Mr. W. R. Hearst,
137 Riverside Drive,
New York, New York.

Dear Mr. Hearst:

The set in Living Room of House B will require following material. I think the antique damask of shade of sample will be just right.

Chairs.

Seats. 14 pieces 2' 0" wide x 1' 11" deep.

Backs. 14 pieces (face) (1' 3" wide x
14 pieces (rear) (1' 5" high

Sofas.

Seats. 2 pieces 4'2" wide x 2'5" deep

Backs. 2 pieces (face) (3'9" long x
2 pieces (rear) (1'6" high

These measures are given in full so that allowance can be made for the repeat of the design.

Yours very truly,

JM-dm
