1. SOCI WEEK. The Student Opinionaire of Course and Instruction (SOCI) will be administered during the week of 3 March - 7 March 1980 for the Winter Quarter.

Packets will not be made up for classes with five or less students unless a specific request is made by the Dean's Office. Please notify your Dean if you want SOCI's of any class with 5 or less students. Also let them know if the class no longer meets so a packet is not ordered.

Team taught classes will have packets available provided the Dean's Office has ordered a packet for each instructor through the Vice President's Office. Packets for modular classes should also be ordered by the Dean.

Please note that SOCI packets will be made up only at the request of the Dean. Faculty members may not request packets directly from the Vice President's Office. No SOCI's may be ordered after 29 February 1980.

Packets may be picked up in the Vice President's Office in DDH/D100 by the faculty member during SOCI week. Packets will not be given to students except by written memorandum from the instructor. NOTE: If you are unable to pick up a packet before 5:00PM, please phone the Vice President's Office, Ext. 2154, to make arrangements. Pencils will also be available in the Vice President's Office.

The SOCI sheets will be returned to each instructor after all campus grades have been turned in to Records. Packets will not be released until all grades have been turned in by all instructors for the entire campus.

AN INSTRUCTION SHEET WILL BE INCLUDED IN EACH PACKET.

2. NATIONAL SCIENCE FOUNDATION has awarded a grant in the amount of \$11,801 to David Cohen's project "Undergraduate Research Participation".
