### CAMPUS ACTIVITIES

#### SENIOR COMMENCEMENT SPEECH TRY-OUTS

Any Senior interested in being the student commencement speaker should leave his or her name with Miss Cantor, outside SS Room 108. The only requirements for this honor are 1) a 2.5 GPA, and 2) must have completed all work for graduation by June, 1971. Details relating to the try-outs can be obtained from Miss Cantor. The try-outs will be conducted on Friday, May 14. Deadline for signing up to try out is Tuesday, May 11.

#### CAP AND GOWN

The deadline to rent your cap and gown has been extended to Monday, April 26.

#### CAMPUS PLACEMENT VISITS

The following organizations will interview seniors and graduate students on the indicated dates for prospective career positions. Interested students should sign up for an interview time by contacting the Counseling and Placement Office, Student Services Building, Room 112.

#### SENIORS AND GRADUATE STUDENTS

Seniors and Graduate Students who wish to secure jobs for the coming year should contact the Placement Center as soon as possible. Students doing their student teaching this quarter should file their professional papers now and should have their confidential recommendations sent in from all persons, except their college supervisor and cooperating teachers. Each person submitting a letter of reference should submit only one recommendation form for each student and forms for this purpose are available in the Placement Center.

DRUG INFORMATION

Are you interested in learning about the effects of marijuana, hard drugs, stimulants and depressants, LSD, smoking, alcohol, suicide, venereal disease? If so, the Counseling Center has made tapes available for listening in the Audio Visual Center of the Library.

HEALTH CAREERS

Students interested in careers in the health and related occupations may want to stop in at the Counseling Center to review the recent edition of the Occupational Outlook Quarterly. This publication indicates projected needs for people interested in health professions and discusses the various occupational areas.

CINCO de MAYO

Cinco de Mayo program is planned for 2:00 to 3:30 p.m. on May 5 in LB 100 by the CID(s) (Chicanos Interesados en la Democracia). Program includes folk dances from Mexico, slides and commentary on the states of Chiapas and Oaxaca (states where dances originated), a brief history of what the date commemorates, and a brief history of the Mexican flag.

COMMUNITY SERVICE

Various agencies in Bakersfield need students who have their Water Safety Instructor Certificate to teach people to swim. Students who are interested in assisting WSI are needed also.

Several convalescent homes need students to work as aids. This involves working with elderly patients.

The Crisis Center Hot Line of Bakersfield is having a volunteer training class for phone duty. The class, which will meet for three consecutive Saturdays, begins May 1.

For further information concerning these areas, contact Mrs. Perry, Student Services Building, Room 111.

LOST AND FOUND

A gray Alpaca man's scarf - sentimental value - was left in one of the state cars by Professor Carlos Lozano, Chairman, Department of Foreign Languages.

Anyone who lost a woman's ring on Friday, April 16, please check with Security.

ANNOUNCEMENTS

All persons interested in viewing the film "Nazarene" are invited to join the Anthropology 477B students on Monday, April 26, from 11:00-12:30 in CB 102.

WEDNESDAY LECTURE SERIES

The Bald Soprano happens this Wednesday, April 28, at 11:00 a.m. in LB 100. It's a Cal State "first" drama at last! Cooperative efforts of over twenty Cal State students, faculty and staff members will climax the "trans-media" production. Directed by Dr. Cal Keet, it includes a reading theater interpretation of Eugene Ionesco's anti-play and original music, film, and art. A second presentation Thursday night, April 29, at 8:00 p.m., also in LB 100, will be open to the public. Don't pass up the anti-play -- it may be your kind of relative!

PROFESSIONAL ACTIVITIES

Professor David H. Ost recently attended the National Conventions of The National Association of Research in Science Teaching, Association for the Education of Teachers of Science, and The National Association of Science Teachers. He presented a paper entitled "Changes Necessary for the Adequate Education of Secondary School Teachers of Science and Mathematics" at the NARST meeting. He was also a participant in a panel presentation of the report of the national project to develop guidelines for the education of secondary school teachers of science and mathematics. Ost was coordinator of the NSF sponsored project.
