

Use of such credit for graduate degrees at Fresno State College requires special approval (consult Office of the Dean, School of Graduate Studies). Use of such credit for other purposes is to be determined by the appropriate authority.

## BACHELOR'S DEGREES

### EVALUATIONS

Transfer students are provided with an advanced standing evaluation as part of the admissions process. Upon completion of approximately 90 semester units, each student should request a degree evaluation from the Evaluations Office which will show all requirements completed and any remaining degree requirements. Due to staff limitations only one degree evaluation can be made for each student. Each student should keep his personal copy current.

After evaluation, all transcripts become the property of the Records Office and are not returnable, even on loan. It is suggested that the student obtain duplicate copies of his record from his former schools and keep them for his personal file and for any other purpose for which they may be needed.

### ELECTION OF REGULATIONS

A student by remaining in continuous attendance in regular sessions may, for purposes of meeting graduation requirements, elect to meet the graduation requirements in effect either at the time of his entering a curriculum or at the time of his graduation. The *General Catalog* lists the official graduation requirements for each year.

### RESIDENCE REQUIREMENTS

For the bachelor of arts, bachelor of science, and bachelor of vocational education degrees a minimum of 24 semester units must be earned in residence at Fresno State College; at least one-half of these units (12) must be completed among the last 20 semester units counted toward the degree. Summer session credit and credit earned in the California State College International Programs may be applied on this requirement on a unit for unit basis.

For special residence requirements see *Public School Credentials* and *School of Graduate Studies*.

Extension credit and credit by examination may not be used to fulfill the minimum residence requirement. (*California Administrative Code, Title 5, Chapter 5, Section 4043.*)

### SCHOLARSHIP REQUIREMENTS

To qualify for any bachelor's degree a student must have at least a C average (2.0 on a four grade-point system) on his total college record, must have maintained at least a C average at Fresno State College, and must have at least a C average in his approved major.

See also *School of Education—Application for Admission to Credential Programs* and *School of Graduate Studies*.

### SPECIAL COURSE REQUIREMENTS

Entering undergraduate students should note the following specific requirements:

*Physical Education Activities* (PE M, C, SC, SM, SW, or W series.) The college requires four semesters of physical education. Students are expected to take these activities during their first four semesters. The physical education requirement may be waived only on request for students who have a medical excuse from the college physician, or who are 25 years of age or older. Requests for this waiver or any deviation in meeting the requirement must be submitted to the Dean of Students Office. Basic aerospace studies (4 semesters) may be substituted for the physical education requirement.
