Dear Mr. and Mrs. Wall,

On behalf of the Ventura County Commission for Women, we would like to thank you for your generous donation. As you know from the article in the Ventura Star, we have been working without funding since 1997. Your donation helps us in so many ways.

The Commission works diligently to assist women and children of our county. We are currently working to get funding for a Teen Sibling program. We are planning a county wide Women's Summit that will focus on women and the economy which is planned for October of this year and we continue to support the CALWORKS program for women who are returning to the work force or beginning work for the first time to name a few of our activities. In addition, all the commissioners work in many ways within various organizations to support and advocate for women.

Again, thank you for your contribution and we hope you'll feel free to join us at one of our monthly meetings held at the Los Altos School Library 700 Temple Avenue in Camarillo. We meet the first Saturday of every month from 9 until noon.

Sincerely,

Diana Goodrow, Chair
Commissioner, District 1

Debbi Steele, Corresponding Secretary
Commissioner, District 1
