Dear John:

I am writing to ask for your support in my election campaign in the 36th Assembly District in Ventura County. As you know, Ken MacDonald has decided not to seek reelection, and I am running for his seat in the Assembly. See the enclosed article in the California Journal about my prospects for victory.

To date the progress of my campaign has been extremely encouraging. I have had three successful events at which Edmund G. "Pat" Brown, Sr., Mayor Tom Bradley, Leona Egeland, and Joe Montoya have appeared on behalf of my candidacy. My campaign organization has successfully identified consistent Democratic voters in my district, and we are targeting our campaign efforts for an effective election day operation. I have received the endorsement of several state and local organizations such as the California Federation of Teachers, the United Auto Workers, the Business and Professional Women's clubs and Women For.

I expect to win the Primary without too many problems, except for the cost. The district is 54.6 Demo to 39.5 Rep now. The Republican candidate is an unknown attorney. I would appreciate any help that you can give to my campaign.

Sincerely,

Jane Tolmach
