COMMENCEMENT

Special Collections-Library
California State University, Fullerton

FROM THE PRESIDENT

It is with sincere pleasure that I welcome you to California State University, Fullerton for our 1985 annual commencement. Commencement is a very special time for degree candidates, their families and friends, and the campus community; we are delighted we can share the experience with you.

During the six individualized ceremonies on June 1-2, the University honors some 5,000 undergraduate and graduate students who completed degree requirements in January or who expect to do so in June or August. It is fitting that recognition of their accomplishments should be in your presence, for as professors, relatives, or friends you have participated in a variety of ways in helping the students attain their academic goals. The candidates for graduation are the proud products of our academic enterprise. We hope that they forever will be inquisitive, eager and life-long learners.

On behalf of all of us at Fullerton, I offer hearty congratulations to the class of 1985 upon reaching this educational milestone. May they have continuing success in all of their future endeavors.

Jewel Plummer Cobb
President
California State University, Fullerton

FROM THE ALUMNI

Congratulations! Today marks the culmination of long and hard efforts. As a graduate of California State University, Fullerton, you join over 50,000 other alumni of the University.

Your education has provided you with a foundation for the rest of your life. Both your personal and professional activities will reflect your past successes at CSUF. I hope you will energetically and enthusiastically involve yourself in the Conference of CSUF Alumni. You are automatically a member as you graduate.

As President of the Conference of CSUF Alumni I wish you the greatest success!

A. Terrance Dickens ('67)
President
Conference of CSUF Alumni

EXPLANATORY NOTES

LIST OF CANDIDATES: Students eligible to participate in the 1985 commencement exercises are January 1985 graduates and June 1985 and August 1985 candidates who filed for graduation prior to the announced deadlines.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade-point averages follow: Honors, 3.5 to 3.74; High Honors, 3.75 to 3.89; Highest Honors, 3.90 to 4.00. Program notations indicating achievement of these awards are based on the students' records at the end of the fall 1984 semester. Official award of appropriate diplomas and recognition of honors achieved (which are indicated on the diplomas as appropriate) are contingent upon the candidates having met all University requirements and related criteria.

PRESIDENT'S SCHOLARS: Students who are President's Scholars are noted in the list of candidates. This program to recognize academic and extracurricular excellence is sponsored by the President's Associates.

PHI KAPPA PHI: Among those participating in commencement exercises are students wearing a white ribbon with a zigzag design. These students have been elected to membership in the Honor Society of Phi Kappa Phi, a national organization founded in 1897. Students are selected for membership from all of the recognized academic disciplines based on records of outstanding scholarly achievement.

THE CONSORTIUM OF THE CALIFORNIA STATE UNIVERSITY: The Consortium is a separate, fully accredited degree-granting entity of The California State University that draws on the resources of the 19 campuses to offer external statewide and regional degree, certificate and teaching credential programs.

PHOTOGRAPHY: The Conference of CSUF Alumni has arranged for a commercial firm to photograph each graduate at the moment he or she crosses the platform. Graduates are informed before their exercise of how to receive a proof without obligation and how to order prints. While guests may take photographs during the ceremonies, in the interest of decorum they are not allowed between the seating area and the platform.

RECEPTIONS/FOOD SERVICE: Receptions will follow several of the exercises and feature complimentary refreshments. For persons desiring to purchase food or beverages, the snack bar in the University Center will operate from 11 a.m.-7 p.m., June 1-2.

SMOKING: Please, no smoking during the exercises.

EMERGENCIES: Personnel from the Student Health Center and the University Public Safety Department will be on duty to provide aid in the event of emergencies. The emergency phone number is 773-3333.

REGALIA

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of head-dress. United States universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. Light blue gowns are worn by candidates for associate degrees in terminal technical curriculums. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and trimmed with three bars of the same material across the sleeves — or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

THE CAP: The standard cap is the mortarboard, usually the color of the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctoral caps have gold tassels.

TRIMMINGS: Color trimmings on doctoral gowns and hoods indicate the following: light blue, Doctor of Education; dark blue, Philosophy; white, Letters; brown, Fine Arts; golden yellow, Science; purple, Laws; pink, Music; green, Medicine; scarlet, Divinity; crimson, Humane Letters; and light coffee (drab), Business Education.

THE MACE: The mace, first used in 1975, and the mace holder, first used in 1979, were designed especially for Cal State Fullerton by John L. Berg, who earned his Bachelor of Arts in Communications in 1973 and Master of Arts in Art in 1976. The design of the mace reflects the University's architecture, colors (blue and white) and location — the site of the first commercially grown valencia orange grove. The stem is of cocobolo, a wood orange in color, while the University's colors are represented through the use of ivory and niello. At the top of the mace is the University seal.

PRESIDENT'S MEDALLION: The medallion worn by the President at commencement was commissioned in 1983 by the Friends of the State University and created by Frank E. Cummings III, associate dean of the School of the Arts who earned his Master of Arts in Art from the University.

ACKNOWLEDGMENTS

Commencement Steering Committee: Marlys K. Rietman (Chair), Judi Anderson, Ronald Andris, David D. Baird, Robert Baker, Dennis F. Berg, Janis M. Blake, Charles B. Blanton, Stanley Blood, Charles W. Buck, Daniel Burns, Martin E. Carbone, Michael H. Clapp, Mike Conley, Michael Dufour, William D. Huffman, Jerry J. SCHOOL OF MATHEMATICS, SCIENCE AND ENGINEERING

JUNE 1, 1985

7:30 P.M.

GREEN ADJOINING THE PERFORMING ARTS CENTER

PROCESSIONALBrass Ensemble
(Faculty Marshal: Mark H. Shapiro, Professor of Physics)Edmund Williams, Conductor

WELCOMEMark H. Shapiro

CULMINATION OF THE 25TH ANNIVERSARY YEARJewel Plummer Cobb
President

HONORING THE PASTMiles D. McCarthy
Coordinator of Health Professions and Professor of Biology, Emeritus

BRIDGING THE PAST AND FUTURESusan Arena
School of Mathematics, Science and Engineering Council of Alumni Representative

CREATING THE FUTUREA. James Diefenderfer
Dean, School of Mathematics, Science and Engineering

RECOGNITION OF AWARDSJewel Plummer Cobb

RECOGNITION OF HONORS STUDENTSJack W. Coleman
Vice President for Academic Affairs

EXPLANATION OF ACADEMIC REGALIADennis F. Berg
Associate Vice President Academic Programs and Dean of Graduate Studies

PRESENTATION OF DEGREE GRADUATES AND CANDIDATESA. James Diefenderfer

Steven N. Murray, Biological Science
Robert C. Belloli, Chemistry
Morteza Anvari, Computer Science
Mahadeva S. Venkatesan, Civil Engineering/
Engineering Mechanics
Mohinder S. Grewal, Electrical Engineering

James Rizza, Mechanical Engineering
John A. Ryan, Geological Sciences
James O. Friel, Mathematics
Dorothy S. Woolum, Physics
Gaylen R. Carlson, Science Education

CONFERRING OF DEGREESJewel Plummer Cobb

RECESSIONALBrass Ensemble

A reception south of the Commons will follow.
