

## The California Guaranteed Student Loan Program

The California Guaranteed Student Loan Program enables students with financial need to secure loans for the payment of educational expenses. Available to undergraduates and graduates, the CGSL is a federally-subsidized (and insured) program, offered in conjunction with the California Student Aid Commission, through California banks and lending institutions (banks, credit unions, savings and loan associations, etc.). Undergraduates who qualify may borrow up to \$2,625 per year (as freshmen or sophomores) or \$4,000 per year (as juniors or seniors), up to a \$17,250 maximum. Graduate students who qualify may borrow up to \$7,500 per year, to a \$54,750 maximum (includes indebtedness incurred as an undergraduate). Simple interest, at the rate of seven to nine percent per annum, is charged on loans for students who have previous outstanding loans at seven to nine percent per annum, and eight percent is charged for all new loans. Repayment for eight-percent loans begins six to nine months after students graduate, leave school or cease attending at least half-time. (Since interest rates, repayment periods, etc. have changed frequently, the student is advised to contact the Financial Aid Office for more precise information.) The federal government will pay the interest until the student borrower enters the loan repayment period. Applications may be obtained from the Financial Aid Office.

## Non-Need-Based Financial Aid Programs

The following non-need-based financial aid programs are administered by the California State University, Fresno Financial Aid Office.

### California State University, Fresno Institutional Scholarships.

Each year over 800 students are awarded Institutional Scholarships totaling more than \$400,000. The majority of the scholarships, ranging from \$100 to \$1,500, are awarded on the basis of merit to both undergraduate and graduate students. Although requirements for specific scholarships vary, most scholarships require academic achievement or potential, plus a demonstration of the students' commitment to their school, community or society. Financial need may be a factor, but is seldom the exclusive factor. Applications must be submitted before February 1, 1988. The CSUF Scholarship Application is available in Room 298, Joyal Administration Building.

### Supplemental Loan for Parents (PLUS); Supplemental

**Loan for Students (SLS)** The PLUS/SLS Program was initiated to provide assistance to parents or students who are either ineligible for other aid programs, or do not demonstrate financial need as determined by the government formula. Parents may borrow up to \$4,000 per year, to a total of \$20,000 for each dependent child enrolled at least half-time. Graduate students and independent undergraduates may borrow up to \$4,000 per year, to a total of \$20,000.
