### ASI President Invites You: Name Our New Mascot!

Greetings from ASI,

We are your student government, and we are committed to serving **you**—the students! Last year, in collaboration with University Communications, we engaged you in a poll that led to selecting the Peregrine Falcon as our mascot. This year, we have the pleasure of involving you again in naming our mascot!

Throughout this month, you have the chance to **submit creative names for our mascot** through our link below. After the submission period, we will narrow down your suggestions to the **top three names**, which will then be put into a larger poll for everyone to vote on. We encourage you to be as creative as possible and take part in CSUEB history!

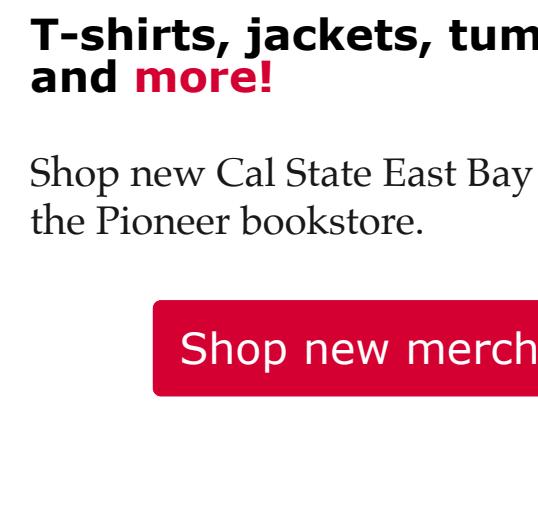

—Nolan Calara, ASI President
