This memorandum will serve to inform the Academic Senate that the Academic Policy & Planning Committee moved to approve your consideration of the following modifications to APM 415 at our 2/8/18 meeting.

MSC: To abolish APM 415 due to its superfluity and invalidity.

A diligent review of possible student concerns and the recommended response (see "Student Concerns Table" and "2011 Faculty Handbook Faculty Responsibilities") found APM 415 to be superfluous. The policy is out of date in that the Dispute Board no longer exists and federal laws have superseded many of the areas the policy addresses. For example, a Title IX dispute about a Protected Category must be covered in a certain way, not by a faculty board.
