

NAME: Mrs. Jane McCormick Tolmach AGE: 46

OCCUPATION: Housewife

EDUCATION: Ventura County elementary, high school and junior college  
University of California at Los Angeles, A.B. 1943  
Smith College, Northampton, Mass. M.S.S. 1945

QUALIFICATIONS: If the proposed unification is approved by the voters, I would like the opportunity to serve on the new board of trustees. I feel that my experience as a member of the Oxnard Union High School Board, the largest high school district in the county, would be valuable in the development of:

1. A sound educational program -- kindergarten through twelfth grade.
2. A workable transition of certificated and classified personnel.
3. A realistic budget.
4. A sound tax rate.
5. Community participation -- Adult Education, Headstart, etc.

My husband, Daniel M. Tolmach, M.D., and I have lived in Oxnard since 1948. Our five children, ages 20 to 9 years, have all been students (and two still are) in the schools of the proposed unified district.

Community Experience:

Member Board of Trustees Camarillo State Hospital since 1959  
and Chairman '67-'68.  
Member Oxnard City Planning Commission 1957-62 and  
Vice Chairman  
Member 1958 Ventura County Grand Jury and Chairman of Tax  
Committee.
