Dearest Patricia:

I went out to the K + W Sewing Machine Center (917 N 13th) & asked if I would still be entitled to the discount (\$120.) on a Necchi sewing machine. The lady in charge a Mrs. Shepard, said her company couldn't say but she was pretty sure the Wenes Sales Co. who put out the bid I got would grant it in view of my being delayed by the trip to Washington & delay in return due to the Airlines strike.

She said her chances of getting Wenes to agree would be better if I could bring you out & let you select the model of Necchi that you'd like. She says you can have any sewing machine "head" that appeals to you - on a portable machine. There are six or so Necchi models to choose from. Mrs. Shepard also said the sooner you could make a

choice, the better chance she'd have of
getting a time extension.

Some of this probably is just sales
talk but I was in no position to
argue the conditions because she
could just turn me down flat
if she chose.
