## **His Senate Colleagues Praise Salinger . . .**

"Pierre Salinger already has won the respect of his Senate colleagues for his forthright positions on important legislation and the vigor with which he represents his own state. He is an able successor to Clair Engle."

MIKE MANSFIELD, Montana.

"Senator Salinger's strong position on human rights — his positive attitudes toward greater Pacific trade, and his willingness to stand up and be counted — all mark him as a constructive and liberal new force in the Senate."

DANIEL K. INOUE, Hawaii.

"Pierre Salinger's service in the White House with Presidents Kennedy and Johnson has qualified him admirably for his duties as a Senator. We welcome him as an effective and energetic addition to the Democratic majority."
