POST CARD

Dear Patricia: I had a
day today, hence the
card instead of a letter.
Did sea life with Edie till 12:15
while he talked I hunted the
critters that weren't obvious.
Didn't find all but got a lot
of exercise balancing & teeter
ing on rocks. Tomorrow PM I
have an insect trail. Tonight
I started the folk dances.
This PM I scouted my trail
for tomorrow. Tom & all goes
well with you. Wed. we all go to
Pt. Lobos as when you were here.
as always - Carl.
