

PROBATION

A student will be placed on probation if either his grade-point average based on total units attempted at all colleges is below a 2.0 (C average) or his grade-point average based on all units attempted at CSUF is below a 2.0 average or if he fails to earn at least twice as many progress points as all units attempted during that semester. A student will be continued on probation until both his over-all and his CSUF grade-point average are 2.0 or better, or until he is disqualified under one of the provisions of the disqualification regulations.

A student may be placed on Administrative-Academic probation for withdrawal from a substantial portion of a program in two successive terms or in any three terms; for repeated failure to progress toward a degree; or for failure to comply with an academic requirement or regulation which is routine for all students or for a defined group of students.

DISQUALIFICATION

A student will be disqualified under the following provisions: (a) if he fails to earn at least twice as many progress points as all units attempted during a semester while on probation; (b) if he is admitted on probation and fails to meet the conditions established at the time of his admission; (c) if he has a cumulative deficiency on either his overall or CSUF record equal to or greater than that indicated below.

<i>Freshmen, Sophomores</i> (0-59 units completed):	15 grade-point deficiency
<i>Juniors</i> (60-89 units completed):	9 grade-point deficiency
<i>Seniors</i> (90 or more units completed):	6 grade-point deficiency
<i>Graduates</i> (all students):	6 grade-point deficiency on post-baccalaureate units

A student who has been placed on Administrative-Academic probation may be disqualified if he fails to meet the conditions for removal of the probation; becomes subject to academic probation while on Administrative-Academic probation; or again becomes subject to Administrative-Academic probation for the same or similar reasons.

READMISSION OF DISQUALIFIED STUDENTS

A student disqualified from CSUF may be readmitted for a regular semester only by special action and if the facts in the case seem in the opinion of the appropriate university authorities to warrant such action. A disqualified student may enroll for summer session or extension classes without readmission.

Disqualified students wishing readmission must submit a Readmission Petition. Upper division students must also schedule an interview with their departmental adviser and request that an "Upper Division Student Readmission Recommendation" form be forwarded to the Admissions Office.

Former CSUF students returning to the campus must submit an application for readmission in addition to the appropriate petitions and recommendations.

A disqualified student should schedule his readmission interview with the Admissions Officer or his academic department no later than two weeks before registration for the semester he wishes to return to CSUF.

TRANSCRIPTS AND REPORTS

Transcript of Record. Students may request transcripts of their academic records at CSUF with the payment in advance of a \$1.00 fee. CSUF Extension transcripts must be requested separately. Because of the large number of transcripts requested at the end of each semester and summer session, three weeks should be allowed for requests to be filled during those periods. After the Records Office has been notified of overdue student accounts, transcripts will not be provided without clearance from the Business Office. Transcripts of record from other institutions submitted to this institution will not be returned to the student.

Reports to Students. An enrollment report is made available to the students by the Student Records Office and at the end of the semester final grade reports are mailed to the students at the address given at registration.
