

00:00:03:08 - 00:00:04:13

Speaker 1

up to now.

00:00:04:15 - 00:00:08:13

Speaker 2

Okay. Just make sure that when you come to us, we know that you're correct.

00:00:08:16 - 00:00:25:10

Speaker 3

And your video. Your video. Oh.

00:00:25:13 - 00:00:35:21

Speaker 3

Show.

00:00:35:23 - 00:00:41:25

Speaker 3

Is going. But this one. This one's.

00:00:41:27 - 00:00:54:19

Speaker 3

Okay. You want to come over to my.

00:00:54:21 - 00:01:04:12

Speaker 3

Okay, let me show you in. Okay. Now smile. All the time I've been making to speak. Going so smiling that okay.

00:01:04:14 - 00:01:05:11

Speaker 3

I'll go like this for you.

00:01:05:12 - 00:01:24:18

Unknown

You can.

00:01:24:20 - 00:01:25:14

Unknown

When I started.

00:01:25:14 - 00:01:50:08

Speaker 1

To see my listing. Notice and notice. If we ever get on the list at this point, I would never do that. We got the political for people to double suspend this. I will say this. I mean, this, this is a holiday a famously that I would put states. It is very hard for an individual to succeed if there's a lack of self-esteem due to his gender or ethnic background.

00:01:50:11 - 00:02:16:20

Speaker 1

My own personal experience has proved this quote to be true. When I arrived to the United States from Mexico, I was 12 years old, and my ultimate goal was to become the All-American girl that I have seen depicted in movies and television ever since I could remember. While striving to become this All-American girl, I found my hippie accent, found a culture, a way of life getting my way.

00:02:16:22 - 00:02:43:24

Speaker 1

I thought it necessary to reject everything that made me the person who I am. But soon I realized that by rejecting the beauty of my people and my culture, I'd be rejecting part of my soul and my spirit. It became clear to me that I could not accept myself if I could not accept myself fully. So I desperately search for role models in school, people who I could relate to and feel proud of.

00:02:43:27 - 00:03:10:10

Speaker 1

Sadly, I didn't find such a person in the teachers at school, so I turned to the media to find a reflection of myself because after all the media and television are supposed to be a mirror image of society. But what happens when a young Mexican-American woman like myself could not find her portrait? But the media presents? So I asked myself, who am I and what is my place?

00:03:10:12 - 00:03:45:22

Speaker 1

They had the answer. All of the people on television who look like me, talk like me, or share my cultural background with their high school dropouts, giving them their single teenage mothers. But these people did not understand who I was. Ladies and gentlemen, they did role models. People we can relate to and feel proud of. There are so many qualified and respected Mexican-Americans in this country, so let us promote them as role models for ourselves and for our children.

00:03:45:24 - 00:04:14:29

Speaker 1

After all, it is organizations like this one that we can do things. It is political movers like Sis, activist teachers and mathematicians like Escalante, poets and writers like legend, who truly represent who we are and what we stand for. Thanks to the people who truly have dedicated their time, energy, and love to the Hispanic community. I now know who I am.

00:04:15:02 - 00:04:56:17

Speaker 1

I am a proud to be Mexican-American, talented, gifted, and ready to give to this great ethnically and culturally diverse society. As only I can. Each of us is unique, and each of us should play the roles that we like for ourselves. Thank you. When I to.

00:04:56:20 - 00:05:03:16

Speaker 3

Okay. Me. Let me see how to sometimes make sure I have some on the grand. Come in.

00:05:03:17 - 00:05:07:18

Speaker 2

Here. That was really good. Once you change your name for whatever you got to. Yeah.

00:05:07:21 - 00:05:14:15

Speaker 1

Okay. yeah, I think that's fine. That whatever I do change a major.

00:05:14:18 - 00:05:17:27

Speaker 2

Habit, in the insurance industry.

00:05:17:29 - 00:05:25:22

Unknown

00:05:25:24 - 00:05:27:22

Unknown

And that will.

00:05:27:26 - 00:05:29:03

00:05:49:27 - 00:05:50:11

Speaker 3

00:05:59:27 - 00:06:24:14

Speaker 5

But I suggest that your mental group better so that I see, you know, for continuing as a public. Yeah. The company that there are the majority as well for me and for the community.

00:06:49:23 - 00:07:08:15

Speaker 5

I guess you also have to. Good evening and welcome, ladies and gentlemen, members of the to form judges. And, your Majesty, I would like to give you my opinion about the content and education of youth. The future of our education today is many opportunities.

00:07:08:18 - 00:07:09:22

Speaker 1

For our future.

00:07:09:24 - 00:07:11:15

Speaker 6

Education is very important to me.

00:07:11:15 - 00:07:14:27

Speaker 5

Because apart of having been a gift, it has also been an effort.

00:07:15:04 - 00:07:16:15

Speaker 6

So much as a struggle for.

00:07:16:21 - 00:07:42:23

Speaker 5

In order to reach my age, my goal of being, my goal of being educated and I am irresponsible and irresponsible and of, my achievement. My biggest achievement will be when I have graduated from high school, upon receiving. But upon receiving my diploma, there'll be one and many goals I will have accomplished. And I look into the future.

00:07:42:23 - 00:07:45:29

Speaker 5

I see myself in college and when that day comes, I know I love.

00:07:45:29 - 00:07:47:23

Speaker 1

Accomplished and full of life.

00:07:47:25 - 00:08:10:01

Speaker 5

And I can look into the future once again, with hopes of continuing the rest of my goals and see myself be an important and well educated part of my community. I am aware, and one should not be satisfied completing one step, but will continue to complete many steps in order to reach one's total development of being. I to its west will develop.

00:08:10:03 - 00:08:17:27

Speaker 5

Only in this way can one be a contributor to your culture and your community.

00:08:17:29 - 00:08:20:22

Speaker 5

There are gold out. There are not one, but many, and we can.

00:08:20:22 - 00:08:21:22

Speaker 1

Accomplish all the goals you.

00:08:21:22 - 00:08:25:19

Speaker 5

Want. It is up to us to receive our education. Be that important.

00:08:25:19 - 00:08:28:22

Speaker 1

Person in our life.

00:08:28:24 - 00:08:50:18

Speaker 5

Accomplish that goal. I can accomplish our goals, which is the most blessed position in one and not just.

00:08:50:21 - 00:08:51:12

Speaker 3

Okay.

00:08:51:14 - 00:08:53:21

Speaker 2

Very nice. Thank you.

00:08:53:23 - 00:09:02:02

Speaker 3

you know, you're are going to have two more rehearsals for this, and I don't think I don't know when I have the the speaker set the dresser.

00:09:02:04 - 00:09:07:24

Speaker 2

Yeah, that's for you. That's the final set. That'll be the first time all the girls hear each other.

00:09:07:26 - 00:09:08:22

Speaker 1

Yeah.

00:09:08:25 - 00:09:25:14

Speaker 2

And there's no time to change it, because unless they're going to. Yeah, they will there. So that's what we do. That's their final. And that is the first time and only time until today. It was nice. Loosen up. Yeah, I know you're nervous. I have. I didn't mean to scare you, but.

00:09:25:19 - 00:09:28:27

Speaker 3

Hey, she's scared me.

00:09:28:29 - 00:09:32:21

Speaker 2

Trying to scare him. Thank you. That's very nice.

00:09:32:23 - 00:09:37:22

Speaker 1

Thank you.

00:09:37:25 - 00:09:40:08

Speaker 3

We just came back for us. Okay? Okay.

00:09:40:14 - 00:10:02:03

Speaker 5

00:10:02:05 - 00:10:15:19

Speaker 3

00:10:15:19 - 00:10:34:10

Unknown

Here.

00:10:34:13 - 00:10:35:22

Unknown

If they're not here.

00:10:35:25 - 00:10:42:11

Speaker 5

Is you run or not? But I thank you. It's only a good thing. It is the opportunity that if.

00:10:42:11 - 00:10:51:08

Speaker 1

One is that. And then when I go play this evening, I will be speaking about an idea that is of paramount importance to myself as an individual.

00:10:51:11 - 00:10:52:05

Speaker 5

And as a member of.

00:10:52:05 - 00:11:04:20

Speaker 1

My generation. This topic is all too important to all of us. The topic is integrity. Simple and many but the hardest to apply in our lives. More and more society. It seems as though.

00:11:04:22 - 00:11:05:08

Speaker 6

People have.

00:11:05:15 - 00:11:30:00

Speaker 1

Absolved themselves from integrity. Society has become a whole raft of morals and ethics, integrity is a value that is no longer taught in schools, and a virtue that is often forgotten by many families. Integrity is its strict adherence to a consistent code of conduct. It is having a fine sense of ethics, truth, and a carefully balanced approach to life.

00:11:30:02 - 00:11:41:02

Speaker 1

Throughout time, trust of the world has consistently been tested with influence people. Today, we witness others like Louis Farrakhan, who supports terrorist governments.

00:11:41:05 - 00:11:43:02

Speaker 5

Cuba's Fidel Castro.

00:11:43:04 - 00:11:54:04

Speaker 1

Who has consistently tortured and oppressed to achieve his people. On the home front, we have our own presidential family who has been the site of many recent scandals.

00:11:54:06 - 00:11:56:00

Speaker 5

Maintaining a sense of integrity.

00:11:56:06 - 00:11:58:15

Speaker 1

You force your conscience and character.

00:11:58:21 - 00:11:59:22

Speaker 5

To insist that you.

00:11:59:22 - 00:12:36:21

Speaker 1

Do others with the same respect you treat yourself. It is my belief that integrity is the basis of character, and without contempt, how can you be trusted or respected?

00:12:36:24 - 00:12:41:24

Unknown

In the most. I think you.

00:12:41:26 - 00:12:46:27

Speaker 3

Must know history. And if you.

00:12:46:27 - 00:12:50:24

Speaker 2

Want. If you want. You still have, like, a minute. You.

00:12:50:26 - 00:12:54:22

Speaker 1

Yeah. I mean, I want to slow down. This is I I'm it.

00:12:54:28 - 00:12:57:18

Speaker 2

Get.

00:12:57:20 - 00:13:01:02

Unknown

Them in there story. I mean.

00:13:01:03 - 00:13:07:27

Speaker 2

When you, time to shop, I come down just to make you more convincing to do that, the president.

00:13:08:00 - 00:13:09:24

Speaker 1

Okay, I know I can only cover.

00:13:09:24 - 00:13:12:12

Speaker 3

Your neck or you.

00:13:12:14 - 00:13:12:23

Speaker 2

Think.

00:13:12:23 - 00:13:14:08

Speaker 3

It's okay. See you later.

00:13:14:14 - 00:13:19:03

Speaker 1

Okay.

00:13:19:05 - 00:13:27:15

Speaker 1

So. Oh, sorry. Okay.

00:13:27:18 - 00:13:33:04

Speaker 3

You're not supposed to smile all the time except me. I mean, you speak, right? You remember that?

00:13:33:07 - 00:13:34:13

Speaker 1

Do I do to turn into.

00:13:34:16 - 00:13:38:24

Speaker 2

Yes. Sorry. Okay, but where? What with.

00:13:38:26 - 00:13:45:02

Speaker 3

Do you do your turn about here? Okay, okay. Sure. I get to all of that if you want to.

00:13:45:04 - 00:13:55:05

Speaker 2

I, I do, you know your two quotes, and he can only get a certain length up. That way he can see how you are turning 50. right. You know. Okay.

00:13:55:07 - 00:14:05:22

Speaker 3

Okay. Now, here's this money. Okay. Well, start from that mob like this, okay? Okay. The business.

00:14:05:25 - 00:14:48:01

Speaker 3

I'm going to be doing it with you up. It's going to be a little. But it starts when it when that's when it fades out. Okay.

00:14:48:04 - 00:14:49:22

Speaker 1

If I.

00:14:49:25 - 00:14:51:03

Speaker 3

Go ahead, I don't know.

00:14:51:03 - 00:14:51:17

Speaker 2

Now you're going.

00:14:51:17 - 00:14:53:07

Speaker 3

To put forth your speech over there.

00:14:53:11 - 00:14:56:24

Speaker 1

Okay?

00:14:56:27 - 00:14:58:03

Speaker 3

Like I said, you put it down.

00:14:58:06 - 00:15:03:21

Speaker 2

So let's start. Okay? I want her to start over so she can see herself and then turn around here.

00:15:03:24 - 00:15:04:09

Speaker 3

Okay?

00:15:04:15 - 00:15:05:03

Speaker 2

But what you're going.

00:15:05:03 - 00:15:11:28

Speaker 3

To do is I am. What I'm going to do is I'm going to be raised over them. Right? So let's just go ahead and get away and get.

00:15:11:28 - 00:15:22:29

Speaker 2

Ready, okay. You're going to walk up this way up to about here okay. Now your audience is here and here okay. And then after you do that you're going to come over here. And and this is where now you face everybody.

00:15:23:02 - 00:15:24:12

Speaker 1

Okay. All right.

00:15:24:14 - 00:15:32:05

Unknown

Okay.

00:15:32:08 - 00:15:38:06

Unknown

And what is what you see.

00:15:38:06 - 00:15:39:04

Speaker 3

They're just ready to go.

00:15:39:11 - 00:15:40:03

Speaker 1

Yeah.

00:15:40:05 - 00:16:10:11

Unknown

She okay. Here we go. Okay. You think okay, this.

00:16:10:13 - 00:16:13:17

Speaker 1

After is, Okay. You okay?

00:16:13:17 - 00:16:19:16

Speaker 2

So, we have to say,

00:16:19:18 - 00:16:21:22

Speaker 2

It'll be a early go see substitution.

00:16:21:24 - 00:16:47:13

Speaker 3

That again? Here we go. Just right. Yeah. Go. But I, I go.

00:16:47:15 - 00:17:09:20

Speaker 1

County experience is affected in many ways. You can make changes in your life that are not evident at the time. You are changing. So you want. My grandfather was one such person that effectively changed my life. My grandmother was diagnosed with Alzheimer's disease when I turned 11 years old, so that to my to take care of my. Even when I can tell you right.

00:17:09:23 - 00:17:30:05

Speaker 1

This was the start of an emotional journey. So for me, as well as your mother now, this has always been an essential part of my grandfather's life early on right there. So they deserve the value of education. He himself had to leave school at the tender age of eight to help support and bring down the teen. He said he had always meant to go back.

00:17:30:08 - 00:17:54:17

Speaker 1

However, he never had that chance. What he did was instilled in his children that valued education and especially in the. Whenever I was upset or frustrated at the math problem, I cannot solve with the word cannot. So the ground was always going to tell me, let it to this day, yes you can has always been the driving force behind my academic life.

00:17:54:19 - 00:18:29:23

Speaker 1

That he was the driving force behind my journey had always been important to you and to everyone that you always look forward to that next challenge. And for that, as his health deteriorated. So this meant that the parties were still expecting him. This will be an example of the way as mental health was doing. He would get angry with himself, and I remind him that schizophrenia, those words would carry us through many the time is always important to make our you can always make time for someone, he said.

00:18:29:25 - 00:18:52:11

Speaker 1

And of course, he was always right. Community has always been important to you. You had always helped him and his family through many a tough time. But you get back to the community will come back to you. Maybe not now, but eventually it will. At times when I feel that I do not have the time to do something, I always remember I can always make time for someone else because I can.

00:18:52:14 - 00:19:12:17

Speaker 1

When I was 14, my grandfather passed away. I know that part of my journey was to admit it was better than to go. And the next part of my dream was to let you know my grandfather's journey to instill his values in his family so that his legacy, my. I realize now that all you said has been true for me.

00:19:12:20 - 00:19:24:15

Speaker 1

My journey has not yet been completed. I still have many steps that I need to take to accomplish it, but I know that I can always make time for some work that's hard.

00:19:24:18 - 00:19:39:02

Unknown

For you.

00:19:39:05 - 00:19:43:07

Unknown

Right now.

00:19:43:10 - 00:19:43:22

Speaker 2

Okay.

00:19:43:28 - 00:19:45:26

Speaker 6

Okay, then on the.

00:19:45:29 - 00:19:54:01

Speaker 2

Next page, you're shaking it there, down your knees. Your goodness.

00:19:54:03 - 00:19:57:24

Speaker 1

Oh, I'm sorry, I so.

00:19:57:26 - 00:20:02:02

Speaker 2

My God know, yeah, I look down.

00:20:02:07 - 00:20:04:06

Speaker 1

All the time again.

00:20:04:08 - 00:20:11:21

Speaker 3

Well, I don't blame you for being.

00:20:11:24 - 00:20:19:27

Speaker 3

Okay. So smiling and in those words, I'll start you off. And then when I not you like this, go ahead and into your, your routine.

00:20:20:01 - 00:20:31:00

Speaker 2

And then that's how you'll end when he does that. Okay.

00:20:31:03 - 00:20:49:20

Speaker 2

you.

00:20:49:22 - 00:21:17:00

Speaker 6

Would have noticed even the needles. Sincerely. So yours is. And yours is to you. I said it's in my hands that mean I'm a Wednesday mirror muted yet present this toy in a museum. Notre Dame High School. None of this work is taken as a photo stuff. This was my year so far. So the question is instead, are they just for me?

00:21:17:03 - 00:21:48:01

Speaker 6

What are they gonna in when I can fit into that? Well, as you, but I will and I will see of the confidence is I thought of this event. So most are going to say I'm one, get it out the window and say, you know, this pedestrian where we I met you on the computer helping to usher who will do the work and my persona again is okay when I say fit this, you know, we do the work tonight.

00:21:48:01 - 00:22:11:03

Speaker 6

I'm very honored and excited because I am. I was six young ladies who are being recognized for their past and present, accomplished and future aspirations. They are here not by luck, but because they have

a strong perseverance and desire for success. We are today success. We are today's youth, tomorrow's success. But wait, what about the front page of Saturday's paper?

00:22:11:06 - 00:22:37:27

Speaker 6

It said some gang, some youth were involved and gang activity was shot and killed. And what about last night? Chaos seems to be the same thing. Every night a young child, mother or bystander is killed by a reckless youth, reckless and irresponsible, corruptive. These are a few descriptions you may hear of. These are a few descriptions you may hear everyday by our media, which seems to thrive on our downfall.

00:22:38:00 - 00:23:05:04

Speaker 6

You may even have thought to yourself, what is our youth coming to? Well, tonight I think I can answer that question and hopefully instill in many doubtful minds a hope and faith in our future leaders. The reason I have so much hope and faith in our youth is because I see my own generation every day expanding their knowledge, overcoming treacherous obstacles, improving themselves, helping our community, and ultimately making a difference.

00:23:05:06 - 00:23:25:10

Speaker 6

In the morning, you may see our faces on the streets, cars or busses of our city and for the most part I destination is school. Since education is our freedom, many an enormous part of our youth is making a choice to liberate themselves every day by attending school. We are also actively involved and helping in the hardships of our community.

00:23:25:12 - 00:23:48:05

Speaker 6

Our youth spends endless hours contributing to soup kitchens, convalescent homes, clean ups and many other services are used. Definitely, definitely committing itself to the well-being of our community and its needs. But we do not stop there. We offer this challenge. The huge majority decides to pursue and practice and improve, whether it is down a musical instrument or another form of art.

00:23:48:11 - 00:24:11:02

Speaker 6

We are out there and mastering our talent as young people. We are also frequently faced with many temptations and decisions that can positively or adversely affect our lives. In any case, in order to guarantee that we choose a path that will benefit us, we must be able to see and feel the support from our society. When we do not experienced support, we unfortunately fall and become misguided.

00:24:11:04 - 00:24:36:12

Speaker 6

That is why I feel so strongly that you are aware of our youth potential, so you can learn to support us and help us form visions and attain our aspirations. I have an overwhelming sense of confidence in the future of today's youth. I sincerely hope you can relate to my message. The next time you hear a young person who has committed and committed a crime, does not automatically judge that person and put a blame on that person for the poor conditions of our society.

00:24:36:15 - 00:25:15:12

Speaker 6

Instead, say a prayer for them that they will find the necessary support to get back on the right path and most importantly, use that incident as an initiative to give our youth a hand. Can you look at today's youth? Remember, we are tomorrow's success. Thank you and good luck to all the participants given.

00:25:15:14 - 00:25:17:17

Speaker 3

Today. Answer. So very good. Youth message.

00:25:17:19 - 00:25:18:21

Speaker 2

And I very.

00:25:18:21 - 00:25:35:09

Speaker 3

The second time. You know I hear it and I get more of it now. This time last less time. At least I have right here on campus. You played on your speeches? No. The, last time was not a right. But it's a nice

message for you. You know, we just going to hear too much about that, about the goodness of doing this.

00:25:35:09 - 00:25:41:06

Speaker 2

For you in my speech.

00:25:41:08 - 00:25:41:25

Unknown

But over.

00:25:41:25 - 00:25:43:03

Speaker 1

There, you know, practicing.

00:25:43:10 - 00:25:44:01

Speaker 6

The rally.

00:25:44:01 - 00:25:44:23

Speaker 2

And then we go back.

00:25:44:23 - 00:25:48:27

Speaker 1

And we stand there ready for our speech, and then we go to the stage.

00:25:49:00 - 00:25:59:16

Speaker 2

Well, yeah. Okay. But hear me, I want you to do the pivot, and I want you to see how you carry yourself over there, because, even next week, that's mainly where I'll be working there.

00:25:59:19 - 00:26:30:28

Speaker 3

Okay. Now start just about this date planner whenever I can. Go ahead and start.

00:26:31:01 - 00:26:31:29

Speaker 6

With as much.

00:26:32:00 - 00:26:34:02

Speaker 5

As even needle.

00:26:34:04 - 00:26:35:04

Speaker 1

Man, you know.

00:26:35:07 - 00:26:44:07

Speaker 6

Making a difference. We as Americans are very familiar to the many sacrifices, struggle, and struggles that our parents and.

00:26:44:07 - 00:26:49:21

Speaker 1

Grandparents have faced to give us the life of many opportunities we.

00:26:49:23 - 00:26:55:15

Speaker 5

Have yet to make up other. Today's Latino youth are fast to adapt to the American life.

00:26:55:17 - 00:26:58:07

Speaker 6

But never shall we allow ourselves to lose.

00:26:58:07 - 00:26:59:03

Speaker 5

Recognition.

00:26:59:09 - 00:27:02:04

Speaker 6

In the importance of our most valuable culture.

00:27:02:11 - 00:27:04:14

Speaker 1

Traditions and morals.

00:27:04:16 - 00:27:05:00

Speaker 6

For these.

00:27:05:00 - 00:27:07:02

Speaker 1

Customs will be the foundation to.

00:27:07:02 - 00:27:08:16

Speaker 6

Build a powerful Hispanic.

00:27:08:16 - 00:27:13:20

Speaker 5

Society. Como was the game of the same name to do.

00:27:13:20 - 00:27:16:22

Speaker 6

In Mexico, to do Rome Como Americanos.

00:27:16:25 - 00:27:17:24

Speaker 1

We need to strive.

00:27:17:24 - 00:27:18:13

Speaker 2

For more.

00:27:18:15 - 00:27:31:20

Speaker 1

And work together with our children. Many of us ignore the importance of an education and prioritize a minimum wage job over the struggle for a good academic rank. Do not look this happen.

00:27:31:23 - 00:27:32:16

Speaker 5

We must guide.

00:27:32:16 - 00:27:33:01

Speaker 1

Ourselves.

00:27:33:01 - 00:27:37:11

Speaker 6

To a better future. And this first is demanded Bolivianos.

00:27:37:14 - 00:27:38:13

Speaker 5

Is camaraderie.

00:27:38:19 - 00:27:42:09

Speaker 1

But I gather the struggle is major.

00:27:42:12 - 00:27:42:27

Speaker 6

But we must.

00:27:42:27 - 00:27:48:18

Speaker 1

Sacrifice in order to secure a better tomorrow. Only by educating.

00:27:48:18 - 00:27:49:05

Speaker 5

Our Latino.

00:27:49:05 - 00:27:51:02

Speaker 1

Community now can we.

00:27:51:02 - 00:27:52:17

Speaker 6

Grow and reach.

00:27:52:17 - 00:28:04:21

Speaker 1

The strength that we desperately need by providing the continuous attention, support and guidance.

00:28:04:23 - 00:28:11:25

Speaker 3

For the day when we go.

00:28:11:27 - 00:28:28:17

Speaker 1

Well-established in our political in the Middle East. Again, let me say this. What I never do that. Is that an opportunity that the political party controls justice? I will be attending this. This is a more than a famous because I report states it is very.

00:28:28:17 - 00:28:29:24

Speaker 2

Hard for an individual to.

00:28:29:24 - 00:28:43:02

Speaker 1

Succeed. If there's a lack of self-esteem due to one's gender or ethnic background. My own personal experience has proved this quote to be true. When I arrived to the United States from Mexico, I.

00:28:43:02 - 00:28:43:19

Speaker 2

Was 12.

00:28:43:19 - 00:28:56:09

Speaker 1

Years old, and my ultimate goal was to become the all American girl that I've seen depicted in movies and television ever since. I can remember well, striving to become this typical American girl.

00:28:56:15 - 00:28:57:02

Speaker 2

00:28:57:04 - 00:29:22:17

Speaker 1

So I found my hippie African cultural family and way of life getting in my way. I thought it necessary to reject everything that made me the person who I am. But soon I realized the very genuine, the beauty of my people and culture. I desired part of my soul and the spirit. It became clear to me that I would not be able to accept myself if I could not accept, if I.

00:29:22:17 - 00:29:28:20

Unknown

Closed up, if I did not accept myself, fully respect myself, I cannot accept myself fully.

00:29:28:23 - 00:29:53:02

Speaker 1

So I desperately search for role models on movies and on television. Because after all, the is supposed to be a mirror image of society. But what happens when a young Mexican American woman like myself cannot hide her portrait that the media presents everyone? I tell everyone to talk like me, who looked like me and came from the same cultural background.

00:29:53:05 - 00:29:54:16

Speaker 6

Were portrayed by other.

00:29:54:16 - 00:30:20:29

Speaker 1

Media as being high school dropouts, gang members, or single teenage mothers. But these people did not understand who I have. Ladies and gentlemen and role models, people who we can relate to and feel proud of. There are so many qualified, respected Mexican Americans in this country. So let us come up with this role models for ourselves and for our children.

00:30:21:02 - 00:30:26:01

Speaker 1

After all, it is organizations like this one that make a difference.

00:30:26:04 - 00:30:26:29

Speaker 5

It is political.

00:30:26:29 - 00:30:38:00

Speaker 1

Movies like this A child is Congresswoman that we are the Nazis and nobody else like Mary Ellen Johnson or Charlie represent who we own and what we.

00:30:38:00 - 00:30:50:00

Unknown

Stand for. Thanks to the people who have dedicated so much of their time, love, and energy to the Latino community. I now know I knelt down with pride and know who I am.

00:30:50:02 - 00:31:14:20

Speaker 1

I am a proud to be Mexican American, talented, gifted, and ready to give to this great ethnically and culturally diverse society as only I can. Each of us is unique and can complement one another, and it is through this unity that we are it to this unity that we can face the challenges and work.

00:31:14:26 - 00:31:21:07

Unknown

For a better tomorrow.

00:31:21:09 - 00:31:26:16

Unknown

World.

00:31:26:18 - 00:31:48:06

Speaker 3

Okay. Yeah. One thing where you can see organizations like this one, organizations like the and things like this, that maybe 1 or 2 organizations like that, they have long anticipated this is going to be happening. Yeah. That's okay. You said it like this.

00:31:48:08 - 00:31:50:28

Speaker 6

So I'm so more straightforward.

00:31:51:00 - 00:31:55:18

Speaker 3

Yeah. You I'm guessing what you're doing on practical. Yeah.

00:31:55:20 - 00:32:00:09

Speaker 2

00:32:00:11 - 00:32:01:09

Speaker 3

Okay. Now.

00:32:01:12 - 00:32:02:08

Speaker 2

Perfect.

00:32:02:11 - 00:32:16:04

Speaker 3

00:32:20:20 - 00:32:22:10

Speaker 2

Off with the dress and everything.

00:32:22:12 - 00:32:27:02

Speaker 1

So that I. So when I go up and, you know, kind of movement to people, I'm comfortable with.

I love your guest. Westbrook with a little. Good evening and welcome ladies and gentlemen members of the J one judges and Your Majesty, I would like to give you my opinion about the first day of education by youth. The future of our world. Education is very important to me because apart of adding vinegar, there's also been efforts.

00:35:13:03 - 00:35:19:29

Speaker 1

For which I took root and struggle in order to reach my goal. And it's a theme. A responsible adult.

00:35:20:01 - 00:35:31:24

Speaker 5

I think this achievement for me will be when I have speculated in high school, upon receiving my diploma, that'll be one of the many goals that I will have accomplished as I look to the future. I see myself.

00:35:31:24 - 00:35:37:07

Speaker 1

In college and I know I will have accomplished no goal of mine. And now I can look into.

00:35:37:07 - 00:35:38:29

Speaker 5

The future once again. We look.

00:35:39:00 - 00:35:40:22

Speaker 1

To contain the rest of my goals.

00:35:40:24 - 00:35:44:07

Speaker 5

And see myself being an educated and responsible.

00:35:44:07 - 00:35:48:28

Unknown

Adult in my community.

00:35:49:00 - 00:35:55:02

Speaker 5

I am aware I know where and when should I be satisfied with completing one step. We will continue to take many steps.

00:35:55:09 - 00:35:59:26

Speaker 1

In order to do wonderful development. Only in this way can one be contribute.

00:36:00:02 - 00:36:00:11

Speaker 6

To your.

00:36:00:11 - 00:36:11:04

Speaker 5

Community and to your culture. There is no doubt that not one, but many, and we, and it is up to us to achieve all of.

00:36:11:04 - 00:36:16:04

Unknown

Those who are affected and.

00:36:16:07 - 00:36:21:24

Speaker 5

Exceptional. So it is up to us to achieve all of those who are receive our education and be the first.

00:36:21:29 - 00:36:23:25

Speaker 1

Person in our life.

00:36:23:27 - 00:36:37:10

Speaker 5

Thank you very much for your attention and have a nice which is the most blessed, but I don't want anyone approaches.

00:36:37:12 - 00:37:00:27

Speaker 3

Okay. You know, don't forget you have an audience and the greatest you can have is on your back. So yeah. Thank you. Right. And of course, the audience. So, you know, kind of look around. Yeah. As anybody everyone thinks about it when you speak of your teacher. Yeah. My grammar teacher, you know. Yeah, yeah, it's good. Yeah.

00:37:01:00 - 00:37:03:00

Speaker 3

Luck. Next we try that.

00:37:03:07 - 00:37:04:00

Speaker 1

Okay? Okay.

00:37:04:03 - 00:37:05:25

Speaker 3

You know what? I'd like to get you there.

00:37:05:25 - 00:37:07:29

Speaker 2

And we will pray the.

00:37:08:01 - 00:37:08:21

Speaker 1

Other side.

00:37:08:22 - 00:37:25:26

Speaker 2

Of this wall to you. Okay? On this side and on that. Okay. Because you have the walkway. Yeah. If I remember you that we're over here and over here, the audience you really can't see because they are not for. And the judges are, you know, you can make it okay, but just try to give them eye contact, okay?

00:37:25:26 - 00:37:27:06

Speaker 2

Do.

00:37:27:09 - 00:37:34:20

Speaker 3

Yeah. And, just practice that and then next week try to touch. Yeah. Yeah. I think it would be helpful.

00:37:34:22 - 00:37:39:21

Speaker 2

Okay. Okay. Yeah. It's.

00:37:39:24 - 00:37:51:29

Speaker 3

So lot of damage.

00:37:52:01 - 00:38:24:04

Speaker 1

Done. I just moved on and across the street and another side of the building. If I could do that, if I got it done, what. Good evening and welcome to this evening I will be speaking about 98, which is of paramount importance to me, every individual and every member of my generation. The topic is integrity, something that is of infinite importance, more and more importantly, is absorbed from contemporary society has become one of morals and ethics.

00:38:24:06 - 00:38:32:11

Speaker 1

Integrity is a value no longer has rules, and the virtues of values have to guide.

00:38:32:13 - 00:39:01:11

Speaker 1

Throughout time, the trust of the world and ourselves has been tested by many indigenous people. Today we watch people sitting with their who supports terrorist nations, Cuba's hidden capsule who was tortured and oppressed his people. And I hope we watch our own presidential family become the opinion of many of these these families and these are leaders or our elected officials.

00:39:01:14 - 00:39:27:13

Speaker 1

How do they reflect the declining integrity of the nation? If this is the case, then it is our challenge to deal with and means to deal with the collapse of this by maintaining our own individual integrity. We

must listen to our conscience and live up to our character. Let's listen to our conscience to live up to our character.

00:39:27:16 - 00:40:00:01

Speaker 1

By trusting, by respecting others. We we want to be respected. And it is my belief that is my belief that integrity is the basis of character. Without integrity, how can one be trusted or respected? We can be uncertain. We constantly look to others who have the qualities of integrity. But how can we do so if we ourselves could not commit to that promise as we search for the ideal self?

00:40:00:03 - 00:40:22:28

Speaker 1

Yeah. Ideal persona. Remember that all is not lost. We can still look up to others who has helped us migrant farmworkers become higher and more educated and have more for themselves, belong to the other, who are pushed to become a voice in government as a woman and.

00:40:22:28 - 00:40:24:19

Speaker 5

As a minority. And then we.

00:40:24:19 - 00:40:26:24

Speaker 6

Never forget those who.

00:40:26:24 - 00:40:56:18

Speaker 1

Devote their lives to the service of others. The chaos of the world is constantly on our shoulders, and we many times for hundreds. But when we tell ourselves that I am the only one and I can never make a difference, that is not true. We are. If we change ourselves, then we can never change. We may never change the world, but we can change ourselves.

00:40:56:21 - 00:41:03:09

Speaker 1

But if enough of us change ourselves, then that will change the world. Thank you and good night.

00:41:03:11 - 00:41:11:14

Unknown

The commitment of the Mexican.

00:41:11:17 - 00:41:14:16

00:41:37:26 - 00:42:00:28

00:42:27:09 - 00:42:31:02

Unknown

Good thing in general.

00:42:31:05 - 00:42:35:04

Speaker 6

Because it was presented you so, so.

00:42:35:07 - 00:42:36:06

Speaker 2

I found it.

00:42:36:08 - 00:42:39:10

Speaker 6

To be so very.

00:42:39:13 - 00:42:40:17

Speaker 2

Very.

00:42:40:20 - 00:42:42:17

Speaker 6

I believe.

00:42:42:20 - 00:42:45:10

Speaker 1

Gravity is my.

00:42:45:12 - 00:43:13:15

Speaker 6

So, you know, I never see because you see the animals because I love this. The this is too so difficult to use technology because love and for people you love for you, the program is going to go for him. You know, get it? I do that for more or you to seven. So if when we say when I give a was bit of fun tonight, I'm very honored because I'm a mother of six young ladies.

00:43:13:22 - 00:43:37:07

Speaker 6

We're being recognized for our past and present accomplishments and our future aspiration. We are here enough. Each one of us is here not by luck, but because we have a strong desire and perseverance to succeed. We are today to you tomorrow. Success. Oh, wait, what about the front pages on this paper? It said some youth were shot and killed while engaged in.

00:43:37:10 - 00:44:02:19

Speaker 6

While engaged in being activity. And what about yesterday? Is it seems to be the same story. Every night a young, an innocent mother child, bystander are shot or who killed by a reckless few reckless, irresponsible, corrupted. These are a few descriptions you may hear by our media every day, which seems to thrive on our downfalls.

00:44:02:21 - 00:44:30:23

Speaker 6

You may have even thought to yourself, what are you coming to do well, tonight? I think I can answer that question. While these attempt to instill in me dopamine a hope and faith in our future leaders, the reason I have so much hope and faith in our in our youth is because I see my youth every day expanding their knowledge, overcoming treacherous obstacle, improving themselves, helping our community, and ultimately making a difference.

00:44:30:26 - 00:44:56:17

Speaker 6

You may see our faces on the streets, in the city and our cities, with street cars and busses out of our city, and for the most part, our destination is for education is our freedom. We are making this enormous. A part of our youth is making the choice to liberate themselves by attending school every day. We are also actively involved in our community, in the margins of our community.

00:44:56:20 - 00:45:24:23

Speaker 6

We we've spent endless hours in soup kitchens, convalescent homes, clinics and many other services. We are definitely committing ourselves to the needs of our community and we do not stop there. We offer this challenge, which a majority decides to prove and to practice and improve. Whether it is dance and musical instrument or another form of art, we are out there and mastering our talent.

00:45:24:26 - 00:45:27:24

Speaker 2

Another as young, as young.

00:45:27:27 - 00:45:53:19

Speaker 6

As young people. We are also as enviable as their people. We are also frequently faced with many temptations and decisions with which can positively or adversely affect our life. In any case, in order to guarantee that we choose a path that will benefit us, we must be able to see and feel support from our society. When we do not experience the support we have, fortunately fall and become a guide.

00:45:53:19 - 00:45:55:15

Speaker 6

And that is why I feel it is so.

00:45:55:15 - 00:45:56:20

Speaker 2

Important that.

00:45:56:20 - 00:46:07:20

Speaker 6

You need to be aware of our youth potential so you can help. Help us in supporting us, forming our visions and teaching our aspirations. Just one more thing you must.

00:46:07:20 - 00:46:13:19

Unknown

Do with it what I do for freedom. I with to.

00:46:13:21 - 00:46:24:00

00:46:25:17 - 00:46:54:24

00:47:01:05 - 00:47:07:11

When if almost the lexical dimension. What? I'm not just because.

00:47:07:13 - 00:47:08:21

Speaker 6

Making them Como Mexicanos. We are very familiar with the many sacrifices and struggles our parents and grandparents have faced to give us a life.

00:47:47:23 - 00:47:50:12

Speaker 1

Many opportunities we.

00:47:50:14 - 00:47:52:11

Speaker 5

Love, and food they gala.

00:47:52:14 - 00:47:58:05

Speaker 6

Today's Latino youth are fast to adapt to the American life. But never shall we allow.

00:47:58:05 - 00:48:02:06

Speaker 1

Ourselves to lose recognition and the importance.

00:48:02:09 - 00:48:09:14

Speaker 6

Of our most valuable culture, tradition and morals. For these customs will be the foundation.

00:48:09:14 - 00:48:12:19

Speaker 1

To build a powerful Hispanic to say.

00:48:12:22 - 00:48:14:10

Speaker 6

The vemos the city and hope that all member cultural Como Mexicanos.

00:48:20:03 - 00:48:35:16

Speaker 1

We need to strive for more and work together with our children. Many of us ignore the importance of an education and prioritize a minimum wage job over the struggle for a good academic. We do not let this happen.

00:48:35:19 - 00:48:42:26

Speaker 6

We must guide ourselves to a better future and its forces. But I would say that of the medical system Illinois.

00:48:42:28 - 00:48:51:13

Speaker 1

But of course, the child, my name, the struggle is major. We must sacrifice in order to secure a better tomorrow.

00:48:51:15 - 00:48:53:18

Speaker 5

Only by educating our Latino community.

00:48:53:18 - 00:48:54:17

Speaker 1

Now can we.

00:48:54:17 - 00:48:56:05

Speaker 6

Grow in reach the quality.

00:48:56:05 - 00:48:58:21

Speaker 1

And strength we desperately need.

00:48:58:24 - 00:49:17:27

Speaker 6

But providing the continuous attention, support and guidance a parent, family, teachers, and school programs we can succeed as a freshman in high school and by as involved individuals who succeed in academics as well as extracurricular activities.

00:49:18:00 - 00:49:38:22

Speaker 1

As a Meghana struggling with my courage, I strive to become similar to those who I admire and now as a senior class, as a senior class president, I James in high school, I not only guide my career, I as a maker, I have succeeded. I work hard to break the chain of contentment.

00:49:38:29 - 00:49:51:22

Speaker 6

I trust others within my reach and I am proud to be Indian. As a senior class president at James the High School, I not only guide my graduating class to be involved with our community at school functions, but I also.

00:49:51:22 - 00:49:55:09

Speaker 1

Attend honors courses, perform as a varsity cheerleader.

00:49:55:11 - 00:50:07:16

Speaker 6

Play varsity softball, and in the fall with many clubs and committee. Now as the channel 48 student of the week, I have gained self-actualization and hope to serve as a role model to.

00:50:07:16 - 00:50:12:18

Speaker 1

Others slowly, with the mean girls are making a difference.

00:50:12:21 - 00:50:16:07

Speaker 5

With so many of us here for Latina in this country.

00:50:16:10 - 00:50:24:25

Speaker 1

Our Hispanic population is still minimal at our top universities and graduate schools. Since the secondary education has grown to cost an.

00:50:24:25 - 00:50:26:23

Speaker 6

Amount that many of us cannot afford.

00:50:26:28 - 00:50:32:15

Speaker 1

We must subsidize with the reachable growth.

00:50:32:18 - 00:50:42:24

Speaker 3

Of the island of an elitist.

00:50:42:26 - 00:50:50:29

Unknown

Ruling. Honored guest and honored. But traumatizing experiences affect us in many ways.

00:50:51:02 - 00:51:20:21

Speaker 1

People who make changes in their lives and are evident at the time, yet to instill changes in their these changes are. Intended to be the focus. Yeah. He's been distributed, focused on one's own life. Yeah. My grandfather was one such person that he affected that meeting that affected my life. I.

00:51:20:23 - 00:51:25:10

Speaker 1

Really? Grandfather was very close by and he had Alzheimer's disease.

00:51:25:10 - 00:51:34:25

Unknown

When I was 11 years old. And that time on, I had to take care of him on the day Americans had to.

00:51:34:27 - 00:51:36:01

Speaker 1

This was just.

00:51:36:04 - 00:51:43:17

Unknown

This was the start of the journey of an emotional journey. So for me, as well as my grandfather.

00:51:43:19 - 00:51:45:00

Speaker 1

Values had always been.

00:51:45:00 - 00:51:49:27

Unknown

Part of my. And then I, you know, in a.

00:51:49:29 - 00:51:54:15

Speaker 2

Okay, here we go. Okay, okay. But next Tuesday.

00:51:54:18 - 00:51:57:18

Speaker 1

Well, because I didn't have time to do it because I've been doing a lot more stuff.

00:51:57:20 - 00:52:03:15

Unknown

That I've been looking at. Of course. Wow. Okay, okay, I know I will have later.

00:52:03:17 - 00:52:05:26

Speaker 3

Read the second.

00:52:05:28 - 00:52:07:24

Speaker 1

Single at the beginning.

00:52:07:27 - 00:52:10:09

Speaker 3

And I just will read where we left off.

00:52:10:11 - 00:52:38:12

Speaker 1

That we had always been an essential part of my grandfather's life. Early on, my grandfather instilled in me the value of education. He himself had to leave school at the tender age of eight to support my family. At 13, he said he had always meant to go back. However, you know, the fact that chance when he did what he did, you know, was instilled in me and his children the value of education.

00:52:38:15 - 00:52:51:24

Speaker 1

Whenever I was upset or frustrated at the word, I couldn't spell or not college, not from. My grandfather was always there to tell me whether to this day, yes you Can has always been.

00:52:51:24 - 00:52:58:14

Unknown

The driving force behind my activism. That really was the driving force behind my grandfather's.

00:52:58:16 - 00:53:21:05

Speaker 1

Family had always been important to me, to him and to everyone around him. He had always looked forward to the family gatherings and this little party determined. But as his health deteriorated, so his mental health, the parties were so excited to hear the story, he started to just slip away as his mental health deteriorated more and.

00:53:21:05 - 00:53:24:22

Speaker 3

More, and he would be angry with me for. And I will.

00:53:24:22 - 00:53:31:16

Speaker 6

Remind you that he's a fighter. Those words would carry us through many.

00:53:31:18 - 00:53:59:02

Speaker 1

Times was always important to my grandmother. Also, we can always make time for someone else. The day community has always been important to him. It has always helped him and his family too many times through what you give back to the community will come back to you. Maybe not now, but I'm sure it will. And he's always looking at times, and I feel that I do not have the time to volunteer or I just can't do it.

00:53:59:08 - 00:54:11:17

Speaker 1

I always remember my grandfather said, we can always make time for someone else. When I was 14, my grandfather passed away. I know that part of my dream was to admit that.

00:54:11:17 - 00:54:13:17

Speaker 6

It was better for me to go.

00:54:13:19 - 00:54:33:23

Speaker 1

And the next part of my journey was to let him know my grandfather's journey to instill his values in his family so that his legacy will live on. I realize now that all he has gone through for me, my journey has not yet been completed. I still have steps and take toward that. I know that I can always make time for someone.

00:54:33:23 - 00:54:38:09

Speaker 1

Now I know that my dad will always be there, and I know that I can always.

00:54:38:09 - 00:54:46:02

Unknown

Always come back. But yes, I do. I and I will have no right.

00:54:46:10 - 00:54:49:02

Speaker 1

I mean, time this week.

00:54:49:04 - 00:54:51:11

Speaker 3

A nice speech. I heard you have a nice voice.

00:54:51:15 - 00:54:52:11

Speaker 1

Yeah.

00:54:52:14 - 00:54:53:13

Speaker 3

I my day.

00:54:53:13 - 00:54:59:29

Speaker 1

But you know, I, I, I, I meant to normalize it this week so I didn't have to go.

00:55:00:01 - 00:55:00:25

Speaker 3

Because I carried.

00:55:00:25 - 00:55:01:22

Speaker 1

It with me around.

00:55:01:24 - 00:55:02:10

Speaker 6

The corner.

00:55:02:12 - 00:55:03:06

Speaker 3

And stable.

00:55:03:08 - 00:55:05:07

Speaker 1

Oh yeah, I know so and.

00:55:05:08 - 00:55:12:25

Speaker 2

I wanted to bring those together out. Well, I, me give it to those two men.

00:55:12:27 - 00:55:18:17

Speaker 3

Because, you know, it was kind of hard when, when you're up to doing the speech and you can't say.

00:55:18:17 - 00:55:23:19

Speaker 1

It. Yeah well I didn't yeah I will never, ever doubted that that so.

00:55:23:21 - 00:55:25:25

Speaker 3

You know but you know and it.

00:55:25:25 - 00:55:32:22

Speaker 2

Will come from inside the way that the speeches from your grandfather were coming from the inside not just remembering. Yeah. And and they get.

00:55:32:24 - 00:55:37:11

Speaker 3

You know, like I say, hey, Joe, nice speech. And your voice is really nice to think.

00:55:37:13 - 00:55:43:24

Speaker 2

You know, you just. And it's so true. That's all I ever tell somebody. Just keep remembering that person. And that person never was.

00:55:43:27 - 00:55:46:27

Speaker 3

Thank you. Oh, I got to give you thanks.

00:55:47:00 - 00:55:54:09

Unknown

00:56:19:25 - 00:56:27:12

Unknown

It. And.

00:56:27:14 - 00:56:32:02

Unknown

The other.

00:56:32:05 - 00:56:35:21

01:00:32:11 - 01:01:00:01

Unknown

Only 4000. The front could not beat the Mexicans. Now, about that fight.

01:01:00:03 - 01:01:19:19

Unknown

Whoa, whoa. We back with that.

01:01:19:21 - 01:01:39:08
