

CSU Channel Islands  
**Curriculum Committee Minutes**  
**September 20, 2010 - Sage Hall 2030**  
**9:30am to 11:00am**

Attendees:	Ellie Tayag Merilyn Buchanan Jose Alamillo Jaye Smith	Phil Hampton Kathy Musashi Luke Matjas	Janet Rizzoli
Absent:			
Guests:			

1. Minutes – amendment to formatting, otherwise, approved by consensus.
2. Deadlines, general information on updating references – Phil agreed to meet with the Chairs and remind them about deadlines and updating references when they put forth course modifications..
3. GE Representative will be Luke Matjas. If there is a tie, then Geoff Buhl will be called in to make the tie break.
4. Student Petitions for Exceptions. None were discussed.
5. Place item 12 at beginning of the course form so reviewers know what to look for on course reviews.
6. Janet and Kathy will find model program that formats all course requirements clearly. Try to make uniform all programs for the catalog.
7. Course and Program Reviews

The following courses, programs or items were approved:

- |   |  |
|---|--|
| • Nursing Program Mod                           | Mod                                    |
| • COMP 151 Data Structures and Program Design   | Mod                                    |
| • COMP 232 Programming Languages                | Mod                                    |
| • COMP 350 Software Engineering                 | Mod                                    |
| • COMP 351 Distributed Computing                | Mod                                    |
| • COMP 362 Operating Systems                    | Mod                                    |
| • COMP 420 Database Theory and Design           | Mod                                    |
| • COMP 421 Unix for Programmers                 | Mod                                    |
| • COMP 424 Computer Systems Security            | Mod                                    |
| • COMP 425 Computer Game Programming            | Mod                                    |
| • COMP 429 Computer Networks                    | Mod                                    |
| • COMP 451 Advanced Object Oriented Programming | Mod                                    |
| • COMP 454 Automata, Languages and Computation  | Mod                                    |
| • COMP 491 Capstone Preparation                 | Mod                                    |
| • COMP 492 Internship                           | Mod                                    |
| • COMP 494 Independent Research                 | Mod                                    |
| • COMP 497 Directed Studies                     | Mod                                    |
| • Liberal Studies Issues                        | 10:30 possible for A McNeill next week |

The following was deferred for more information:

- Nursing Program Modification (ask Karen to attend next meeting)

8. Next Meeting Time: September 27, 2010
