Mrs. Daniel Tolmach
Oxnard, California

Dear Jane:

I realize I have not written to thank you for all you did to make the testimonial dinner at the Beverly Hilton, on May 31, such an outstanding occasion. I will long remember it with great pleasure.

Believe me, I am deeply grateful for the good will and encouragement expressed by my friends. Your wonderful confidence and support mean more to me than I can tell you.

With warm personal regards,

Sincerely
