

## SCHOLARSHIP STATUS

### SATISFACTORY SCHOLARSHIP

Effective September 1, 1965, uniform state-wide minimum standards for probation and disqualification were adopted pursuant to Section 41300 of *Title 5, Education, of the California Administrative Code*. All students, new, returning and continuing, will be held to these standards.

Satisfactory scholarship means at least a C average (2.0 grade-point average or twice as many grade points as units attempted). A student is considered in good standing if he is not on probation or disqualified. See *Degrees and Credentials—Scholarship Requirements*.

### PROBATION

A student will be placed on probation if either his grade-point average based on total units attempted at all colleges is below a 2.0 (C average) or his grade-point average based on all units attempted at Fresno State College is below a C average. A student will be continued on probation until both his over-all and his Fresno State College grade-point average are 2.0 or better, or until he is disqualified under one of the provisions of the disqualification regulations.

### DISQUALIFICATION

A student will be disqualified under either of the following provisions: (a) if he is admitted on probation and fails to meet the conditions established at the time of his admission; (b) if he has a cumulative deficiency on either his overall or Fresno State College record equal to or greater than that indicated below.

<i>Freshmen, Sophomores</i> (0-59 units completed):	15 grade-point deficiency
<i>Juniors</i> (60-89 units completed):	9 grade-point deficiency
<i>Seniors</i> (90 or more units completed):	6 grade-point deficiency
<i>Graduates</i> (all students):	6 grade-point deficiency
	on post-baccalaureate units

See also *School of Graduate Studies*.

### READMISSION

A student disqualified from Fresno State College may be readmitted for a regular semester only by special action and if the facts in the case seem in the opinion of the appropriate college authorities to warrant such action. A disqualified student may enroll for summer session or extension classes without readmission. Ordinarily consideration for readmission will not be given unless a semester has elapsed since the disqualification. Deadlines for consideration for readmission are established in advance for each semester; exceptions to these deadlines will not be made. Reconsideration for readmission will, except in very few cases, require that a student arrange a personal interview with a member of the admissions staff. A former student who has obtained upper division status will normally be required to obtain a statement from the school or department of his major preceding an interview. A student who has been disqualified more than once may not be readmitted except under the most unusual circumstances.

## TRANSCRIPTS AND REPORTS

*Transcript of Record.* One official transcript of his record at Fresno State College is furnished each student free of charge. Each additional copy requires a fee of \$1 paid in advance. Because of the large number of transcripts requested at the end of each semester and summer session, three weeks should be allowed for requests to be filled during those periods. After the Records Office has been notified of overdue student accounts, transcripts will not be provided without clearance from the Business Office.
