

Dear Patricia: January 28, 1966

Just because you're you, and
because I always have reserved a
special place in my heart for you,
I thought that you'd appreciate
these candles now, instead of
my waiting for some special
occasion to give them to you.
So take them now, enjoy them

and think of me as you burn
them, as I'll think of you
whenever I burn the ones I have.

I'll never forget the candle
you brought to me at the
hospital, nor your faithful-
ness in calling on me. You
were busy at school but none-
the less you found the time to
come and see me day after day.
Love Carl.
