

Oxnard-Port Hueneme Committee on Aging

March 5, 1973

Dear Mrs. T. L. March,

The undersigned have met and planned another meeting on RSVP for a larger and more representative group from our community. As you probably know, RSVP stands for Retired Senior Volunteer Program, and is a part of the federal ACTION program. Its goal is to encourage people over 60 years of age to perform needed volunteer services in their community. A local RSVP would be sponsored by an established community service organization and guided by a local advisory committee. Funds are provided for a full time director and for training, transportation and lunch money for those serving as volunteers.

Mrs. Bette Martin of the California Commission on Aging will again be present to provide information and guidance as to forming a RSVP unit here. The meeting will be held on Friday, March 23 at 3:30 P.M. in the conference room of the Edison Company, 2nd and B Sts., Oxnard.

We appreciate your interest in attending earlier meetings, and hope you can be present on March 23. We would also welcome your ideas and suggestions, especially in regard to which local group would be best to sponsor the project.

Sincerely yours,
