Oxnard College To Hold Open House In Village

By Lois Atz

Oxnard College will sponsor an open house here in the Village on Tues, Sept 4 from 9:30 a.m. to noon in the GR. Denise Pinto, college representative, will provide information and answer questions on fall classes. All residents are cordially invited to drop by the GR.

Classes to be given in the Village this fall are International Relations, Mondays from 2:00-5:00 p.m. in the Sun R, starting Sept 10; Vocal Ensemble, Mondays from 1:30-4:30 p.m. in the MPR, starting Sept 10; and Art History, Tuesdays from 9:00 a.m. to noon in the GR, starting Sept 11.

Oxnard College will also present a speaker's program the third Thursday of each month. These programs will be held at the Camarillo office for Oxnard College, located at 333 Lantana St., Suite 257, phone 986-5861.

The first program will be Thurs, Oct 20, when Prof. Sidney Balbes will present an overview on art appreciation. There is no admission fee and the public is invited.

Prof. Balbes will teach the Art History class in LV during the fall semester. He has 30 years experience as a working professional artist, plus many years as an art instructor. He has traveled widely in western Europe and often shows slides taken on these trips.

Village Wins Awards For Water Conservation

"In recognition of your outstanding achievement in the conservation of water through attractive and appropriate landscaping" is the message on the plaque presented to Terry Craig, Leisure Village manager of maintenance and resident services recently.

This award was jointly sponsored by the California Landscape Contractors Association and the Water Conservation Task Force of Ventura County. Terry has also received a similar award from Camrosa Water District for high honors in the large turf category of the water efficient landscape contest in Ventura County.

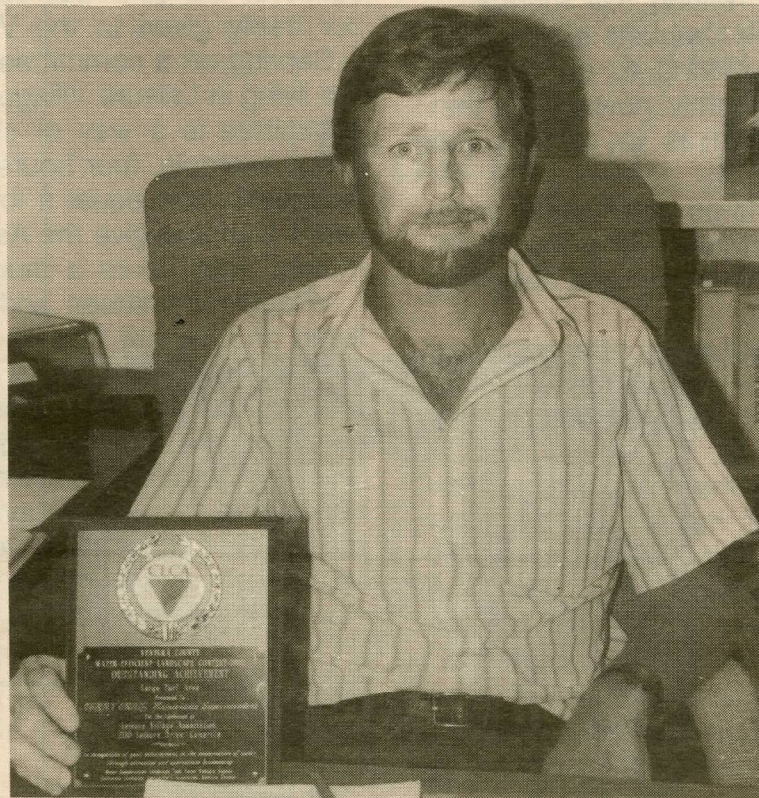

Photo by Klapperman

Terry Craig, LVA Maintenance Superintendent, displays awards for Village efforts for water conservation.

Speakeasy Night- For Fun And New Floor

The talented and hard-working Happy Hoofers have been campaigning for a new dance floor on the stage for ten years. It has not been possible to obtain. Now, like many of the clubs in LV who have desired some special amenity, the Hoofers are going to work for it in a way they know very well.

The dancers will present Speakeasy Night on Fri Sept. 7, 7:30 p.m. in the AR. Admission, limited to 300 people, will provide a place at a table, a program of dancing by the Hoofers, live music for guests to dance, songs, specialty numbers, and refreshments.

During the evening, six delightful door prizes will be awarded to ticket holders. They have been donated by the Doubletree Hotel in Ventura, Giovanni's Restaurant in Mission Oaks, Merle Norman Cosmetics, Hairmasters Salon in Santa Rosa Plaza, Carlota's Fashions in Santa Rosa Plaza, and Mission Oaks Florist. The prizes are valued from \$50 to \$275 for the weekend at the Doubletree Hotel.

Directors of the show are Helen Gold and Sophie Lebetkin. Chairperson of the evening is Doris Siegel.

Your Neighbors Care Group

There will be no YNCG lecture in September, because of Labor Day. The blood pressure clinic will be held on Mon, Sept 17 from 7-8 p.m. in the AR as usual.

Village Will Pick Up Garden Clippings And Debris

By Bill Himstreet
BLDG & GROUNDS COMMITTEE

The LVA Board has adopted a procedure to pick up bundled or sacked garden clippings from homes during the week to create a more attractive appearance for the Village.

This service will eliminate the unsightliness caused when residents place clippings in front of their homes several days before regular trash pickup. The service will be evaluated during the next few weeks.

Large shrub or tree trimmings should be tied in bundles, and other plant clippings and leaves should be bagged. Residents should request pickup service by calling

the Association office.

Employees will remove the trimmings as soon as possible, but time delays may occur because employees must continue with their regular duties.

Materials placed near trash cans on the evening before regularly scheduled trash service will be picked up as usual. Outside gardeners should be reminded that the pickup service is for Village generated trash only!

Villagers may also hand water new plants as necessary. Many new plants require more water than is provided by the watering system. Watering restrictions apply to lawns, walks, and driveways. In any case, residents should follow the Camrosa Water District drought guidelines.

Fly Your Flag For Labor Day Monday, Sept. 3

INSIDE LEISURE VILLAGE

• OPINION •

We Are Losing A Friend

It was with deep regret that the staff of Inside Leisure Village learned that Camarillo Daily News Publisher Hank Crockett is retiring this month.

Over eleven years ago Mr. Crockett approached groups in Leisure Village, offering to publish and deliver free of charge, a monthly newspaper that would be completely our own as to content and policy.

So far as we know there is no other senior community which has this opportunity. Other communities must find some way of financing and delivering their own newspapers.

Of course Mr. Crockett's generous offer could not be turned down. A committee was formed, a name for the paper selected, and the first edition was published on March 29, 1979.

Under Mr Crockett's aegis the entire organization of The Camarillo Daily News has always been extremely helpful to the ILV staff. We are especially grateful to have had the training and support given by Novella Killian, production manager, and her assistant, Marcie Parsons, as well as Bob Aguilar, advertising manager; Betty Lucas, circulation; Linda Herron, office manager; and Jim Nelson, retail ads, whose work determines the size of the paper each month.

Thank you, Hank, for allowing these people to give us the aid we need. Without that expertise we could not have had a newspaper.

We wish you, Hank Crockett, the happiest of times in your new situation. It has been good to know you and we shall miss you.

Tuesday, Sept. 4
9:30 a.m. In AR

ABOUT NEXT MONTH

Coordinator for next month will be Betty Murray. Please follow guidelines and be as brief as you can. Deadlines for the Sept. 28 issue will be Monday Sept. 10. To arrange for a photographer, call coordinator at least 3 days in advance.

INSIDE LEISURE VILLAGE

Editorial Staff

Lois Atz - Jeanne Carlson - Frances Gold
Jim Holthouse - Romaine Lambert - Betty Murray

Coordinator for this month: Lois Atz

Photographers: Bob Novick and Max Klapperman
Staff Writer: Jack Whalen

Volunteers: An Economic Boon To Leisure Village

Committee volunteers make the wheels turn in Leisure Village. Some residents donate much time and talent to aid activities of the Village and the Board of Directors.

Our Association is able to function on a homeowner monthly assessment which is much less than comparable planned-unit-developments only because of the generous contribution of volunteer labor freely given to the Village.

Serving on a committee is a great way to say, "I like living in Leisure Village." A few hours effort on a committee is a way of showing your gratitude.

For example, four hours work a month times 100 volunteers can equal a lot of valuable accomplishment. Can you give the Association, your own community, four hours a month?

Village committees and their meeting dates are listed on Channel 12 and in the Village Voice. Look over the list, select one or more and attend the next meeting as a visitor. See what that committee's concerns are, and consider joining in.

Village committees are reorganized each September 1, and there is always room for more working members. Act today to volunteer to help keep the Village rolling. Application forms are available in the Recreation Center office.

Letters

Cancer Screening

On behalf of the Camarillo Chapter of the City of Hope, I want to thank Your Neighbors Care Group for the excellent cooperation they provided - and especially Sandy Okum and Sonia Brink - in helping make possible the successful Cancer Screening program which was made available to LV residents without charge.

It is always gratifying to know that our members' support makes possible the City of Hope's free patient care and medical research programs which

seek to relieve pain and discover cures in the battle against cancer and other life-threatening diseases.

Martin Beckel, V 18

Thank you for all your love and caring. Our sixteen years in the village have been some of the happiest of our lives and your friendships have added so much to that happiness. Our heartfelt gratitude for all your expressions of sympathy.

Hazel Fitch and family,
V 11

Dear Villagers:

I saw your cards when I got "ho-em"
And felt inspired to write this "po-em"
To all of you, here in L.V.,
Who've been so very nice to me.
"Thank-you" is so hard to say...
I tried to find a better way
But couldn't think of something new
That said it better than they do,
So, failing that, let me repeat,
(Your cards were such a welcome treat!)
And for each tribute and each call,
Let me thank you, one and all!!!

Gratefully,
Esther Robbins, V 11

LETTERS

ILV has obligated itself to publish all Letters to the Editor that are not libelous or profane, but views or statements expressed as facts, are the beliefs of the writer, and are not necessarily supported by the Staff of ILV.

Rhythmettes

This year, for the first time, my coverage of the Rhythmette performance at the July 4 village picnic was cut from the club news article. Our appreciation for special efforts, by name, was eliminated entirely. Therefore, in this space, where we may speak freely without fear of being chopped down, I will try again to give credit where credit is due.

Selma Simon, pianist, having volunteered for this event, played a patriotic medley on the piano (husband Barney holding the music down in the wind during the whole program). Jean Aird did a very capable job of directing in the absence of Piff De Simone, music director. Special numbers were; solos by Ruth Hart, Lucille Matson, Roie Beck with warbling New York Blue Bird, and a narration by Billie Pachter. Before the program and at lunch break, tapes of beautiful music were furnished and played by Archie Aird. Our thanks go also to Billie and Al Pachter and Marion Tavano for finding an empty showcase and setting up an attractive display.

Margaret Hines, V15

Ed. Note: Our space in ILV is very limited in a 24-page paper. Most club notices may have to be trimmed. Putting club news into Letters seems to the editors to be taking very unfair advantage and if pursued, may lead to the necessity of our having to curtail Letters, a step which we are reluctant to take.

See LETTERS..... Pg 3

H.F. Ahmanson's S&Ls announce record six-month performance

The nation's largest S&L achieves unprecedented growth in savings deposits and home mortgage lending volume.

LOS ANGELES, July 23, 1990.—H.F. Ahmanson & Company announced today that its multi-state savings and loan operations have posted the highest January-June deposit and loan volume growth figures in the company's 101-year history.

During this six-month period, deposits grew \$2.4 billion, a 24% increase over the same period last year.

Richard H. Deihl, Chairman and Chief Executive Officer, said, "We continue to experience record increases in deposits, despite the ongoing negative news coverage of the banking and thrift industries."

Industry analysts attribute this record growth in deposits at the Ahmanson companies to a "flight to quality"—an increased demand by depositors for safety and soundness in their financial institutions.

On the lending side, the Ahmanson companies originated \$7.5 billion in home mortgages during the same six-month period. This represents their largest January-June volume ever, and a 39% increase over the first six months of last year.

H.F. Ahmanson & Company operates the nation's largest savings and loan institution, ranked by both assets and deposits. Current assets are \$47 billion, and deposits exceed \$35 billion.

The company conducts business as Home Savings of America in California; as Savings of America in New York, Texas, Florida, Illinois, Ohio, Missouri, Washington and Arizona; and as The Bowery Savings Bank in New York.

See AHMANSON, C5

COMMODITIES

Soybean Futures

was down; livestock and meat futures continued to be mixed.

Cotton futures retreated 0.7 cents to the daily high of 51.15.

Just when you thought you'd heard everything about savings and loans.

It's not the kind of thing you expect to read about savings and loans these days. But then, we're not your average savings and loan.

For more than a hundred years, the savings and loans of H.F. Ahmanson & Company have focused their attention on doing the job they were entrusted to do: safeguarding their customers' deposits and making home mortgage loans.

Our record-setting six-month performance is just the latest demonstration of the confidence our savers have in the safety and security of America's largest. And of the appreciation our borrowers have for the competitive rates, flexible programs, and high level of service we offer. It also represents the kind

of savings and loan news we could all use a little more of. Good news.

The H.F. Ahmanson Companies.

It isn't a secret anymore!

"Mom, grandpa told me he doesn't have any teeth, but then he smiled... and he has beautiful white teeth."

The little lady is right, grandpa does have bright, white beautiful teeth. They're called **dentures**. In days past, dentures were something we hid in the medicine cabinet.

Come out from hiding and join millions of others who enjoy being with their friends, eating most foods and, best of all, doing it all... *with a smile!*

It isn't a secret anymore, new dental technologies can help you obtain a comfortable, natural looking full set of teeth. Call us today.

DON'T WAIT GET READY FOR THE QUAKE

By Paul Kelwin

Emergency Services Committee rejoices that each home in LV now has the 8 page Disaster Preparation Guide, which precedes the alphabetical listing of our names in the new phone book.

Please read this revised, up-dated issue. If you have any suggestions, put them in the Emergency Services box in Recreation Office. There is a correction to make. On page 5, the frequency of KHAY on FM (Frequency Modulation) should be 100.7, not what's listed.

In our new phone directory, on page 3, refer to toxic fume protection with

a "shelter in place". We are close to both 101 and Santa Rosa Road where the big truck tankers roll. Depending upon wind direction, many Villages could be affected. A toxic danger may only exist for an hour, plus or minus. A little preparation could see us through for that amount of time.

Anyone wishing (who did not cut out our prior instructions in ILV of 1-26-90) put in a request for a copy in the Emergency Services slot in the Rec. Office. Also, please watch CH 12 program for a 20-minute film on the toxic danger.

Each month a different State Emergency Service Bulletin supply is on the library table. If none is there, put a note in the ES mail slot in the Rec. Office. This month of August it is "Focus: Flashlight & Batteries".

Here's good news! Bill Huffman has agreed to be our Chief Co-ordinator of

"Toxic Waste" Film On Ch 12 Sept. 11

A special "Toxic Waste" film, sponsored by the EPA, will be shown on Channel 12 Tues, Sept 11 at 5:00 p.m.

According to ESC's Paul Kelwin, this 20-minute film will explain, in layman's terms, the problems associated with different types of poisonous toxics and how you can best prepare in the event of an emergency.

all our Village Co-ordinators/Alternates. So we are firming up our preparations.

Now is the time to get acquainted with the ESC team within your village. If you don't know who your Village Co-ordinator is, phone Paul Kelwin, 987-1446. Also, write, in pencil, for there are always later changes to be made, as to just who your Co-ordinators and alternates are. There are spaces for them in that section on page 1.

Oct 26, a Friday, seems like a long way off! That's the date we'll all cooperate with ESC, City of Camarillo, Ventura County and the State of California on a DPX (Disaster Preparation Exercise).

Please see the next issue of ILV for more detailed instructions on what you can and should do. The following Oct. 26 issue of ILV would be too late, as that would be the morning of the DPX. Also watch Page 19 on CH 12!

Recycling Plans On Hold For Now

Recycling plans for the Village are "on hold" until Harrison Rubbish Disposal Co. finds a way to facilitate collection of separated materials for recycling.

Leisure Village References Available

By Mary Erbsen-Kent

On Fri, Aug 31 at 2 p.m. in the GR John Russo, from the Education & Recreation committee will be the principal speaker at the Meet Your Neighbor gathering. He will present an explanation of committee structures and services in our Village.

Last month, our speaker was Jack Rogers, chairman of the Finance Committee, who advised us of the manner in which the LV budget is prepared and submitted for approval.

Do you have, and use, your "Vial of Life"? Every villager should have one for reference and protection. For update information come to our next meeting or contact a committee member.

Meet Your Neighbor presents an opportunity for new residents to meet villagers who have been here for a while, a chance to ask questions, and to make new friends, while enjoying coffee and cookies. Everyone is welcome. Please join us Aug. 31.

No Ride No Charge

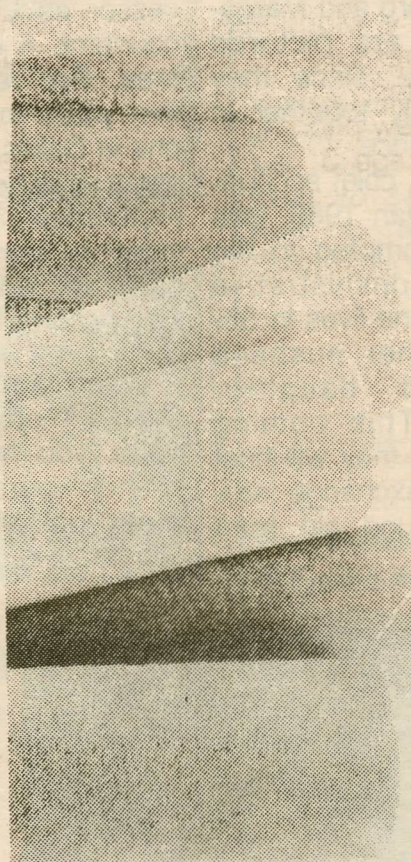

Residents who experience a fall are reminded that paramedics are the only people authorized to help them to their feet or to a chair. Calling LV Security is proper but they are forbidden to move people because of the potential for liability by the Association.

In response to a medical emergency the Fire Department paramedics and Pruner Ambulance will be summoned. The resident, however, may decline to be transported by the ambulance and will not be charged for the service.

New Faces In LVA Office

Evy Wiborg

Margaret Jones

Photo by Klapperman

By Jim Holthouse

Evy Wiborg and Margaret Jones are pictured side-by-side, since they work closely together in the LVA office.

Margaret, chief accountant since Jan 1989, was recently promoted to the post of Administrative Manager. She lives in Somis with her husband Tom and daughter Rhonda. This coming school year they will host a foreign exchange student, a young girl from Latvia.

Evy is Margaret's successor as LVA chief accountant. A native of this area, Evy returned after five years in Hawaii and one in Dallas and brought along all of her accounting experience. She now resides in Ventura and is quick to report she has just become an aunt.

When you call or visit the LVA office, the new voice you hear and the friendly personality you meet belong to Chuck Wright. He became the

LVA receptionist in July, after retiring from the Navy as a chief petty officer. Chuck was a flag assistant with Destroyer Squadron 23 based in San Diego.

Leisure Village is quite a change from the Navy, but Chuck has made a smooth transition. He now lives in Ventura with wife Diana and two children, Stacy and Dorian.

Betsey Lyman, former receptionist, is now secretary in the Security Dept.

Betsey Lyman

We don't call it retirement, we call it enjoyment!

Are you looking for the finest retirement dining in Ventura?

Then take a moment or two to let me tell you about the dining service that will be available to you at The Victorian, soon to be Ventura's newest senior living community.

Quality and freshness

Our master chef will purchase from the best purveyors to insure freshness and quality - companies like S.E. Rykoff, King-Pac and Swiss Dairies, who all have been providing the makings for delicious meals to California restaurants for years.

Menu Variety

A menu will be available at each meal: for breakfast, anything your heart desires, for lunch and for dinner, menu selections can be anything from open face roast beef, pasta primavera, petite filet mignon, filet of sole and of course many of your homestyle favorites like meat

loaf with mashed potatoes and baked chicken with dumplings. If you need a special diet such as low salt, low fat or high fiber The Victorian's menu will provide for these needs. Yes it's a matter of choice, and the choice is up to you.

Dining in Style

In our elegant restaurant dining room you will be seated by a Maitre'd, and a crisply uniformed waiter will take and serve your order on fine dishes and linen tablecloths.

The dining room will be an experience in itself. There will be a Gazebo centerpiece surrounded by tables, booths and patio dining. A grand piano is planned for your listening pleasure and there will be a private dining room available for your parties and special events. All in all, the food, service and surroundings will be quite different than what you might expect.

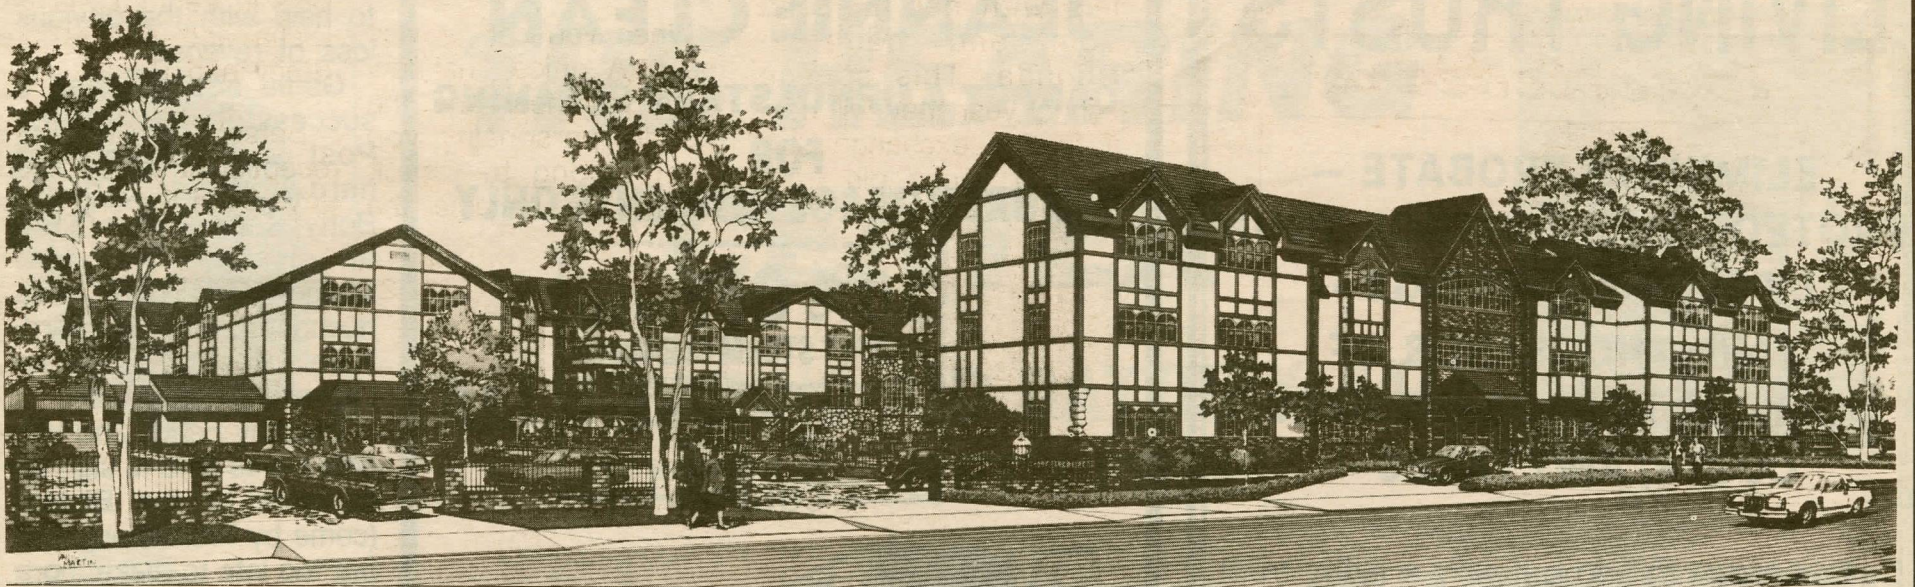

Rolling Dessert Cart

To top off your dining experience, The Victorian's dining room will offer the Rolling Dessert Cart, which will provide many delicious treats from puddings to pastries, and our own home baked goods.

Olde Style Soda Shoppe

For your in-between-meals and late night snacks, The Victorian will feature the Olde Time Soda Shoppe, decorated in the true soda shoppe style with black, red and white tile, ceiling fans, and golden mirrored walls. If ice cream delights and delicious snacks are your cup of tea the Olde Time Soda Shoppe is just the spot for you.

If this sounds like what you've been looking for in a retirement community, stop by our current offices at 5450 Ralston St., see our displays and find out more about The Victorian.

THE LEISURE
VILLAGE
WOMEN'S CLUB

By Jeanne Carlson

Women's Club's August meeting was well-at-

tended because of Trading Post and the promised program by Debbie Workman's Pageant School of the Dance.

Pres. Kay LaPrell presided over a brief business meeting. The Bazaar date will be Oct 13. She

also announced that there would be no drawings of any kind at the Bazaar. Plans for using a silent auction were discussed.

Gertie Dorwood, Trading Post mother, said that she had three items that would fit in the category of silent auction. Everyone is asked to call Kay or Gertie with ideas or items to help with the obvious loss of revenue.

Gertie also reported a successful day for the Post and thanked her hard-working workers: Betty Keeler, Bea O'Brien, Helen Thomsen, Marge Horn; plus three husbands: Fred Dorward, Harold Keeler, and Roger LaPrell.

Dorothy Fencl, 2nd VP, said it was time to sign up to work at the Bazaar (come by Workshop), and not too late to make more sale items.

She also reminded members that we are asked to save Campbell Soup Co labels to help in buying school materials for our neighborhood elementary school.

Then it was Renee Greene's turn at the microphone as 1st VP and program chairman. She presented the treat of the day--twenty or twenty-five

young ladies ranging in age from 4 to 16. This same group has appeared for us before through the help of Sandy Linka, whose grand-children were members at that time. They are now beautiful pre-teens.

All the dancers were delightful. Their instructor

and parents have arranged such attractive and bright costumes and their dances are so suitable to each age group that the audience applauded repeatedly.

Three small girls in pink and white tutus with parasols to match did "Singing in the Rain". Another group of tiny persons did

a record pantomime to "Never Smile at a Crocodile" (always good advice) and danced off. The older girls were so well-trained and pretty that they carried the show professionally. See the charming pictures by our staff photographer, Max Klapperman, for a real look at this excellent program.

Looking Ahead: The program which was announced for the September meeting (Folkorico Dancing) cancelled out at the last minute. Our program Chairman, Rene Greene, sought far and wide for a substitute and finally found a volunteer (who is old enough to know better). However, the management feels that attendees will not regret coming.

Betty Walker, membership, wants evryone to know that Women's Club has 508 members, but she is pulling for 600. You'll save money if you join now!

Edited interview from Camarillo Daily News - Paid Advertisement

SENSITIVE SKIN PROMPTS LOCAL WOMAN TO INVENT CREAM.

Madeleine Verdon's skin is a glowing tribute to the facial cream she promotes. The special cream she swears by has wrought amazing changes in her skin. Her skin is so sensitive that she has had to spend hundreds of dollars in special formulas until a few months ago, she said. Madeleine's link with facial cream began several years ago when her son, Dr. Carl Verdon was researching d-alpha tocopherol (vitamin E) and its effects on aging at Tufts and consequently at Harvard University. He found that d-alpha Tocopherol improved the skin dramatically, she explained. Dr. Verdon was astounded by his findings, confirmed by huge amounts of impressive research publishings by many scientists around the world.

**Madeleine Verdon,
President of Promess, Inc.**

He called his mother and said: "You've got to use this mom." So after continued trials and experimenting, PROMESS' was born. PROMESS' was named to mean "I promise" in French, Madeleine explained. The cream is marketed through television advertisement and is carried on TV as well as cable during day and night intervals. PROMESS' is marketed under the auspices of U S A International Inc. which supplies health formulas, worldwide, directly to doctors, physicians and other health professional. The original success of PROMESS' was indicated by the enthusiastic receptions of their clients and the reorders, according to Madeleine. Vitamin E, found naturally in sunflower seeds and other plants in nature, is not produced by body. d-Alpha Tocopherol in PROMESS' provides ultraviolet protection and reduces symptoms of

sunburn and premature aging of the skin. PROMESS' contains a much higher biological activity by percentage than any other vitamin E cream and it is unique on the market, Madeleine said. "We want to give quality and full value for a customer's money." PROMESS' is specially formulated for immediate absorption by the skin and leaves no greasy residue. PROMESS' replaces effectively all these: Moisturizer cream / day cream / Night cream / Wrinkle cream / Eye cream / Base cream / Lip cream. A half ounce jar of PROMESS' costs \$19.95; one ounce jar \$29.95. BUT if customers call (805) 482-6682 or if busy 1-800-428-6682 they will get a very special offer: \$50.00 value for only \$19.95 - (A limited time offer). Madeleine says to ask about the extra super special.

Profile: Mike & Mabel Portonova

Olympic Games A Way Of Life

By Jack Whalen

In 1924, at age 13, he started competing in track meets in the Boston area. As time rolled on he raised his sights to the Olympics and to this day the eyes of Mike Portonova look to involvement in Olympic competition on a world-wide scale.

Let's visit with Mike and Mabel in their Village 42 home. One may call their den "The Olympic Room" with its many plaques, framed photographs, trophies, medals and memorabilia collected over many, many years.

Mike, a member of a large family, spent his young life in Boston and attended a trade school where he learned the fine art of woodworking as well as developing into a skilled painter.

Photo by Klapperman

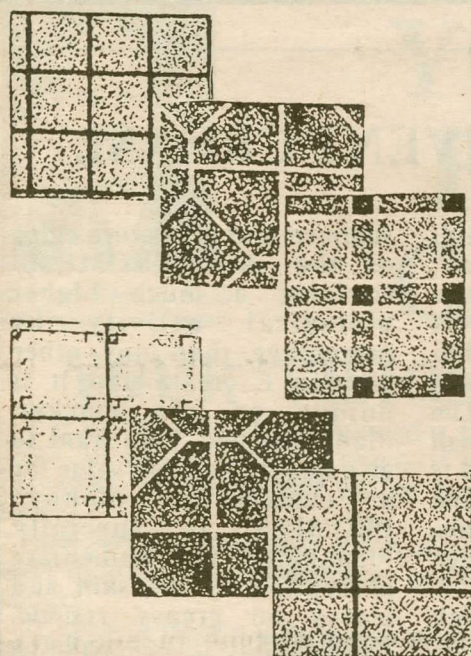

Mabel and Mike Portonova

At an early age he established himself as a fine runner and in 1932 set a track record in the New England AAU 2-mile indoor event. That same year he was a semi-finalist for the USA Olympic team in the 3000-meter steeplechase and four years later

was a finalist in the same event.

His running caught the eye of USC's All-American football star Ernie Pinter, who suggested that Mike "Go West" and try for a track scholarship at

PROFILE..... From Pg 12
USC.

He did just that, signing on as a deck hand aboard a freighter in New York that was heading for San Pedro via the Panama Canal. Arriving on the West Coast and not knowing a soul, he worked at most any job he could find while attending Compton HS. After gaining enough college entrance credits, he attended Pasadena Jr. College for a year and then entered USC.

It was only fitting that Mike would attend USC as it had a rich Olympic heritage.

"In the 1904 Olympics one of our runners won a bronze medal," says Mike. "Since then 239 USC athletes have competed. No other University can claim more Olympians among its alumni."

From scrubbing floors to waiting on tables for the football team, Mike struggled to survive while winning many races in distances from 1/2-mile up to 2-miles.

Mabel, a native of Ohio spent part of her young life in the Chicago area, then on to Montana and finally Los Angeles, where she quickly decided, "this was best of all."

How did she meet Mike? She laughs, "I was working at the Biltmore Hotel and visited the Philharmonic one evening. Mike was an usher and that's not too bad a way to meet your future husband."

In those days man did not live by running alone and Mike plunged into the business world, working for Blue Cross, then known as Hospital Service of Southern California. During his 20 years with that health company he worked closely with LV's Bill Hayward, a well-known Village 18 resident.

Mabel did well managing a beauty salon business, at one time employing some 47 operators.

In his free time Mike

gave much energy to acting as coach, manager and executive member promoting track and field events in Southern California.

He was with the USA team in Helsinki in 1952, Rome in 1960 and in Mexico City in 1968 where Bob Beaman of the US made a running jump of 29'2 1/2", a record that may well stand for decades to come.

It was Munich in the 1972 Olympics, Montreal in 1976 and in the Los Angeles Games of 1984, Mike performed yeoman service as general manager of the 190-athletic team from New Zealand.

Peter Ueberroth, in his book, "Made in America," stated that "Although it took 72,000 people to make the Olympic Games a success, there were a number of volunteers he rated as 'Superstars'. Among those so named is LV's Mike Portonova."

What about Mabel during her USC years? See PROFILE..... Pg 24

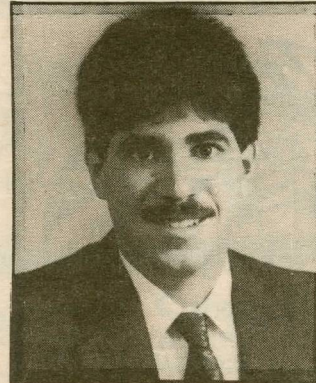

Wearing his USC colors, Mike raced in many meets, from half miles to two miles.

**LOOKING AT
CHANNEL 12**

By Jack Whalen

Last month we reported that Gerry Sills, the driving force behind much of Channel 12's success, was stepping aside from his almost daily volunteer work to devote more time to family and golf. Alas, Gerry just recently had a medical setback and has been spending part of his time in local hospitals. All of us are hoping for a full, speedy recovery for Gerry.

The Current Issues Forum has presented Channel 12 with a check for \$100 in appreciation for Gerry's great efforts over the past 6 years.

While our monthly Board of Director's meetings are almost always held on the first Monday of the month, but with La-

bor day falling on the 3rd, a change is in order. September's meeting will be held the following day, that's Tues, Sept 4 at 9:30 a.m. The program will be televised live (why not try to make it in person?) and for those who somehow fail to make it, Channel 12 will have a repeat showing on Sat, Sept. 8 at 10 a.m.

Channel 12 continues to look for volunteers. Can you help us? There's a need for anyone with camera experience, those with any technical skills, and just plain, regular volunteers who can help, usually 1 to 2 hours weekly, or less, in any one of a number of varied and interesting ways.

Why not call 388-1243 and leave your name for a prompt reply?

Photo by Novick

George Huddleston

George Huddleston, V 7 is new head of the technical staff on the Channel 12 committee. He supervises cameramen who video tape Village events, oversees the editing process of those tapes, and directs the tape technicians who actually pop the tapes into a VCR and transmit them via Ch 12 to the Village homes. George always needs new workers. Volunteers should call the Ch 12 Studio, 388-1243, for more information.

"Your Leisure Village Realtors"

By Trudy Orsan

Another summer is quickly coming to an end and we can't help but reminisce a bit about where Rhythmettes have been and what they've been doing. Our new president, Kay Collier, left shortly after the installation luncheon to visit family in Massachusetts and Missouri but will be back with us for the September meeting. VP Hilda Zelanko recovered from recent foot surgery but is scheduled for other surgery and her return may be a bit later. Edna Rogers, our new treasurer, will take over the book-keeping duties for the coming year.

Piff De Simone, music director, will be back in full swing, but we think she will always have one foot on "cloud nine" after her Carnegie Hall experience in May with the Sweet Adelines.

Trudy Orsan, secretary for the year, has had a busy summer with extensive home refurbishing and will be away--resting--with old friends and relatives in September.

The Rhythmettes are looking forward to a year of fun with our music and hope to see our great "gals", Ethel Belanger and Maxine La Porte, back to play intermittently for us.

Maxine has enjoyed her summer in the lovely surroundings of the Village while Ethel and hubby summered as usual in Minnesota.

And, we also hope and pray that our wonderful, loyal pianist, Selma Simon, will find time in her busy schedule to join us from time to time during the year.

Next meeting is Sept. 4 at 1 p.m. in the AR.

By Jean Parker

Installation for the Happy Hoofers on July 19 was a delightful luncheon at the Double Tree Inn. The incoming officers are Jean Parker, Pres; Shirley Fox, VP; Shirley Law, Secy; Trudy Orsan, Treas; and Jerry Oeswein, Sunshine chairperson.

Last month in ILV a typographical error was made by this writer regarding the date of "Speakeasy Night". Please note it is Sep 7. This fun event will be presented by the Happy Hoofers with live music and other great entertainment plus lots of delicious goodies, coffee, snacks and soft drinks.

Tickets are now on sale so get them while they're hot. We are hoping to raise enough money to get a wood floor on the stage so the Hoofers can make their tap sounds loud and clear. Tickets are on sale in the Rec Center lobby.

By Maury Ogens

The Easy Squares did fine in the month of July with five Sundays of dancing and good attendance each time.

The first Sunday of each month we finish at 6:30 to give us a chance to have dinner together, a fun and sociable time.

Our caller Paul Diffenderfer keeps us dancing with his rapid fire calls and Joan Quackenbush programs the rounds between tips.

All square dancers and round dancers are invited each Sunday to join in the fun.

By Mary Kovach

The two LoVe Round Dance classes are progressing nicely with the new workshop schedule in effect, i.e. "A" Class 9 to 10, "B" Class 11 to 12 noon, and both classes socializing in enjoyable dancing from 10 to 11, all on Sunday morning.

We all miss Gene and Brodea Drogin of the "B" Class, and sincerely hope that Brodea will soon be on the road to recovery and dancing with us again.

Two new dances have been added to our accomplishments by our cuer Larry Warner--the foxtrot "Once In a While", and Everything Waltz with Engelbert Humperdinck vocalizing in the background.

Important Announcement!! A new Round Dance Class for beginners and dancers wanting to brush-up will start on Sun Sept 16 from 1:00-3:00 p.m. in the AR with the lovely Carol Archer of Solvang as cuer. Lady partners will also be accepted. \$2.50 per person. First lesson free, so you have nothing to lose. Come try it -- and whether you're a ballroom dancer or not, you'll be quick to catch on.

Pre-registration is necessary. Call 987-3175 or 484-9928, and watch Channel 12. Happy Dancing!

Space Limitations

In order to stay within our space limitations, the ILV Editors must reserve the right to edit individual contributions when necessary. Material for ILV is submitted by 50-60 groups each month.

Village Swingers Present Heritage Night

Photo by Klapperman

Pictured above are Becky and Bob Osgood, and Rawza and Saul Kramer. The Osgoods were dance directors for Heritage Night.

By Al Siegel

The Village Swingers held a very special event on Tues, Aug 7.

The special event featured the prestigious Bob and Becky Osgood as dance directors for the evening. "Heritage Nite", contra dancing, was the theme.

Of noteworthy interest to many of the dancers was the reminder that we dance to the beat of the music, which we sometimes forget as we become more and more familiar with the calls and start looking for shortcuts. The shuffling sound, like sandpaper, was good to hear again.

There were after-party frivolities that had the crowd in hilarious spirits. Bob gave us some insight into the beginnings of square dancing, all in all a very rewarding experience.

The attendance, by many of our friends from in and out of the village, and a delegation from A Square D including their president, was almost double our regular Tuesday dances.

The Swinger board, as always, is hard at work to present a varied fun program week after week,

and all one has to do, is be there to reap the benefits - don't be a "no-show".

During the month of August we had a special night with Gary Dane calling and singing for the benefit of our dancing feet and appreciative ears.

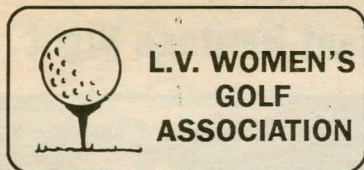

We welcomed Bill Kramer back from his 3-week vacation and we held our annual picnic on Sun, Aug 26.

Our usual guest caller/cuer night on the 4th Tuesday will feature Bill Burrier on the rounds, beginning at 7:00 p.m. and Lloyd Lewis calling the squares, beginning at 7:30 p.m. All square and round dancers are cordially invited.

As for the upcoming program for September, there is much prospect for good dancing, fun and conviviality in view of an all singing call night, a jackpot night and an excellent guest caller dance on Sept. 25, featuring Vern Weese doing the squares, Bill Burrier doing the rounds, all waiting for you to attend.

Watch Channel 12 for upcoming events.

We cannot accept any copy that is not signed. If you do not want your name printed, we will respect that, but we must know our sources.

By Betty Bruce

The L.V.W.G.A. had a great time at Port Hueneme golf course on July 19; challenging and interesting 18 holes. The format was 2 best balls of the foursome.

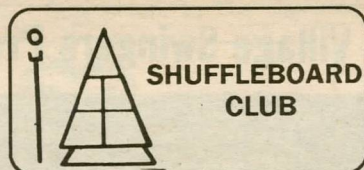

The winners were: 1st Alda Kroll, Mike Mancusi, Ruby Dixon and LaVerne Groves with a score of 129. 2nd June Rose, Joyce Bookwalter, Corky Milman and Millie Pedersen with 130. 3rd a 2-way tie with 131--Martha Nunn, Maria Meyers, Aggie Saltus and Rose Telfer. Also Lois Kissinger, Kay LaPrell, Ellen Moore and Fran Thomas.

Low Gross of July: Donna Duke with a 54. Low net was a 4-way tie: Joyce Bookwalter, Alda Kroll, Edie Sena and Roxie Wintz, with 51.

Regulation golf for September will be at Buena Ventura, a very difficult course for many of us but we'll give it our best effort.

Our weekly golf tournament on Aug 8 was 3 clubs and a putter. This made it a little more difficult but we still had some good scores. Irene Cunningham had a nice 59 gross. At our general meeting we were treated to delicious wine, compliments of Donna Duke, from her winnings for her hole-in-one on #8 on June 20.

Guests of the 19th hole party, hosted by the Women's Golf Assn., were entertained by Emil Sitka, of Three Stooges fame, and his co-star, Jean Clements, who did one of their popular, hilarious, pantomime skits. Also featured was Hal Hughes with his magical, musical saw, stirring our memories with familiar, romantic ballads.

By Cy Maller

The LV Shuffleboard Club's August meeting was a highly spirited one. Each meeting is highlighted with a "happy hour" where members share their favorite funny stories with each other, which has proven to be very popular with everyone.

Eleanor Kramer, membership chairperson, announced the signing of 14 new members. The annual Xmas dinner will once again be held at the "Basque" in Camarillo.

We need more participants in our organized play. Sessions are held M-W at 9:30 a.m., Thur 7:30 p.m. and Sat and Sun at 2 p.m. We have qualified instructors at each session.

Next meeting is Sept 4 in the MPR.

By Vee Flowers

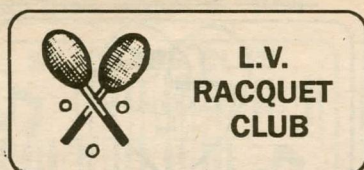

The LV Bowling League will start its winter season Fri Sept 7 at the Wagon Wheel Bowl.

After much thought and effort, teams have been formed and a list has been placed on the Bulletin Board at the Rec. Center.

In keeping with past policies, teams were arranged according to averages.

For those who were not placed at this time, be patient, as a spot will be yours as soon as a vacancy occurs. In the meantime, why not make yourself available as a sub; it's fun and a great way to stay in condition.

A new computer system is being installed at the Bowling Center which should add greatly to the enjoyment of the game and make score-keeping easier.

By Len Koenig

The Racquet Club is proud to report a further increase in membership. Those interested in joining are cordially invited to come to the next meeting on Sept 12 to get acquainted with some of the friendliest people in the village. Regular and paddle tennis are excellent for exercise and fun! Instructions for beginners are available.

Good news! At August, forging ahead on the uphill road to recovery, attended the meeting and was greeted enthusiastically with a song by Pauline and Len Koenig and a poem by Bill Fox, especially written in his honor. We hope the list of other ailing members is decreasing and we wish all a speedy get well.

Many thanks to Les Solomon and Jack Kassel for conducting the monthly tournaments so efficiently. The winners are announced at our meetings and are listed on the tennis bulletin board.

Schedule: Sept. 15: Offspring picnic. Whole families will join together for a great day. Ben Miller will be in charge of tournaments. Contact Rose Woronow for tickets for members and family guests only. Oct. 1: Annual Dinner Dance. Watch Ch 12 for the latest information.

P.S. We haven't forgotten the July picnic, which was a super affair with great food and entertainment. Sy Wyler and his team prepared the food and Woolf Phillips was Master of Ceremonies.

Remember---our meetings are held on the 2nd Wednesday of every month, at 7:30 p.m. in the MPR. Everyone is welcome.

By Morley Goldberg

Because there was no meeting of the Billiard Club in August, we're going to have a lot of business catching-up at our September 25 meeting.

On the agenda will be consideration of a new rule regarding 1 or 15 ball placement when a foul is committed as to whether an opponent has the option of spotting the ball or leaving it in place.

We will have a first report concerning our Annual Holiday Dinner. If you have any ideas or suggestions other than those presented by the committee, please be prepared to

present them at the meeting.

Nominations for officers for 1991 will be offered by the Nominating Committee. Nominations may also be presented from the floor. Election of officers will be held in October and induction at our holiday dinner.

It's not too early to think about our annual tournament which may start in January or early-February. Suggestions, questions, criticisms, or what-have-you are now in order for this coming event.

Our request to the L.V. Board for an appropriation for maintenance and improvements to the Billiard Room for 1991-1992 has been entered by Russ Sievert.

Our membership is now 143. Let's make it 150!

Exercise Group

By Shiprah Maller

Because of our wonderful exercises and many actual health benefits, LV Exercise group has been growing daily. Since we have become a Village club we have raised our members to almost 90.

We have a wonderfully congenial group with one purpose in mind -- to help maintain an active,

healthy life.

You may join us from Mon-Fri at poolside from 8:30-9:00 a.m. and see for yourself. And of course, there are many fringe benefits.

Our annual picnic in Mission Oaks Park was held on Aug 23 and it was completely sold out. Our next event will be sometime in Nov which will be either a breakfast or lunch. All this for \$1.00 per year. You are welcome to join or observe at any time. We would love to see you.

By Jack Whalen

Los Robles in Thousand Oaks was the scene of July's regulation golf. That course and Soule are probably the two best courses we play all year. Charlie Bellante fired a fine low gross 83 to take top honors, with John Dawley taking low net.

Roy Zhe won Flight B low gross while three golfers tied for low net: Fran-

cis Cronyn, Bill Esty and George Kroll.

Long-ball hitter Chase Gregory won Flight C's low gross, with Jack Rogers taking low net honors.

After several months of no holes-in-one, Cecil Ganyard recently scored one in Tuesday competition. He made it on the 4th hole, our #1 handicap.

A fungus growth on some of the front-9 greens forced cancellation of the Mixed-Couples match the last Sunday in July -- but it was held at the end of August.

GEM AND MINERAL CLUB

By Don Holmes

The Gem and Mineral Club had their annual picnic last Wednesday, instead of the usual meeting. Originally this was to be a barbecue in the park, but since we wanted to have a "Silent Auction" also, it was necessary to have it in the MPR, so a pot-luck was considered.

This involves a lot of work for club members, so the Board decided to have an "in-house" dinner, in the MPR, cooked on the premises. The main dish was "Boiled Tubesteaks"—hotdogs, you know—on buns.

Bill Huffman made all the arrangements, and received many compliments on both his hot dogs and on his buns. The hot dogs were boiled on the stove in the MPR, and we recommend this arrangement to other clubs.

The club will have its annual "Show and Sell", during the Women's Club Anniversary/bazaar, on Sat Oct. 13, from 10 to 3 o'clock. Many fine items of gems and jewelry will be on sale.

Due to the enforcement of an obscure State Law, there will be no raffle, as raffles are illegal. There will, however, be door prizes.

The club is also participating in the Special Crafts Demonstration Day, Nov. 11, 10 to 3. The next meeting will be on Wed, Oct. 24. The program will be announced on Channel 12.

REPORTERS

You MUST put your group's name in the FIRST sentence of your write-up. Put your phone number and name in the upper left corner.

Fall Sewing Class

By Louise Young

Fall Sewing Classes will begin on Tues, Sept 11. Register for the morning class at 9:00 a.m. and the afternoon class at 1:00 p.m. in the Sewing Room, east hall of the LV Rec Center.

The fee is one dollar for the semester and Thelma McHenry is the teacher.

THE CERAMIC MOLD DECORATING CLUB

By Ruth O'Neill

At the July meeting of Ceramic Mold Decorators officers for the new year were installed by Evelyn Boehm. A vote of appreciation was given to Julie Giorando for being such a responsible and cheerful member of our Telephone Committee for the past several years.

In August we carpooled to a new ceramic shop in Oxnard. Our capable pilot, Kay Stichner, led the way. After fortifying ourselves with a delightful luncheon, we arrived at Lil's tiny establishment where we discovered an interesting variety of lovely molded articles ready to be fired and finished artistically by the talented members of CMDC.

Perhaps because of the sedentary nature of the activities, arts and crafts seem to attract gals of girth, although our club has a sizable number of skinny ladies. Anyhow, we squeezed into the shop three at a time, had a lot of fun and came away with great ideas for the holidays and for the crafts demonstration show in November. The trip was a definite success and will certainly be repeated.

CAMERA CLUB

By Sam Weinstein

At the July meeting of the Camera Club, Sam Weinstein introduced a motion to further modify the Competition Rules in order to have the work of more members displayed in the Rec Center corridor as Picture of the Month. The motion stated that no member be allowed to have more than three Picture of the Month hangings per year. The motion was carried with no dissent and is now in effect.

The Picture of the Month honor is awarded to the winner of our monthly competition assigned category. If a member has won this honor three times in a year and then repeats that year, the runner-up will be given the POM honors.

In the Mountain/Hills competition following the meeting, Ed Pollaine took first place with a fantastic shot of K-14 (Mt. Everest) in the Himalayas taken on a wild airplane ride, and is POM for August. Dora Cronyn scored second with a strong image of snow covered, cloud wreathed Mt. St. Helens.

At the Aug 1 competition, Leisure Village Views, Sam Weinstein took first place with an interesting art study of a patio corner. This will be POM for September. Imogene Gregory came in second with a great shot of a villager and her dog, and Sam Brown came in third with a beautiful slide of morning strollers in LV.

In the unassigned category, Sam Weinstein took first with a high contrast shot of a saintly statue at the Carmel Mission, Dana Street scored a second with a beautiful nature study, and Sam Brown came in third with a tightly cropped shot of Seagulls in flight.

SOLO CLUB

By Monica Alves

Solo Club members and friends who played in the Round Robin Bridge enjoyed a delicious lunch on Aug 3, and the awards were presented.

Bridge players are urged to sign up now for the coming season of bridge, as we hope to start playing in October. Sign up with your favorite partner, or we will find one for you.

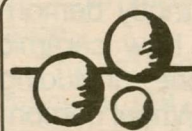

It is not necessary to belong to Solo Club to join. Call Lucille at 388-4932, or Monica at 987-5477.

Next Club activity is the trip on Amtrak from Oxnard to Santa Barbara. Those who have reservations will car pool at 10:30 a.m. in the East parking lot. The date is Fri, Sept 7.

Solo Club's regular meeting will be on Fri. Sept 21, in the GR. at 12:30. Pack your lunch and join us.

Since there will be no potluck dinner in October, we are making plans to see "Charley's Aunt" at the Encore Dinner Theater in Ventura. This will be on Sun, Oct 7, with brunch at noon, followed by the performance at 1:30.

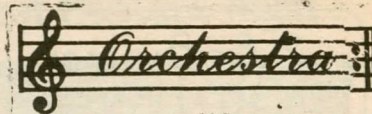

The price is \$17.10 each, plus \$2.00 each to your driver. We will car pool at 11:30 a.m. Jeanne Raner is taking reservations. Call her at 987-7193. The cut-off date is Sept 14.

BOCCE CLUB

By Luella Kelwin

Please note this change in the entertainment schedule for the Bocce Club. The Belles of Harmony will be entertaining for the Oct 25 meeting. The Happy Hoofers will

By Don Holmes

The next concert of the Leisure Village Orchestra will be our Annual Free Concert, during the Women's Club Bazaar, now set for Oct. 13. We will be playing in the Club Room from 11:00-12:00.

There will be a few seats available in the Club Room; feel free to come in and sit down if there are any not occupied. The windows will be open, and there is a rustic bench in the atrium, so you could sit there, or just stroll by as you visit the craft exhibits in the various Shops.

With the holidays coming we will be playing suitable music, which will include "Chanukah Celebration", and "Christmas Memories", both collections of familiar tunes.

"The Carol of the Drums" is another that we will play. This is also known as "The Little Drummer Boy", but since our drummer boy is a girl—Rawza Kramer—we have to use its other title.

"The American Patrol" will also be on the program. This ends with a fife and drum corps playing "Yankee Doodle", with Connie Andrews and Garnette Holmes on the fifes, and Rawza doing the drums.

Don Holmes has tickets for Woolf Phillips, next Camarillo Symphony Concert, in the Bill Esty Hall on Sept. 13.

perform at the Nov. 29 meeting.

The next general meeting is Thur, Sept 27 at 7:30 p.m. in the AR. All are welcome!

Trading Post

Trading Post needs donations. If you need a place to stuff your stuff, call 484-5509 and ask for the space-maker ladies.

By Gertrude Kern

The Village Players' August program welcomed Irv Ellison, who has made a remarkable recovery from recent heart surgery. He led Lorraine Kaplan, Hilda and Bob Freedman in a delightfully nostalgic half hour of old-time songs from the days of Burlesque. The audience loved it.

September promises to be one of those memorable evenings as The Players join forces with the Variety Guild on Sept 13. This is a week earlier than the regular Players meeting date. Watch Channel 12 for program announcement.

The Village Players are preparing a Fall program which is to be the Moss Hart comedy "Light Up the Sky". Auditions were held Aug. 16-17.

There are a number of back-stage jobs, i.e. props, lighting, costume, make-up, prompting, etc. Anyone interested is invited to join in the fun and be a part of a theatrical experience. Call Jackie Solway, 987-2586.

Remember Sept 13 7:30 p.m. in the AR for a joint program with the Variety Guild. Tell a friend and bring a friend. Refreshments.

By Don Holmes

The Ceramic Plus Club had its Annual Picnic on July 26 in the park. A short meeting followed, in which was discussed two upcoming affairs: the Annual Show and Sales during the Womens Club Bazaar, this year set for Oct 13, and the Special Crafts Demonstration Day, on Sun, Nov. 11.

The Bazaar Sale Oct.

By Lorraine Kaplan

At the Variety Guild meeting of Aug 9, it was announced that a nominating committee, chaired by Jackie Solway, will meet soon to choose a new slate of officers. Other committee members are Irv Leeds and Sid Weltman, with Connie Kremnitzer as an alternate.

After the business portion of the meeting, Lillian Leeds, program chairperson, introduced the evening's presentation.

"Jitterbug Exhibition" was the title of this program--and what fun it was going down memory lane to the big band sound.

Demonstrating their expertise were Shirley and Bill Fox, Joann and Don Pearlman, Anne Janoff and Milt Dixon, Jean Clements and Ed Pollaine, Shirley and Al Law, and Rosalie and David Feyer. They were all terrific. The audience was then invited to dance--a most delightful evening.

The September meeting will be held jointly with the Village players, with a workshop performance by Player members. Plan to attend.

If you are a member make sure your dues are paid.

13 will be in the Ceramics Shop from 10 to 3 with items made by club members on sale.

The Special Crafts Demonstration Day Nov. 11 will be strictly demonstrations of how ceramic work is done, including the Potters Wheel demonstrated by Mike Zerkel and Al Pachter. The times of the various demonstrations will be posted.

There will be door prizes, but no sales in the room. Nov. 11 is "Veterans Day", so get your flag out and then come to the Craft Show.

By George Pisors

The July meeting of the Keyboard Club included excellent music and also refreshments courtesy of Jules and Margaret Nayfack, in honor of the many wedding anniversaries that are celebrated at this time of the year.

The next meeting date is Sept 28, at 1:30 p.m. in the AR and the musical theme will be "Ladies and Proper Names", and all residents are invited.

Preparation is now underway for the next piano fund concert on Oct 5. Tickets will be available in the Rec Center at the usual times.

The program, "Down Memory Lane", will feature Jim Dunne and Ruth Rose and is sure to remind you of the early days of your youth.

The last concert netted almost \$500, and we are well on our way to piano #2, thanks to all who worked so hard on this project.

By Ellis King

On July 24 residents Ben Smithkin and Ernie Mueller successfully completed the examination qualifying for a novice Grade License in Amateur Radio Service. They will be receiving their licenses and call signs from the FCC shortly.

Smithkin and Mueller are now upgraded from Associate to Member in the LVARC and are both working toward the Technician grade license and participation in ESO at that level.

The LVARC Net continues on Fridays, 7:00 p.m.; 146.58. Next regular meeting is Fri, Sept 7 at 10 a.m. in the Sun Rm.

By Madelyn McKean

The annual Garden Club picnic on Aug 9 was the best ever thanks to the perfect weather and the good food provided under the auspices of Lillian Goldman and her committee: Marie Bouton, Fran Calder, Aileen Chuck, Ilene Evans, Gladys Gray, Louise Herbert, Erna Hessen, Doris Kadish, Eleanor Kramer, Sue Lacey, George and Lois Morengo, Eleanor Nichols, Marietta Pluim, Edna Penfield, Claire Sotomme, Lucille White, and Eileen Young. In addition, special thanks should be given to Hughes Market which donated all the beans and a colorful floral arrangement for the serving table.

At the next regular meeting on Sept 13 Jean Cooper, who is a Flower Show Judge and member of the Flower Arrangers Guild of Woodland Hills, will give a demonstration of floral art arrangements. Refreshments are served at 9:30 a.m. in the AR with the meeting starting at 10 a.m. All villagers are welcome.

"Autumn Festival" is the theme of the annual Floral Arts Show, Thurs, Oct 18, from 2:00-5:00 p.m. in the AR. Club members are already hard at work to make this major event its usual success. Tickets at \$3 are available at the meetings or from Vivian Andreson (482-3235) or Carmen High (484-9396).

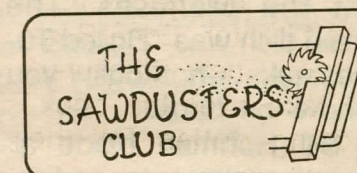

The Marathon Bridge Group will hold its annual awards luncheon and bridge party at the Saticoy Country Club on Nov 15. Tickets will be available at the meeting or from Doris Kadish (482-7342) or Madelyn McKean (987-2414). All Garden Club bridge players are invited.

By Sophie S. Brown

At the regular meeting of the Vision Limited Club, plans were announced for the Annual Luncheon. It will be held at the Peking Inn on Mon, Sept 10. All members and friends are welcome. For further information, please call Ann Gaynes, 482-7085.

Harry Castaline was missed at this meeting. Harry broke his arm in a bicycle accident. We all wish him a speedy and complete recovery.

By Dana Street

The Sawdusters shared a real treat at the July meeting when Mike Zirkel showed, step by step, how to model a human head in clay. Relevant to woodworking? Yes, apparently when carving an object in wood, it is helpful to model it first in clay.

Changes can be made quickly and cheaply in clay and you are carving from a measurable model, rather than a mental picture. (Of course, if you have a duplicating machine, you can carve it with your hands in your pockets.)

In the Show and Tell, Marty Ettinger showed a finely carved bas-relief self portrait and he agreed that a clay pre-model would have helped. Other presenters included Glenn Eidem, Morris Lefkowitz, George Mustaparta, Jack Reeve and Carl Sparks.

The Sept meeting will feature chip carving, presented by an expert. We welcome visitors. You might win the door prize.

The Sawdusters got a nice write-up in the Aug. 19 Family section of the Camarillo Daily News.

**BOOK
REVIEW
GROUP**

Book Review met for its August meeting to cool off with some mysteries. The reviewer has to admit that for many types of who-dunnits, women are often better writers. However, the two male authors covered at the meeting are both masters in their field.

Tony Hillerman is an archeologist who taught a long time at the University of New Mexico. Joseph Wambaugh, of course is well-known as a crack detective and policeman formerly on the L.A.P.D.

"Coyote Waits" by Hillerman is a technically excellent book, the story dealing with very modern times. Even Viet Nam is brought into the story.

Wambaugh, in the last few years, suffered a personal crisis and wrote

about and covered many other areas but now returns to his first theme which is the psychological influence of the policeman's job and the fascination it has for the individual.

Because of the fact that there are three holidays in September this year, Book Review will take the month off. Next meeting will be the second Monday in October, the eighth, in the GR. Everyone is welcome--no dues, no membership--just listeners.

VILLAGE BRIEF:

Helene Sanchez, V 6, won first runner-up spot in the 60s and over age division of the California Beauties of America Pageant recently in Simi Valley. Helene and her husband Albert have been married for 54 years. She enjoys competing in the senior divisions of such pageants, emphasizing the inner and outer beauty of each individual.

INTERNATIONAL FOLK DANCE CLUB

By Evelyn McKay

Dance Workshop's members enjoyed a very successful picnic on Aug 28. There was plenty of good food and sociability.

Dance Workshop is sponsoring a luncheon at Mercury Savings & Loan on Tues Sept 18 at 11:30 a.m. for members and their friends. Tickets for the luncheon are \$3.00 and can be obtained from Rhoda Smithkin, 484-8132.

Participation awards will be given to qualified members at the luncheon. Door prizes will also be given. Irv Dubin will be in charge of entertainment.

Country line dancing is taught every Tuesday from 3:00-4:30 p.m. in the AR. Dance Workshop also conducts a beginning

SATURDAY NIGHT BALLROOM DANCE

By Anne Janoff

Sept 22 is the date for the next Saturday Night Ballroom Dance with Paul and Louella Kelwin and George and Sydelle Brown hosting. This promises to be another enjoyable evening for dancing and pleasant socializing with Village friends and neighbors.

Dancing from 8:00-11:00 p.m. in the AR, only fifty cents per person, coffee, tea, punch and ice refreshments are available. BYOB.

Our following dance will be on Sept 29, to be hosted by Bill and Donnie Weigel and Joe and Charlotte Romero.

Hula Class every Friday at 9:00 a.m. in the Sun R.

DANCE WORKSHOP

By Florence Friedman

If you enjoy dancing and would like to learn, join us on Mondays from 1:00-3:00 p.m. in the AR. Success of our club is due to Villagers who love to dance and attend faithfully.

Dance times for Intl' Folk Dance Club are Mondays 1:00-3:00 p.m., teaching and dancing. Wednesdays 9:00-10:30 a.m., review & new dances, Fridays 9:00-10:00 a.m., continuous dancing.

Membership meeting is the first Wednesday of the month in the AR at 10:00 a.m.

"Yesterday, I had cataract surgery..."

...Today I can't believe my eyes!"

A new method of cataract treatment now lets you return to your normal lifestyle almost immediately after surgery. With SingleStitch™ surgery, the cataract is removed and a foldable lens is implanted through an opening so small it takes only a single stitch to close. (Compare that to the six or more stitches required by traditional cataract surgery.) This smaller incision means your naturally heals faster. And the quicker recovery means a quicker return to the things you love most in life!

Christie East Wins In Big Spin

By Jack Whalen

There was one \$2,000,000 and two \$1,000,000 winners at a recent Sacramento Big Spin event, but the really big money eluded Christie East, V11, as the indicator stopped in the \$30,000 slot.

"Oh well," said a smiling Christie, "we were happy with our prize. Actually, there had not been any million-dollar winners for a number of weeks and when it happened, three people hit it big."

And does she have the money?

"Yes," she states, "minus \$6,000 right off the top. That's what the IRS does soon as you are a winner. That's 20% and if you are not a citizen, they will deduct 30%."

Will winning change their lifestyle at all?

Photo by Klapperman
Christie East

"No way," says Christie. "Some of it may help our grandson with his schooling; otherwise, nothing will change."

"Oh yes," she added, "would you please thank all the dear people who called and sent notes, telling us how happy they were that we were fortunate to win a good prize?"

BINGO

By Cy Maller

Marion Tavano, head of the LV Bingo Committee, is all smiles these days because she is giving lots of money away. The attendance at the games has been near capacity which results in larger cash jackpots, more games played and a greater chance to be a winner.

If you haven't been to any of our games, you are missing one of the favorite pastimes in our village. Games start at 7:00 p.m., We suggest that you get there earlier to occupy your lucky seat.

We are usually playing our final jackpot game in time to get you out by 9:00 p.m. It is a pleasant way to spend time with your friends and neighbors and to enjoy an evening of fun and excitement.

Santa Barbara Civic Light Opera 1990-91 Season

Mame

October 4 - 28

The 1990 - 91 Season kicks off in high style with the grand entrance of the wonderfully irrepressible "Auntie Mame." Based on a best-selling novel and a long-running stage play by Patrick Dennis, this zesty classic boasts a fascinating, fun-loving bunch of eccentrics and unforgettable Jerry Herman songs, including *If He Walked Into My Life*, *We Need a Little Christmas*, *Open a New Window* and the title song, *Mame*.

Annie

November 29 - December 23

"Leapin' Lizards!" America's favorite foundling comes to the Lobero stage in December in an endearing, exuberant musical for the entire family. A smash musical hit, *Annie* is the Tony-award winning story of the curly-haired comic book heroine who captured the hearts of America in the 1930's. *Annie* will capture your heart in this unabashedly sentimental story filled with memorable tunes, including *You're Never Fully Dressed Without a Smile*, *Easy Street*, and *Tomorrow*.

Singin' In the Rain

February 21 - March 17

Splash into spring with Santa Barbara Civic Light Opera's sparkling rendition of America's most memorable movie musical. Based on the effervescent 1952 MGM musical starring Gene Kelly, this irresistible excursion into Hollywood's yesteryear features lavish sets and costumes and exhilarating production numbers staged by Broadway veteran Jon Engstrom, who directed last year's smash SBCLO production of *42nd Street*.

A Chorus Line

May 9 - June 2

This dazzling, driving musical is dedicated to anyone who has ever danced in a chorus or marches in step ... anywhere. Don't miss SBCLO's stunning season closer about the dreams, aspirations and passions of the young men and women of the chorus. Winner of the Pulitzer Prize for drama and nine Tony awards, *A Chorus Line* is the longest-running hit in Broadway history.

Village Briefs

Charlie and Rose Sotile, V 7, celebrated their 60th wedding anniversary recently. They were married on June 22, 1930, in New York City, and have lived in the Village since 1975.

They have two daughters, both living in Southern California, seven grandchildren, and five great-grandchildren.

Alyce and Vincent Giroux, V 25, were honored with a gala brunch hosted by their sons and daughters-in-law, Kathy and Philip Giroux and Sharon and Timothy Giroux recently. This 50th wedding anniversary celebration was attended by 90 relatives and friends, including nine of their original wedding attendants.

Part of the entertainment was Joan Woodenscheck, who sang several

songs. Joan and Woody, former LV residents, came from Las Vegas for the party.

As a further celebration of the anniversary, Alyce and Vince are planning a trip to Europe in the spring of 1991.

Marty and Frances Adlin, V 44, are proud that their son-in-law, Scott Sully, has re-enlisted in the US Navy as a petty officer. He and their daughter, Pamela, will be based in San Diego.

Mary and Raymond Milewski, V4, were honored with a surprise 50th wedding anniversary party by their four children at Harbor Town Marina Resort in Ventura on Aug 17.

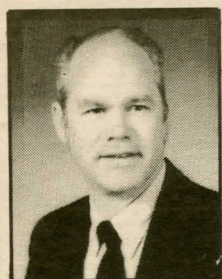

More than 200 relatives and guests attended the

gala dinner-dance party. Among the scores of cards and greetings were special notes from Pope John Paul, Pres and Mrs George Bush and Mayor Tom Bradley.

The Milewskys were married on Aug 17, 1940 in Amsterdam, Ohio.

Ed and Helen Fitzer, V 6, celebrated their 50th wedding anniversary with a trip to Maui. They joined their daughter and her husband there, who were also marking a wedding anniversary, and spent a week together. Ed and Helen were married on Aug 31, 1940 in Newport, Kentucky.

The first job some politicians do after election is dismantle their platforms.

YOUR EYE CARE

Brian Strange, M.D.
Eye Physician and Surgeon

YOUR VISION AND THE DMV

The forlorn little widow heaved a sigh, "I just flunked the vision part of my DMV (Dept. of Motor Vehicles) exam. If I can't drive anymore, I'll have to move from Camarillo. The stores are too far to walk." Fortunately, her problem had a happy ending.

How can you have poor vision, even cataracts, and still drive a car? Easy! You just need to know the requirements of the Dept. of Motor Vehicles (DMV) and what to ask for.

To drive a private vehicle, it is stated that the minimum vision required is 20/40 in one eye, with or without glasses.

However, if your vision is worse than 20/40, you can request a "road test," and they will give you three opportunities to pass it. If you pass, you get a regular license, regardless of your visual acuity.

If you can't pass the "road test," you can request an "area drive test." It is conducted where you live. If you pass this test, you'll be issued a restricted license. It restricts you to driving within a 5 to 8 mile radius of your home. This is for people who are isolated or don't have public transportation, so they can go shopping or go to the doctor's office.

If the driver's vision is unstable, or the license is obtained by "road test" or "area drive test," the DMV or the doctor may stipulate that the driver be retested every one, two or three years, depending on the severity of the visual problem.

If you need other eye information for yourself or a loved one, write or call:

Friday Morning Discussion Group

By David Goldstein

Why is this day different from all others? Because this is the day when thinking people from every point of view get together to listen and learn from the collective experiences of others.

They have the opportunity to present their own views or just listen. We discuss not only the current issues of the day but our minds are regaled with thoughts from the foremost thinkers of the past and present on everything from politics to philosophy, inflation to intuition, and much, much more with a little laughter sparkling like diamonds among the golden thoughts.

Come and enjoy!

Where? in the MPR

When? second Friday

Time? 9:30 a.m.

Next meeting? Sept. 14

Camarillo Chapter, City Of Hope

By Martin Beckel

Camarillo Chapter of the City of Hope will hold its Sept 24 general program and mini-meeting at Gibraltar Savings Community Room beginning at 10:30 a.m., luncheon at 11:45 a.m., and a delightful program following.

Miriam Hasen, well-known in Leisure Village as one blessed with a beautiful voice, will sing several songs from Broadway musicals and popular composers.

The hilarious comedy team of Emil Sitka and Jean Clements will perform two 10-minute comedy skits in pantomime.

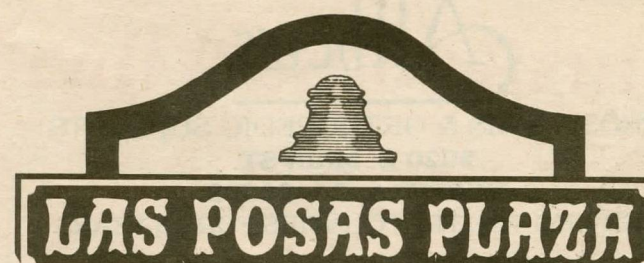

Donations for the luncheon and entertainment are a minimal \$4.00 per person, and reservations may be made by calling Rae Gimpel at 987-3342, or Edith Zwiebel, 987-2853.

Poet-Scholar Speaks In LV

Gertrude and Bernie Goldsmith, V 44, invited The Arts discussion group to their home July 26 for a special event. Gertrude's niece, Carol Rubenstein, here on a visit, told the group of her many years of work among the little known tribes living on the Island of Borneo. Funded by the Ford Fd, Natl. Endowment of the Arts, and other grants, she studied and recorded a significant body of work on this disappearing language and culture, which she has donated to Cornell University for the use of future scholars.

PROFILE..... From Pg 13
ing these often far-away
trips?

"We had many great experiences," she replies. "Often, as official USA representatives, we hosted dinners, receptions and varied social events. Meeting fascinating people from foreign lands was a never-ending source of satisfaction."

In 1968, after 20 years with Blue Cross, Mike became a financial planner and insurance representative in the San Fernando Valley, while Mabel became a successful real estate broker.

Here-in LV, Mike puts his business skills to use by serving on both the finance and insurance committees.

What of their future? "We enjoy the lifestyle here," they agree. "We are looking forward to going along with the USA Olympic team as it competes in Barcelona, Spain in 1992."

LVA Budget Process For The Layperson

By Lois Atz

Now is the time for all groups in the village to decide what projects they wish to see funded in next year's LVA budget. The process starts in August each year with committee and department requests for funds for fiscal year 1991-92.

Operating expenses and maintenance are the largest items in the budget. Some optional projects may be included, such as refitting the unused part of the shuffleboard court for other uses.

The first cut on the budget is "pie in the sky", everyone's pet project is included. Adoption of all these probably would double the size of the usual budget and greatly increase homeowners' monthly assessments to pay for all of them.

Then starts the evalua-

tion process. Sub-committees from the finance Committee begin countless hearings and conferences with departments and committees; this takes several months. Revisions are made, and the Finance Committee delivers a preliminary budget to the Board in early January.

On Jan 17 there will be a special all-Village budget meeting in the AR, where homeowner input is sought. Then the Board meets to finalize the budget.

Establishing priorities is a hard choice to make, determining what to fund this year and what must be deferred in order to contain costs. Some worthy projects must be postponed.

The budget is printed and copies mailed to each homeowner in February. The new fiscal year starts on April 1, 1991.

Our Only Hope

By Esther Robbins

The world is in a sorry state
Each day brings woes anew.
When will we people realize
That hate can but hate brew.

There is so much we must un-learn,
Things fed to us from birth,
False notions stemmed from bigotry,
With which we measure worth.

In children lies our only hope,
They are as clay to mould,
And will emerge to save the world
Or bring it pain untold.

So teach them to be tolerant,
Teach them to be fair.
Teach them not to judge a man
By skin or eyes or hair.

Teach them what is true and right
That one day they may see
A world where justice is for all,
And every man is free.

FULL HOUSE OF CARPET

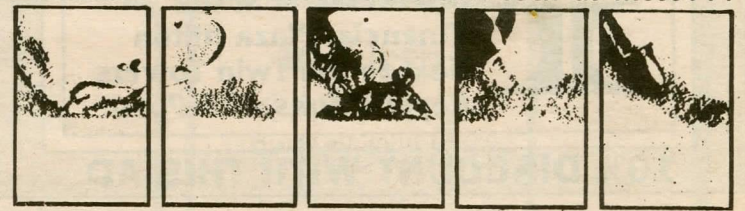

For Only
\$980⁰⁰

UP TO 70 SQUARE YARDS PAD and LABOR FREE

This is a real winner, because this carpet is not just
any carpet, but beautiful durable, stain resistant
ANSO V WORRY - FREE carpet

Resists common household stains such as these . . .

SALAD DRESSING MOTOR OIL JAM COLA LIPSTICK

In these unretouched photo-
graphs, half of each stain
was cleaned after sitting 36
hours to demonstrate the
stain resistance of Anso V
Worry-Free carpet.

The spotlight is on the price tags. Because every square yard of
carpet is on sale, even those star performers made from Anso V
nylon to resist stains, soil, and static buildup. But don't wait too
long to take your pick of these elegant carpets. This show only has
a two-week run. After that, the price of admission will be going up.

QUEEN'S CARPET

OUR FREE INSTALLATION INCLUDES: Tack strips, pull out old carpet
and padding (excluding glue down carpet). Dispose old carpet & padding. Move
furniture (exclude pianos and pool table). Ask salesperson for any other restrictions.

VILLAGE PAINTERS

By Mildred G.Oberg

The Village Painters have an Art Demo at their Wed Sept 5 meeting at 1:00 p.m. in the MPR, with information on coming events.

Members will carpool up to Ventura Historical Museum on Wed Sept 26 at 10:00 a.m. to view the Millard Sheets Art Show, and the George Stewart historic figures.

In October we will have a Show and Sell at the Camarillo Art Center in town. If information is needed please contact Marion Jayne, 484-5112.

Exhibiting in the LV library will be Florence Caulkins for September and October. Do stop to enjoy this exhibit.

School Project Seeks Tutors

By Jim Holthouse

Webster's Collegiate Dictionary defines the verb "tutor" as follows: to teach or guide individually in a special subject or for a particular purpose.

If a one-on-one teacher-student relationship appeals to you, the Camarillo Elementary School Tutoring Project in Grades 3-6 offers this opportunity. This needed project is now in its formative stages and has received wide support from community leaders and educators.

The goal of the project is to help children (grades 3-6) who are struggling with their academic and social skills by providing after-school tutoring designed to meet their individual needs.

An elementary school Tutoring Station is to

open this fall at the Valle Lindo School in Camarillo. It will operate 2 days per week, 2-3 hours each day with approximately 20 students in the project.

Tutors are needed. They will be screened, trained and matched with appropriate students. Tutoring involves a commitment of a minimum of one hour per week through the school year (October through May). Volunteers are also needed to serve as tutor recruiter, site coordinator, resource coordinator, public relations liaison and clerical help.

Further information on the Tutoring Project can be obtained from members of the steering committee: Keith Sage (388-2146), Sarah Beth Tennison (482-2285), Norma Maidel (482-1694), or Beverly Rueckert (482-2518).

Everyone Can Help

By Jeanne Carlson

We need more labels and proofs of purchase to contribute to our local elementary school's drive. The Campbell Soup Co. will contribute teaching machines, typewriters, computers, and other teaching materials in turn for the following labels and coupons. This is a wonderful thing for the school and an easy way for householders to help.

Please remove labels from cans and bring them together with the other proofs to the Women's

Club Workshop, Tuesdays, MPR, 9:00 to 11:00 a.m. This is something we can all help with.

Bring labels from Campbell Soup, V-8, Prego products, Vlasic's Pickles, Marie's Salad Dressing. Bring food purchase seals from all Swanson frozen food products, all Pepperidge Farm product seals, Mrs. Paul's Quality Pledge, and Soup/Combo UPC symbols.

The school and children will certainly be grateful.

Trading Post

Trading Post asks all Villagers for special help before the Bazaar.

The Post is an important part of Women's Club earnings. The purpose of the whole year's work is to be able to give money to support local charity, with emphasis on

seniors and children, plus Village improvement and community benefits.

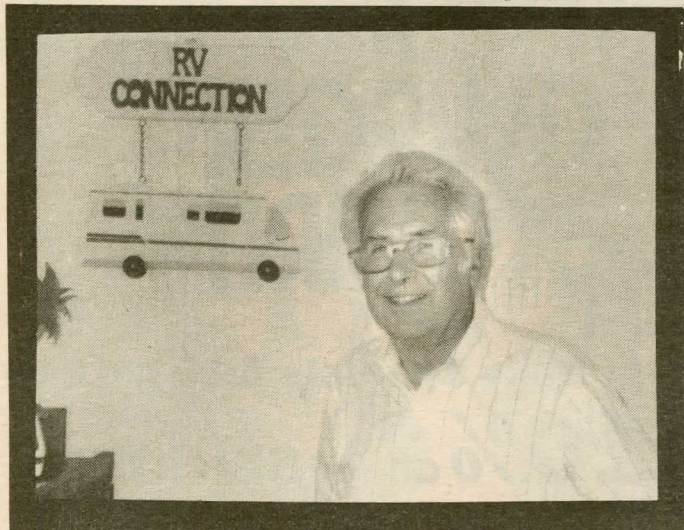

Just call hard-working Gertie if you have any donations. If you have doubts, call anyway, 484-5509, and talk to her. And thanks from Women's Club and Trading Post.

LETTERS From Pg 4

ing co-conductor of our thrice weekly Waterobic Class, which necessitates daytime participation.

2. Any qualified orthopedist/podiatrist will confirm that asphalt is gentler/kinder than concrete, especially when jarring the feet and frame at such a fast pace.

3. Each sidewalk intersection is a different level, requiring adjustment to the established pace.

4. Being less recognizable and with fewer Villagers walking, chances of being stopped "to chat" are minimal, thereby allowing the momentum to continue uninterrupted.

I agree wholeheartedly that Villagers who walk in the daytime could use the sidewalks by being cautious and aware of the hazards. Certainly, the

"casual strollers" have no reason to be in the bike lane and do present problems to cyclist and motorist.

Now the Board of Directors has issued a directive prohibiting all walkers from using the bike lane. The California Vehicle code that has been cited has been in existence for years without being enforced in LV. Why now? I suggest that IF the Board persists in prohibiting those who walk after dark from using the bike lane, serious consideration must be given to improve the lighting upon the sidewalks.

To the lady (?) who so rudely queried my rights and then didn't have the decency to await my reply: YOU and others like you are making LV a less desirable place in which to live.

Dorothy R. Stabler,
V 26

Clip And Save

See the staff box on editor's page 2 for names, and the coordinator for the next issue - and the copy deadline date - are listed in About Next Month on page 2.

1. Leave a 2" margin at top of the page; 1" at bottom and side.

2. PHONE NUMBER in the upper left corner.

3. DOUBLE SPACE all stories.

4. Use the NAME of your group, if applicable, in the first sentence.

5. INDENT for paragraphs.

6. Use conventional upper and lower cases where applicable.

These are the most common lapses in material submitted to Inside Leisure Village, and ones which make the jobs of the editors much harder.

Junk Mail

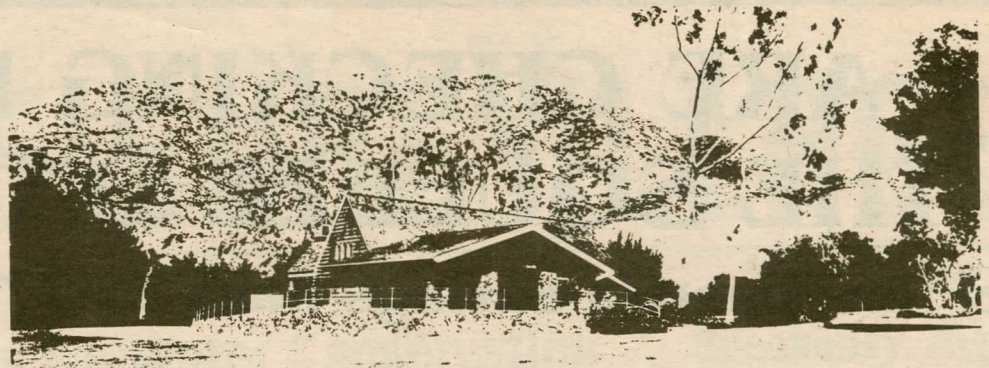

By Lillian Wallace

The mail was very late today,
And once again I had
An overflowing mailbox,
Oh yes, I was mad.

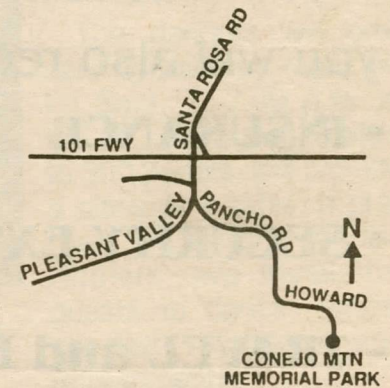

Junk mail, that's what it's called,
It keeps coming, it's seldom better-
Wading through it all
I found, two cards and just one letter.

With garbage pail at my side,
I threw in every ad -
Thought of their wasted money,
Some, I wish I had.

Should I start campaigning
For a bill, and start a cause-
'Advertisers, charity can use your money'
Please, no applause.
