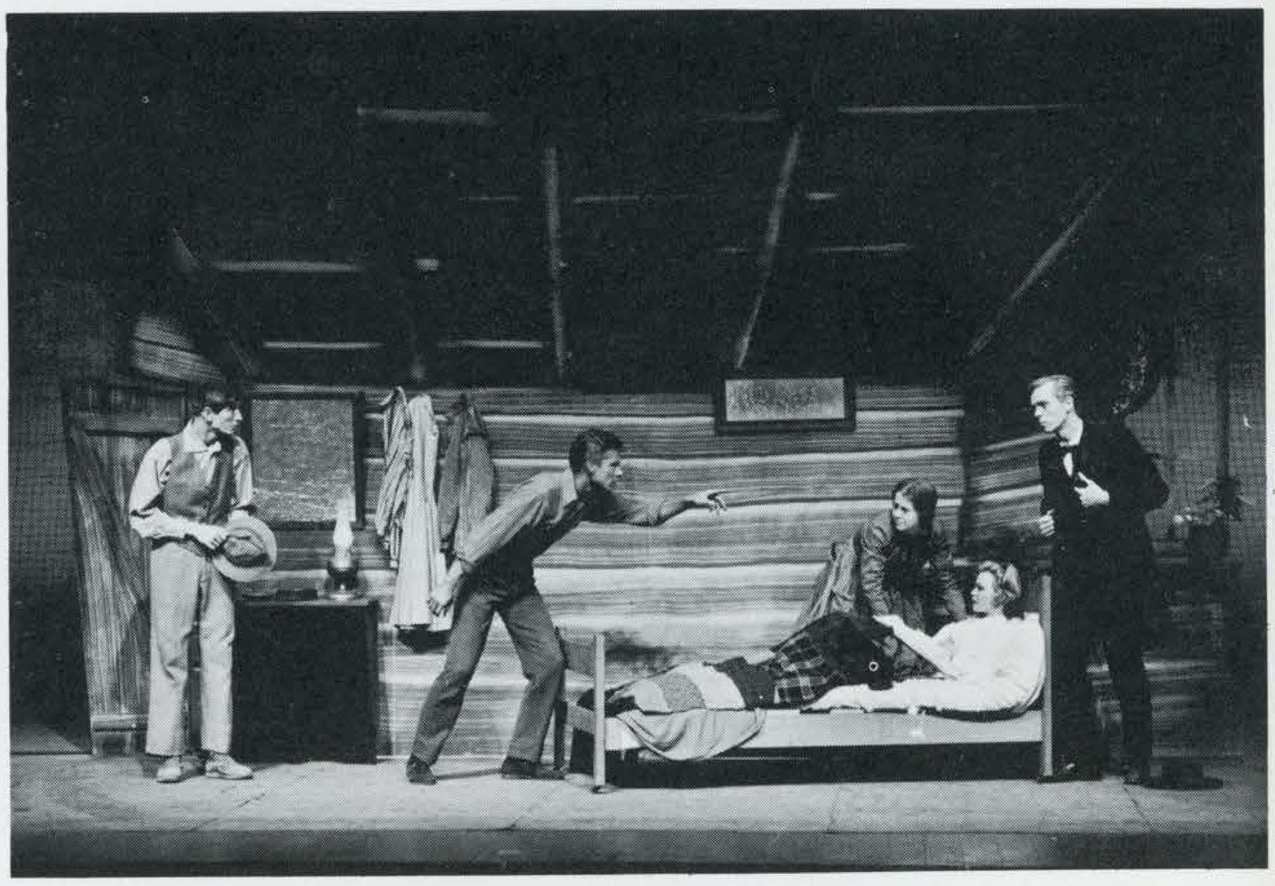
SPEECH DRAMA

The speech and drama department offers a wide range of majors, which include training in drama, theatre, public address, interpretation, radio - television, speech correction and hearing.

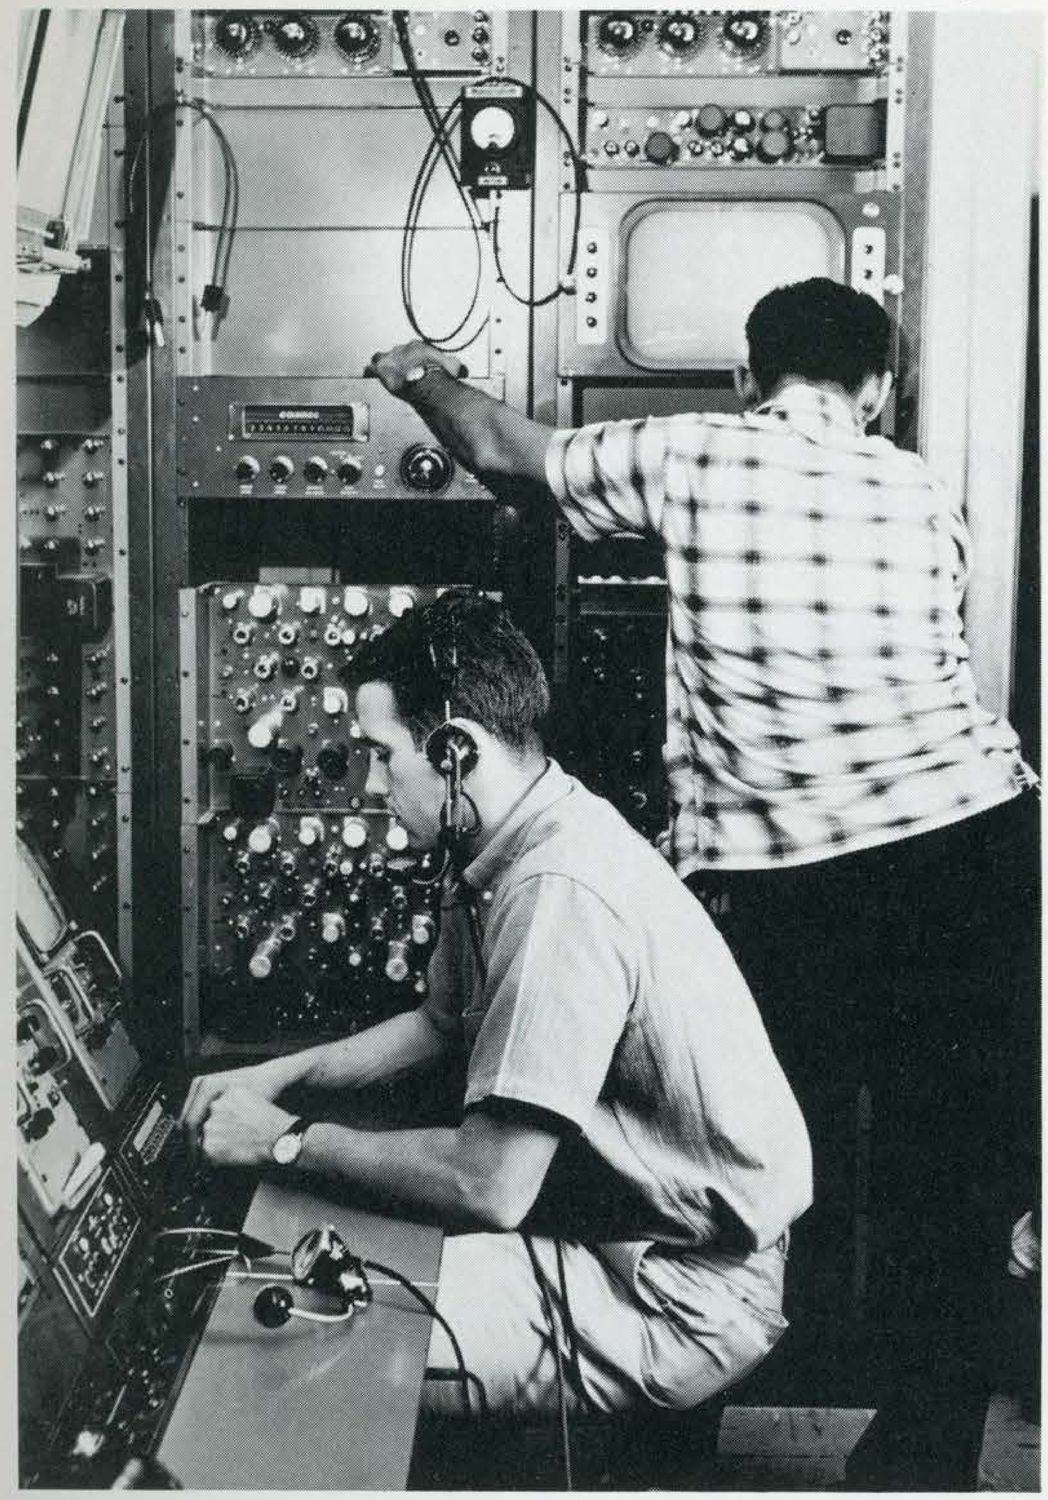
Throughout the year the drama department produces a number of plays, readings, and musical presentations.

STUDENT DRAMATISTS HOLD DRESS REHEARSAL FOR "THE IMAGINARY INVALID."

LAST MINUTE MAKEUP CHANGES.



"DARK OF THE MOON" CAST REHEARSES FOR OPENING NIGHT.



TELEVISION CONTROL ROOM.

The television branch of the department, each week, presents a general interest program called "Perspective" from Channel 11, which emphasizes the arts.

A similar student production is "Showcase-SJS," which is presented each week on KLOK. It informs the community on the happenings at State, and also features outstanding students and professors concerned with the school.

CAMERAMEN AT THE SCENE.

"PERSPECTIVE" SHOW IN THE MAKING.

MUSIC

The programs offered by the Music Department have a threefold objective — preparation for a professional career, an avocational career, or a career in teacher education. The master of arts degree may also be obtained.

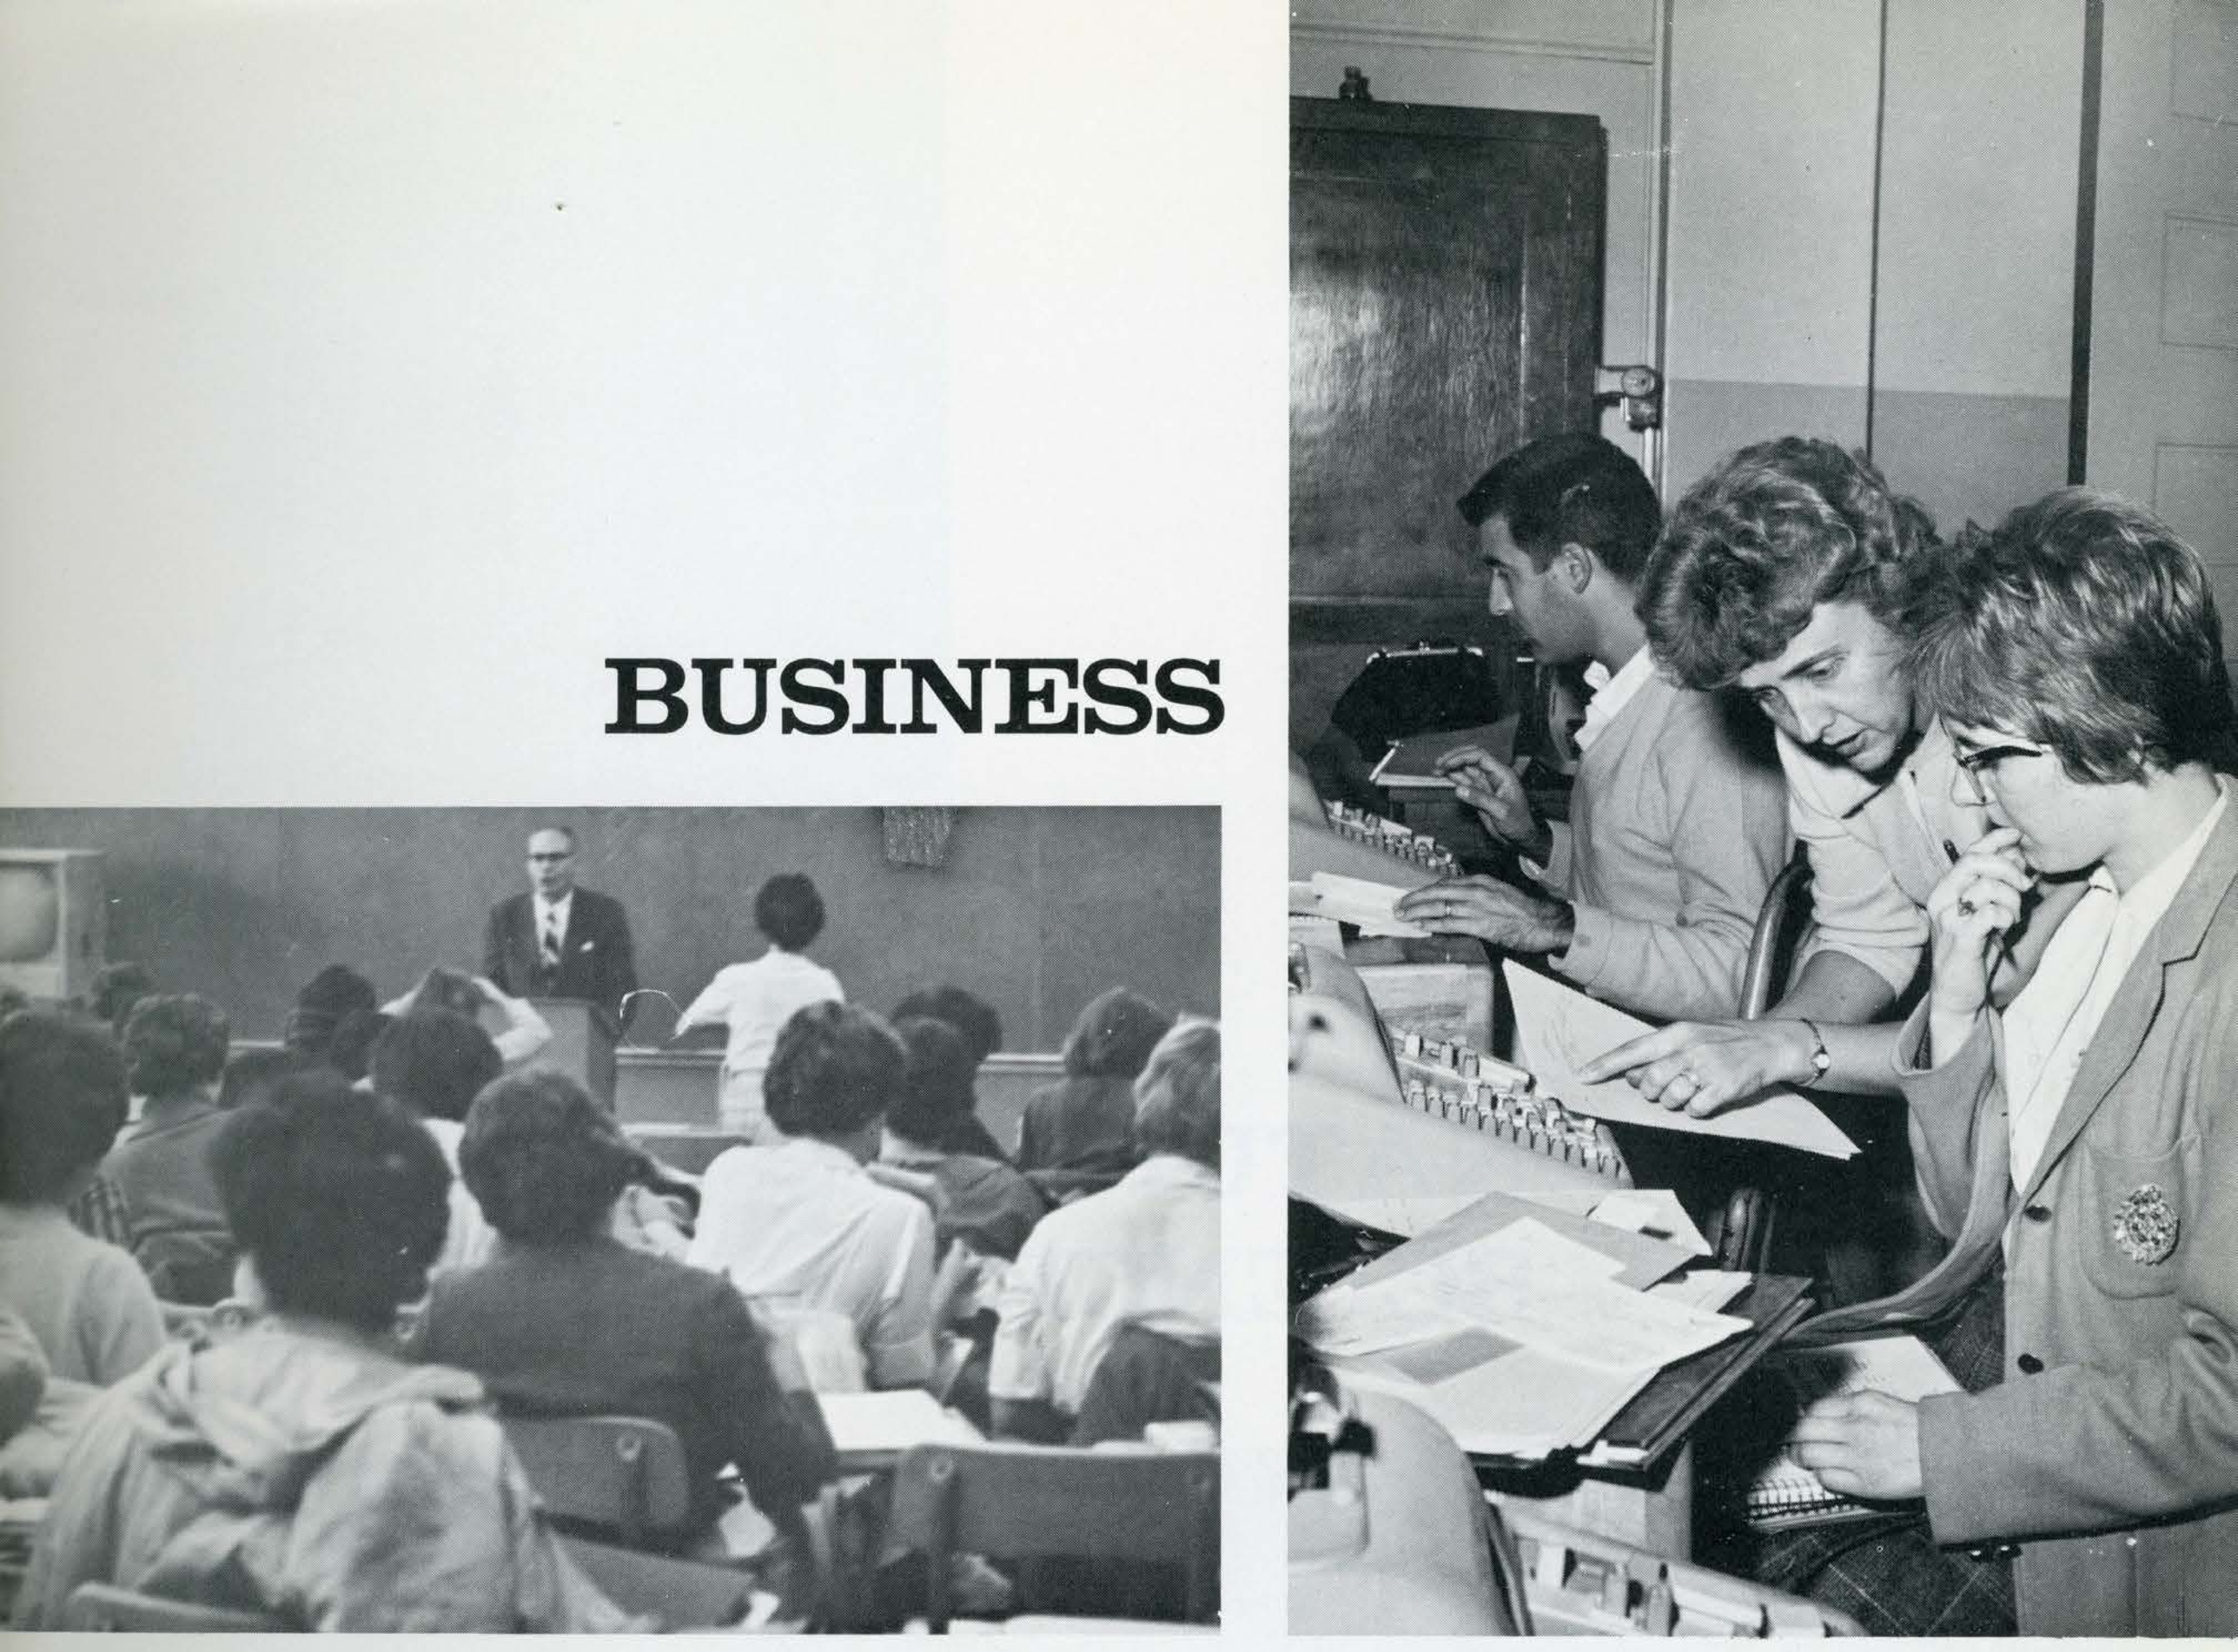
Student music organizations include the SJS marching band, a symphony orchestra, a symphonic band, a men's and women's glee club, and various small vocal and instrumental groups. A musical fraternity and sorority also maintain active chapters on campus.

Several student productions were held this year in conjunction with the speech and drama department, two of which were "Kiss Me Kate," and "Oh, Susannah."

DR. SNYDER, MUSIC DEPARTMENT HEAD.

MUSICAL PRODUCTION, "OH, SUSANNAH."

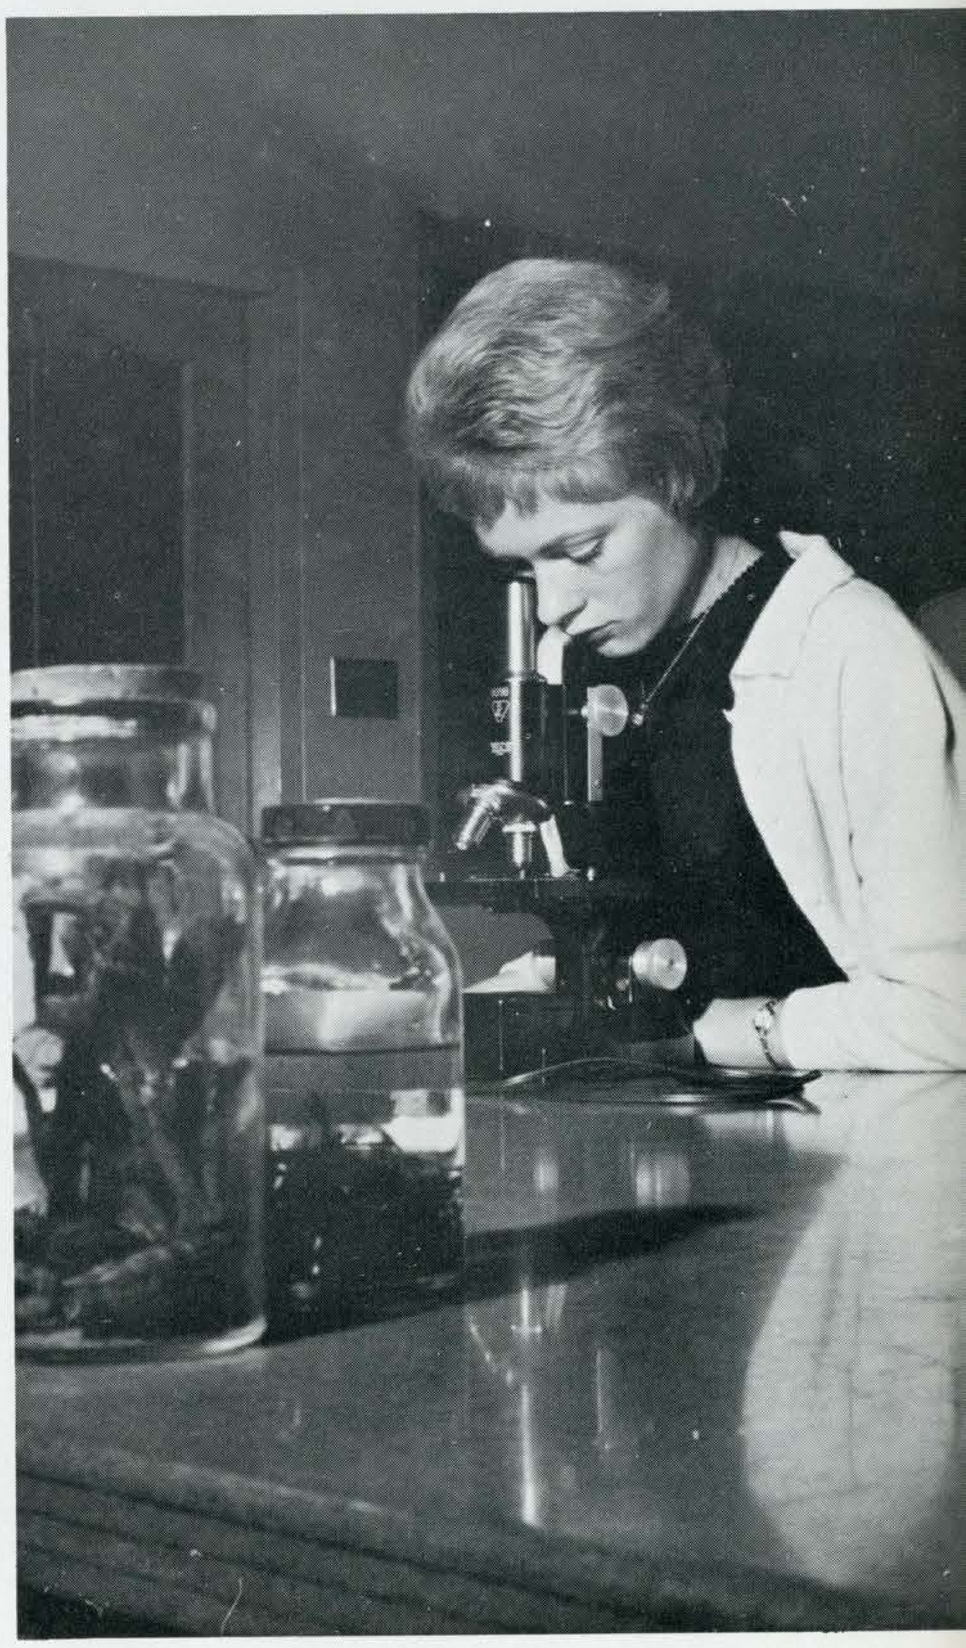
BUSINESS



STUDENT IS AIDED WITH A BUSINESS MACHINE PROBLEM.

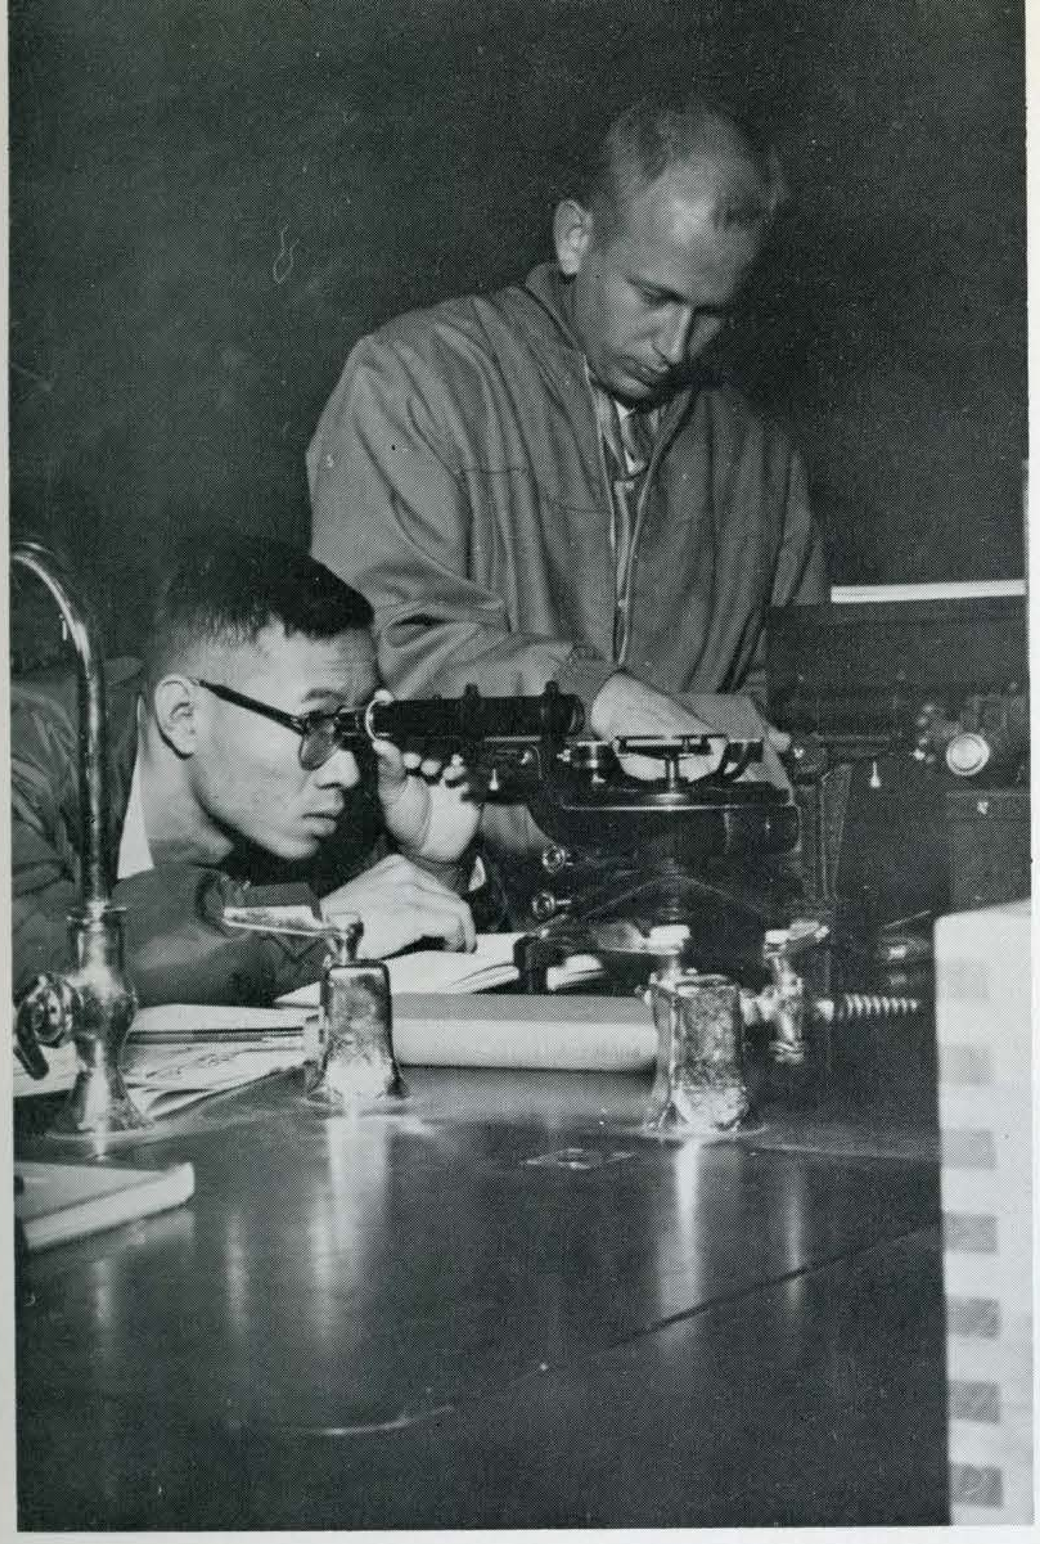
The Division of Business offers a wide variety of business courses in its seven departments, which include accounting, business education, industrial relations, management, marketing, real estate and insurance, and secretarial administration. In these departments students are prepared for positions of responsibility in the business and professional community. The purpose of the courses is to give students an understanding of business principles and procedures, and a mastery of basic business tools and skills.

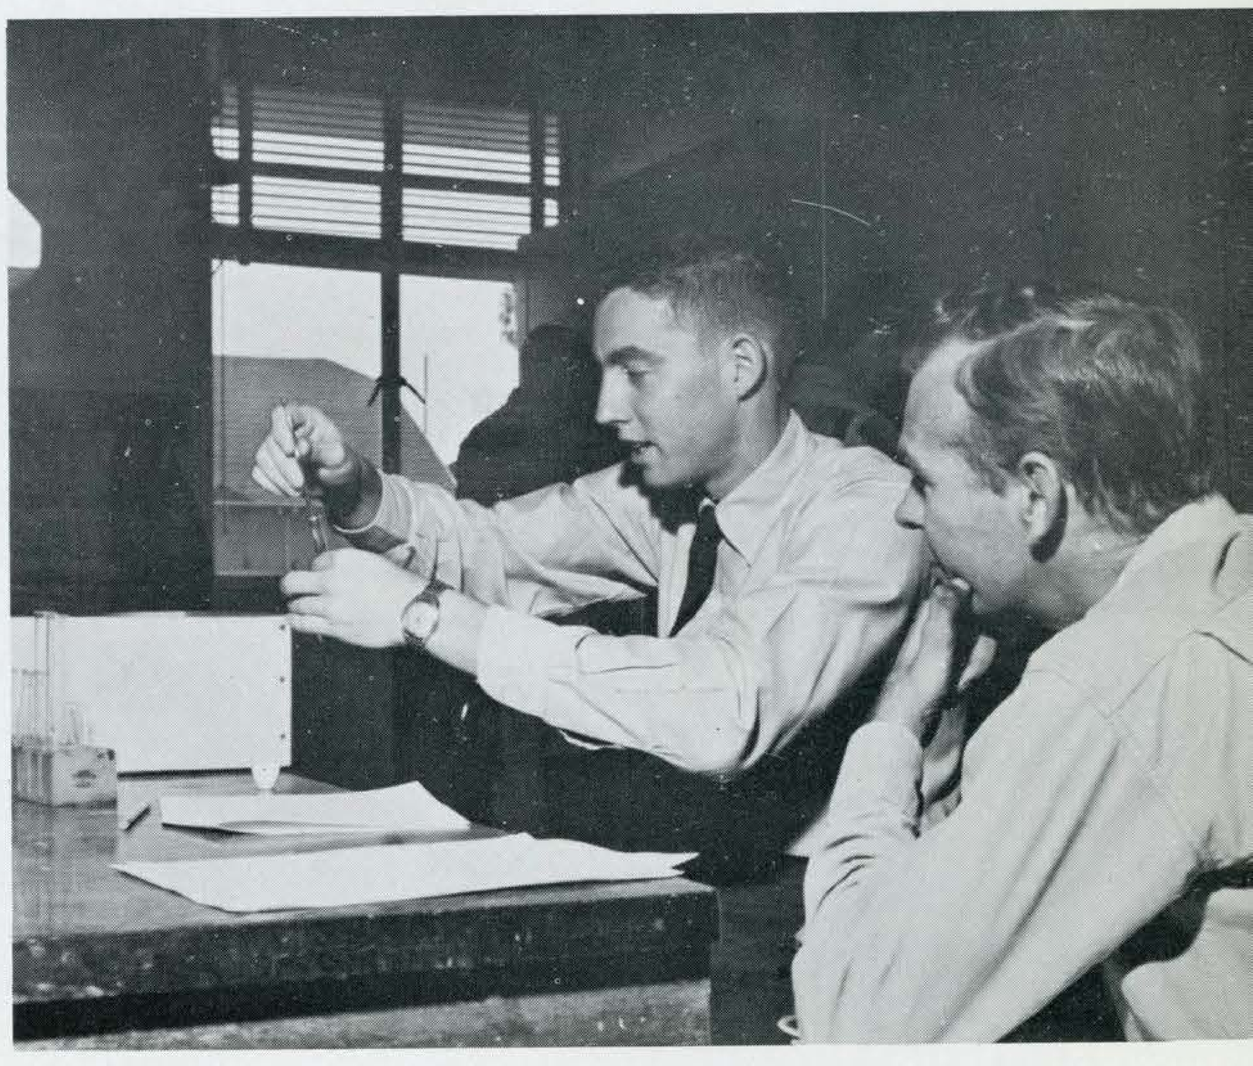
NATURAL SCIENCES



The four departments offered in the natural sciences area are the Biological Science Department, the Chemistry Department, the Physical Science Department, an dthe Science Education Department.

In the old and new wings of the Science Building are located physics, botany, and numerous other types of labs, in addition to lecture halls, dark rooms, and supply centers.





JOURNALISM

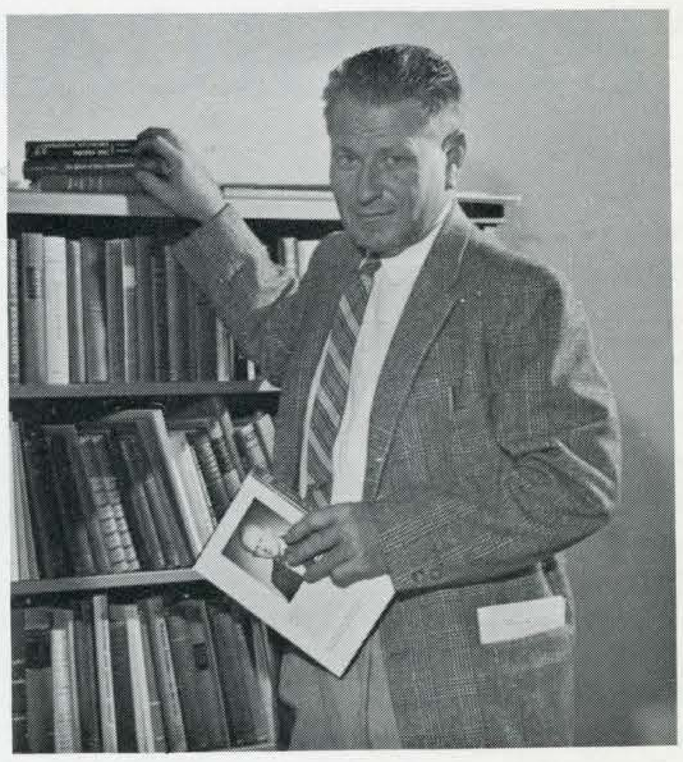
THE NEW PHOTO LAB BOASTS ALL MODERN EQUIPMENT.

ADVERTISING

This year marked two special occasions for the Journalism and Advertising Department. Twenty-five years ago the Department was founded under the direction of Dr. Dwight Bentel, head of the department. The second occasion was the moving of the department to its new remodeled home in the old art wing of Tower Hall.

From the department come three main student publications: La Torre, the Spartan Daily, and Lyke magazine

THE SPARTAN DAILY NEWSROOM HUMS WITH ACTIVITY.



DR. BENTEL, JOURNALISM AND ADVERTISING DEPARTMENT HEAD.

OCCUPATIONAL THERAPY

STUDENTS ARE TAUGHT REHABILITATION CRAFTS.

The three major programs offered by the occupational therapy department include one which leads to a B.S. in occupational therapy, a post graduate course which leads to an o.t. certificate, and one for registered occupational therapists which leads to an M.S. degree.

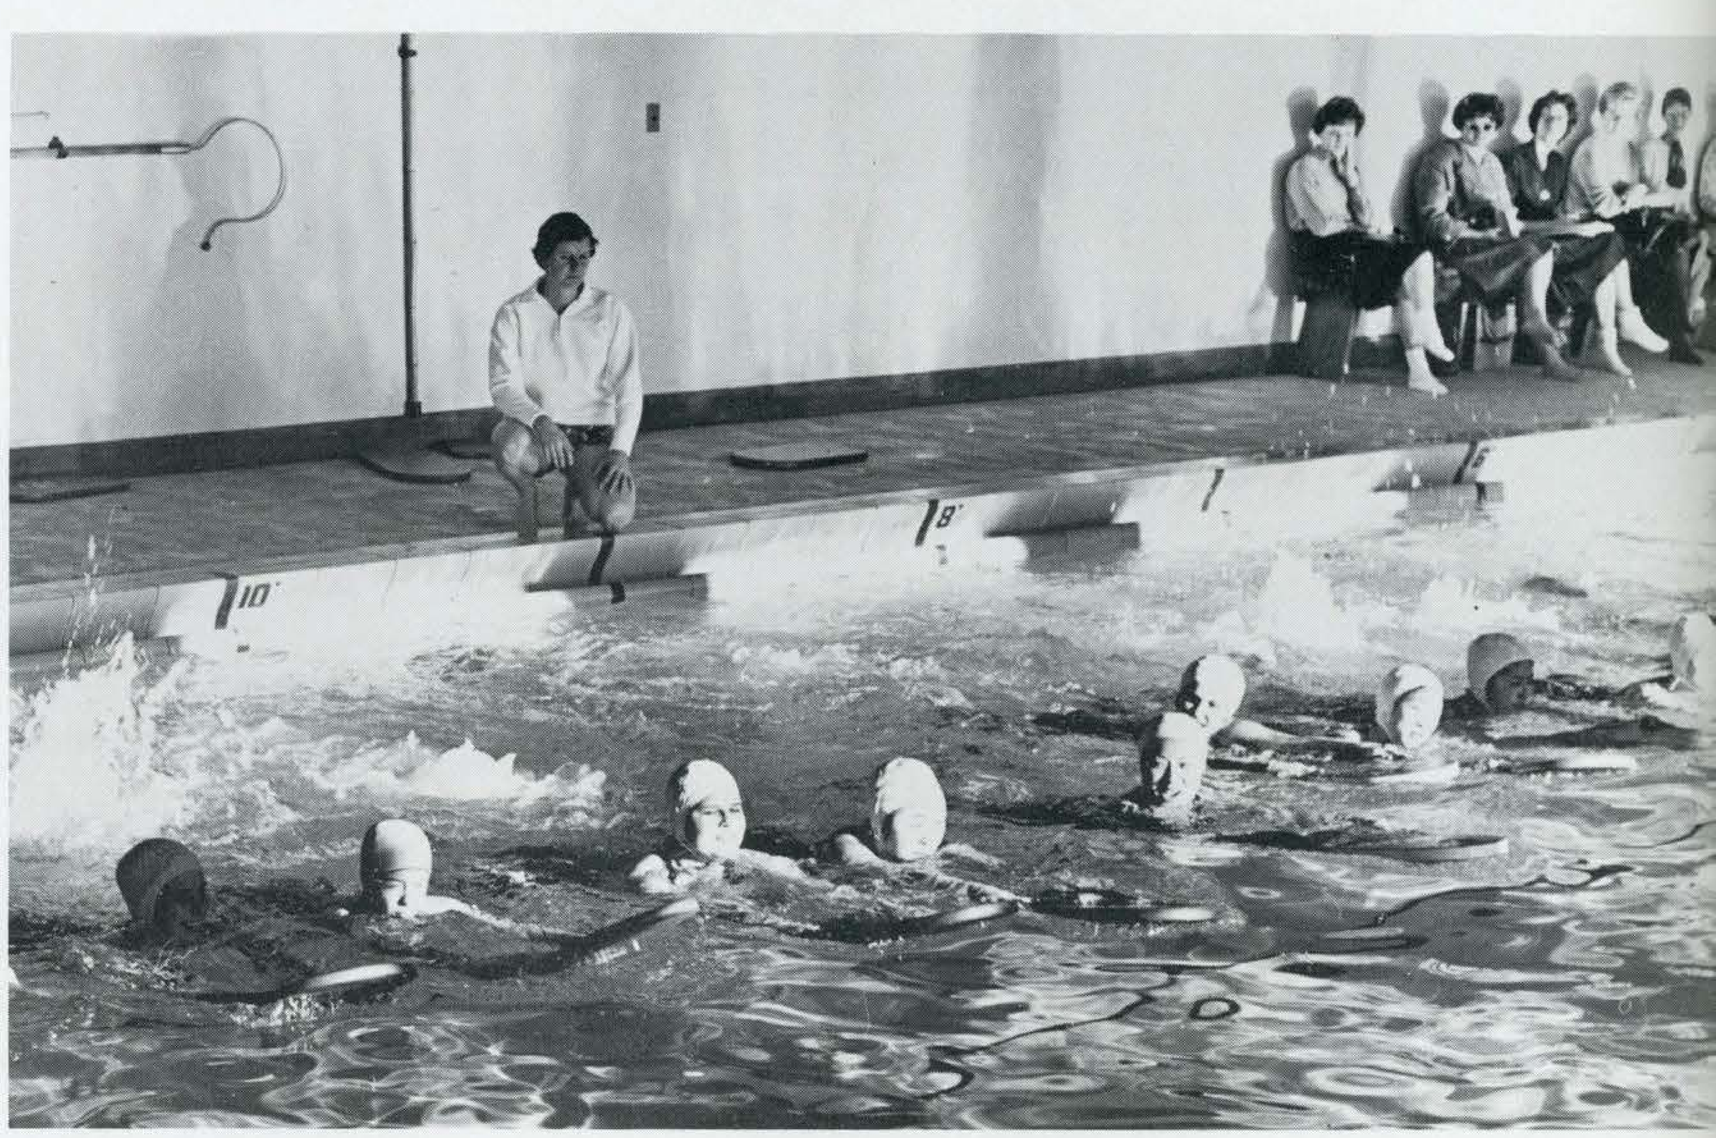
These programs, all of which require nine months of clinical training in addition to the regular requirements, have the approval of the Council on Medical Education and Hospitals of the American Medical Association.

PHYSICAL EDUCATION

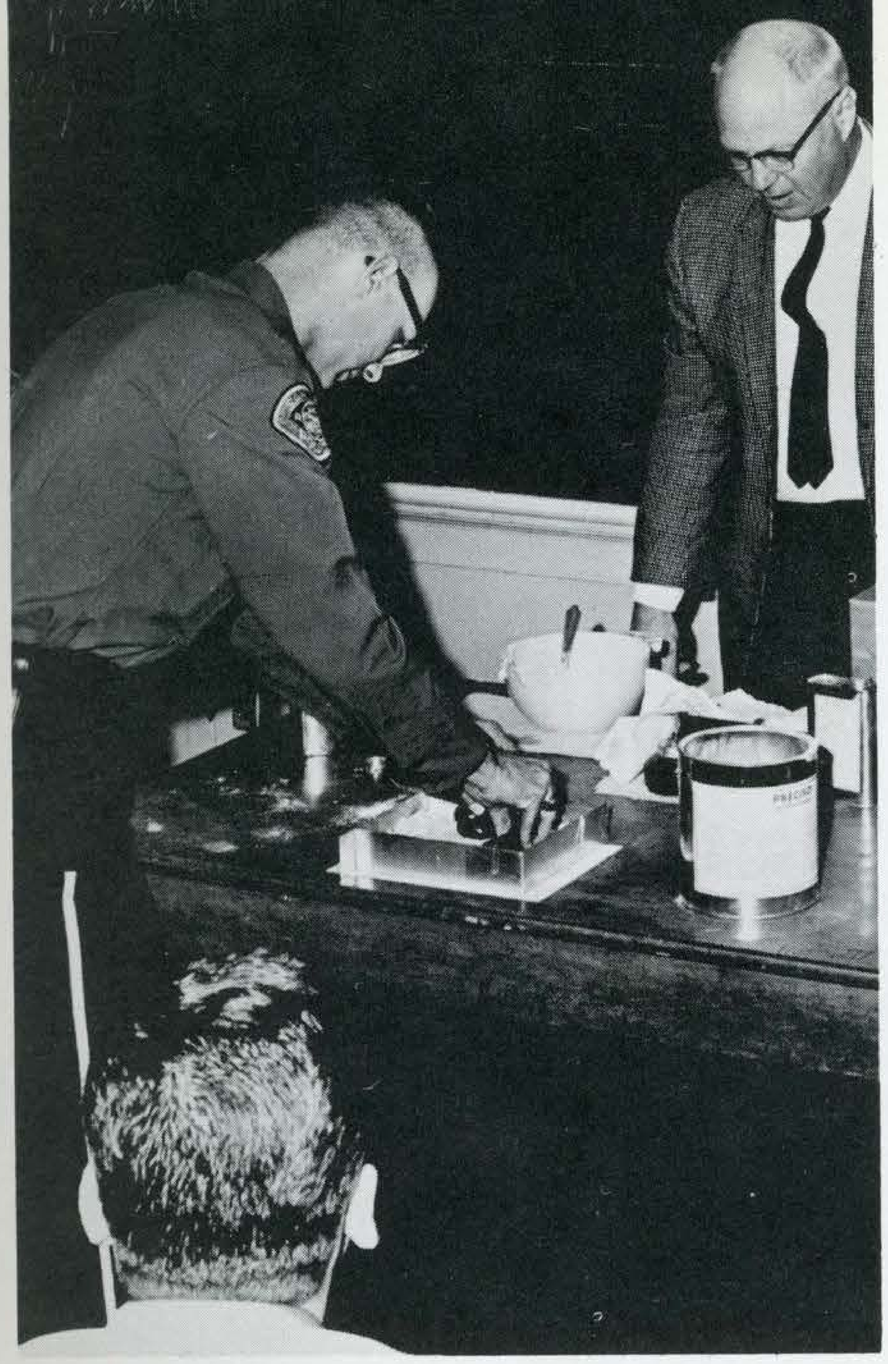
San Jose State maintains two physical education departments — one for men, and another for women.

In the men's P.E. department, an intercollegiate athletic program is offered for students who excel in competitive sports, and for those not involved in the above program, an intramural sports program is available.

In both physical education departments, a program is offered for students who wish a teaching credential in physical education. In addition, activity classes are held in which each student must enroll for four consecutive semesters as part of the general education requirements. The activity courses given range from swimming, tennis, and golf to bowling, archery, and folk dancing.



A WATER SAFETY CLASS IS CONDUCTED.



POLICE SCHOOL

Many police officers now employed by city of San Jose are graduates of San Jose State's own police school. Two majors are offered by the school; one in penology, an done in investigation and general police officer work. In addition to the regular program, a year of field work is required.

HOME ECONOMICS

The home economics department offers degrees under three specific programs: liberal arts, occupational home economics, and teacher education. The objective of the liberal arts course is to enable a girl to be an accomplished homemaker; the occupational course offers specialization in food and nutrition, and clothing and textiles. A B.A. in homemaking education is also obtainable with a special secondary credential.

LEADERSHIP

LEADERSHIP

November 2, 1961

To: Students and graduates of San Jose State.

This past year has brought to our campus a different type of government; not just an ideal but a reality and a learning experience for the Student Body. As we leave San Jose State, our responsibilities to our nation come into clear focus — our nation is the leader of the free world and it is imperative that we take leadership roles and actively participate in our democracy. First of all there is a need for political awareness, and, therefore, it is our responsibility to keep informed of national and international affairs. Finally, and most important, there is an urgent need for our personal involvement in the affairs of government at all levels. It is my hope that we will meet the challenges before us by continuing to rely upon the energy and ingenuity of a free people, keeping always in mind the principles upon which our nation was founded.

The supreme policy-making body of the Associated Students was the Student Council. Consisting of nineteen members, it established and determined the functions of the ASB Committees, and approved the appointmnts, made by the ASB President, of major ASB executive and judicial officers and permanent committee chairmen. It also approved budgets and appropriated money to the student organizations. The Student Council worked many long hours to pass adequate legislation on the numerous matters of importance which came before it this year.

Governing on-campus and off-campus activities of recognized campus organizations was the main power of the Student Activities Board. It supervised bulletin boards, scheduled events, approved booths and contests, and supervised the date book and advertising book in the Activities Office. The board was composed of nine members: six students and three faculty.

AWARDS BOARD

Awards Board members, eight in number, had many areas of responsibility. They outlined the type, value, and number of all awards requests that were submitted by the committees, organizations and departments requesting use of ASB funds. In general, this board governed the awards granted by the ASB.

Weeks of concentrated promotion, advertising planning and especially-written articles produced the first magazine and color supplement in the Spartan Daily's history. Using full color, the tabloid sized section featured the 25th anniversary of the Journalism and Advertising department.

The highest circulation figure in the history of the paper, 9,000, was reached during the fall semester.

Also, during this semester, the new position of promotion manager was added to the Spartan Daily staff. The duties of the promotion manager include the preparation and publicizing of special features and issues of the Daily.

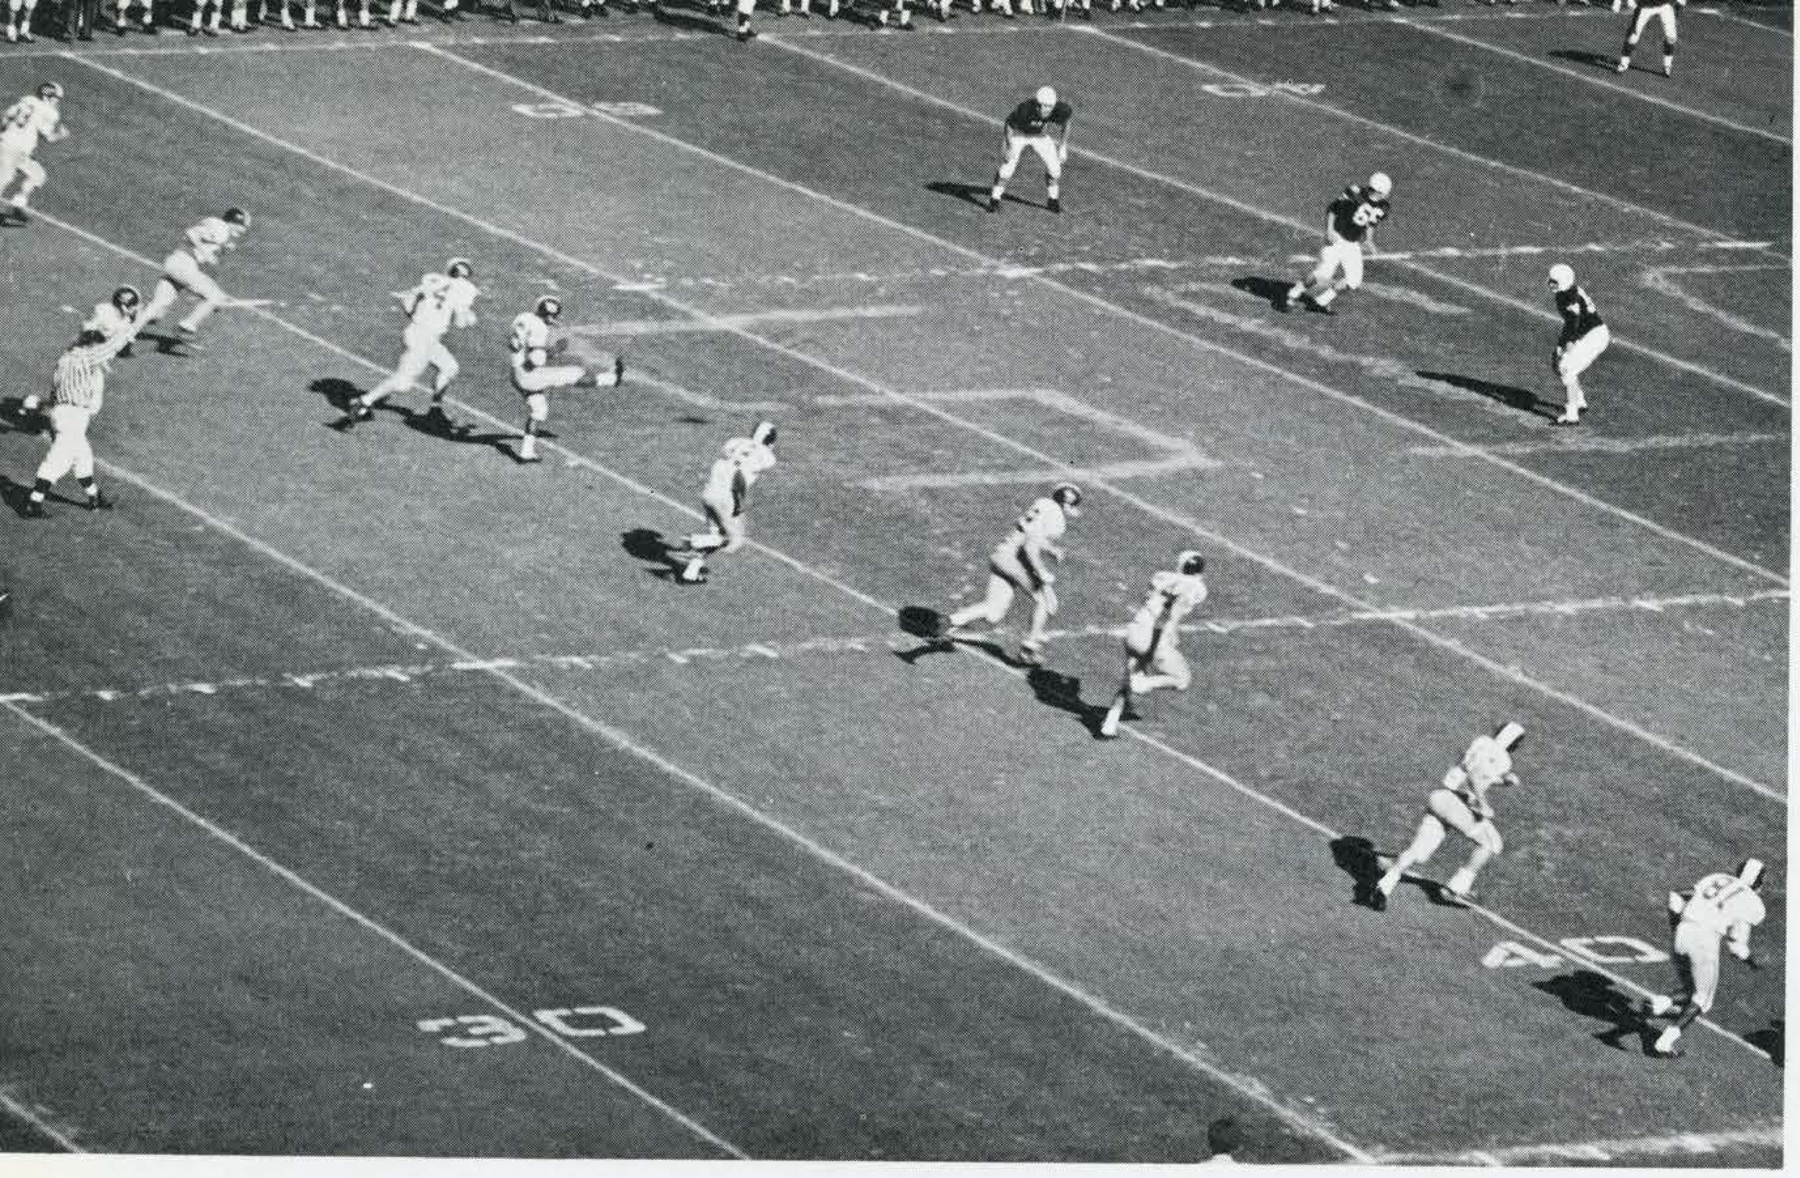
Mr. Titch is a graduate of San Jose State College, where he was a standout for the Spartan football teams of 1939 and 1940. He played professionally with the Washington Redskins before going into the Navy. With the Redskins, Titchenal played in that famous 1940 championship game in which his Redskins were beaten 73-0 by the Chicago Bears. After a service hitch, Titchenal played with the 49ers and the Los Angeles Dons for a few years.
Titch began his coaching career at West Virginia University under former SJS coach Dud DeGroot. DeGroot and his assistants moved to New Mexico University in 1950.

In 1953, Titch was appointed head coach at New Mexico, and in 1955 he became the freshman coach at the University of Southern California. When Mr. Bob Bronzan retired as Spartan coach in 1955 to work on his doctorate at Stanford, Bob Titchenal was officially named as head coach at San Jose State, November 28, 1956, and ever since his appearance on State's campus, "Mr. Titch" has displayed leadership both on and off the football field.

SPARTAN COACH OF THE YEAR
"MR. TITCH"



San Jose State Spartans opened their 1961 football season by squeaking past a tough Brigham Young Cougar, 14 to 13 at Provo, Utah. Some 10,000 fans watched as the Cougars almost pulled an upset. B.Y.U. first drew blood to take an early 7-0 lead, but the Spartans came back on a great catch of a Chon Gallegos pass by end Mack Burton for the first Spartan touchdown of 1961. The Gallegos-to-Burton formula clicked again for the two-point conversion.

Again Gallegos found Burton, and from ten yards out the speedy Spartan raced in for the second San Jose score. A rugged Spartan line was able to contain the rushes of the Cougars and save San Jose from being upset.

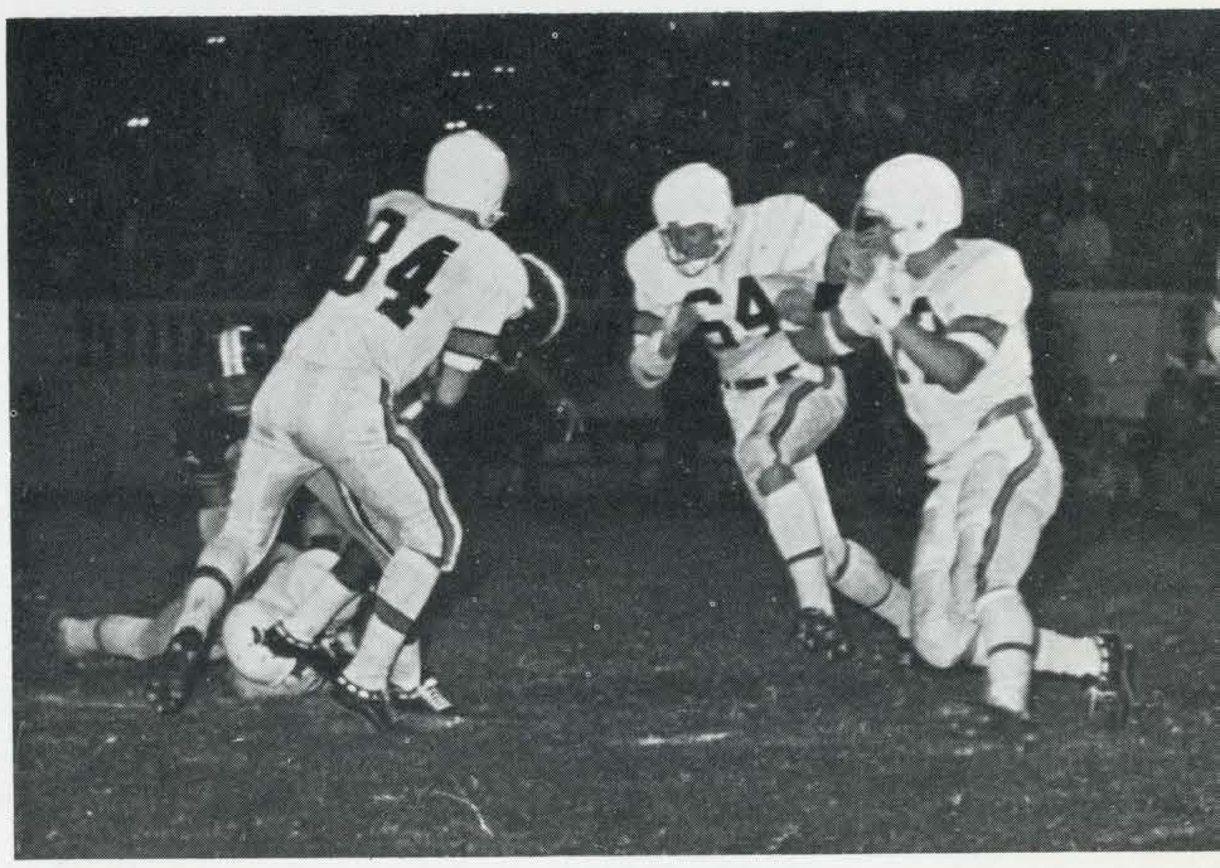
UNIVERSITY OF PACIFIC 0



TIGERS CLOSE IN ON SPARTAN BACK PHIL CLIFTON.

San Jose State, blending a blinding array of speedy backs with a tough front wall defense, snapped the Pacific jinx with a resounding 16-0 victory before a packed house at Spartan stadium. Chon Gallegos engineered the Spartan triumph by completing eight out of 12 passes, for 104 yards. Johnny "Touchdown" Johnson, Phil Clifton, and Big Mac Burton also highlighted the San Jose State triumph. Johnson carried the bal 10 times for a total of 63 yards. Clifton rushed for 87 yards on 13 carries and added another 21 yards on one reception. Jumping-jack Mac Burton received a look-in pass from Gallegos and seemed to be headed for pay dirt; but a shoestring tackle by Bob Scardina on the UOP 41 prevented Big Mac from going all the way for the TD. Big Mac carried the ball four times for 50 yards, and made three fabulous receptions for 32 yards. Throughout the game, it was quite apparent that this year's Spartan football team was better than those of past years, and perhaps this could be the year the Spartans would bring home a bowl bid. At any rate, this year's Spartan football team surely gave Spartan fans the thrills and chills of an exciting football season.

UNIVERSITY OF IDAHO 27
SAN JOSE STATE 18

It was homecoming for the Vandals of Idaho University. The Spartans rolled into Moscow, Idaho, with the confidence of winning an easy game, but the Vandals spirited their way to a 27-18 victory over the Spartans. Chon Gallegos continued to demonstrate his great passing ability, and when the chips were down it was End Oscar Donahoue who made the fabulous catches. Idaho was decisively outplayed during most of the game. Trailing only 12-6 at the half, the Vandals quickly took command in the third period, driving 62 yards for a touchdown. The Spartans in the last minute of play saw a Clifton field goal attempt blocked and this attempt turned into a Vandal touchdown. The Spartans left Moscow shocked and embarrassed, but were looking forward to their next opponent with a hidden grin and sharp teeth.

SPARTAN DEFENSE RALLIES TO STOP COLORADO STATE

The Spartans capitalized on a blocked kick in the second quarter, and scored again in the third after a 79-yard march to defeat Colorado State, 14 to 0, at Spartan Stadium before 15,000 fans. The visiting Rams put up a stiff battle against the speedy Spartans, getting within sight of the San Jose goal line on three occasions. On each attempt intercepted passes ended their hopes for a score.

Oscar Donahue played a large part in the San Jose victory. Donahue blocked a Ram punt and caught a pass from Chon Gallegos to rack up the first six points of the game. San Jose's top ground gainer was Johnny Johnson, with 89 yards gained in 13 attempts. Galegos picked up 124 yards through the airlanes against the Rams completing six of 19 attempts.

SAN JOSE STATE 6

STANFORD UNIVERSITY 17

A crowd of 45,000 people looked down onto the "SJS" marred football field in Stanford Stadium to watch the Stanford Indians of Palo Alto finally defeat the Spartans, 17-6. The Spartans were always in the game, but State's fumbles and passes which were intercepted, proved the scoring edge for Stanford. State scored its six points in three plays with halfback Tom Doslak taking a pitchout and sprinting for the lone TD. In a try for two points, Chon Gallegos completed a pass to Doslak, but he was tackled just short of the goal.

At the end of the game, Gallegos continued to be the nation's leading passer, and Titchenal stated that this was the Spartan's best played game so far this season.

ROBERTS AND DOSS STOP OREGON END.

The day before the Spartans were to play the Oregon Ducks, rain came down on Hayward Field in Eugene, Oregon. There on Hayward Field a number of Spartan football players looked forward to a thrilling game in the following hours, but the unfortunate happened, and San Jose State lost, 21-6.

The alert Oregon Ducks, led by All-American candidate Steve Barnett capitalized on key miscues by the Spartans and powered their way to pay-dirt on three occasions. The Spartans lost the game, but a new bright star glowed among the Spartan eleven; this bright star was Walt Roberts. Roberts, only a sophomore, gave the Spartans a new hope which they were sure to express in their next game.

As the Spartan players left Oregon for home, they had revenge in their eyes and Washington State seemed to be their next victim.

WASHINGTON STATE 19

Trailing 13-0 at the half, the San Jose State Spartans scored 21 points in the last two quarters to upset favored Washington State. Quarterback Chon Gallegos, Walt Roberts, and Johnny "Touchdown" Johnson were the key Spartan players in the thrilling upset. Gallegos completed 16 of 23 passes to retain his position as the nation's No. 1 passer.

The Cougars battled back in the last quarter, and with 35 seconds left to play in the game sophomore sensation Walt Roberts intercepted Mel Melin's pass to Hugh Campbell in the end zone to preserve the Spartan victory. Campbell, the nation's leading receiver, was contained all through the game and was limited to only two receptions for 13 yards.

Hours after the game the Spartans landed at the San Jose Airport where State's fans cheered and anticipated a thrilling homecoming game.

Quarterback Dave Bonillas fired a touchdown pass to Mack Burton from the 10-yard line with nine seconds left to play, ending one of the wildest and most exciting wins in San Jose State's gridiron history.

Sparked by the passing of All-American Candidate Chon Gallegos and the running of Johnny "Touchdown" Johnson, the Spartans took an early 14-0 lead in the first quarter. Walt Roberts, a sophomore from Compton, electrified the crowd in the third quarter by galloping 92 yards for the longest run from scrimmage in Spartan history.

A homecoming crowd of 20,000 looked on as Arizona State battled back to take a 26-20 lead. The Spartans tied it up with 3:26 remaining in the game. Minuates later Oscar Donahue, one of the nation's leading receivers, intercepted a Sun Devil pass which set the scene for Bonillas's last second heroics. The Sun Devils became the victim of San Jose's great 32-26 homecoming win. Former San Jose State great, Billy Wilson, who is now a coach for the 49ers, stated, "It couldn't have been a more sensational finish if a script had been written."

Rey Pena's last minute field goal gave the Spartans the second consecutive victory over UOP 29-26. The standout of the game this season, by the score of was State's All-American candidate and the nation's No. 1 passer, Chon Gallegos. Gallegos broke a long existing record by throwing an 85-yard touchdown pass to Mac Burton for the longest pass play in Spartan history. Gallegos played one of his greatest games by completing 17 of 26 passes, and by throwing four aerial touchdowns. Mighty Mac Burton made his presence known all over the field as he blocked, tackled, ran, received, and scored. He remained throughout the game a thorn in the side of the Tigers. After Rey Pena's field goal a small voice could be heard somewhere in El Paso, Texas, but a dim cloud appeared and that cloud was Fresno State, the fifth ranked small college team in the nation.

ROBERTS DIGS FOR YARDAGE AGAINST FRESNO STATE

San Jose's Sun Bowl hopes were shattered when a tough Fresno State Bulldog team defeated the Spartans, 36-27. The victory gave the Bulldogs an undefeated season. The Spartans were plagued all night by fumbles. Fresno recovered five San Jose fumbles. The Spartans held a 15-14 half time lead, but it was short-lived. Gallegos continued his great passing, sewing up the top spot among the nation's passers; while Johnny Johnson and Walt Roberts carried the Spartan ground game.

VARSITY FOOTBALL WINDUP

The fans cheered, screamed, yelled, and cried; the football team ran, passed, received, blockd, tackled, and scored; but the Spartans didn't go to the Sun Bowl. This year's Spartan football team will long be remembered as the team that could have won every game it played this year; it will be remembered as "The Team of Champions." What other team in these United States could boast it had Chon Gallegos, the Nation's No. 1 passer; Oscar Donahue, the Nation's No. 4 receiver; Big Mac Burton, the greatest running-receiver combination in West Coast history; John Sutro, the feared mountain of terror; Jim Cadile, the tackle foes couldn't block; and Leon Donohue, the player opponents couldn't stop defensively or offensively. Out of State's twelve graduating football seniors, these six men will be playing professional football next season.

But there were other bright stars on the Spartan eleven. There was Johnny "Touchdown" Johnson, who continued to demonstrate his fantastic ability as a runner. Johnson was tabbed by Coach Titchenal as the greatest back he has ever coached, and this includes Jon Arnett of the Los Angeles Rams. But Johnson wasn't alone as a great running star, for this season was the birth place for another pigskin luminary, Walt Roberts. Roberts ran 92 yards from scrimmage in one play against Arizona State University to break a long existing Spartan record. Roberts was a standout in every game he played. There were other backs along with Johnson and Roberts, and these were Phil Clifton and Willie (9.4) Williams. Thse pigskinners gave State fans thrills that will never be forgotten; they were turly a part of San Jose State's fabulous array of stars.

This season Mr. Titch matured into a coach who was respected not only for his teaching ability, but also for himself as a person. Titch displayed great leadership that will long be remembered not only by his players, but by the student body as well.

This year's Spartan team wound up the season with a 6-4 record.

BASEBALL

San Jose — After starting the 1961 season with a pathetic 3-17 first half, Coach Ed Sobzak's San Jose State baseball team ripped down the home stretch with an impressive 13-6 slate that sewed up a second consecutive West Coast Athletic Conference pennant. The Spartans nabbed the league crown with a 9-1 record, two games in front of runner-up UOP (8-4). Two games with USF, one ending in a regulation, rain-shortened 3-3 tie, were wiped off the sked by inclement weather but were not rescheduled for lack of bearing on the final standings.

Non-conference opposition fattened up on a somewhat shaky Spartan mound corps, posting a 5-22 ledger. Prime culprits against San Jose were California and Stanford, both 3-0, and Fresno State and San Francisco State, each winning a pair. The Gators of SF held the Spartans scoreless in 18 innings.

BASKETBALL 1962

This year the San Jose State basketball team faced one of the most disappointing seasons in its history, but this no fault of the team. The "bouncing-ballers" had guts. Early in the season the Spartans had won three consecutive league games, but these victories had to be forfeited. But like any championship team, the Spartans came back to win their next wto games against two of the league's most respected teams: The Pepperdine Waves and the Loyola Lions. These two victories were great team victories, but unfortunately, they too had to be forfeited. The team continued to play inspiring ball throughout the rest of the season, but their hearts weren't in the game as before.

Coach Stu Inman showed great courage in keeping the team together as a unit. His pep-talks, advice, and inspiration were important factors in the Spartan season. The players were an image to behold. Vance Barnes played the best season of his career. He is one of State's last great guards who measures below six feet in height. It was a tribute to Vance that he often had to lead the Spartans when all seemed lost. Another player on the Spartan Five was Denny Bates. Bates surprised experts by becoming one of the best scorers and rebounders in the league. Harry Edwards demonstrated great potential this past season, and Bill Yonge became known as the best defensive guard in the WCAC. The Spartans were unfortunate in that they had to forfeit so many games, but come next year this will be a different team, a team which will shock fans with its potential, and certainly shock the WCAC — look out!!!

NATION'S NUMBER TWO CROSS COUNTRY TEAM, left to right: RON DAVIS, JEFF FISHBACK, CHARLEY CLARK, AND HORACE WHITEHEAD.

1962 CROSS COUNTRY

The 1962 San Jose State Cross Country team, under the able direction of coach Dean Miller, went undefeated in seven dual meets and capped the season by finishing second to Oregon State in the NCAA Championships at Michigan State. The Spartan harriers won the Northern California and California State Collegiate Championships and finished second in the West Coast Championships, in addition to their magnificent showing in the NCAA event.

Here's how the Spartans placed, individually, in team competition in the national championships; Jeff Fishback, 3rd; Charles Clark, 4th; Ron Davis, 9th; Horace Whitehead, 29th; Ben Tucker, 37th. Fishback, Clark and Davis were selected on the All-American team.

TRACK 1962

Lloyd C. (Bud) Winter is entering his 18th season as head track coach at San Jose State. During his distinguished career, he has consistently turned out one of the nation's best dual meet teams and regularly has developed stars of international magnitude. His selection as an assistant coach for the U. S. Olympic Games Track and Field Team of 1960 was a fitting reward for an outstanding career.

San Jose has an impressive history in the sprints, and 1962 will be no exception. Dennis Johnson, the man for whom :09.3 became a routine last year, returns to lead the field in the 100. Johnson will be pushed by Jimmy Omagbemi and veteran Willie Williams. The trio will also give stiff competition to opponents in the 220. Williams, along with Don Ramos, will make up the Spartan strengh in the 440.

Another Spartan strong point should be in the distance events. Collegiate two-mile record holder Charlie Clark is gone, but Jeff Fishback should fill the gap.

Two members of San Jose State's talented pole vault trio, Dick Gear and Dick Kimmell, have graduated. Jeff Chase remains as the lone 15-foot vaulter. Chase hit 15-2 last year and should go above that in 1962. Ken Bowen and Bruce Turnbull, 14-foot vaulters, should help.

Dan Studney set two school records as a sophomore — 174-4 in the discus and 244-4 in the javelin — and is the key figure in those events. He will be pushed by mammoth Harry Edwards, the national junior college record holder. A return to track by Vance Barnes will boost San Jose hopes in the high jump substantially. Barnes jumped 6-10, a foot over his head, in 1960.

SOCCER

An innovation that brought night games to Spartan Stadium was one of the highlights of the 1961 Spartan soccer season. The first night game found the Spartans reversing a previous loss to Stanford as they whipped the Indians, 2 to 1, in a thriller. The second night appearance saw San Jose wallop Menlo College, 9 to 0.

Coach Julie Menendez was hailed by all soccer coaches in the area for his interest in the game and for his night games that brought soccer to public attention more this season than in any past year.

The Spartans had a 5-5 season record and finished in a tie for 4th with Cal Aggi ein the Northern California Intercollegiate Soccer Conference.

JUDO

San Jose State's highly regarded judo team competed in the 9th National AAU Judo Championship Meet held here at San Jose State. The team performed quite well, as Coach Yosh Uchida's judo techniques proved highly successful against State's foes. Thousands of Spartan fans jammed the men's gymnasium to witness the meet, but it wasn't until after the meet was held that the Spartans became known as one of the best judo teams in State's history.

In his first year at the helm of the Spartan Water Polo team, ex-Spartan star Lee Walton took his crew to a pair of highly-regarded second place finishes. The Spartans finished second to Long Beach State in the California State College Championships and second to the Olympic Club in the Men's Senior AAU Tournament. Some of the outstanding Spartan water poloists of the year were: John Henry, who was awarded the most valuable player trophy; Capt. Jim Monsees, who was selected to the State College Tournament's first team, and also voted most valuable player in the Northern California Tournament; Steve Skold, who also received the honor of being selected on the State College Tournament's first team; and Bob Wegman, who received second team honors. The water polo team wound up the season in great fashion. It improved with every game, and it climaxed the season by beating the highly touted University of California, 5-4.

San Jose State had its most successful swimming season in history last year and the prospects for the coming year look even brighter. Coach Tom O'Neill has the entire cast from his 1961 club back with the exception of captain Ross Berry.

Berry is the SJS record holder in the 220 and 440-yard freestyle events and was undefeated in dual meets last season. Stepping into the number one spot in the distance races should be Don Black, a 140-pound junior who tallied valuable points for the Spartan swimmers in '61.

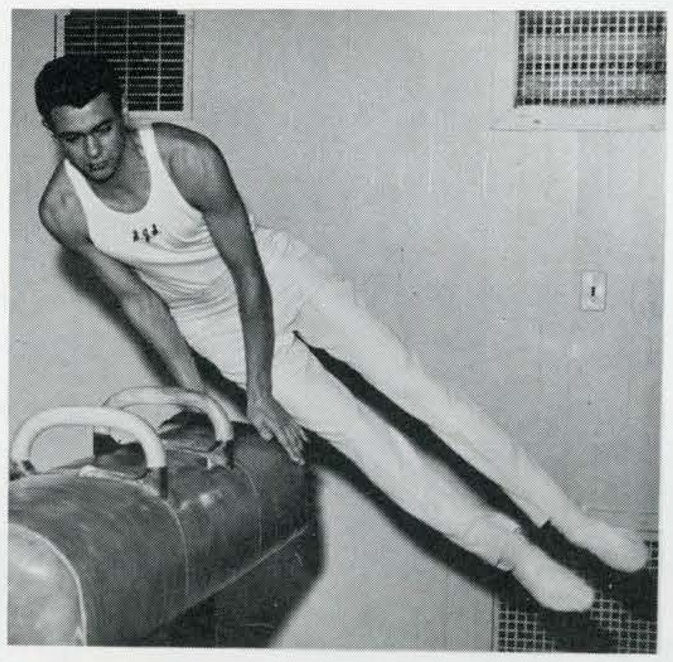
Senior Don Beukers was another "unbeatable" for San Jose last season and is back to protect his school records in the 50 and 100-yard freestyle events. Versatile Bob Wegman, who set a Spartan standard in the 100-yard butterfly as a freshman two years ago, returns for his second varsity season in the backstroke and individual medley. Jim Monsees lends support in the backstroke with Austin Wiswell a probable point getter in the medley.

Peter Wolfe, one of three SJS participants in the NCAA championships last season, is the State hope in the butterfly. Wolfe, a junior, already has made his way into the Spartan record book and should continue to better his own marks.

A weak point for O'Neill's swimmers in 1961 was the breaststroke. Paul Yancey, number one for the varsity last year, may be forced to take a back seat to Phil Witten. Whitten, a sophomore, outclassed all varsity rivals in the event during his first collegiate season and could erase all existing school marks in the event before the year's end. With this type of talent available, the Spartan freestyle and medley relay foursomes should be rugged.

Transfer Jim Johnson, former state champion at Bakersfield College, is O'Neill's number one diver with Mike Erickson another point getter.

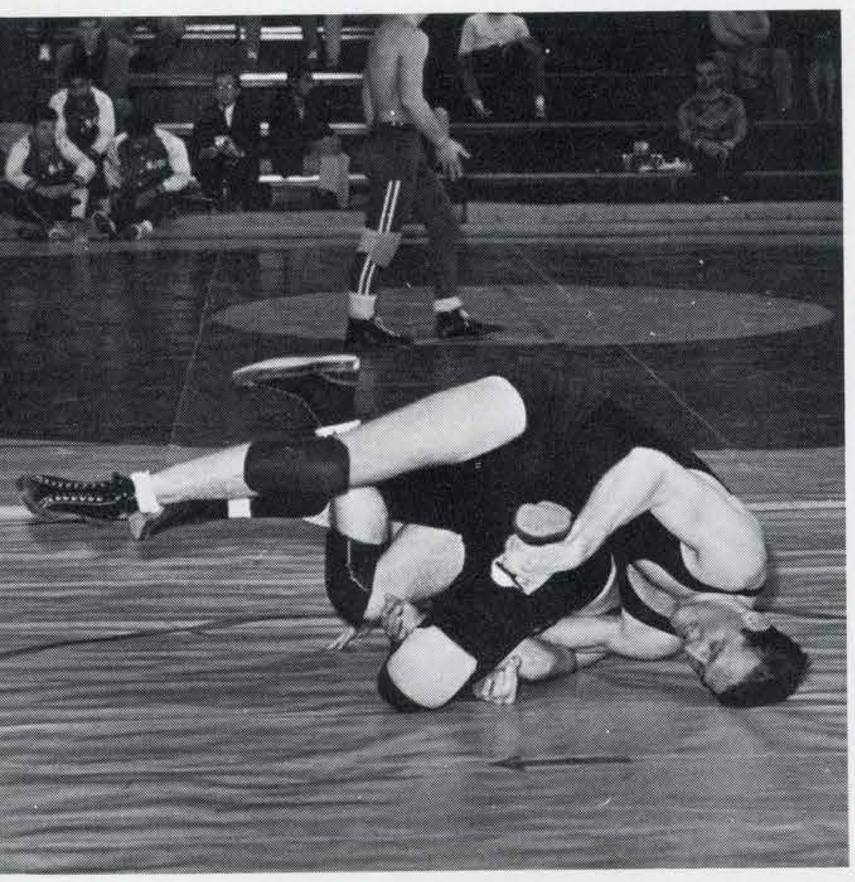
GYMNASTICS

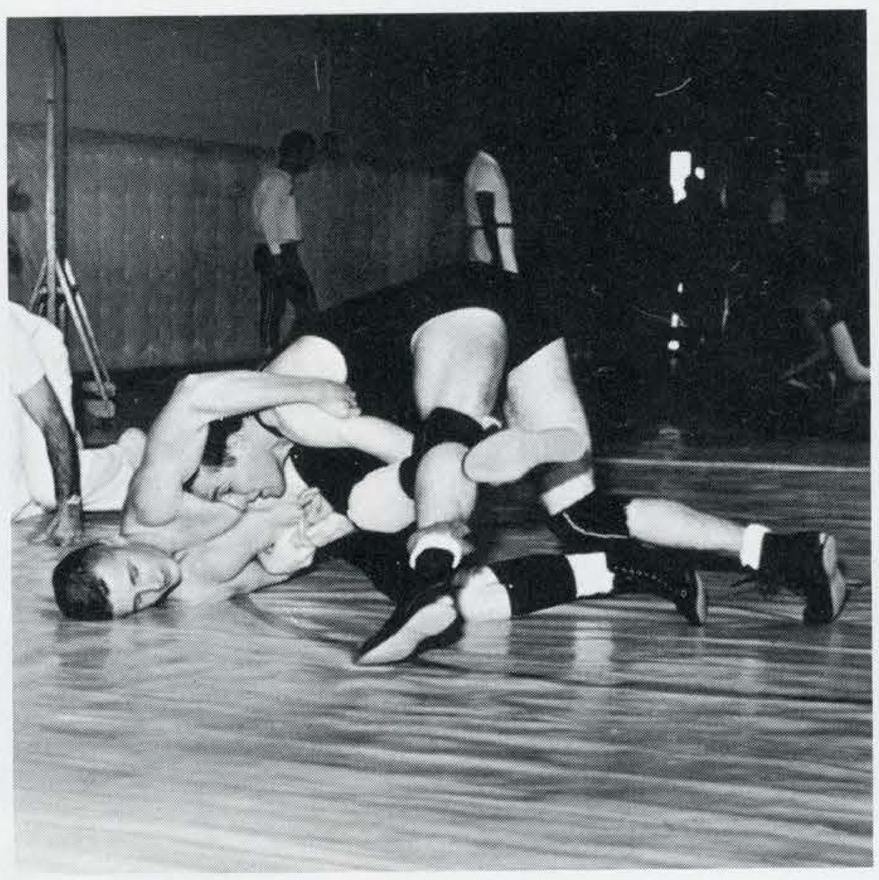


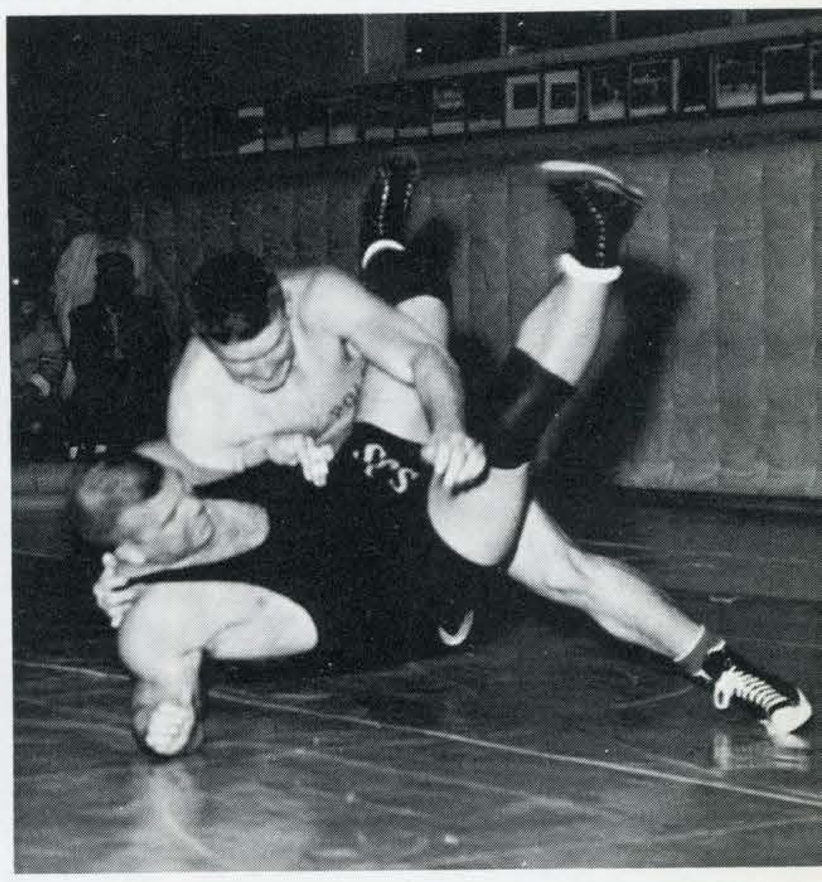
This year's Spartan gymnastic team is under the able guidance of Coach Clair Jennett. Coach Jennett comes to State from Ball State Teachers College in Indiana, where he coached the gymnastic teams from 1957 to 1961. There he compiled an impressive record. The top standout on this year's Spartan gymnastics team is Ted Carter. Ted specializes in every event and demonstrates an uncanny science of timing, balnce, and skill. Ted and Ron Dare are the only lettermen on this young team. Ron has shown great improvement over last year. This young team with its fine new coach has greatly improved, but next season the team will be dynamic in every dimension of the word.

BOTTOM ROW, left to right: RON DARE, MIKE LUCERO, ART ANDREWS, MIKE COLLINS, TED CARTER. TOP ROW: DAN LANDERS, CHARLES ALLEN, FRANK JOHNSON, RON McNICHOLS, ED HOFFMAN.

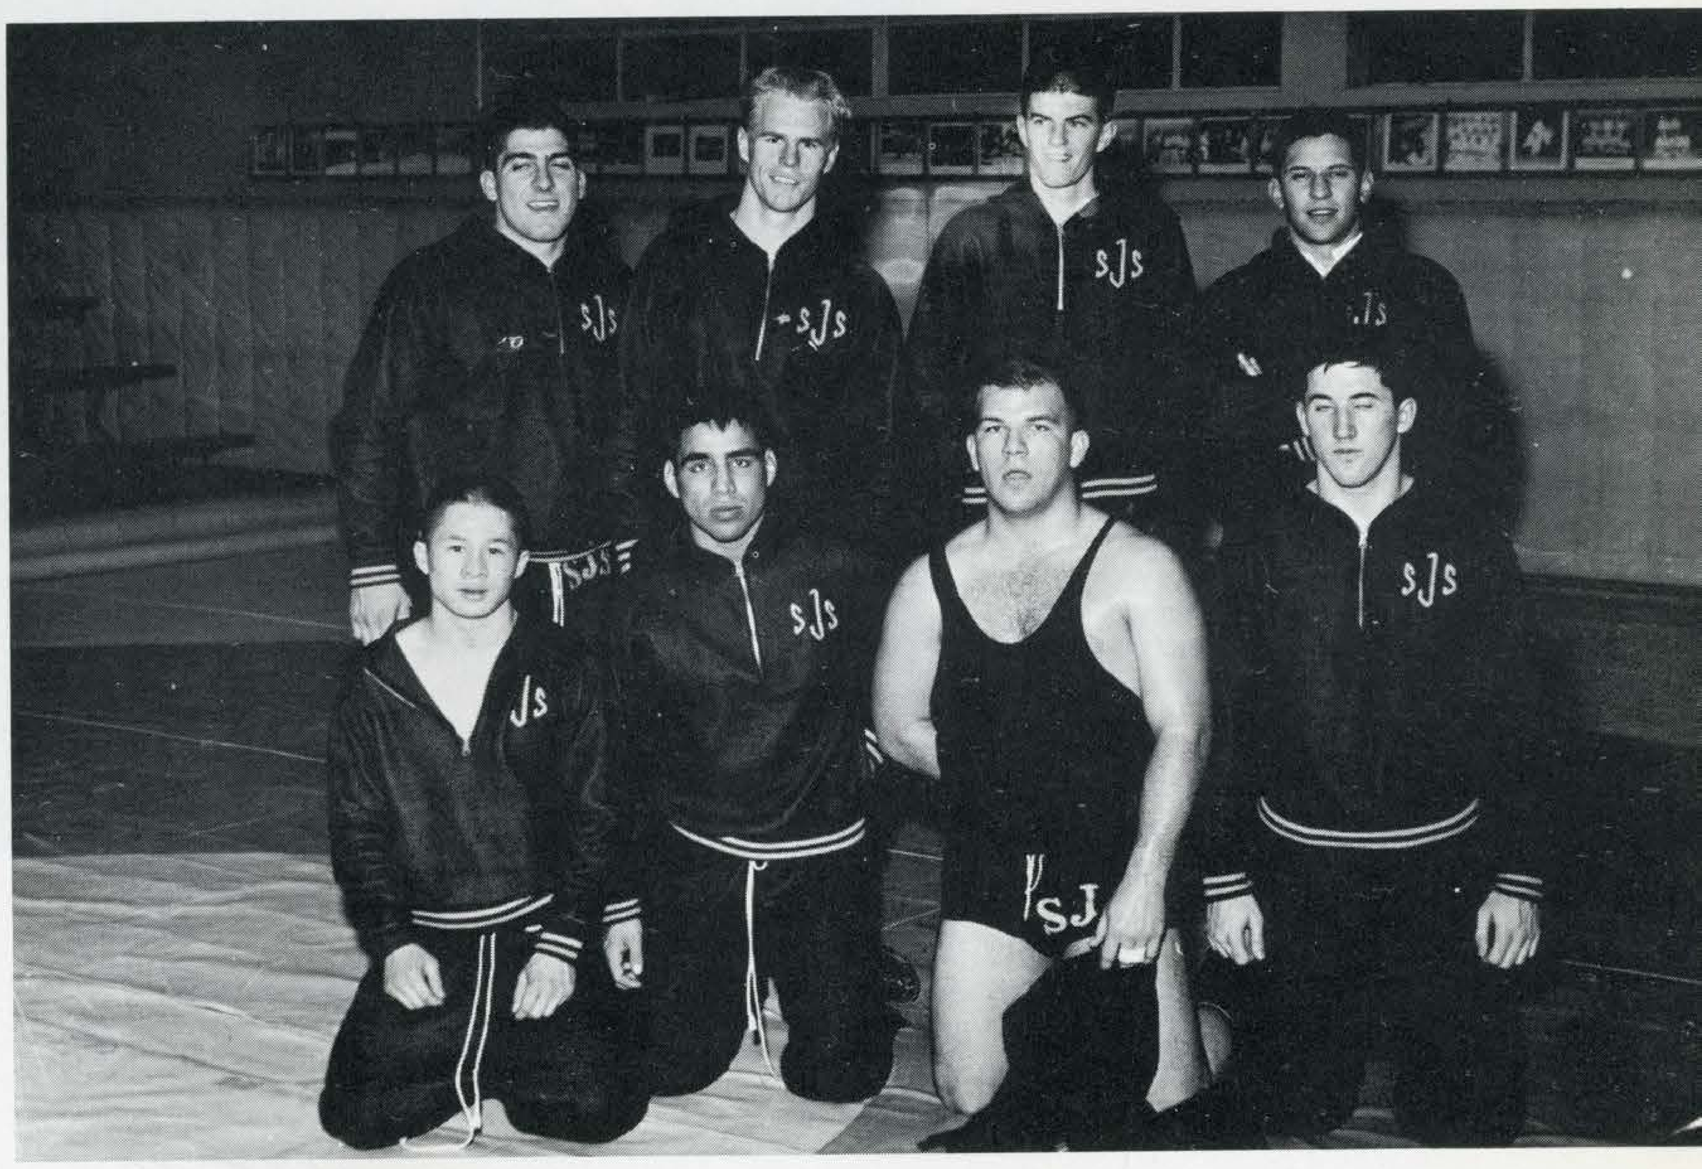
WRESTLING







The San Jose State Wrestling Team showed great promise this season. Coach Mumby lead the wrestlers to an exciting season. The outstanding performances by the entire team showed great courage; especially when the team was behind in points and had to come from behind to win under great pressure. Some of the standouts of the team were Rusigno, Lopez, and Yreta. This year's team was rough, tough, aggressive. Their foe feared them, and their fans loved them. This was the year of all years for State wrestling, and it won't be forgotten.



Butch Krikorian's Spartan netters fashioned an impressive 1961 record and all are back except Bill Schaefer, lost to graduation. There was little to choose between the first three or four Spartans last year, an obvious change from 1960 when Whitney Reed ruled the San Jose courts. Stillson Judah, Larry Willens, Lee Junta, Gordie Stroud and Don Schaefer are returning with an added year on the varsity to their credit.

Willens, a transfer from Santa Monica last season, is the only senior in the group. Canadian-born Stroud, Judah and Junta are juniors, and Don Schaefer, older brother of Bill, is a sophomore.

San Jose State could again rule the W.C.A.C. roost if Stroud, Junta, Willens and Judah can display the steadiness which marked their 1961 play.

Overall balance should compensate for the lack of an individual star, a la Reed. Krikorian used his marginal men to good advantage last season, so that if any of the top four Spartans is injured, an experienced reserve will be available.

LA TORRE'S ALL-AMERICAN SPORTS QUEEN 62'

Miss Pam Carleton is La Torre's latest contribution to the world of beauty queens. A junior at State, Pam is majoring in both Elementary Education and Speech Correction. She is also a lover of sports. She's an expert horseback rider, swimmer and diver, and performs better than average in golf and tennis. And when it comes to watching State play its footbal lgames, you'll find Pam jumping up and down in the first row rooting the Spartans on to victory. Beauty, personality, and the love of sport makes Pam our All-American Queen for 1962. In closing this sports section, the sports editors have but one last word: "Wow!'

Wee Terrace was the home of 11 girls this year. During October, the girls invited friends to a Halloween party, and Halloween night the residents went Trick-or-Treating for UNESF. Claudia Lindley was sponsored by the house for the Betty Co-Ed contest. The girls also participated in the campus door decoration contest at Christmas. Officers were Laura Cox, president; Mary Heekin, vice-president; Marge Sims, secretary-treasurer; Susan Wheeler, standards chairman; and Marge Linger, social chairman.

CHEZ NOUS

Under the leadership of President Dolores Delaney, the girls at Chez Nouz enjoyed an interesting program of activities. Residents participated in building the AIS Homecoming float, and they brought dates to their Thanksgiving party in November. Speakers from the various denominations were invited to Chez Nous during San Jose State's Religion-in-Life week. Each month girls having birthdays were honored with a house party. Other officers were Penny Clayton, vice-president; Cheryl Boudreaux, social chairman; Carol Couture, standards chairman; and Harlene Johnston, lockout chairman.

The ladies of the Catholic Women's Center opened their activities with a get-acquainted party. A fall mixer was held with Saint Mary's College, and a few weeks later a surprise Halloween party was given by the house officers for all residents. Joint sponsorship with Newman Club of an after-game dance and of Margene Caselli for queen candidate constituted the house's Homecoming activities. The campus Christmas door decorations contest and the inter-floor competition inspired a holiday mood at the Center. A Christmas party, a parent open house, and caroling were part of the festivities. Spring semester activities began with a Stanford mixer. Girls were also active in intra-mural sports. Highlighting the semester was the Spring Formal, and the year closed with the traditional Senior Dinner.

BLACKMORE HALL

An exchange dinner with Alpha Kappa Lambda fraternity from Stanford opened the year's events at Blackmore Hall. Other activities included house get-togethers such as the fall barbecue at Alum Rock Park for all residents. House celebrity was Margie Yamamoto, who was elected representative to the Junior Class Board on campus. Officers of Blackmore Hall were Jean Sedwick, president; Margie Yamamoto, secretary-treasurer; Linda Lazear, social chairman; and Patti Brown, standards chairman.

ERIN CASTLE

Girls at Erin Castle devoted their time to several charitable activities. Thanksgiving baskets were prepared for needy families, and a party was held at a home for the poor during the Christmas season. Residents also went Christmas caroling, and numerous exchanges with boys' boarding houses highlighted the social year. Officers were Marilyn McCormack, president; Genevieve Hoge, social chairman; and Gail Jackson, standards chairman.

LEFT TO RIGHT, bottom row: COOKIE SUTHERLAND, MARILYN McCORMACK, JUDY BROHMER, SANDY PATTON, ELAINE EILERS, SANDY BUTERA, CHARLEEN TATE, RUSTIE HOGE; top row: GALE JACKSON, KATHIE DUNN, PAT DALGLIESH, LINDA ARCHER, BEV VAN VLIET, GAIL DALIN, JENNIFER CHASE, NANCY HAYDEN.

A registration picnic began a busy year of events for the girls at Wendy Glen No. 2. Cards, games, and dancing highlighted exchanges with Stanford, Markham Hall, and Lad Manor. A motion picture series was presented, and the girls also sponsored a car wash. Wednesday night was guest night, and well-known campus personalities, professors, fashion counselors, and religious speakers were invited for dinner and informal conversation. Seasonal activities included a Halloween party and a Caroling and tree decoration party at Christmas. The major function during the second semester was the annual Spring dance. Artella Navarette was house president, Judy Iwata was vice president, and Georgianne Rune served as secretary.

This year has been a very memorable one for the girls at Marian Hall. Academically, the girls maintained a very high grade point average. The house participated in Homecoming activities, the Christmas door decoration contest, and several charity projects, such as Thanksgiving and Christmas food boxes and Easter favors. A house paper was published regularly, which reported such social activities as exchanges, parties, and parents' days.

MERRI LEE HALL

LEFT TO RIGHT, bottom row: NANCY BRANDIS, SANDRA LEMA, GEAN OTTI, JUDI BAKER, row two: JANET CAMBELL, LINDA OLSON, CAROLE FULLER, MARGIE REINA, NANCY HOLLAND, MARY LEE RENSHAW, EUGENE NICHOLAS; top row: JUDY WILSON, CAROLYN PERKIO, JUDY JOHNSON, MARVEL SWINGLEY, DEBBY EDGINGTON, LINDA SEARIGHT, BARBARA BOISEN, HELEN HOFFMAN.

This year was a very active one for the girls of Merri Lee Hall. The first activity was making popcorn balls for Halloween trick-or-treaters. The hall sponsored a girl for Homecoming Queen and entered a novelty entry, which won third place, in the Homecoming Parade. A needy family was helped at Thanksgiving. Christmas activities all through the year included several exchanges with the men's houses, parties for engaged girls, and exchanges of cards and gifts between secret pals. House officers were Judy Wilson, president; Jeanie Nicholas, social chairman; and Debby Edgington, Associated Independent Students representative.

DUCHESS HALL

Romance topped the excitement at Duchess Hall this year. Candy was passed when two girls announced their pinnings, and the traditional candle was lit twice for newly engaged girls. Several parties were held, including birthday parties, a Christmas party, and a Halloween party with skits and costumes. Christmas activites included participation in the door decoration contest and preparation of a food basket for the poor. The Stanford fraternity, Alpha Kappa Lambda, was invited to the house exchange. Officers were Laraine Boenner, president; Sharyn Atkinson, treasurer; and Sue Waldman, social chairman.

Many interesting activities were on the agenda at Crestwood Manor this year. During Homecoming, the girls helped build the Independent float. Christmas activities included caroling, entering the door decoration contest, and entertaining the children at the Stanford Convalescent Home. The house also sponsored candidates for the Joe College-Betty Coed contest. Spring semester was highlighted by a come-as-you-are breakfast and several picnics and barbecues.

GARLAND

The girls at Garland had a busy year. The house entered a volley-ball team in the intramural sports program offered by the physical education department. They had a number of exchanges with men's boarding houses. The Christmas season was celebrated by participation in the AWS door decoration contest and by a house dinner and party. Carol Erickson was house president; Ann Whaley acted as standards chairman, and Myrna Keith planned the social events.

Co-presidents of Halls of Ivy this year were Heidi Schoop and Merrilee Ohs. Social chairmen were Pat Winkenbach, Mary Ellen Corcofan and Georgina Reilly. The standards committee was headed by Susie Moore and Carolyn Downey. The girls enjoyed many exchanges including a barbecue with Delta Sigma Phi and a Halloween party with Sigma Epsilon.

PINK TUB

In keeping with the tradition established by the geranium-planted pink bath tub on the front lawn, the men at the Pink Tub this year also painted their front steps pink. The Tubbers participated in intramural bowling, football, basketball, and free throw shooting. Harlan McDaniel won the singles table tennis tournament at Co-Rec. Other house activities included a Christmas party and exchanges with Magnolia Manor and Ivy Hall.

The house also hosted guest speakers from campus and religious organizations to talk before the group. Steve Osborn was president, and the owners are Kieth and Terry Kaldenbach.

HAWAIIAN GIRLS

JANICE & WILMA

IT'S A LONG MOVE FROM HAWAII TO CALIFORNIA, BUT THE GIRLS FINALLY ARRIVE AT THEIR NEW HOME.

JANICE AND WILMA TRY TO PLAN THE PERFECT SCHEDULE — AND THEY ARE DETERMINED TO AVOID THOSE HORRIBLE 7:30 A.M. CLASSES!

JANICE AND WILMA DECORATE THEIR ROOM TO MAKE IT LOOK LIKE HOME.

Janice Rapozo and Wilma Ferreiro came to San Jose State from the exotic Hawaiian islands. Both girls flew to California by jet from Papaa on the island of Kauai. Janice is majoring in social science, and Wilma's major is kindergarten-primary education. The girls chose San Jose State because of its reputation for an excellent teacher training program. Although the girls miss the warm climate and slower life of the islands, they like the college very much and plan to attend for all four years. Like all freshmen, the girls experienced the typical problems of adjusting to hectic college life.

PANHELLENIC COUNCIL

Panhellenic is the coordinating organization for the twelve national sororities at San Jose State. The council consists of the president and a representative from each sorority. The purposes of Panhellenic are to maintain good inter-fraternity relations with the college, to encourage high scholastic accomplishments, to cooperate with the college administration in the maintenance of high social standards, and to compile rules governing rushing, pledging, and initiation on this campus. This year Panhellenic sponsored a work day, fashion show, and a work shop with the councils from University of California and the University of the Pacific. In conjunction with IFC, Panhellenic sponsored Greek Retreat and the Columns.

The goals of Alpha Chi Omega are scholarship advancement, participation in college activities, and Philanthropy which make for a well-rounded college life. To accomplish these goals the ladies have a Christmas party with the Sigma Nu's for underprivileged every year. The Alpha Chis participated in Homecoming by building a float with the Delta Sigma Phi's. Some of the activities for the year were fall Pledge Dance, a Masquerade Ball, and a Favorite Guy dance, along with a Father-Daughter picnic, a Christmas Party with the Mother's Club and Spring Sing with the Phi Sigma Kappas.

Alpha Omicron Pi was first established at Barnard College, New York, in 1897. The sorority's national philanthropy is the Frontier Nursing Service in Kentucky. Other philanthropies include a Christmas party for underprivileged children co-sponsored with Sigma Phi Epsilon fraternity and contributions to local needy families.

Alpha Omicron Pi started the 1961-2 year by welcoming their new housemother, Mrs. Edna Sweezy. Activities during the year included the annual Fall Pledge Dance highlighted by the crowning of their Dream Guy, participation in the Homecoming Float competition, Christmas Dance, and annual Spring Cotillion.

Alpha Phi sorority was founded at Syracuse University in 1872. The sorority's philanthropy is the American Heart Association. The Beta Psi chapter contributes to the national program by assisting the local cardiac office with office work and various projects. Among their many other activities, the Alph Phi's participate actively in the many campus organizations.

As a house, Alpha Phi participates actively in Pushcarts, Spring Sing, Homecoming, and the various Panhellenic projects. Other annual house functions include the Pledge Dance, the Alpha Phi - Delta Gamma Dance, and a party for underprivileged children at Christmas.

Chi Omega, founded in 1895 at the University of Arkansas and at San Jose State in 1948, has as its open motto "Hellenic Culture and Christian Ideals." Their motto is fulfilled through work in several areas. Each year a check is given to an outstanding woman in the social science area as a philanthropy. Ladies outstanding in campus activities are Pat Hayes, Black Masque; Patsy Ross, Black Masque; Pat Travis, Homecoming Queen; and Arlene Jung, Panhellenic president.

The Chi Omegas sponsor both a spring and a fall Pledge dance, a Father-Daughter Banquet, a Senior Breakfast, and a Knight's Picnic, and still rate a first in scholarship among the other sororities on campus.

The goals of this sorority are to foster high ideals of friendship among college women, to promote their educational and cultural interests, to create in them a true sense of social responsibility, and to develop in them the best qualities of character. These goals are accomplished by the members living in a close union of sisterhood.

The activities of the Delta Gammas are a Christmas party for the blind, Founder's Day festivities, and an Anchor Man Contest and Dance.

Sigma Kappa was founded at Colby College, in Maine, in 1874. The sorority's national philanthropies are the Maine Sea Coast Mission, Gerontology and the American School in Greece. Other philanthropies include a Christmas party for emotionally disturbed children co-sponsored with the Delta Sigma Phi fraternity, and the donation of books to an old folks' home.

The Sigmas had a busy year starting with a house retreat the first weekend of school in September. Activities were the Faculty Smorgasbord, the fall and spring Pledge dances, Parents' Day, House Christmas party, Mother-Daughter fashion show, participation in Homecoming with Sharon Brantley as princess, Sparta Sings with the brothers of Sigma Alpha Epsilon, the Junior-Senior breakfast and several exchanges.

This year was a significant year for the Brothers of Alpha Tau Omega. Construction for a new $325,000.00 house began in the first part of the Spring semester. The house will accomodate 60 Brothers to live in. Completion date is set for September 10, in time for the Fall semester.

Also the Brothers presented in a live recording concert on the campus, Stan Wilson, noted folksinger balladeer. This was the first type of concert presented on the campus by a fraternity. The Brothers all feel that possibly more of these concerts will be presented by Greeks.

The traditional Christmas party with Chi Omega sorority was again a success. The party, presented for underprivileged children, made us all realize just how fortunate we are.

The traditional DAAM Day (Dads, Actives, Alums, Mothers) turned out to be a damn good day. All the Brothers along with their families got together for a picnic and a dance afterward.

Enthusiasm is the keynote for the brothers of Delta Upsilon as an active alumni group and Mother's Club assist to make every year successful. Athletically, the D.U.'s in fall IFC sports were near the top in football, second in swimming and run currently in second place in basketball. Socially, highlights of the fall were the Christmas Party with Gamma Phi Beta for underpriviliged children, The Christmas Dance at the house, and the annual alumni-undergraduate formal dance, Full Moon. Looking forward to spring, the brothers are planning a full social schedule including Kanaka Kapers, a Polynesian dance, a spring formal, and a Pogo Party with Theta Chi.

Lambda Chi Alpha Fraternity, founded on November 2, 1909, has grown into an international organization consisting of 154 chapters and over 80,000 men. The local chapter, Zeta Nu Zeta at San Jose was founded in 1947 as a local and became national in 1950. Lambda Chi's goals are to encourage fraternal feelings among the brothers, to uphold the highest ideals of character and behavior, to encourage and reward achievement in scholarship, to provide clean housing facilities with a home-like atmosphere, and to produce mature adult college men with the ability to strike out on their own after college.

Lambda Chi's sponsor one of the biggest events of the Spring, the Pushcart Relays. Prior to Relays, each house on campus sponsors a candidate for the title of Lambda Chi Alpha's Crescent Girl. She reigns as Queen over the relays and is crowned at the Crescent Girl formal. The other activities of Lambda Chi include dances, parties, hayrides, theater-parties, and exchanges. This year the pledges chose Miss Pam McGee of Kappa Kappa Gamma ts their pledge queen for the fall semester.

Phi Sigma Kappa was founded in 1873, and Xi Triton chapter at San Jose State was inducted in 1948. The Phi Sigs aided in many community services during the year. They donated blood, gave a day of their time to the Ming Kwong Orphanage, and helped paint a local church. Their social year was highlighted by the Moonlight Girl Dance held at the Monterey Country Club. Sally Gorrindo was crowned Moonlight Girl. A few of the Phi Sigs social functions were the Pledge dance, Homecoming dinner and dance, the 49'er dance at Cal, the Christmas dance, the Roman dance, UOP and Stanford bus trips, and numerous exchanges. The Phi Sigs participated strongly in both the major and minor sports. They have consecutively been in the top ranks of contention for athletic honors.

The major goal of the Pi Kappa Alpha is to bring college men with common interest together so that they may further these interests with strong bonds and ties. This is accomplished by having the brothers participate in various athletics, social events, and the politics of the house as well as of the school.

In this way, everyone in the house learns how to participate and to show some leadership ability. Four dances are sponsored during the year — the Fireman's Ball, the Fireman's Fling, and the fall and spring pledge dances.

Sigma Alpha Epsilon was founded at the University of Alabama in 1856. The local chapter was established in 1947. The purpose of Sigma Alpha Epsilon is to foster brotherhood and fellowship among a group of men who have voluntarily banded together to form this organization. SAE seeks to fulfill social needs of the college man not provided for in the classroom activities. At the same time, the group promotes a higher academic understanding among its members. SAE's social calendar includes the Golden Eagle Fantasy, the Gay Nineties Party, the Homecoming Banquet, and the annual Christmas Party with Kappa Alpha Theta for underprivileged children.

Sigma Chi, the oldest National fraternity on the San Jose State College Campus, was founded at Miami University in 1855. An over-all goal of Sigma Chi is to establish a strong bond of brotherhood, through friendship, justice, and learning. Social activities and a scholarship are traditions with Sigma Chi. Among the special events held by the Sigs is the annual over-night, the "Sweetheart Dance." This year one of twelve sorority candidates will be crowned "The Sweetheart of Sigma Chi" at the beautiful Seigler Springs Hotel in Lake County. Other activities are the Drive-in Movie, a Frog Jumping Contest at Angels Camp, exchanges, Parents Day, party for underprivileged children, Beachcombers Ball, Military Ball, White Rose Alumni Dance, and Homecoming Dinner-Dance. Scholastically, the Sigma Chi won the Province Scholarship Award and a $125.00 library award.

SIGMA PHI EPSILON

Sigma Phi Epsilon Fraternity was founded at Richmond College in 1901 by twelve men; through the years Sig Ep has grown to be the second largest fraternity in the world, and has initiated almost 65,000 brothers. California Epsilon has been motivated by its fast-growing national. The acquisition of the two pieces of property adjoining the Sig Eps' 281 So. 11th St. address has put Sigma Phi Epsilon on the "Row" for keeps. Large pledge classes in the fall and spring have boosted the man power considerably. Men in key student government positions represent the fraternity in a fine manner. At Christmas time, Sig Ep joined with the ladies of AOPi to entertain several underprivileged children at a party in the AOPi house. In March, the Sig Eps followed national tradition and supported the Heart Fund with Alpha Phi sorority. The Wearers of the Golden Heart socially joined in such theme parties as the Funeral Party, the Communist Party, and the annual overnight held every spring, the Queen of Hearts Ball.

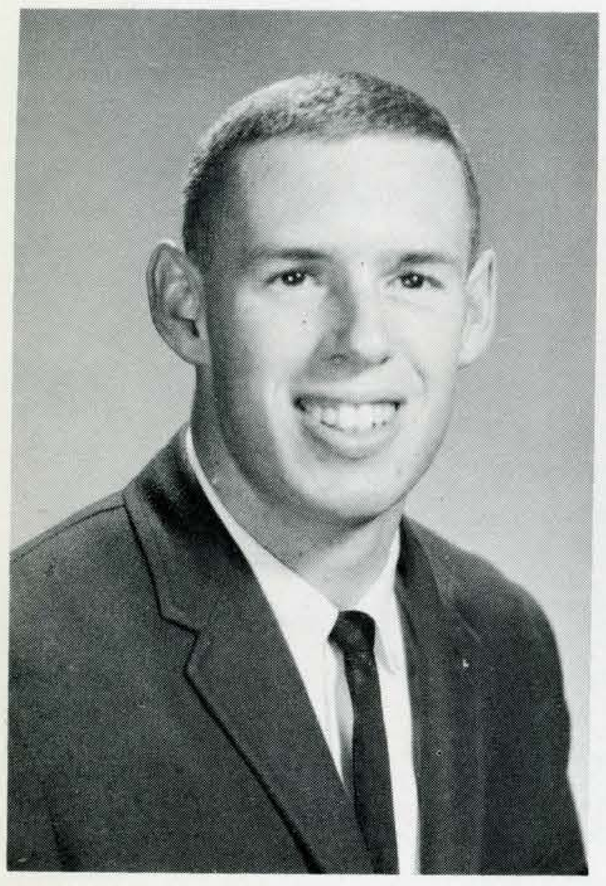
Sigma Nu Fraternity was founded at Virginia Military Institute in 1869. The Zeta Iota chapter was chartered in 1951. Sigma Nu stands against ignorance, regimentation, boorishness, and intolerance; against confinement of mind and soul, against forces which would destroy faith in God and Democracy. The 100 hour Swing-a-thon Toys for Tots campaign in conjunction with the United State Marine Corps and Alpha Chi Omega Soroity was one of the many community services performed by Sigma Nu to better the relationship between the community and the college.



Sigma Pi Fraternity was established in 1897 at Vincennes University in Indiana. Beta-Eta Chapter was chartered in October, 1950, and rejuvenated in October, 1959. Sigma Pi's chief goals are to advance brotherhood, truth and justice. Socially, this year was highlighted by the "Orchid Ball," a double over-nighter held at Squaw Valley in April.

Theta Xi Fraternity was founded in 1864, and established at San Jose State in 1951. Its general goal is to help its members achieve a balance of scholarship, social life, athletics, and participation in school and fraternity government.

Under the leadership of presidents Wood and Morello, Theta Xi has had a highly successful year. The outstanding event of the fall semester was the annual Cinderella Ball at which Sue Barry was chosen Cinderella girl. The spring semester was highlighted by its major event, the Luau.

Theta Chi Fraternity was founded in Vermont, at Norwich University, 1856. The local chapter was established in 1948. Its overall goal is to establish an active balance among the many aspects of college and fraternity life — scholarship, social, I.F.C. sports, interest in school activities, and participation in the maintenance and organization of the fraternity. Culminating several semesters of work and planning, mid-fall semester saw the Theta Chi's happily re-established in a new dwelling on 11th St. Philanthropically, the Theta Chi's gave their annual Christmas party with the Kappa Kappa Gamma's for underprivileged children and participated in the work on Happy Hollow and the Y.M.C.A. The social activities were begun in the fall with commencement of the yearly Dream Girl contest. It was highlighted in the spring with the Dream Girl Formal. The Interim was filled with various parties and exchanges, such as Red Ox, The Winter Dance, Theta Chi-Sigma Chi, and the Roaring 20's party.

CAMPUS LIFE

San Jose State College enrollment went up 9.6% above the fall 1960 enrollment. Total enrollment was 16,294. State has the second largest student body in California. Registration procedure was changed for fall semester; students were directed through the reserve book room and filled out their cards in the outer quad.

FALL REGISTRATION

BIG LITTLE SISTER PARTY

HOMECOMING

The annual bonfire for Homecoming was almost postponed this year because of inadequate insurance. However, the matter was settled and the railroad ties went up in flame as scheduled. Entertainment and presentation of Pat Travis, 1961 Homecoming Queen, and her court highlighted the event.

Pat Travis, 1961 Homecoming Queen, led the parade of five high school bands, seventeen floats and the 110 piece San Jose State marching band. Delta Zeta sorority and Alpha Tau Omega fraternity won the float competition. Willie Heston, San Jose State "golden grad," officiated as Grand Marshall.

HOMECOMING VOTING

Students went to the polls to choose ten semi-finalists for the 1961 homecoming queen. Thirty sororities, fraternities and independent living centers entered candidates. Pictures were displayed at the polls. The top ten girls were presented for final judging at the annual fashion show.

HOMECOMING QUEEN

FASHION SHOW

Ten semi-finalist queen candidates were presented to the student body and the judges in the annual Homecoming fashion show. Each girl appeared twice, wearing sports clothes and formal attire. Five finalists were chonsen, including: Pat Travis, Sharon Brantley, Kit Fox, Judy Osborne, and Raylenne Hermann.

FEDERAL CAREERS DAY

The second annual Federal Careers day was presented in the outer quad in conjunction with the Civil Service Commission. Federal employees sat at their respective booths for the purpose of explaining any questions asked by interested students. Students were welcome to go from booth to booth without an appointment to inquire about each different field of work.

SENATOR PAUL DOUGLAS

Illinois Senator Paul H. Douglas (Dem.) advocated a firm United States stand in the Berlin crisis in his speech, "Our Trouble Spots," in Morris Dailey auditorium. Senator Douglas warned the United States against backing down against the Communists in that city. The senator was one of the highlights in the Distinguished Lecturer series.

Dr. Dwight Bentel, head of the department for 25 years, was in charge of the three-day celebration with the cooperation of Pearce Davies, associate professor of journalism.

Douglas Edward, prominent newscaster, and Drew Pearson, Washington columnist, spoke in Morris Dailey Auditorium. Mr. Alan B. Eden-Green, English public relations man, helped make the celebration a success with his speech at the luncheon held for members of the department.

ANNIVERSARY

SWINGATHON

A huge swing was set up in front of the Sigma Nu fraternity for promoting the annual Toys for Tots campaign sponsored by the San Jose Marine Corps reservists. The Swingathon, which lasted 100 hours, was sponsored by Sigma Nu and Alpha Chi Omega soroity. The event received coverage on local television and on national newswire services.

Kappa Alpha Theta sorority won the annual Christmas door decorations contest sponsored by the Associated Women Students. The KAT entry was titled, "I'm Dreaming of a Renaissance Christmas." Second place was won by the Whittaker House with their theme of a "Primitive Christmas." Delta Gamma sorority took third place for its "Brilliant Christmas" entry.

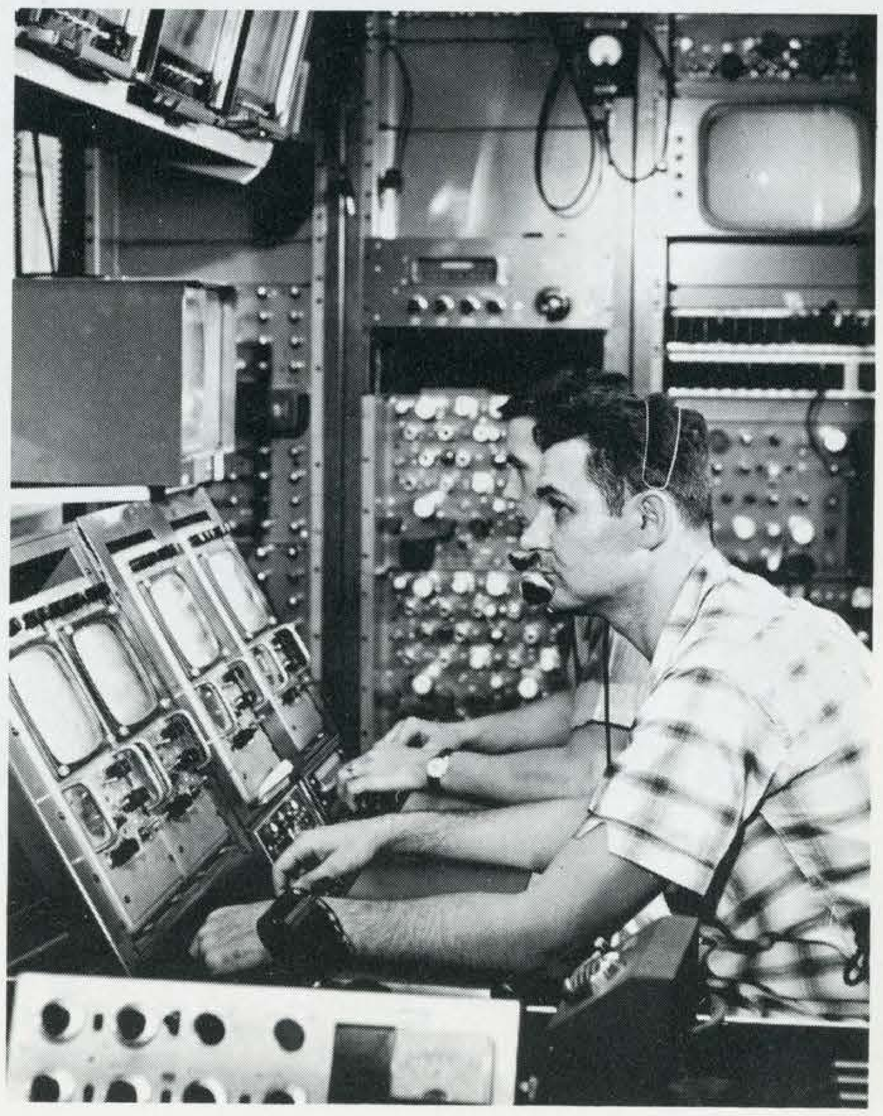
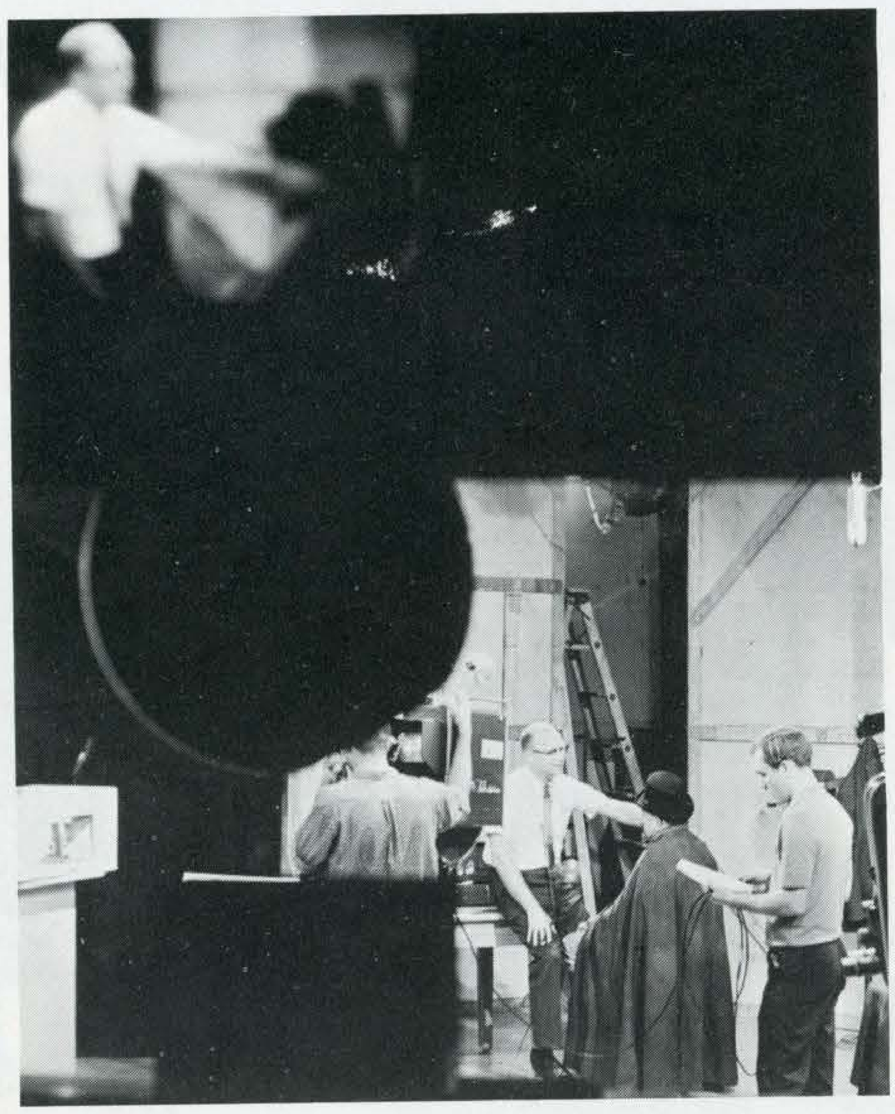
RADIO AND TV





The San Jose State Radio and Television department presents Perspective every Saturday at 12:00 o'clock. The program transmits from the studio in the drama building through KNTV Channel 11 in San Jose. Perspective presents the cultural college scene using material from different departments. Dramatic skits and modern dance programs have been part of the programming this semester.

One Perspective program requires one week of rehearsals. The crew and stars begin their Saturday at 8 a.m. to run through the program before air time. At twelve noon, the production is officially on the air, and one hour later the production is over, well done as usual.

Chancellor Resigns From Post; Returns to NYCC Presidency

The sudden resignation of Dr. Buell Gallagher from the post of chancellor of the state college system Feb. 14 was met with astonishment and disappointment by members of the board of trustees.

The former chancellor, who held the post for seven months, left a $30,000 a year job here to return to the presidency of New York City College for $32,000 a year.

Reasons for the resignation, according to Dr. Gallagher, were purely personal. "The personal sacrifice asked of my wife and me was too high a price to pay for continuance in that post," he announced.

Upon the disclosure of the resignation, Pres. John T. Wahlquist stated, "I was surprised at the resignation of Chancellor Gallagher. I had heard him speak at several national conventions before his appointment here and had great admiration for him.

MEETS CRITICS

"Our associations were very pleasant. We helped stage the ROTC award presentation at San Jose State to assist him to meet his critics and their questioning of his loyalty to our system of government, of which he is a great champion. I found him deeply interested in San Jose State and most desirous of being of assistance.

"I believe his reasons for leaving the position were, as he says, largely 'personal'—pension rights, housing, travel, etc.

DR. BUELL GALLAGHER
. . . former chancellor

"No doubt, the position will attract another outstanding person. The salary is an attractive one; the professional challenge is great; the state of California is destined to be the American frontier in education. Meantime, under an able headquarters staff, the work will go forward," the president said.

CONTROVERSY

In January a controversial issue arose when the board of trustees gave the chancellor a week deadline to issue a policy statement as to whether communists should be permitted to speak on state college campuses.

Although Dr. Gallagher requested a March deadline for the decision, the board maintained it was under pressure by right-wing groups and that the deadline would not be extended.

DECISION

The chancellor announced one week later it would be up to each state college president to decide if a communist would be permitted to speak on his campus.

Dr. Gallagher announced when he resigned that he was unable to transfer retirement credits. Also housing facilities promised did not materialize. He said he would lose one half of a $16,000 per year retirement pension as chancellor.

CHANCELLOR BUELL G. GALLAGHER

Dr. Buell G. Gallagher, Chancellor of the California state colleges, was awarded the Outstanding Civilian Service Medal from the United States Army. The San Jose State Army ROTC unit, commanded by Lt.-Col. Edwin T. Rios, assisted in the presentation.

Maj. Gen. William N. Gillmore, commanding general of the XV U. S. Army Corps, made the official award. Maj. Gen. (Ret.) Raymond W. Curtis recommended Dr. Gallagher for the medal. Gen. Gillmore, Chancellor Gallagher and Gen. (Ret.) Curtis reviewed the ROTC unit.

The Associated Women Students united the women on campus in a drive to establish and maintain a high campus standard for all coeds to follow. Sposnoring such activities as Big-Little Sister program, new women student orientation meetings, Christmas door decoration contest, student-faculty luncheons featuring guest speakers, Housing Conference, Sparti Sings in the Spring and the annual Women's Week, the AWS fostered good will among all students. Representing SJS at state and national conferences, the AWS members brought many new ideas to the SJS campus. The Judiciary Board served in the capacity of insuring that the standards were followed in all living groups, and that any violator of these standards was dealt with justly. With high goals before them, the officers worked diligently in establishing unity and fairness among all.

CO-REC

San Jose State, being one of the few colleges with a Recreation Major-Minor program, provided not only classroom facilities, but also practical experience in the form of Co-Rec. The weekly activities were planned and supervised by members of the Introductory Recreation Course. The Wednesday night functions served not only as a lab for Recreation majors and minors, but also as a welcome relief from tedious studying for all students. As well as offering ping-pong, volleyball, four-square, shuffleboard and dancing to music provided by guest groups, the committee offered weekend activities including swimming, basketball, badminton, and special trips.

The Women's Recreation Association is an athletic organization for all coeds carrying a minimum of 12 units. The purpose of the organization is to provide opportunity for participation in sports and related activities and to promote good sportsmanship, good fellowship, and an interest in athletics among women at San Jose State College.

The Women's Recreation Association sponsors house tournaments in basketball, softball, bowling, and volleyball. The organization's social events include the annual Women's Recreation Association Banquet, an open house in the fall, and the Associated Women Students — Women's Recreation Association Cat's Meow barbecue in the spring. A number of sports days are held during the year at colleges in the surrounding area.

CONCLUSION

INDEX

In conclusion, we offer our hearty thanks to some of the people who made this year's La Torre possible.

First and foremost, the staff photographers for without their help there would be no La Torre. Their weekend and night work was sincerely appreciated.

The ladies of Tower Hall 16 did much to contribute to the book. They took care of most of the book-work connected with an endeavor this size and of the sales.

Last, but not least, Mary Harris, Secretary of the Journalism and Advertising Department. She was such a help in so many ways, including moral support.

To all of you who contribute to this year's La Torre, thank you.
