Dear Betty,

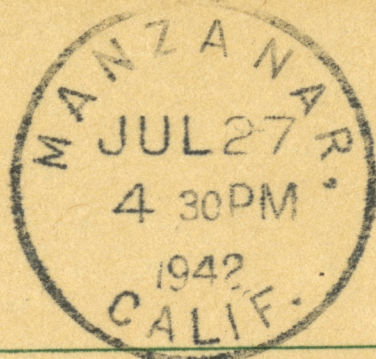

Sorry I took so long  
to let you know that  
I received my watch  
last Tuesday. Thanks  
a million for all the  
trouble you went to for  
me. The watch repair  
cost was about what I  
expected to have to pay,  
and it is been paid already.  
In return for the insurance  
you had to pay, I'm planning  
to send you a subscription to  
our "Manzanar Free Press". I  
hope you'll enjoy it.

Sincerely,  
Minks
