Attention: Mr. Paul Wolven, City Manager

Dear Mr. Wolven:

Oxnard Cablevision has been asked by a group of local citizens to provide air-time in which to discuss the upcoming petition to change the present rotation system for electing the Mayor to a popular vote system. Mr. William Hamilton and Mr. William Heckendorn will be the spokesmen for the group that wishes to change the present system.

Cablevision will make time available to this group, but in keeping with the equal time provision as set forth by FCC rules, we would like to present the view of the citizens wishing to keep the present rotation system. I would like to know if your office could suggest someone to represent the view of the current system.

We currently plan to air the program Wednesday, May 16th, at 7:30 P.M. The format has not been selected as of this time and I would be interested in your thoughts with regard to the format.

Thank you for your consideration on this matter.

Very truly yours,

Ronald D. Murray
