

TONI KIMMEL

DEMOCRATIC CANDIDATE FOR U.S. CONGRESS, 27th DISTRICT

4418 Beck Avenue
North Hollywood, CA 91602
(213) 763-3656

Friday Nov. 27th 1970

Dear Jane:

Hope you had a Happy Birthday!

Sorry for the delay in answering your letters lately - but I've been swamped with cleaning-up after the Campaign, as well as zillions of calls and meetings - in addition to some personal and family life to pay attention to, for a change.

You failed to mention two things - one, ~~was~~ a "deadline" for submitting names for Key Awards, and two - the limitation, if any, of the number of women we are allowed to nominate. (Please forgive my mistakes - I'm very tired - it's 1:30 AM!)

Therefore, I hope I am not out of line in suggesting seven (7) women - each of whom not only helped in my own campaign, but was, in some way, responsible for very important work (headquarters, staffing, financing, registration, and get-out-the-vote) for the entire Democratic Party State State operation. They are truly "Key Women". * Thanks very much!

See you soon!
Love -

Toni
