MEXICAN EGG-HEADS?

Thanks to Robert Rodriguez, always thinking and getting underway a new organization known as

PEG (POLITICAL EDUCATION GROUP), a one-of-a-kind group whose sole purpose is to rob us of our old standby excuse, "I didn't vote on that issue because I really didn't know anything about it." Anyhow this is what I always say because I was too lazy to read all that fine print in those brochures at voting time. Bob tells me PEG's purpose will be to inform on political issues. This is good because there are too many always trying to tell you who to vote for. It will be a pleasant change to learn facts and then be able to intelligently decide for ourselves if we are for or against. (Who knows we may become Mexican Einsteins!)

Congratulations to our new member of the G.I. Forum Ladies Auxiliary, Miss Maria Garza, on the office of Secretary won in the recent election of the ULAC group.

Memo to Anita Campos: Say Anita, have you heard that TV commercial the Greyhound Bus Company puts out? You know that famous line, "Take the bus and leave the driving to us." Well?????

Food For Thought: To all officers, new and old: Being elected to office does not make you an authority on leadership, it only gives you the license to practice it.

Things We Members Must Try To Practice

Always attend the meetings and speak our mind at the meeting on the issues brought to our attention, don't stay home and the next day get on the phone and voice our gripes at the way things went. Keep in mind arguments, ideas, are never to be taken personally. We can't all have the same idea, nor can we all agree as to the best way to accomplish one goal. It would be a pretty dull world if this was the case.

Remember our officers can only do what we permit them to do. Let's make our motto "United we Stand - Divided we Fall."

Santa Clara County put its best foot forward for the general public Wednesday, July 17th, when it dedicated the new South Santa Clara County Office Building in San Martin. Special educational exhibits were on display in every Department, and staff members guided visitors through the spic-and-span structure.

Board of Supervisors Chairman Ralph H. Mehrkens delivered the dedication address from a bunting draped platform, and Mayors Kenneth L. Peterson of Gilroy and Tony Fazio of Morgan Hill gave welcoming speeches. William B. Agler, San Martin businessman, served as Master of Ceremonies.

A highlight of the half-hour ceremonies was the presentation of a national flag once flown above the nation's capitol. The flag was raised by a uniformed color guard from Clifford R. Rodriguez Post 809, American Legion, San Jose, California.

Family Service Association of Santa Clara County

En las oficinas de F.S.A. en 55 East Empire Street se trataron el año pasado dos mil trescientos sesenta y cuatro casos, en el presente año la cifra subirá a tres mil, para el año que viene serán tratados el rededor de cuatro mil asuntos y se calcula que para 1973 se tendrán que tratar cuarenta mil problemas familiares a través de F.S.A. Si se logra tener el personal necesario para atenderlos. Entre esos casos los mas son prevencion de divorcios, delincuencia y los tragicos resultados de matrimonios deshechos.

Mas de la mitad de las familias que se acercan a F.S.A. es por que su matrimonio esta en peligro y piden ayuda en esa clase de problemas. Un cuarenta por ciento de las familias piden orientacion por que sus hijos se estan acercando al camino de la delincuencia, abandonando la escuela o haciendo matrimonios precipitados. Otros piden ayuda y consejo para los problemas entre padres e hijos; el porcentaje restante, presenta un amplio numero de problemas familiares de todas clases.

F.S.A. es una organizacion que trabaja por el bienestar de la familia y por la orientacion y educacion de la juventud. Es deber de todos colaborar en la forma que nos sea posible para que F.S.A. este en condiciones de servir a la familia y a la comunidad.

El consulado Mexicano de San Jose permanecera cerrado desde el 16 de Agosto hasta el 6 de Septiembre.

El Sr. Don Ernesto Cota, Consul Honorario de Mexico en San Jose estara ausente de sus oficinas por tres semanas que dedicara a descansar de las arduas tareas de su cargo. Todos los asuntos relacionados con el Consulado Mexicano serán atendidos por el C. General de Mexico en San Francisco, Sr. Adolfo G. Dominguez.

COMO PREMIAN LA APLICACION EN EL ESTUDIO

Días pasados tuvo lugar una reunion en el Ministerio de Educacion bajo la presidencia del titular del ramo, el comunista Armando Hart. El tema tratado estaba muy lejos de los intereses de la docencia y de la mision que corresponde a un Ministerio de Educacion. En el orden del día figuraba un solo punto: la recogida del cafe por los estudiantes.

Esta vez la seleccion recayo sobre los estudiantes de la enseñanza secundaria de los distintos planteles de todas las provincias. Para realizar la labor se prefirió a aquellos alumnos que hayan demostrado mayor aplicacion en sus estudios y deberes escolares. El lema aprobado para la nueva campaña

de recogido del cafe, muy expresivo por cierto, es como sigue: "Los mejores en estudios a la recoleccion de cafe."

Es decir, que despues de un curso escolar de intenso trabajo, los muchachos tendran como recompensa y vacacion la dura faena del cafetal.

RIP ROARING "RAPID RUDY" - Instant Leader

Modern times have brought us many new innovations like instant coffee, instant tea, instant potatoes and recently we were all treated to a sparkling demonstration from an "instant leader".

Recently, a civil rights militant group issued a press release that they would send teams to speak to businesses regarding the hiring of negroes, Mexican-Americans and orientals. Boycotting, demonstrations, and other such pressure tactics were inferred if the businesses did not go along. This, of course, suggested that perhaps Mexican Americans might be marching in the streets demonstrating. Our Mexican American leaders set phones ringing talking to each other to see what approach could be used to clarify the Mexican-American position.

While the hashing was going on behind the scenes, Lo and Behold a "Shining Knight on an Armored Horse" came klompity klomp down Santa Clara Street and with a screeching of iron parked outside the newspaper building and tore inside yelling "The Mexican Americans are not Coming"....."The Mexican Americans are not Coming". Who could foretell that we would have a Paul Revere in our midst!!!!!! The newspaper people gave our Knight a tranquilizer and calmed him down to see if they could get any coherent meaning from his words. Gasping for breath our Knight explained that he represented 22 clubs and organizations from ULAC and wanted to issue a statement. He did and the newspaper people said, "We think it's wonderfulllll that you came," and faster than you could say who dunit the men in white came in their paddy wagon and hauled Rodolus Elotious Cassius Belluomini away amidst the thunder of his clanking armor and continued cries.

His horse remained behind still hitched to the parking meter with overtime parking tickets pinned to its tail.

Back home, Bill Lopez, president of ULAC, tried to explain that Rudy had no authority to speak for ULAC. Rudy countered by saying he was speaking for himself but that the paper had misunderstood. He alienated organizations such as MAPA, CSO, the GI Forum who are not used to anyone doing their talking for them.

ULAC has never pretended to be anything but a coordinating council and I am sure that it will continue to be. I hope that Rudy's statements will not bring havoc on ULAC who has done a good job in co-

ordinating many of the projects of various organizations so they won't be in conflict with one another.

Rapid Rudy has turned out to be the Lone Ranger with no "Tontos" to follow him.

Color him "gone" !!!!!!!!!!!!!!!

Mrs. Richard Franco has asked me to thank the various organizations who helped Mrs. Gallegos attend her mother's funeral in Wyoming. The RVA Post and its members, San Jose and Santa Clara Forums, Club 13, Los Amigos Golfing Club, Gil Solarez, Lalo Caballero, ULAC deserve the thanks of the community for their contributions. There were other organizations solicited but the requests fell on deaf ears. This was a worthwhile cause and many thanks go to the organizations and clubs who recognized it.

Jose Lopez was elected President of the Political Education Group (PEG) at a recent meeting at Lou's Village. Other officers are Vice President Ted Cazares, Secretary Ron Valdez, Treasurer Bill Lopez, Sergeant at Arms Mike Ybarra and Directors Sal Lopez, Ernie Vasquez and Bob Rodriguez. A dinner meeting will be scheduled for the installation ceremonies.

I will be missing the next issue. Going to Chicago to attend the national convention of the GI Forum. Attorney General Robert Kennedy will be the main speaker. Hope Rudy doesn't beat Bobby to it!!

Bert Corona from Oakland gave a fabulous speech at the recent ULAC Installation of Officers Banquet at Mariani's. He presents gavel to outgoing president Lena Manriquez. Bill Lopez is the incoming president and Rachel Andres secretary.

HELEN S. and
JOVITA M.

Today's Earth Shattering Question is:

Are Tony Reyes and Connie Garza rekindling an old romance?

Is it really and shockingly true that Anna Dominguez is keeping her new flame under "wraps"? If so, what kind?

Will Margo Najera really make a comeback this coming Fall?

Did Nando (hiccup) Gutierrez really join the Bachelors Club for fun and profit?

Is it true that Hank Paramo plans to open a new Hilton Hotel in Tijuana? Will he survive the 1984 stock market crash?

Why oh why is the Bachelors Club Bowling Team losing its zest on Thursday nights?

Will success spoil Angie Jaramillo?

Will they or won't they? Did they? Didn't they? Does he? Does she? Only their hairdressers and barbers know for sure.....

Those of you who are jazz enthusiasts, neurotic or just can't sit still, make a mental note to attend the big Monterey Jazz Festival in September. Man, like how will you survive the winter? Speaking of progressive jazz, Dave Brubeck originator of "Take Five" has a new release in L.P. form entitled Countdown Time in Outer Space. The rhythms are spontaneous and the sound is strictly combustion. I've noticed that it sounds better when I play it in real hot weather, like in the afternoon for instance. I get the feeling that the whole house is being blown up by TNT.

Helen Solarez, my poison pen-pal associate, buddy and platonic friend is vacationing in Southern California this month. She's staying with the Beverly Hillbillies, I believe.

Yes, and here I am by my little old lonesome.

FLASH!

Toni Barila left for greener pastures, evidently she signed a seven-year contract with a big fat producer "Dudley Do-Little". Diane Barrera sent us a postcard from Texas where she is vacationing. Says Diana:

Hi Menzas:

I'm having a real blast up here, the horses can really kick up a storm (But I always kick them back). Menzas, please tell Gil S. that he has a fan club down here but at the moment they are picketing it. Also please watch McDaniels for me while I'm gone. I have to close now because I have to go round up the cattle.

At the last meeting we asked the girls what they'd like to do in their spare time, replies were: Yolanda Fuentes - I like to get into people's hair. Gloria Fuentes - Well.....I'd like to put a rug and fireplace at Bachelor's so I could feel more at home.

Carrie Villareal - Collect peach-fuzz.

Pattie Tamez - Get all the girls together so we could throw a real hootenanny.

Mary Martinez - Turn blond so I could have more fun. Norma Espinoza - Teach Gasper how to clean the bath tub ring when he's through taking a bath.

Rosie Gutierrez - Count coughs, and stare at people at the launder-mat.

Carmen Molina - To have cocktail breaks at Lockheed (I get the 10 o'clock droop).

Jessie Hernandez - Teach Tony R. how to make flour tortillas.

Carmen Cortez - Learn how to bowl without using my hands.

Jessie Castillo - Color. I love to color! Color me gone.

Rachel Andres - I enjoy conversing with my pet alligator "Fanny". I keep her in the sink.

Diane Barrera - I think of what I'm going to do when I get some more spare time.

Club Elite plans to throw its annual Formal Ball in September. This year's theme will be "Athens by Night" in the grand Greek fashion. And you shall be hearing more about this in the very near future, like next month. Meanwhile those of you who plan to attend may make your reservations now by contacting anyone of us (pick a winner).

La Leyenda del Pajaro Cu

Cuando el dios Tonatiuh gobernaba, en tiempos muy remotos, los pajaros poseian el don de hablar como las personas.

Entre todos ellos, el mas feo y el mas insignificante era el pajaro cu. Cuando en las noches de luna llena, presedidos por el aguila, se reunian en consejo, el pajaro cu aburría a todos con sus lamentos. No podía resignarse con su vulgar plumaje descolorido. Un día el aguila, cansada de tantas quejas, quiso buscarle un remedio y pregunto al tecolote (lechuza), que habia ganado reputacion de sabia, si se le ocurria algo para embellecer al pajaro cu. La lechuza penso largo rato y al fin propuso, solemnemente, que cada pajaro le diese una de sus mas bellas plumas. Como estos no se mostraban dispuestos a desprenderse ni de una sola de ellas, la lechuza creyo oportuno que, a cambio, el pajaro cu se convirtiera en mensajero de las aves, para poder pagar con sus servicios el sacrificio que se hacia por el. Asi fue acordado. Las plumas de los mas bellos colores le fueron entregados a este pajaro y el las recibio, rebozante de alegría.

Desde aquel día, el pajaro cu fue el mas bello de todos. Pero pronto se olvido de su compromiso; se pasaba las horas contemplandose en la superficie de las aguas y se escabullía cada vez que alguna de las aves necesitaba sus servicios.

Llego un día en que el aguila quiso reunir un concilio y encomendo al mensajero que avisase a todas las aves para que acudiesen a la reunion. El pajaro cu no se preocupo de cumplir el encargo, sino solamente de continuar contemplando su deslumbrante plumaje, cuando llego el momento del consejo el aguila se encontro sola. Atribuyendo la culpa a los convocados, acudio en su busca, y a picotazos los llevo, por las malas, al lugar señalado para la reunion. Una vez allí, todos levantaron sus quejas. Ninguna habia recibido orden ni mensaje alguno. Comenzaron las injurias, las protestas y las voces se elevaron cada vez mas; tanto que el dios Tonatiuh los oyo desde el cielo y les mando callar. Pero los pajaros estaban tan enfurecidos, que continuaron sus gritos, culpando a la lechuza y al pajaro cu. Entonces el dios Tonatiuh extendio su mano y los condeno a perder la facultad de hablar. Desde aquel momento sus voces se convirtieron en graznidos; pero su colera contra los culpables de su desdicha persistio.

Todavía hoy el tecolote no puede salir de día porque se expone a ser picoteado y el pajaro cu, que tampoco puede salir mas que durante la noche tiene que esconderse de la lechuza, que le busca para satisfacer su venganza.

El plumaje del pajaro cu sigue siendo el mas bello y el mas brillante, pero de poco le sirve, ya que nadie lo ve. Solo el se lo alaba, tristemente, contemplandose como antaño en la superficie de las aguas.

Club Riviera

FRANK D. KAWAKAMI

On Sunday, July 14th, Club Riviera's ball team played one of the most exciting games they ever played. It was against San Joaquin. San Joaquin was leading by a score of 6 to 0 all the way to the bottom of the seventh inning, when Club Riviera's power and speed came alive. In the last half of the 7th inning, the opposing pitcher walked the first two men up at bat. Frank D. (d for dangerous) Kawakami coming up next, hit a home run which made the score 3 to 6. The pitcher again walked another man and the next man got on base on an error. The San Joaquin decided it was time to change pitchers. Harold (Speedy) Martinez coming up to bat got a base hit to drive two more runs in, which made the score 5 to 6. The next two players got on base and then Hildard (Home Run) Payer came up to bat. He slashed a base hit to right field which brought in the winning runs. As the saying goes "Never underestimate your opponents" or "the game isn't over until the last out." No le tenga miedo al Watusi.

After the game we had a practice game with Hollister in Hollister. We lost to them with a score of 7 to 3.

On Saturday, July 20th, the UCC League had an important meeting. The subject discussed was members who were still delinquent of money from the UCC dance held May 26th. Also discussed was the manner in which a three way tie for second place would be played off. It was decided that the playoff would be held on Sunday, July 28th. The three teams involved are El Dorado, San Joaquin and of course, Riviera.

The United Latin American Club Council had its installation of officers banquet on Friday, July 19. Mr. Cordona, the guest speaker, gave a speech on Mexican American. The speech covered the history, culture and where the Mexican American stands today.

The out-going president of ULAC, Lena Manriquez, installed Bill Lopez of the GI Forum as new president. Mrs. Manriquez (Mexican Chamber of Commerce) and Miss Rachel Andres of Club Elite, received awards for outstanding services.

Paul Ramirez of Club Riviera was elected athletic manager for ULAC.

By the time you read this column the British, Russian and American governments may have a Nuclear Test Ban Treaty, to end tests in the atmosphere, on land and in the sea. This is great, it's a step in the right direction. However, I think that when the French and Chinese become nuclear powers, and France is almost there, a new treaty will have to be

drawn up. Because by then the reasons for this treaty being made will have been defeated. Both the French and Chinese are going to test until they are equal to the big three. This will be so that they can have the same say in world affairs as the others. Until then, the test ban is a good thing but when they (France and China) become nuclear powers, I don't know what we'll call it.

El viejo artista enseña al joven los secretos de su arte. Le muestra como debe sonreír, como debe andar, lo inicia en el misterio de la expresión y en el ritual de los ademanes.

El principiante ve, observe, y poco tiempo después se va comprometiendo de tanta cosa interesante. Llegar un día en que ya domina el arte escénico y se presenta en público. Su actuación es aplaudida.

Sin embargo el que sabe advierte un defecto: el joven artista es factado; hace todo; sincrónicamente sin sentimiento; sin alma. Esto naturalmente; no lo ven todos; pero el observador acucioso lo aprecia desde luego.

Así; esa Vieja Maestra que es la Vida; enseña su complicado arte a todos y los prepara y los adiestra pero hoy eres tan afectados que se conducen con tal falta de sinceridad que se aprecia; a través de su pretendida cortesía lo falso de sus sentimientos.

En la existencia moderna abundan los hombres afectados que sonríen - como el artista novel - sin arte sin gracia. Claro; las gentes ingenuas; aceptan esta sonrisa como buena; pero el que sabe se da cuenta de que el fondo de todo no hay mas que hipocresía.

Por supuesto hay que tener cuidado con las gentes afectadas que fingen cordialidad y la fingen tan mal.

Conducirse sinceramente abiertamente; puede ser todo lo peligroso que se quiera pero una sonrisa franca; positiva; un apretón de manos fraternal; un abrazo efusivo; valen mas que todos los fingimientos.

Y es que las lecciones de esta Gran Maestra que es la vida no todos las aprenden como debe ser. Abundan los malos actores.

IT WON'T MAKE YOUR WEEK, BUT

There are rumors that Hank "My car may not be the Mayflower but a lot of broads came across in it" Paramo is getting married sometime this summer. We'll believe it when Hank himself says it and does it.

This is a fact: Humberto Garcia, Jr., is getting married on August 18th. To Elberta Gray, SJSC coed. Congratulations to both of you and we wish you lots and lots of happiness..... and kids!

Elizabeth Taylor is getting married to some guy named Dick, but you must've read about that somewhere else also. No?

Correspondent Paco Hernandez sends us poetry and short articles regularly and signs his columns Paco Hernandez - Monterrey, Mexico. But, the letters bear a Del Rio, Texas, postmark. What gives, P.H.?

San Felipe softball team is leading the U.C.C. League.

Our only conclusion can be - San Felipe boys pretty good sports, cuñado! PRRRT!!!

Richard Nixon talks too much. He went to Europe and sounds off like an expert on how to run the world's affairs. You had eight years to do something about it while you were veep, Richie, so now why don't you shut up and let the men who know what's what run the country. And that goes double for Ike "Golfers that I used to be able to beat when I was President beat me regularly now" Eisenhower.

In answer to the slogan GOLDWATER FOR PRESIDENT, KENNEDY FOR KING which I've seen on bumper stickers, I submit KENNEDY FOREVER, GOLDWATER FOR PRESIDENT (of the Alviso Chamber of Commerce).

IT WON'T MAKE YOUR BUT WEAK.....

This lovely lady is MARIA DUVAL and the reason we ran her picture in this issue is because..... aw hell, who needs a reason for running a picture of a good looking woman? She looks a lot like a girl I used to know in school. That girl's name was Barbara and everyone called her "Yummy Yummy" because she looked good enough to eat.

And then there was the girl everyone called "Rocket" but you'll have to read REMEMBER THIS DAY to find out why.
