

Understanding Internment Facilities

C-1 Permission will not be granted Caucasian religious workers to reside within confines of the various Centers.

2 Japanese religious workers will conduct all services and activities where ever possible. —

3 It is of prime importance that only Caucasian workers who have a constituency among those located at Assembly Centers be permitted to enter such Centers.

6 Japanese will not be spoken in connection with religious services or activities except where the use of English prevents the congregation from ~~comprehending~~ comprehending the services. The use of Japanese in this respect will be only with the sanction of the Center Manager.

F. It is the desire of this office to adhere to the American principle of religious freedom regardless of sect or denomination, race or creed, and to tolerate no discrimination against any religious denomination which the Japanese constituency or group within the Center have requested. Communication Facilities

Installation of telephones for communications within the Centers will be limited to that required for the successful operation and management of the Center. It is not intended that there will be any widespread telephonic installation for the use of evacuees. Telephonic or telegraphic communications of evacuees with localities outside the Centers will be allowed only in case of emergency and then only with the express approval and under the direct supervision of the Center Manager. The Center switch-
