TRANSFER STUDENTS

Students intending to transfer to Fresno State College should plan their programs while attending other colleges to meet curriculum requirements of this college. The general degree regulations and the requirements in the division offering the major selected should be studied for courses and sequences necessary for the degree. See provisions for transfer students in *General Education* and on transfer admission.

After admission to Fresno State College, the student will usually receive a copy of his advanced standing evaluation indicating how previous college credits have been applied toward requirements at Fresno State College. Normally, applicants meeting the deadline will receive the advanced standing evaluation before registration. Late applicants will be processed during the semester.

Each student should develop a personal folder in which he keeps his own copies of transcripts, grade cards, advanced standing evaluation, departmental check sheets, and other information pertaining to his progress toward meeting various requirements for his degree or credential. Advisers are available for assistance; however, it is the student's responsibility to be sure that he has met all requirements.

REGISTRATION

Registration is open to new students who have been formally admitted and to former students in good standing. Former students returning after an absence of one semester or more must file in the Admissions Office a form requesting readmission not less than one month prior to registration. Students seeking reinstatement will be held strictly to this deadline. Students who are returning after an absence of two semesters or less and who have attended no other institution in this interval will not be required to pay the \$5 application fee for admission. The *College Calendar* lists dates of registration. Upon payment of the registration fee, registration materials are issued. Late registrants are assessed a fine of \$5 and a late filing fee of \$2 if materials are not filed within 48 hours. Registration is complete only when all required forms are completed and filed and all fees are paid.

Students transferring between the Fresno campus and the Bakersfield Center should notify the Admissions Office where they intend to enroll well in advance of registration; this does not apply to any Summer Session, see *Educational Services*.

SCHEDULE OF COURSES

An official *Schedule of Courses* is prepared by the Office of the Dean of Arts and Sciences each semester for publication listing general registration procedures, courses offered, hours and rooms. The schedule is available prior to registration and may be purchased through the Business Office for a nominal cost.
