Dear Jane:

We are pleased to inform you that the Selection Committee has recommended that you be one of the 174 voting members of the Delegation which Attorney General Lynch will head to the 1968 Democratic Presidential Convention.

In order to qualify the Delegation, each member must fill out the enclosed "Affidavit of Candidate for Delegate". It must be returned to us immediately so we can know of your acceptance and in order that all Affidavits can be filed on the required date of March 4, 1968.

While the Delegation is technically uncommitted, it will, and all members are expected to, support President Johnson.

We estimate that it will cost each Delegate approximately \$750 to attend the Convention, including delegate fees, transportation, lodging, and so forth.

If for any reason you are unable or unwilling to serve, please telephone; otherwise, we will expect your Affidavit by return mail.

Sincerely,

Charles Warren
Chairman, Selection Committee

P.S. Your signed Affidavit of Candidacy has been received. Therefore, no blank affidavits are enclosed with this letter. Thank you for your prompt response to our earlier request.

C.W.
