Alan Pattee Scholarships

Children of deceased public law enforcement or fire suppression employees, who were California residents and who were killed in the course of law enforcement or fire suppression duties, are not charged fees or tuition of any kind at any California State University campus, according to the Alan Pattee Scholarship Act, *California Education Code*, Section 68121. Students qualifying for these benefits are known as Alan Pattee scholars. For further information, contact the Registrar's Office, which determines eligibility.

Refund of Fees

Fees may be refunded only as authorized by Sections 42201 (parking fees), 41913 (nonresident tuition), 42019 (housing charges), and 41802 (all other fees) of Title 5, *California Code of Regulations*. Whether a fee may be refunded and the circumstances under which a fee or any part of a fee may be refunded, vary depending on the particular fee involved. Requirements governing a refund may include such matters as the reason for seeking a refund (for example, death, disability, compulsory military service), the number of days of instruction that have elapsed before complete withdrawal is made and the degree to which the campus has provided the services for which the fee has been charged.

The student must file a written application for refund of fees stating the reason for the refund request with the Admissions and Records Office. The application should be filed at the

earliest possible date since the refund will be denied if submitted beyond certain time limits. For example, requests for refund of the state university fee, student body fee, and University Student Union fee will be made if *withdrawal* occurs within 14 calendar days after the first day of instruction. Refund requests for extension course tuition fees must be made prior to the fourth meeting of the class.

Details concerning the fees that may be refunded, the circumstances under which fees may be refunded, and the appropriate procedure to be followed in seeking refunds may be obtained from Student Financial Services, Joyal 181, (209) 278-2772.

Registration Fees. After a student makes a formal withdrawal from the university through the Admissions and Records Office within 14 calendar days after the first day of instruction, a refund of a portion of the *state university fee* may be made. A student shall file the application personally; if in the opinion of the administration, he or she is unable to do so, the parents or guardian of the student who is a minor, or the legal representative of the student may make the application. (See Title 5, *California Code of Regulations*, Section 41802.)

The amount of the refund will be determined by Student Financial Services by deducting \$5 for administrative costs. A full refund may be made to a student who is unable to continue a course because of a university regulation, compulsory military service, death, or disability at any time prior to the date the student receives any academic credit for any course or courses for which he or she is registered less \$5.

There is a refund for a reduction in the student's unit load if the unit load is reduced to a lower fee category no later than 14 calendar days after the first day of instruction.

The same withdrawal and application for refund procedure applies for the nonresident tuition fee except that the time limit is different. There may be a refund for reduction in unit load.

Within the first week of the session, a full refund may be made for units dropped. For each additional week, the refund diminishes as follows: 90 percent of the fee the second week, 70 percent the third week, 50 percent the fourth week, 30 percent the fifth week, 20 percent the sixth week, and no refund after the sixth week.

Parking Fees. A student is entitled to a refund of parking fees in the amount shown in the following schedule if on any one calendar day within the applicable period the student files with Student Financial Services a written application for refund and returns all documents issued (including parking permits). If the permit is affixed to a vehicle and the vehicle is presented to the university for removal of the item by or under the direction of the state, such presentation and removal shall constitute return of the item.

The refund application schedule is as follows:

- 1-30 calendar days 75% refund
- 31-60 calendar days 50% refund
- 61-90 calendar days 25% refund

Housing Facility Fees. The licensee of a residence hall facility in instances of cancellation, revocation, or vacating shall owe fees as provided in Section 42019 of Title 5, *California Code of Regulations*, regardless of whether the licensee ever assumed actual occupancy and regardless of whether a licensee who has assumed actual occupancy moves out prior to the designated period of obligation. The university shall refund all money collected in excess of such obligation as soon as reasonably possible. A copy of Title 5, Section 42019, is available in the Henry Madden Library, Student Affairs Office, and Housing Office.

Estimate of Expenses

The basic expenses for attendance at California State University, Fresno for a year (two semesters) for full-time students who live away from home are approximately \$7,700. This figure is exclusive of the nonresident tuition fee but includes an estimate of such personal items as clothes, laundry, and incidental expenditures. Students who live at home or share apartments with other students and commute to the campus are able to
