# Welcome!

On behalf of the entire Cal Poly community, a warmest welcome to our 1996 Open House and San Luis Obispo. Today's event is the culmination and result of endless hours of dedication and effort by numerous students, faculty, staff, and administrators.

While you stroll the beautiful campus we call home, we hope that you will take time and visit the over 150 student club booths and displays as well as the numerous college and departmental exhibits. Take a moment and use your **imagination** as you are introduced to all the fantastic educational opportunities and experiences that exist at Cal Poly; *explore* the depths of our buildings, laboratories, units, and other facilities to see where the great minds of Cal Poly truly practice the 'learn by doing' creed; and set aside time to *celebrate* everything that is good about this fine academic institution and the community in which it resides.

Whether you are an alum, a parent, a member of the community, or a friend of the university, we hope that your day is both entertaining, educational, and festive as Cal Poly showcases its greatness and excellence.

*Creighton Ayler* *Duane Banderob*

## Main Stage Schedule

Time	Event
9:35	Opening Ceremonies
10:00	Cheerleaders
10:15	Tae Kwon Do
11:00	Alpha Psi Omega
11:30	Mariachi Band
12:30	Indian Students Association
1:00	Group Folklorico
2:00	Vietnamese Students Association
2:30	Ballet Folklorico
3:00	Street Corner Symphony
3:30	Studies in Old & New Testament

### The Open House Loop

Please follow the "Loop" signs throughout the campus to help you see everything that is offered at Open House. All club booths & exhibits are located on the Loop and it also provides easy accessibility to the colleges and departments. Start your journey anywhere, and guaranteed – when you return you will have seen it all!

Parents and children – underlined clubs are sponsoring educational contests for children of all ages.
