City Hall  
305 W. Third  
Oxnard, Calif. 93030

Dear Mayor Tolmach;

Thank you very much for participating in our recent Heart-0-Rama and for returning the following morning at 7:00 am. to present awards to the two top cyclists. You may be interested to know that the first place winner, Clarence Schultz, rode a total of 397 miles setting a new national record for miles ridden in a 24 hour period.

I'm embarrassed to add that the photographer, in the process of developing his pictures, used the wrong chemicals and destroyed all the pictures.

It was a pleasure meeting you. Your participation and interest was very much appreciated.

Sincerely yours,

  
John R. Bernier
