8 candidates vie for 3 empty Board seats

For June 27 election to be valid, 1,069 must vote

Photos by John Mayer

On Thursday, June 27, Village homeowners will elect three members to the Board of Directors to replace outgoing Bob Ellis, Don Marquardt and Jerry Rosen. Eight candidates are running; four selected by the LV Nominating Committee and four who submitted petitions signed by at least 43 homeowners.

A biography and campaign statement written by each

candidate is posted in the Atrium of the Rec Center. What follows is a very brief introduction from that material.

Candidate Robert Kulick did not appear at the Candidates Night Q&A held May 23, and at his request, his biographical information and photo are not included in ILV.

Voting must be completed by June 27. Absentee ballots must be submitted

to the ballot boxes in the Rec Center or the Association Office by 5 p.m. June 26. Homeowners can deliver their ballot personally at the Annual Meeting at 10 a.m. June 27 in the AR.

LV rules require that a majority of homeowners plus one must vote for the results to be official. That means 1,069 ballots must be cast to certify the election of new board members.

Village resident has colorful life

By Patty Ecker

Her life is a sweep from a wood stove to cell phones, from kerosene lamps to Google; Rea Williams describes the century she has lived as "a wonderful age," and she hasn't missed a bit of it.

On May 5, Rea, a Villager for 25 years, celebrated her 100th birthday, 10 decades decorated by her skill as an artist and energized by her commitment to "always live in the present," she explains.

Which is why she'd rather talk about today than reminisce about yesteryear.

But the path of the little girl drawing in charcoal in her dad's barbershop in Lake Stevens, Wash., to the artist honored by the Camarillo Art Center and repeatedly awarded prizes at the juried shows at the Westlake Art Guild is too interesting to pass over.

"I've been drawing and painting since I could hold a pencil," Rea recalls.

Her father bought rolls of newsprint for her to work on and posted her work in his store. "I never had a lesson the whole time I was in school," she says, "In fact,

my teachers apologized for not having an art teacher and told me to keep on drawing."

She still has a likeness of Albert Einstein that she drew when she was 16.

Rea's talent was recognized by a woman artist in Washington who guided her after high school. That led to Rea becoming one of the youngest members ever admitted to the prestigious Women Painters of Washington.

Marriage, raising her son, and work kept Rea busy over the years, but she was never far from her art. She created murals in Mariposa County, had exhibits in Seattle, studied with several master artists and managed a photo studio.

In 1988, she moved here to be close to her son Ron and his family, including four great-grandchildren. It was settling into Leisure Village that reignited her passion for painting – and she's not stopped since.

"I believe that we should learn something new every day and not look back," Rea says. She is an active member

LV hosts 'Longest Day' event with Alzheimer's Association

From sunrise to sunset on June 21, Villagers can take part in a variety of fun activities

By William Lamar, V. 26

Leisure Village is participating in the Alzheimer's Association's "The Longest Day" event being held all around the world to honor those living with Alzheimer's disease and their caregivers.

Here at Leisure Village we have organized a team for this sunrise-to-sunset event on June 21. The goal is to help raise funds and awareness for Alzheimer's care, support and research. Tax-deductible donations are gratefully accepted both from participants and sponsors. Please make your checks out to the Alzheimer's Association, with "Restricted to Ventura County" on the memo line so that funds stay here in Ventura County. Come

participate, donate, or do both.

It will be a fun day with many residents participating in their favorite activity or learning a new one. The Assembly Room will be set up with tables for you to gather, play a game, bring your lunch or just visit starting at 10 a.m. Cookies, punch and coffee will be available.

Line dancers will enjoy having an audience starting at 3 p.m.

The Stoners will be making jewelry in one section of the room most of the day. The Forever Young Dance will begin at 7 p.m.

Come be part of the fun. On the longest day, let's make a difference.

Donations are accepted at the Recreation Office at any time.

2 clubs unite to bring 'Glorious' to LV

Thanks to a first-ever partnership between the Players Guild and Showtyme, a professional theater production will be presented in Leisure Village. The play, "Glorious," a long-running success in London and most recently performed by the Malibu Stage Company, opens for three performances beginning July 12 in the AR.

The cast — all professionals — will introduce the audience to the true story of Florence Foster Jenkins, whose determination to become an opera star in the 1940s led to a sold-out concert in Carnegie Hall and made her a cult figure. The musical was nominated for the Laurence Olivier for Best New Comedy in 2006.

"That's all we're going to tell you about the play," says

Joyce Belcher, the Players Guild president. "It's a show of surprises."

The director is Dianne Carroll, who combines a career in theater and movies with her newest assignment as chair of Showtyme.

"I've directed "Glorious" four times in Southern California. I know how audiences love it. That's why I suggested we bring it to the Village," she explains. Dianne and her husband moved here two years ago, and she's twice taught an acting class for residents. When "Glorious" was performed by the Malibu Stage Company, it was well reviewed, and "some people came to see it twice," she recalls.

The cooperation between Showtyme and the Players Guild is unprecedented.

Both longtime Village clubs provide entertainment for residents. Players Guild members create theatrical experiences themselves, from writing and performing skits onstage to presenting an annual major production. Showtyme brings professional show business entertainers to Leisure Village audiences throughout the year.

"By joining forces for 'Glorious,' a new era of entertainment possibilities might begin," says Dianne Carroll.

Performances are on July 12 and 13 at 7:30 p.m. and July 14 at 2 p.m.

Tickets will be sold on Mondays and Fridays from 9 to 11 a.m. and Wednesdays from 1 to 3 p.m. Members of both clubs pay \$15, non-members \$18.

Pops concert is June 9

We're happy to report that Richard Weiss is doing it again! The most extravagant musical production that Leisure Village presents is coming up on June 9.

In the AR will be featured a barbershop quartet (of ladies); another a cappella group of nine members; David Singer, our new resident world-traveling clarinet artist; Carole Ann Monzi, our returning diva; Paul Shelley's (Schifanelli) super blues band; and a few other surprises.

Richard will be channeling Ed Sullivan and hosting from the piano.

Don't miss this unforgettable afternoon commencing at 2 p.m. Come recall the nightclub atmosphere of great rooms like the Coconut Grove and The Cotton Club, with round tables encircling the performance area.

This event will be a feast for the ear, the soul and fun for all.

This would be a great event to bring your friends, family and special guests. All seats are \$10. For information regarding tickets, please call the hard-working ticket lady, Roz Feldman, at 383-6566.

Conejo Creek Development debated

By Marge Lorraine

What are the pros and cons regarding the proposed Conejo Creek Development? How will this development impact the City of Camarillo and Ventura County?

The Ed and Rec Committee is sponsoring a public forum Monday, June 17, at 7 p.m. in the Assembly Room to answer these questions.

Dennis Hardgrave, project manager of the private firm Development Planning Services, will present the positive aspects for the development of the 740 acres between the 101

Freeway, Conejo Creek Bypass Channel, Calleguas Creek and Pleasant Valley Road.

Louise Roberts, community activist and chair of Stop Conejo Creek Development, will present the negative aspects for the development. Following their 20-minute (or less) presentations, Hardgrave and Roberts will respond to comments and questions from the audience. Village residents are urged to attend because of the proximity of Leisure Village to the proposed development. Refreshments will be served.

Village resident Al Schuster recalls his D-Day exploits

By Bob Cohen

First of two parts

The weather wasn't particularly nice that early summer evening in southern England as a major storm had just past through. But the weather wasn't foremost in the mind of a future LVer, for he wasn't there on vacation.

This night was the night before the day; it was June 5, 1944, and a young corporal from St. Paul, Minn., was preparing to meet his destiny over and on the fields of Normandy.

Al Schuster — later to be known as

Bigg Al of Village 35 — was 18 when he and his best friend Toby enlisted in the Army.

"We were from a tough neighborhood and wanted to be seen as tough guys, so Toby and I volunteered for the airborne," Schuster recalled. "We had no idea what it would be like to jump out of a plane, let alone jumping behind enemy lines. But we were young, caught up in the emotion of the war — and most of all, we were tough guys, maybe not too smart, but

Schuster was born into a family of Austrian immigrants. German was the primary language in the household, and dad was an outspoken supporter of Adolf Hitler. But that would change in December 1941.

After completing basic training, the friends followed through on their plan to apply for Airborne School. In August 1942, the 82nd ‘All American’ Division of World War I fame was reorganized into the 82nd Airborne and the 101st Airborne Divisions, the first airborne units in American military history.

“We were assigned to the 501 Parachute Infantry regiment (PIR),” Schuster said. “The unit was formed in November of ‘42 and didn’t become part of the 101st until we were sent to England in ‘44. The training was rough — and that may be an understatement. We trained in Georgia and they really ran us ragged — up and down the mountain in full gear, just like they showed in the TV series, ‘Band of Brothers.’ That was part of our outfit they documented.

“But somehow both Toby and I survived the training. We were both assigned to HQ Company of the 3rd Battalion of the 501st. Toby was an 81 mm mortar man, and I was the spotter for the mortars, so we got to work together. We were even on the same plane on D-Day.

“In January 1944, we finally finished all of the training and war games and shipped out to England in preparation for the real thing.

actually part of the 101st Screaming Eagles. It was an exciting time! We were in England — a big deal for some Minnesota kids who hadn’t even been out of the state before enlisting. The war was closer now, but still not quite real. I mean, nobody was shooting at us.

“We did make a few more practice jumps, but life still was pretty good. Finally the D-Day rumors started to circulate. Things got a little more serious and a little scarier. By the first of June, we were on lockdown, restricted to base, and we knew something was going to happen. For us, the war was going to get very real, very soon.”

NEWS TO KNOW

Turn in old medicine June 22

By Manny Segovia
Chief of Security

Unwanted, unused or expired prescription drugs have been determined to present substantial risks to our community by either falling into the wrong hands or by damaging our environment through improper disposal.

It is this awareness that has resulted in the Ventura County Sheriff's Department and Leisure Village Security working together to provide a safe alternative method to dispose of unwanted pharmaceuticals.

Studies have shown that residential supplies of pharmaceutical controlled substances — those found in our home medicine cabinets — have become the supply of choice for young people and criminals. Many abusers, a high percentage of which are teens, are known to have obtained their controlled substances from the homes of family and friends.

In addition, research has shown that our environment has been threatened by medications being flushed down

toilets. Most controlled substances are created synthetically, and are not removed through normal water-treatment processes. This can result in the discharge of these substances into the environment and into our ground water supplies.

The Sheriff's Department and Leisure Village Security will be hosting a prescription drug "drop off" day in which Leisure Village residents can turn in unwanted medication. Residents are encouraged to go through their medicine cabinets, closets and junk drawers and gather unused, expired, old or unwanted prescription medications. They can be dropped off from your vehicle on Saturday, June 22, between 10 a.m. and 3 p.m. at Recreation Center bus lane — with no questions asked — and they will be properly disposed of according to state and federal laws.

For any questions or concerns, please contact your Security Department at 484-2861.

Please be advised that syringes of any type will not be accepted.

NEWS TO KNOW

Medical equipment may warrant discount on your electricity bill

By Harvey S. Brosler

Many residents may not be familiar with the SCE Medical Baseline Program but may be eligible. It is for residents who require electrically operated life support equipment in their home.

Life support equipment covers any electrically powered device that mechanically or artificially sustains life or restores or replaces a vital physical function that is considered life support equipment.

Part of the application must be completed by a licensed medical

doctor (M.D.) or doctor of osteopathy (D.O.). The equipment includes, but is not limited to, respirators, suction machines, kidney dialysis machines and motorized wheelchairs. The pamphlet and the application goes into more detail about the program.

To obtain a pamphlet, an application and more information, call SCE at 800-447-6620.

After approval, the Medical Baseline Allocation will appear on your bill. The standard allocation provides an additional 16.5 kilowatt hours per day billed at the baseline rate.

REALTORS CORNER

By Sharron Parker
Troop Real Estate, Inc.

In order to continue maintaining and upgrading our Leisure Village homes, please remember that all exterior modifications require a Leisure Village permit before the work can begin, and the contractor must be on our list of contractors meeting the requirements of Leisure Village. This list is updated every two weeks and can be picked up in our Association Office.

Before work can begin, the resident or the contractor must complete an Architectural Permit Application designating the firm with complete details and specifications of the work to be done. The resident or homeowner will then bring paperwork to the Architectural Committee meeting for approval. Construction on all approved Architectural Permits must start within 60 days after the date of approval or

be subject to cancellation.

The Village Voice shows the Architectural Committee meetings scheduled for each month.

Upgrades requiring a Camarillo City Building Permit in addition to the Leisure Village Association Permit include skylights, solar tubes, solar energy collection systems, patio enclosures and cover (including demolition), retaining walls, exterior alterations to electrical systems, exterior plumbing, mechanical air conditioning, safety and security lighting, windows and water softeners.

Rules and regulations in our Leisure Village phone book, CC&R's and the Architectural Guidelines booklet are very helpful in guiding us with regard to exterior modification requirements.

Writers Club

By Harvey S. Brosler

The Writers Club meets Mondays at 1 p.m. in the Multi-Purpose Room. The purpose of the club is to bring together residents to present stories or poems on any subject, real or fictitious, including thought-provoking topics. Many stories or poems relate to events in members' lives. The club provides an avenue for members to document meaningful aspects of childhood and adult memories or family anecdotes that they may never have shared or had the opportunity to share with others or their own families.

Microphones are set up around the table for members to use so that everyone can hear. Some members read stories or poems while other members come to listen, enjoy and learn. No special ability or prior experience is required. Everyone is welcome to attend. Members do not

critique stories but may comment.

"Stories Of The Month" are located on the wall just inside the entrance to the library. A library copy of previous "Stories Of The Month" for 2013 are located in a folder on the magazine rack.

Suggested topics are furnished. Suggested topics for June are: "My First Kiss," "Travel To Exotic Places," "My Greatest Desire" and "My Favorite Holiday."

For further information about becoming a member and participating, contact Harvey S. Brosler, president, at hsbros@roadrunner.com or at 805-465-0006.

Showtime

By Phil Kamens

Showtime for Friday, June 14, at 7:30 p.m. in the AR will feature an excellent show. Tatjana sings beautifully and puts on a high-energy performance of singing, dancing and acting, and she does all of them

exceptionally well.

She has performed all over the world, and now she is coming back to Leisure Village.

I have requested a surprise ending that I am sure you will enjoy. Don't miss this one.

If you haven't yet signed up as a member for 2013 please do so at this meeting. It is still only \$7 for the year Jan. 1 to Dec. 31. That is just 77 cents per show. And you still get goodies and coffee after each performance. Make Sharon Hahn happy and sign up now.

For information call Phil Kamens at 805-388-9857.

LV Pet Club

By Mary Ann Robnett

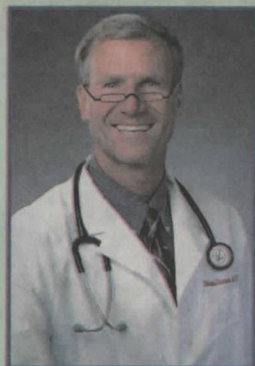

Our May meeting was all about cats. Kendra Decile, DVM, from The Cat Doctor, discussed the proper diet for cats. Since our cats are housebound in the Village we must try to replicate their natural diet

in order to prevent obesity, which can lead to diabetes, kidney and bladder problems. In the wild cats eat their water (mice are 90 percent water) and graze all day. Canned high-protein, low-carbohydrate food divided into three or four meals a day is preferred. Encourage water, especially if your cat will only eat dry food. Two websites are recommended, catinfo.org and binkyspage.tripod.com.

Barbara Krohta reported on our Village unleashed dog activity area survey. Fourteen Villages were surveyed (38 percent). There are approximately nine dogs and three cats per Village. A total of 250 — or 77 percent — of the dogs would use an unleashed area. The Pet Club is still looking for an area that can be used. It is hoped the new Board will reestablish the Master Plan committee so this forum can be used to pursue this project.

The Pet Club's June 10 meeting will be held in the Pavilion at 7 p.m. Judy Arnold will be talking about

How would Villagers know if there's an order to evacuate?

The recent Springs Fire in Camarillo has once again raised questions among some of our residents as to how we would know if we were called upon to evacuate. General Manager Bob Scheaffer addressed the question at the last Board Meeting. For those who may have missed the meeting, a summary follows:

The decision to evacuate the Village, or any part of it, would be made by the Ventura County Fire Department or the Sheriff's Department. In that event, Fire Department personnel, aided by sheriff's deputies and our own Security personnel, would use loud speakers to notify residents.

Additional information, such as emergency facilities available to residents, would be generally available on local TV stations and LVTU.

In addition, the Leisure Village Association has a reverse 911 system which would call homeowners with a recorded message containing additional information. Please note, however, that for this to be effective, the Association must have a current phone number. Does it have yours?

Finally, Villagers also prepare for evacuations and other emergencies by conducting emergency drills like the one pictured here. They take place every spring and fall.

— Bob Cohen and Karen Eckles contributed to this report.

A great turnout for Bingo Night — this one held in May.

Women's Club

By Chi Chun

The Women's Club fashion show and fundraiser for this year is called English High Tea, which will be held on Thursday, June 13, in the AR. Doors open at 1 p.m.; the show begins at 1:30 p.m. Bob Kildee Clothing and Drapers & Damons will provide the fashions.

For this festive event, come dressed "ritzy" or casual — even wear a hat if you want — but come prepared for fun and some surprises. Bring your own teacup and saucer. If you forget, you'll still be served, but tea always tastes better in your own special china. Shearon Millar is planning wonderful treats to accompany the tea.

Tickets are \$10 and will be sold in the Rec Center from 9 to 11 a.m. Mondays and Fridays and from 1 to 3 p.m. Wednesdays. They will also be sold from 9 to 11 a.m. Tuesdays in the MPR at the weekly workshop.

Winona Rocha is in charge of tickets and membership. She can be reached at 482-8293.

In the Tuesday morning workshops from 9 to 11 a.m., several members devote their time and skills to making and selling a variety of hand-crafted items. Some sew, quilt, knit and crochet at home and others donate materials. These all add up and allow the club to make amazing contributions to selected charities and to improvements within the Village.

Join the Women's Club and expand your circle of friends and help keep our community vibrant.

Our instructor, Renee, has more than 20 years teaching experience and is certified by The American College of Sports Medicine. She is an expert in keeping us motivated with her encouragement and humor. So, come check us out any Monday, Wednesday or Friday at 9 a.m. in the AR for a fun, healthy hour.

The next trip is to Flying Flags in Buellton on Oct. 17-20. You need to sign up by July 15. So call Mary Beil at 987-7901 for details.

There is going to be a Club Faire in the AR on June 29 from 11 a.m. to 3 p.m. This is to show off all the clubs in one place. The RV Club will have a booth there. If you are new to Leisure Village this will be a good thing to go to and see what clubs are available.

LV Bowling

By Bob Cohen

The 2012-2013 season has come to a close with only the lingering cheers and jeers remaining. The final playoff between the first-place teams of both halves was resolved with a clear victory by Team 8, consisting of John Albany, Leslie Fox and Richard Cato. Second-place trophies were awarded to Tash Guzman, Carolyn Sherman, Bert Stone and Sharon Hahn of Team 11. The coveted Crying Towel award went to last place Team 14's Phil Kamens, Gerry Leibowitz, Ruthy

Levine and Billie Stimac. All awards were presented at the annual league banquet held on May 10.

The sweepstakes awards were handled differently this year as the league took advantage of a computer program that matched every participant with every other participant in the category. There were three categories: mixed doubles, men's doubles and ladies doubles. A total of 36 members participated in the pool, thus creating a \$360 prize pool, \$120 for each category. Prize money was awarded to the top five duos in each category. Nine of the 10 possible winning positions that men were eligible for were won by Dennis Durand, who, needless to say, had a heck of a great series. All five of the ladies matches were won by Nancy Owens and a partner. Nancy also won the first-place award in the mixed doubles category, partnered, of course, with Dennis Durand.

The last two weeks of regular season play saw four players bowl five 200-plus scratch games. Len Belcher Please see **CLUB NEWS** on 19

Richard Cato and Herb Fogel won the first two game awards, but the third game was split in a two-way tie between Dennis Durand and Bill Kirkpatrick. Bocce Club

By Jan Tamburro

Bocce Club held its annual pot luck dinner on April 25. An excellent assortment of favorite dishes was enjoyed by all who participated. Following the dinner a drawing was held for cash prizes and awarded to Sheila Balter and Denka Nelson.

Our annual Bingo party was held

on May 30. The public was invited, which included all those living inside and outside the Village. Cash prizes were awarded for each game.

Our Bocce Tournament will be held on June 24 and 25. The winners will be awarded their cash prizes at our June 27 barbecue dinner, catered by D.J.'s.

Bocce Club always welcomes new members. Annual cost is still only \$5. If you would like to join, come to the Bocce court on Mondays or Thursdays at 9:45 a.m. You can start playing Bocce the same day. Come join the fun.

Village Arts

By Harvey S. Brosler

The general meeting of the Village Arts members is held on the first Wednesday of the month at 1 p.m. in the MPR.

At the May 1 meeting, we celebrated the 100th birthday of

Rea Williams, a Village resident. A demonstration was planned for the June 5 meeting on creating a grid for a collage by Bonnie Mills, Camarillo High School arts teacher. Visitors are welcome to attend our events.

The July 3 meeting will be a Summer Picnic Pot Luck to be held at the Pavilion for members and guests only.

Village Arts is comprised of members who paint using different mediums such as acrylics, water color, oil, graphite, pastels and pen and ink. Some members make collages using these mediums. Experience can range from the beginner to the very knowledgeable.

The painting class meets on Monday and Tuesday in the Lanai Room from 1 to 3 p.m.

The drawing class meets on Fridays in the Lanai Room from 1 to 3 p.m.

Basic instruction, assistance and supplies are available. Membership is \$7 a year. Members have the opportunity to attend workshops and have finished products displayed

in shows and exhibits. Each month there is an exhibit in the library by one of the members. It is a fun and interesting group. For more information, contact Gwen Zimring at 389-5469 or Pat McGregor at 822-7111.

Pinochle Club

By Jack Carlson

The Pinochle Club meets every Tuesday at 7 p.m. in the Garden Room. However, on the fourth Tuesday of each month we meet in the Lanai Room.

While we have five tables now playing once a week, we always need new players, so if you have an interest, please consider dropping by any Tuesday evening to observe games in progress. If you like what you see, we offer instruction. It only takes a couple of hours to learn the basics of Pinochle. It is a fascinating and challenging game, and it's easier to learn than Bridge. We play several different versions of Pinochle.

The Pinochle Club will be participating in the Club Faire in the AR on Saturday, June 29. The hours are 11 a.m. to 3 p.m. Sandwiches and refreshments, including wine, will be served along with background piano music. Drawings will be held throughout the day for prizes donated by various clubs. The Club Faire offers an opportunity to visit representatives from most of the clubs in Leisure Village.

Any questions? Call Jack at 388-9400 or BJ at 419-4281.

Wii Bowling

By Paul Schifanelli

Stoners, Lapidary

By Fil Barton

On Saturday, June 22, at 11 a.m., The Stoners and Lapidary will be dedicating a brick on the Walk of Celebration to honor our former mentor, Bill McGeehon. Bill was instrumental in teaching, maintaining and running the Lapidary Room. Bill was the person responsible for updating the lapidary equipment with the purchase of two Genie machines. These machines have shortened the process of making cabachons from several days to a few hours.

After the dedication, we will be gathering for food and memories. Those of you who knew Bill, even if you no longer use the Lapidary Room, are invited to honor our former mentor.

Bill's daughter and son will be attending this event, as well. Hopefully, Bill's close friend, Lois,

who resides in Lancaster, will also be present. We need a head count so that we will have enough food for everyone.

Please RSVP no later than June 15 by calling Fil Barton at 987-3637 or Aleta Howarth at 236-0040.

Chess Club

By Gary Bock

Twice a week a small group of seniors meets at the annex. They have coffee and cookies, and they chit chat and play a table game that sharpens their minds. This game is both interesting to play and has been proven by ample medical evidence to be of great benefit to the human mind.

The name of this table game is chess. If suddenly, upon hearing the word "chess," you have a vision of it being only for bearded Russian chess-masters or college professors, put that thought out of your mind. Once a person, regardless of background or

education, learns a few simple moves, they can easily play and enjoy the game.

The Chess Club is friendly — there are no cliques — and is very happy to show new members how to play. If you already know how to play you're also welcome, whether beginner or expert.

They meet at the annex building on Wednesdays and Fridays from 10 am to noon. Come on by. You can look, eat cookies or just chit chat. For more information contact Gary at 419-4504 or ghb91356@yahoo.com.

More details will be in the July edition of Inside Leisure Village. For general information on the picnic, call Diane Carroll at 419-4325. Sunshine will be handling ticket sales at 388-1230.

Sunday, June 9, the normal open play at the paddle tennis courts will end at 10:30 a.m. The Mavericks are having a special play day, and they will have the courts from 10:30 a.m. to 3 p.m. After that, the courts will be available as usual.

Our second pickleball tournament on May 22 was a great success. Lots of laughs from miss-hit balls and applause for great shots made were the hallmark of the day. Our tournament winners were: first place, Lane Petersen; second place, John Peterson; third place, Karen Melford; fourth place, Sunshine Peterson. Congratulations to the winners, and thanks to all of the entrants who participated.

The treasury is a lot happier and healthier this month because of proceeds from the Spring Cleaning Sale. Many thanks to all who donated items to sell; without you the club would not have had merchandise for our tables. Also, a great big thanks to all who worked that day pricing and selling items.

There is a great new way to exercise in the Village — playing water volleyball.

The games are on Tuesdays and Thursdays from 11 to 11:45 a.m. in

the swimming pool. Volleyball will take place in the front end of the pool, while the rest of the pool will be open to swimmers. There is no experience necessary and no fee to join. It's a gentle and friendly game, and it's a wonderful way to get exercise and have fun at the same time.

If you have questions, please call Maxine at 805-796-7571.

The ice cream social is scheduled for Tuesday, June 25, at 7:30 p.m. in the AR. The LV Big Band will entertain us with some of their popular tunes while we enjoy ice cream sundaes and banana splits.

This is a good time to practice 9-ball as the next tournament will be July 29.

There will not be monthly meetings during July and August.
